SECTION 1: INTRODUCTION TO BUCKS

College Calendar

Bucks County Community College's academic calendar is available each year in printed form in semester schedules and on the college website: https://www.bucks.edu/calendarnews/academiccalendar/.

Students are responsible for meeting college deadlines including all academic deadlines and financial obligations.

This catalog is designed to provide you with the information you need to plan your educational experience at Bucks. The official version is posted at https://www.bucks.edu/catalog/. Bucks County Community College reserves the right to change the regulations, fees, and other information contained in this publication at any time without prior notice.

Section 1: Introduction to Bucks

The President's Welcome

Welcome to Bucks County Community College. I invite you to explore our website to learn more about our mission and vision, our academic programs, and our extensive training programs.

At Bucks, our top priority is ensuring your success. Whether you plan to transfer, earn an associate degree, or learn new skills, our faculty and staff are here to help you get started, stay on track, and meet your educational goals.

For more than 50 years, the college has served our community by providing a first-rate education at an affordable price. Whether you are a prospective or continuing student, or a business looking for training, we are here to help you succeed.

I invite you to visit one of our three campuses: our original campus in Newtown, our Lower Bucks Campus in Bristol, or our Upper Bucks Campus in Perkasie. You will discover wonderful facilities, and vibrant campus life to enhance your learning experiences. Top quality online classes via our Virtual Campus provide you with additional scheduling flexibility.

You will discover that Bucks County Community College is a great place to learn, to return, to grow, to succeed. We welcome you!

Regards,

Stephanie Shanblatt, Ph.D.

President

Dr. Shanblatt's Bio

Dr. Stephanie Shanblatt, President

Dr. Stephanie Shanblatt joined the college on October 1, 2012. She is the fourth president of Bucks County Community College in the college's 50-year history.

Prior to coming to Bucks, Dr. Shanblatt served for 13 years in leadership roles at Lansing Community College (LCC) in Michigan, the last three years as Provost and Senior Vice President of Academic Affairs.

Prior to joining LCC, she spent several years conducting molecular biological research at Michigan State University; she has published her research findings in several journals.

Dr. Shanblatt serves on the Bucks County Workforce Development Board and the Board of Directors of the Bucks County Health Improvement Partnership.

Dr. Shanblatt earned her Ph.D. in Biochemistry at the University of Pittsburgh's School of Medicine and her B.S. in Chemistry from the same university.

Campuses

Bucks County Community College offers a wide range of academic programs, services, and facilities right in your neighborhood. Classes are held at our beautiful 200-acre campus in Newtown, our Lower Bucks Campus in Bristol, and our Upper Bucks Campus in Perkasie.

What's more, our Virtual Campus allows you to take courses online. Non-credit continuing education opportunities, including workforce development training, are available as well. With all these convenient and affordable options, it's clear that Bucks is "where to learn, where to return."

Take a virtual tour of our three campuses and explore all that Bucks has to offer! https://www.bucks.edu/catalog/intro/campuses/

Newtown Campus
275 Swamp Road
Newtown, PA 18940
215-968-8000

- Campus Map: https://www.bucks.edu/campus/newtown/campusmap/

- Directions: https://www.bucks.edu/campus/newtown/

- Virtual Tour: https://www.youvisit.com/tour/bucks

- Nearly 80 programs of study available, including two-year associate degrees and shorter-term certificates, plus continuing education and business and industry training

- Facilities include library, computer labs, science labs, teleconference center, art studios and workshops, kitchens, TV studios, Zlock Performing Arts Center, Fitness Center, indoor pool, and gymnasium

- Located adjacent to Tyler State Park, minutes from Interstate 95

Gene and Marlene Epstein Campus at Lower Bucks
1304 Veterans Highway (formerly New Rodgers Road)
Bristol, PA 19007
267-685-4800
Executive Director: James Sell

- Campus Website: https://www.bucks.edu/campus/lbc/

- Directions: https://www.bucks.edu/campus/lbc/

- Virtual Tour: https://www.youvisit.com/tour/bucks

- Students can complete associate degree programs in Business Administration, Criminal Justice, Liberal Arts-General Emphasis, and Radiography, plus certificate programs in Phlebotomy and Medical Lab Technician. Students may also take a variety of continuing

education and workforce development courses for personal enrichment (example: art studio courses) or professional development (example: Microsoft software training through our IT Academy).

- The environmentally friendly campus includes classrooms, computer labs, allied health, and STEM laboratories, a library, an art studio, and an art gallery.

- Conveniently located on 14 acres near the Delhaas Woods on Veterans Highway, Route 413, near Interstate 95.

Upper Bucks Campus

One Hillendale Road
Perkasie, PA 18944
215-258-7700
Executive Director: Rodney Altemose

- Campus Website: https://www.bucks.edu/campus/ubc/

- Directions: https://www.bucks.edu/campus/ubc/

- Virtual Tour: https://www.youvisit.com/tour/bucks

- Students can complete associate degree programs in Business Administration, Communication Studies, Education, Health Sciences and Liberal Arts-General Emphasis, plus Practical Nursing, a certificate program in Phlebotomy, continuing and workforce education

- Facilities include the Fickes Art Center, Penn Color Library, a science lab, an allied health lab, and computer labs in two expanded state-of-the-art buildings

- Located on 14 acres in East Rockhill Township, convenient to Quakertown and Doylestown

Bucks Online
bucks.edu/online
215-968-8052
Associate Dean: Georglyn Davidson

- Campus Website: https://www.bucks.edu/bucks-online/

- More than 300 eLearning and Hybrid credit courses offered in a variety of sessions ranging from 4 to 15 weeks.
- 21 degrees and 7 certificates are available fully online; about 20 are available 80% or more online.

