[Meeting, Convention, and Event Planning, Certificate Program \(Curriculum Code No. 3172\)](#): This certificate program has been deactivated.

[Music, Associate of Music \(Curriculum Code No. 1019\)](#): The program's goals have been updated:

"The Music major, which is designed to prepare students for transfer in Music to four-year institutions, is a curriculum that culminates in an Associate of Music degree. Numerous courses in the program fulfill

Core Curriculum requirements for general students, and students enrolled in other majors are encouraged to participate in any course or performing ensemble for which they qualify.

Graduates of this program are able to:

- perform musical repertoire in both solo and ensemble environments;
- analyze in both written and aural formats the historical forms, styles, genres, and compositional techniques of varied musical repertoire;
- analyze diatonic and chromatic harmonies;
- construct diatonic and chromatic harmonies;
- sight-sing melodies;
- notate musical dictation; and
- employ music technology productively in both practical and creative contexts.”

SECTION 3: COURSE DESCRIPTIONS