- You experience the same excellent professors and small class size that you find in our traditional face-to-face classes.

- All courses are facilitated by an instructor and are interactive.

- Detailed course information is available at https://www.bucks.edu/bucks-online/offerings/.

Off-Campus Locations

Advanced Manufacturing Training Center
Bridge Business Center
310 George Patterson Blvd., Suite 108

2912 River Rd.
Croydon, PA 19021

Vision, Mission, Values and Goals

Our Vision

We envision Bucks County Community College as a vibrant center for community engagement and learning, providing innovative paths that inspire educational, career, and personal fulfillment.

Our Mission

Bucks County Community College provides a diverse community of learners with exemplary, accessible educational opportunities and the personal connections that foster success.

To support our mission, we:

- Engage and support students in learning experiences that lead to academic excellence and provide a foundation for the pursuit of higher degrees and lifelong learning.
- Empower students with the skills and credentials to secure employment in their fields and the capability to adapt and respond to the changing needs of tomorrow's workplace.
- Develop the critical thinking skills, broad-based knowledge, and the social, ethical, and civic responsibility of our students.
- Enrich the intellectual, cultural, and recreational life of the community.

Our Core Values
We value:

- a culture of learning that fosters continuous improvement
- excellence in teaching and service to students
- respect for the individual
- open-minded civil discourse
- diversity and an understanding of world cultures
- innovation and creativity
- collaboration
- responsible stewardship of resources
- ability to adapt to change
- service to the community

Accreditations and Approvals

Bucks County Community College is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104, 267-284-5000. The Commission on Higher Education is an institutional accrediting agency recognized by the U. S. Secretary of Education and the Commission on Postsecondary Accreditation.

In addition, **Bucks County Community College** is an accredited institutional member of:

The National Association of Schools of Music (NASM) 11250 Roger Bacon Drive, Suite 21 Reston, Virginia 21090-5248; and

The National Association of Schools of Art and Design (NASAD) 11250 Roger Bacon Drive, Suite 21 Reston, Virginia 21090-5248.

The **Business + Innovation** department Associates degree programs of Business Administration, Management/Marketing, Small Business and Entrepreneurship and Paralegal are accredited by the Association of Collegiate Business Schools and Programs (ACBSP), 11520 West 119th Street Overland Park, KS 66213.

The **Paralegal** Associates degree and certificate programs are approved by the American Bar Association (ABA), 321 N. Clark Street, 19th Floor Chicago, IL 60654-7598.

Associate Degree Nursing is accredited by the Accreditation Commission for Education in Nursing, Inc., (ACEN) 3343 Peachtree Road NE, Suite 850 Atlanta, Georgia.

The Practical Nursing Program is approved by the Commonwealth of Pennsylvania State Board of Nursing PA Department of State Bureau of Professional & Occupational Affairs Penn Center 2601 North Third Street Harrisburg, PA 17110.

The **Radiography** program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT) 20 N. Wacker Drive, Suite 2850 Chicago, IL 60606-3182.

The Associates in **Fire Science** degree program is recognized by the Fire and Emergency Services Higher Education (FESHE) and National Fire Academy (NFA) as a collegiate emergency service degree program through the United State Fire Administration, 16825 S. Seton Ave, Emmitsburg, MD 21727.

The **Medical Laboratory Technician** program is accredited by the National Accrediting Agency for Clinical Laboratory Science (NAACLS), 5600 N. River Rd, Suite 720 Rosemont IL 60018-5119,

Eligibility standards for our athletic programs are set by the Eastern Pennsylvania Athletic Conference (EPAC), Region XIX of the National Junior College Athletic Association (NJCAA), the National Junior College Athletic Association (NJCAA) National Office, and the Intercollegiate Horse Shows Association (IHSA).

The College is approved for Veterans Education by the Department of Education of the Commonwealth.

Our Educational Program

Bucks County Community College combines traditional and academic disciplines with flexible educational programs preparing students for a future of technological and social change.

Education at Bucks County Community College provides:
* quality instruction offered by a highly competent faculty;
* courses which develop students' abilities to think and write critically and to compute with proficiency and confidence;
* facilities and resources that reflect the latest technology;
* a variety of educational offerings: credit and non-credit courses, workshops, lecture series, and special events;
* a program of assessment which places students in courses consistent with their abilities;
* student services, such as counseling, financial aid, and job placement, which help students to reach personal goals;
* a community of students of diverse ages and experience;
* a center for community services and cultural activities;
* an environment which encourages lifelong intellectual development.

A Definition of an Educated Person
A Statement from the Faculty

Education can help us live more complete and meaningful lives by nurturing essential values and skills. By valuing uniqueness and diversity, we accept our responsibility for their protection. By valuing open-minded inquiry, we may accept that, while we can seek certainties, perspectives may be the best we can gain. By valuing growth as a lifelong process and recognizing change as inevitable, we may work towards goals whose fruition may lie beyond our lifetime. By valuing the ability to analyze and make reasoned judgments, we may gain insights into ourselves and our world and a greater understanding of the interdependency of all things. By valuing the ability to communicate, we may give expression to our vision of the world where people can work cooperatively to improve their environment and the condition of their lives.

We believe that the curriculum of Bucks County Community College must endeavor to nurture such values and foster such skills. It must seek to empower its students by making them aware of the influences that affect their lives and confident of their ability to effect change in their lives and in the world. It must help them to make connections among disciplines, help them develop an integrated view of knowledge, and help them recognize that their use of knowledge always carries consequences, as well as moral and ethical responsibilities.

History

About the College

Bucks County Community College was founded in 1964 as the first public two-year college in the county. Sponsored by the County of Bucks under provisions of Pennsylvania's Community College Act, the college's first 15-member Board of Trustees was appointed on October 5, 1964, by the County Commissioners.

Three months later, the site of the college was determined when the county acquired 200 acres of the former 2,000-acre Tyler Estate in Newtown Township from Temple University. The estate had been bequeathed to Temple in 1963 by Mrs. Stella Elkins Tyler, a sculptress and patron of the arts who had been a university trustee for 20 years.

Over the years, the Newtown campus continued to grow. In 1968, the first major expansion included construction of Founders Hall, the Library (Pemberton Hall), the Gymnasium and pool, and the Student Union Building, now named the Charles E. Rollins Center in honor of the college's founding president.

The 1972 expansion included construction of Penn Hall, a new Library, including an audio-visual center, an auditorium and two television studios; conversion of the original Library into Pemberton Hall; and conversion of a carriage-style garage into the Hicks Art Center. A fine woodworking studio was added to the Hicks Art Center in 1980. In 1994, the Music and Multimedia Center was constructed for the college's music and communication students. The 3D Arts building opened in 2002, providing extensive modern facilities for sculpture, ceramics, and glassblowing programs, which had been housed in the Art Barn on the east end of campus.

The Early Learning Center, a childcare center for children of students and staff, opened in 1973 and moved to its own building behind Founders Hall in 1987. The Gateway Center, which houses science labs, a teleconference center and computer classrooms, was constructed in 1999, expanding the Library. A new home for the Fitness Center, adjacent to the gym, was added in 2002. The Allied Health building, adjacent to the Music and Multimedia Center, opened in 2006 to house the College's Practical Nursing, Radiography, and other Allied Health programs.

Extensive renovations of the Newtown campus continued, including the addition of the 9,000-square foot Linksz Pavilion in 2012, dedicated to Dr. James Linksz, the college's second president. Bucks also added a 38,000-square foot Science Center 2017 and a state-of-the-art Culinary Lab to provide more classrooms and laboratories. A complete renovation of Founders Hall provided new laboratories and classrooms for the STEM (Science, Technology, Engineering, and Mathematics) and Health Sciences departments. In addition, the Advising and Transfer Center, along with Career Services, can be found in newly renovated spaces on the lower level of the Rollins Center, providing students with easier access to the advice they need to launch their academic and professional careers.

To better serve the needs of the entire county, the college opened a 55,000-square-foot Lower Bucks Campus in 2007, complete with science labs, classrooms, and meeting rooms. The facility replaced the Bristol Center, which opened in 1989 in a nearby office park. Meanwhile, the Upper Bucks Campus in Perkasie, which first opened in 1999, completed a 26,000 square-foot expansion in 2010.

BCCC Foundation

The Bucks County Community College Foundation was established in 1982 as a non-profit educational trust under Section 501(c)(3) of the Internal Revenue Code to provide expanded resources for the growth and development of Bucks County Community College.

In its quest to advance the College as a community of excellence, the Foundation proactively approaches the private sector of the Bucks County community to secure financial support and other assistance. This community support enhances the College's ongoing activities and programs as well as initiates new services and programs not adequately funded through traditional sources.

Foundation funds support instructional resources, campus facilities, scholarships and awards, cultural activities and special College projects. The Foundation assists donors in creating the maximum benefit from their gifts, thereby enabling immediate and endowment goals to be enjoyed by both the College and the benefactor.

In addition to soliciting and receiving funds and other gifts on behalf of the College, the Foundation encourages community awareness through special events, such as the annual Tyler Tasting Party and Golf Classic.

The Foundation is administered by an executive director and governed by a board of directors. These volunteers are leaders in business, industry, education, health care, community services and the arts throughout Bucks County. For more information about the Foundation, call 215-968-8224, e-mail: foundation@bucks.edu, or visit the web site at bucks.edu/foundation.

SECTION 2:   MAJORS AND CERTIFICATE PROGRAMS

SECTION 2: MAJORS AND CERTIFICATE PROGRAMS

Enrollment Options and Degree Requirements

All students, upon application for admission to the College, must indicate a major and their intention to seek or not to seek the associate degree. By written notification to the Admissions Office, students may, at any time, change their major or change their status from degree-seeking to non-degree-seeking or vice versa, recognizing that change may require taking more credits or spending more time to fulfill different requirements.

The College's official transcript lists in detail all courses, grades, and credits. In addition, it distinguishes among these options:

Option	Requirements	Reflection on Transcript
Award of Associate of Arts Degree, Associate of Music, Associate of Fine Arts, Associate of Science, or Associate of Applied Science.	See Catalog section on Degree Requirements.	Occupational or Transfer major specified. Satisfaction of both degree and major requirements recorded.
Completion of Major Requirements only.	Varies from major to major. See footnote under the major.	Major specified. Satisfaction of only major requirements recorded. No degree awarded.
Award of a Certificate of Completion.	See Catalog section on Certificate Programs.	Certificate program specified. Satisfaction of certificate requirement recorded. Award of certificate recorded.
Completion of one or more courses.	Course requirements only.	Major specified.

Degree Requirements

Students newly admitted to the College for classes beginning in a fall semester must meet the degree requirements for the associate degree that are effective for the academic year (beginning of fall semester through the end of summer sessions). These requirements also apply to all students who change their major after the start of the fall semester.

All students admitted before the fall semester have the option of completing the associate degree and major requirements that are effective for the new academic year.

Students who enter their major during the current academic year, and who do not change their major or elect to follow a subsequent catalog, have a maximum of 10 years to complete the degree requirements in effect for this academic year. Students who do not complete these requirements by August, 2025, must

follow the degree requirements effective for the 2025 - 2026 academic year.*

Students who entered their major prior to the start of the 2000 fall semester had until the end of the summer session, 2010 to complete degree requirements effective on the date they entered their major. Students who did not complete degree requirements by this time (August, 2010) must follow the degree requirements in effect for the 2013 academic year. *

Students who entered their major between the 2000 through 2006 academic years also have 10 years to complete their degree requirements before those requirements are retired. View a chart detailing academic years and degree completion deadlines: https://www.bucks.edu/catalog/majors/enrollment/degreedeadlines/.

*Please see the section on Deactivated Majors (following).

Revisions in Major
If revisions occur in a major, the College follows the principle that students will not be required to spend more time taking additional credits to complete the revised major or be hindered in their normal progress toward the completion of the major in which they are already enrolled.

Students changing their major to one with revised requirements must meet the new requirements in effect at the time of their entry into that major, regardless of the date of their admission to the College.

Students already enrolled in a major in which revisions occur may elect to follow the revised major. In this case, students assume the responsibility if they must spend more time taking additional credits to complete their requirements.

Deactivated Majors
From time to time, the College finds it necessary to deactivate certain majors. When this occurs, the College makes every effort to notify the students who are currently enrolled in these majors.

Students enrolled in deactivated majors have three (3) academic years to complete degree requirements and graduate before the major becomes obsolete. (This may shorten the 10-year degree completion deadline.) Students who do not graduate by the end of the allotted time must change their major and follow the degree requirements that are in effect at the time.

For a list of inactive majors, please visit bucks.edu/catalog/majors/enrollment/inactivemajors/.

For a list of obsolete majors, please visit bucks.edu/catalog/majors/enrollment/obsoletemajors.

Earning Credits
Credits may be earned by successfully completing a course, by demonstrating an acceptable level of proficiency via credit by examination where available, through credit for life learning experience, advanced placement, transfer of credits, or through other methods which might be developed by the College.

Earning the Associate Degree
The Associate degree will be awarded to each student who has completed these requirements:

- completion of no fewer than sixty semester credit hours;

- completion of one of the associate degree programs;

- a cumulative grade point average of at least 2.00;

- enrollment during the semester the degree is anticipated;

- completion of no fewer than thirty semester credit hours in graded college-level courses at Bucks County Community College. However, individual academic departments may accept course work from a Bucks non-accredited program as internal credits, if there is an existing articulation agreement with the department. In this case, the student must still complete a minimum of fifteen (15) credits in graded courses at Bucks County Community College; and

- fulfillment of all financial and other obligations to the College.

Bucks County Community College awards five degrees, the Associate of Arts, Associate of Music, Associate of Fine Arts, Associate of Science, and Associate of Applied Science.

Students may complete more than one associate degree program or certificate. Please review and follow the guidelines below for completion of a second degree.

- Students may earn only one degree per program/major. For example, a student who graduated and earned an AA degree in Biology cannot receive an AS degree in Biology. A student can earn two degrees with the same degree designation. For example, a student can earn an AA degree in Liberal Arts and an AA degree in Business Administration.
- A second associate degree will require a minimum of 15 credits different from and in addition to those needed to satisfy the first associate degree.
- The second associate degree may use common credits. For example, both Liberal Arts: General Emphasis and Communication Studies programs require COMM110 and COMP110. If a student earned the Liberal Arts: General Emphasis degree and is now in the Communication Studies degree program, Communication Studies will use the previously completed COMM110 and COMP110.
- Course substitutions in the new/second degree program that are requested in order to allow use of previously completed credits will be allowed only in unusual circumstances, and only with special permission of the Department Dean and the Associate Provost.
- Students should not alternate back and forth between degree programs/majors. Students should take courses leading to one degree at a time.
- Students receiving financial aid assistance and pursuing a second degree should speak to the Financial Aid Office to understand the ramifications/conditions of satisfactory academic progress and also time amount limits to grant and loan programs that could affect your eligibility if seeking a second degree.

Students must self-identify as seeking a second, third, etc., degree. Students must notify the Registrar's Office in the beginning of the term they intend to graduate with a second degree. The Registrar's Office will review program completion and notify the student of eligibility to graduate with a second degree.

Associate Degree Requirements
Each Associate Degree major is built upon the foundation of a common set of educational experiences. The goal of this core curriculum (General Education Program) is to unify the educational experience of all students at the College by providing a shared blueprint for achieving the outcomes described in "A Definition of the Educated Person: A Touchstone for the Curriculum at Bucks County Community College."

Students must complete the General Education Program to earn an associate degree from Bucks County Community College. **Students complete their General Education requirements as part of the program of the study in their major.**

While many courses are aligned with the General Education Program, students **cannot** choose just any course from the list of aligned courses. Rather, the majors are designed so that students will take certain General Education courses that will enhance their learning experience in the major and maximize the number of courses that transfer into the relevant programs at transfer institutions.

Students Not Seeking the Associate Degree
Students who enroll in a major in order to receive preparation for upper division work for the baccalaureate degree are encouraged to check with the appropriate transfer institution to determine course transferability.

For students who only want to enroll in a major to take specific courses, the degree requirements and the major requirements do not have to be met. In this instance, only a list of courses, grades, and credits will appear on the transcript.

Certificate Programs
A certificate of completion is awarded to students who successfully complete a prescribed major. Credits earned in a certificate program may be applied toward an associate degree.
The following procedures govern enrollment and completion of certificate programs:

- A student must fulfill the admissions requirements of the College.
- A student must attain and maintain a cumulative grade point average of 2.00.
- A student must enroll in the certificate program on the application or by submitting a Change of Major Form at the Registrar's Office.
- At least 50% of the credits required for the certificate must be completed in graded courses at Bucks County Community College.
- Upon completion of the prescribed course of study, the student must formally apply, via the Registrar's Office for the awarding of the certificate of completion.

Attention PHEAA Grant Applicants or Recipients
To be eligible to receive PHEAA Grant awards, students must be enrolled in majors at least two years in length. If a student is awarded a PHEAA Grant, and chooses a Certificate Program as a major, he or she will not be eligible to receive PHEAA Grant awards. (Certificate Programs are less than two years in length.)

PHEAA requires the College to certify that PHEAA Grant recipients meet all state eligibility criteria each semester. A student's major, as listed by the Registrar's Office, is used to determine compliance with the state eligibility regulations.

If a PHEAA Grant is cancelled because the College reported the student's enrollment in a Certificate Program, and the student decides to change his or her major to a two-year program, the student must appeal directly to PHEAA regarding a request for reinstatement of the grant.

Financial Aid Applicants or Recipients

Students not seeking the Associate of Arts degree are not eligible to receive some types of financial aid. All federal and state programs require that students be enrolled on a degree-seeking basis.

General Education Program
When students pursue a higher education, they develop a sizable body of knowledge, a level of awareness of the world, and the skills needed for rigorous thinking. Regardless of their college major, educated persons share a body of knowledge and skills, commonly called a general education that consists of many of the courses taken during the first years of college. Through this educational experience, Bucks helps students become confident, creative, and balanced thinkers in preparation for transferring to other academic institutions and meeting the needs of prospective employers. In this way, beyond the short-term benefits of transfer or career preparation, a general education sparks a lifetime commitment to learning and growing in a complex and changing world. Therefore, the faculty of Bucks County Community College aims to help students become educated persons by assisting them to develop the following abilities and skills:

GENERAL EDUCATION LEARNING GOALS

Students will be able to

1. **Arts/Humanities**: Demonstrate an understanding of human intellectual heritage and/or creative expression
2. **Critical Thinking**: Read critically, analyze and interpret information, and construct logical, well-supported positions
3. **Diversity**: Demonstrate an understanding of diverse human perspectives in local, national, or global contexts
4. **Information Literacy**: Find, evaluate, and ethically use information in a variety of formats for a variety of purposes
5. **Oral Communication**: Communicate effectively through speech
6. **Quantitative Literacy**: Demonstrate and apply quantitative reasoning.
7. **Scientific Literacy**: Demonstrate an understanding of scientific reasoning
8. **Social Sciences**: Demonstrate an understanding of human behavior and/or the relationships of people within societies

9. **Technological Competence**: Demonstrate technological competence within the context of the major.
10. **Writing**: Communicate effectively through writing

ASSOCIATE DEGREE PROGRAM: HOW TO COMPLETE THE GENERAL EDUCATION PROGRAM

Students must complete the General Education Program to earn an associate degree from Bucks County Community College. **Students complete their General Education requirements as part of the program of the study in their major**.

While many courses are aligned with the General Education Program, students **cannot** choose just any course from the list of aligned courses. Rather, the majors are designed so that students will take certain General Education courses that will enhance their learning experience in the major and maximize the number of courses that transfer into the relevant programs at transfer institutions.

Career and Technical Programs

Office of Academic and Curricular Services
The Office of Academic and Curricular Services administers the College's occupational majors. The office is located in Tyler Hall 127. For further information, call 215-968-8212 or 8213.

Perkins Grant Support of CTE College Programs
On July 31, 2018, the president signed the *Strengthening Career and Technical Education for the 21st Century Act* (or Perkins V) into law. This Act, which became Public Law 115-224, reauthorizes *the Carl D. Perkins Career and Technical Education Act of 2006* (Perkins IV). It was approved unanimously by both chambers of Congress, reflecting broad bipartisan support for career and technical education (CTE) programs.

Perkins V funding maintains a focus on CTE program improvement and the development of new ways to connect more CTE students to jobs. This grant supports several different ways to improve the Occupational and Certificate (CTE) programs at the college by funding many classroom resources, support positions, professional development opportunities, student "Career Connection field trips," and CTE student programs that improve rates of student retention, completion, and job placement.

New programs and purchasing ideas are discussed and developed annually and approved by our community PPC committee.   The Director of Perkins Programs works with CTE faculty or academic deans all year to create these new and effective programs. If you should have an idea for a beneficial classroom learning tool that provides a hands-on, industry-specific experience or a new program, you are encouraged to contact the Perkins Director at (215) 968-8140.

Cooperative Education and Internship Programs
The College offers students an opportunity to apply their classroom theory and skills in an on-the-job, off-campus working environment, part- or full-time.

Students receive three credits for Cooperative Education/Internship. These credits usually qualify for Veteran Education Benefits.

Students currently employed may find their positions qualify for Cooperative Education/Internship. Thus, students may be able to maintain their present positions and enroll in Cooperative Education/Internship courses.

Academic departments attempt to provide opportunities to qualified students interested in careers related to accounting, chemistry, computers, criminal justice, education, emergency management, fine woodworking, graphic design, historic preservation, hospitality management, journalism, media arts, management, marketing, paralegal, political science, psychology, sport management,

and women's studies.

Cooperative Education/Internship courses have varied prerequisites. Interested students may obtain an application to register for Cooperative Education, permission to register for an internship, and a fact sheet for their subject area from the appropriate department office.

Cooperative Education and/or Internships are offered as part of the following occupational majors:
- Accounting and Analytics
- Biology and Biotechnology
- Chemistry
- Cinema Video Production
- Computer Science
- Criminal Justice
- Emergency Management
- Environmental Science
- Fine Woodworking
- Graphic Design
- Historic Preservation
- Hospitality Management
- Journalism
- Management
- Marketing
- Meeting, Convention and Event Planning
- Paralegal
- Political Science
- Psychology
- Sport Management
- Technical Entrepreneurship
- Women's Studies

Majors and Certificate Programs

All associate degree majors are designed to fully reflect the faculty's philosophy of curriculum as stated in "A Definition of an Educated Person."

There are two types of associate degree majors: occupational and transfer, as well as occupational certificate programs.

Occupational Majors

Occupational programs are designed primarily to prepare graduates for entry-level employment in positions which require both theoretical knowledge and practical skills. Bucks offers occupational programs in fields as varied as accounting, chef apprenticeship, graphic design, medical assistant, microcomputer applications, networking technology, nursing, and paralegal.

Although occupational programs are designed for students seeking employment immediately after completion, many of the courses in these programs will transfer to baccalaureate institutions. Transfer of these courses is made easier because of the College's accreditation by The Middle States Commission on Higher Education, the Business + Innovation Department's accreditation by the Accreditation Council for Business Schools and Programs (ACBSP), the Arts Department's accreditation by the National Association of Schools of Art and Design (NASAD) and the National Association of Schools of Music (NASM), and the Associate Degree Nursing Program's accreditation by the Accreditation Commission for Education in Nursing (ACEN). Consult with the Advising & Transfer Center for information about the transferability of courses.

All occupational programs are guided by advisory committees. Practitioners in the various

fields meet with College faculty to discuss the skills and abilities needed for the job market. These advisory committees and the ongoing evaluation they provide ensure that the College's occupational programs are relevant and up-to-date.

Occupational degree programs require four or more semesters of full-time study for completion and include courses that provide both concentrated study in a field and general education designed to broaden a student's knowledge and skills beyond the area of concentration.

Occupational certificate programs usually require two or more semesters for completion, and all the required courses focus on occupational skills.

Transfer Majors

Transfer programs are designed to parallel the first two years of study in a variety of subject areas at the baccalaureate institutions to which our students most frequently transfer. Transfer of course credits is determined entirely by the receiving institution. Students planning to transfer to a bachelor's degree granting institution are encouraged to obtain a current catalog for that institution. Bucks' courses should be selected to parallel the requirements at that institution. Many area colleges and universities have transfer (articulation) agreements with Bucks County Community College. Information on these agreements can be obtained in the academic department offices and at Transer and Planning: https://www.bucks.edu/academics/transferplanning/.

The type of major does not necessarily limit a student's options after completion. Students who complete an occupational major may successfully transfer many of their credits to a baccalaureate institution. Students who complete a transfer major may successfully secure entry-level employment after graduation.

Students must work closely with an academic advisor in choosing courses for their major. While the responsibility for the selection of courses is the student's, the advice and help of an academic advisor is based upon knowledge and experience and can aid the student in making wise and constructive major and course decisions.

Most majors are designed to be completed in four semesters of full-time (15 to 17 credits) study. A variety of circumstances, such as a change in major, or required work in English, mathematics, or reading as a result of placement testing, may require a longer time for completion. A recommended sequence of courses is provided for each semester. This schedule is given as a guide for students in planning their course selections. Students are urged to complete all courses required by placement testing immediately. The time of year a student enters a major may require the student to depart from the recommended sequence. In any case, students must work with an academic advisor in planning their individual courses of study.

Certificate Programs

A certificate of completion is awarded to a student who successfully completes a prescribed program. Depending on the program, certificate requirements may be completed in one or more semesters. All required courses in certificate programs focus on developing occupational skills. Credits earned in a certificate program may be applied toward an associate degree.

Online Majors

Visit Bucks Online to see which of the programs of study listed below can be completed in their entirety through eLearning courses.

Definition of an Educated Person

A Statement from the Faculty:

Education can help us live more complete and meaningful lives by nurturing essential values and

skills. By valuing uniqueness and diversity, we accept our responsibility for their protection. By valuing open-minded inquiry, we may accept that, while we can seek certainties, perspectives may be the best we can gain. By valuing growth as a lifelong process and recognizing change as inevitable, we may work towards goals whose fruition may lie beyond our lifetime. By valuing the ability to analyze and make reasoned judgments, we may gain insights into ourselves and our world and a greater understanding of the interdependency of all things. By valuing the ability to communicate, we may give expression to our vision of the world where people can work cooperatively to improve their environment and the condition of their lives.

We believe that the curriculum of Bucks County Community College must endeavor to nurture such values and foster such skills. It must seek to empower its students by making them aware of the influences that affect their lives and confident of their ability to effect change in their lives and in the world. It must help them to make connections among disciplines, help them develop an integrated view of knowledge, and help them recognize that their use of knowledge always carries consequences, as well as moral and ethical responsibilities.

Below are the Associate's Degree Program majors and academic certificates, arranged by department. Immediately following is an alphabetical list.

Degrees and Certificates: Listing by Department

Arts

Transfer
- 1201 Art and Art History
- 1181 Cinema Video Production
- 1120 Communication Studies
- 1001 Fine Arts
- 1187 Fine Woodworking
- 1110 Graphic Design
- 1019 Music
- 1175 Multimedia and Digital Arts
- 1195 Photography

Certificate Programs
- 3185 Applied Photography
- 3187 Furniture and Cabinetmaking
- 3147 Web and Multimedia Designer

Business and Innovation

Transfer
- 1009 Business Administration

Occupational
- 2019 Accounting and Analytics
- 2056 Chef Apprenticeship: Foods emphasis*
- 2098 Chef Apprenticeship: Pastry emphasis*
- 2178 Emergency Management
- 2054 Entrepreneurship and Small Business Management
- 2158 Fire Science
- 2022 Hospitality Management
- 2015 Management and Marketing
- 2171 Meeting, Convention and Event Planning
- 2128 Paralegal Studies

Accounting and Analytics

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

This major is primarily designed for job preparedness. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institution and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Business and Innovation
Grupp 401 • Phone: (215) 968-8227
Curriculum Code No. **2019**

This major is designed for two-year accounting paraprofessionals, junior accountants and full-charge bookkeepers. Students should work closely with their academic advisors in the selection of courses.

Graduates of this program are able to

- complete the accounting cycle;
- prepare GAAP based financial statements;
- apply financial accounting pronouncements to financial reporting and disclosure;
- research and analyze tax law; and
- apply managerial accounting concepts and data analytics.

DEGREE COURSE REQUIREMENTS

Course	Credits
ACCT105 Financial Accounting [A,D]	4
ACCT106 Managerial Accounting [D]	4

Arts/Humanities [E,1]	3
Electives [C]	3
Total Credit Hours	**60-61**

[A] *Placement testing required.*

[B] *All academically qualified students must enroll in ACCT280.*

[C] *Select any one of the following (with proper prerequisites): ACCT110, ACCT120, ACCT230, ACCT250, CISC215, MATH215.*

[D] *Course requires prerequisite or corequisite.*

E Consult the list of courses approved for this subcategory. Any course may be chosen.

1 Satisfies Arts/Humanities

2 Satisfies Critical Thinking

3 Satisfies Diversity

4 Satisfies Information Literacy

5 Satisfies Oral Communication

6 Satisfies Quantitative Literacy

7 Satisfies Scientific Literacy

8 Satisfies Social Sciences

9 Satisfies Technological Competence

10 Satisfies Writing

Accounting & Taxation

CERTIFICATE MAJOR

Department of Business and Innovation

Grupp 401 • Phone (215) 968-8227

Curriculum Code No. **3176**

Students who successfully complete the Accounting & Taxation Certificate Program will have highly developed accounting competencies and an understanding of tax accounting. Students in this program will be qualified to work as full-charge bookkeepers, accounting clerks, auditing clerks, junior accountants and in other positions in which a strong background in accounting is required.

Graduates of this program are able to

- complete the accounting cycle;
- prepare GAAP based financial statements;
- use software to perform accounting functions and analyze financial statements;
- prepare audit working papers; and
- research and analyze tax problems and prepare tax returns.

Applied Photography

CERTIFICATE PROGRAM

Arts Department

Hicks Art Center • Phone (215) 968-8425

Curriculum Code No. **3185**

This one-year certificate program blends traditional and digital techniques and is designed for students seeking intensive technical training. This program develops essential entry-level skills required in a commercial photography studio or in a business such as wedding and/or portrait photography.

Graduates of this program are able to

- expose, develop, and print negatives employing the standard techniques.
- employ software and dark room techniques used in the manipulation and control of photographic imagery
  employ software/tools used in the manipulation and control of digital-based imagery.
- critically examine technical and aesthetic aspects of photographic images.

Check out this **video** about the program made by a Bucks photography student.

Note: Studio courses can be expensive. Lab Fees may be required.

^A *Course requires prerequisite.*

*Since the individual circumstances and backgrounds of students vary, all students planning to complete this certificate program must meet with their assigned academic advisor to develop a planned sequence of courses to meet their individual needs.

Art and Art History

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department

Hicks Art Center • Phone (215) 968-8425

Curriculum code No. **1201**

In the Art and Art History transfer major, students experience the process of making artistic objects, as well as the practice of interpreting historical objects through the study of art history. Students develop skills in drawing and then explore other artistic media. Students also apply the methodologies used by art historians as they analyze and research various kinds of art and/or architecture.

The major serves those contemplating careers in areas such as museum and archival work, historic preservation and archaeological investigation, research and teaching.

Graduates of this program are able to:

- demonstrate an understanding of the methods and materials associated with the creation of a work of art;
- demonstrate an understanding of the history of Western art; and
- read about, write about, and analyze art and art history using basic research, critical thinking skills, and a visual arts vocabulary.

*Note: Studio courses can be expensive. **Lab Fees** may be required.*

Bucks County Community College is an accredited institutional member of the National Association of Schools of Arts and Design.

Credits exceeding the required minimum cannot be used to satisfy required credits in other course requirements.

Baking and Pastry

CERTIFICATE PROGRAM

Department of Business and Innovation

Grupp 401 • Phone (215) 968-8227

Certificate Code No. **3150**

This certificate program prepares students to pursue employment as a baker, decorator, or pastry professional. Bakers and decorators work in retail bake shops or supermarket bakeries. Positions as a pastry professional are available in restaurants, hotels, casinos, foodservice locations and country clubs. Graduates of this program can enter the industry as a cake decorator, baker or pastry cook. Students who complete this program may apply these credits toward the completion of the Chef Apprenticeship Associate of Arts degree programs.

Upon completion of this program, graduates will

- Identify, and safely utilize the tools and equipment found in the pastry kitchen;
- Perform various baking and pastry making tasks following industry accepted safety and sanitation rules and regulations;
- Utilize a variety of recipes for all types of baking and pastry products;
- Identify and competently prepare baked goods and pastries;
- Select and demonstrate appropriate, creatively expressed decorating techniques used to finish cakes, various bakery products, and desserts; and
- Exhibit work habits and ethical behavior that model a baker, decorator, or pastry professional in the food service industry.

CERTIFICATE REQUIREMENTS

Course	Credits
COLL101 College Success Seminar	1
CULN130 Baking and Decorating - Techniques and Procedures	3
CULN138 Ice Cream and Frozen Desserts	2
CULN139 Wedding Cake Assembly and Decoration	2
CULN151 Bread Fabrication-Basic	2
CULN152 Bread Fabrication-Advanced [A]	2

Course	Credits
CULN156 Chocolate - Essential Skills ^A	2
CULN160 Advanced Baking: Pastry ^A	2
CULN165 Advanced Baking: Cakes ^A	2
HOSP106 Safety and Sanitation	2
Total Credit Hours	**20**

^A *Course requires prerequisite.*

Biology

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone: 968-8305
Curriculum Code No. **1003**

The Biology major provides an understanding of fundamental biological concepts. This major is for students planning to earn a baccalaureate degree in biological science or seeking employment as a technician in areas such as ecology, environmental health and sanitation, pollution control, plant science, or animal science.

Graduates of this program are able to

- Explain the unity of life.
- Describe the evidence to support the principle of descent from a common ancestor.
- Explain the use and distribution of energy in living systems.
- Construct tables and graphs from collected data and interpret these compilations.
- Describe the relationship between inheritance, variation and evolution.
- Demonstrate appropriate techniques to collect, organize, evaluate, and present data.

Prospective students with academic deficiencies should be aware that they will need additional time to acquire the necessary academic background. Prerequisites and corequisites for required courses must be followed.

DEGREE COURSE REQUIREMENTS

Course	Credits
BIOL121 Biological Principles I [E]	4
BIOL122 Biological Principles II [E]	4
BIOL220 Principles of Ecology [E]	4
BIOL228 Microbiology [9,E]	4
CHEM121 Chemistry I [A,E,6,7]	4
CHEM122 Chemistry II [E]	4

Curriculum Code No. **1105**

This major prepares students for transfer into baccalaureate degree majors in allied health fields. These may include: occupational therapy, physical therapy, respiratory therapy, medical technology, or dental hygiene. Students are advised to review the entrance requirements of the baccalaureate institutions. In order to ensure that students make proper decisions, advising by the Science, Technology, Engineering & Mathematics Department is required.

Graduates of this program are able to

- demonstrate and apply proficiency in the basic sciences including laboratory skills and knowledge of biology.
- demonstrate and apply proficiency in the basic sciences including laboratory skills and knowledge of chemistry.
- demonstrate appropriate techniques to collect, organize, evaluate and present data.

Prospective students with inadequate academic preparations should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and corequisites for the required courses must be followed.

Biotechnology

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • phone (215) 968-8305
Curriculum Code No. **2119**

A graduate of the program can expect to find entry-level employment as an industrial or academic biotechnology technician.

Graduates of this program are able to

- operate, calibrate, and maintain standard biotechnology lab equipment.
- perform basic biotechnology processes in a safe and aseptic manner.
- prepare, culture, and maintain cell cultures.
- employ methods to detect, purify, and characterize DNA and protein.
- collect, graph, interpret, and present data.
- write reports, and maintain lab books and equipment logs.

Biotechnology

CERTIFICATE MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **3186**

The strength and continued growth of the Biotechnology industry in the Philadelphia metropolitan area has created a need for technicians with cell culture expertise. Students completing the certificate will be prepared for employment as skilled technicians in biotechnology, biomanufacturing, pharmaceutical, and academic laboratories. Workers currently employed as biotechnology technicians can benefit by enhancing their skill sets.

Graduates of this program are able to

- perform basic lab procedures common to biotechnology laboratories
- operate and maintain standard laboratory equipment
- aseptically culture and maintain cell cultures
- perform advanced techniques in biomanufacturing

CERTIFICATE COURSE REQUIREMENTS

Course	Credits
BIOT125 Biotechnology Methods and Techniques [B]	4
BIOT225 Bioprocessing Science [B]	4
CHEM121 Chemistry I [A,B]	4
Math/Science Elective [B,C]	4
Total Credit Hours	**16**

[A] *Placement testing required.*

[B] *Requires prerequisite.*

[C] *Choose from MATH120, MATH122, MATH125, MATH140, MATH141, BIOL121, BIOL122, BIOL181, BIOL182, BIOL220, BIOL228, BIOT105, CHEM122, CHEM221, CHEM222, CHEM242, NEUR121, NEUR122, PHYS121, PHYS122, SCIE105.*

Since the academic and employment backgrounds of students vary, all students planning to complete this certificate program must meet with a department representative to devise a sequence of courses to meet their academic need.

Brewing & Fermentation Science

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • phone (215) 968-8305
Curriculum Code No. **2194**

The Associate of Applied Science in Brewing and Fermentation Science program prepares students for employment within the brewing and/or fermentation industries.

Graduates of this program are able to

- describe and apply the biochemistry and microbiology principles that convert fermentable sugars into beer;
- communicate and work effectively with management, staff, and customers in a production brewing environment;
- understand and apply the technological and manufacturing processes required for brewing, and perform cost analysis of processing raw materials into finished product in order to calculate profit margins;
- maintain safe brewing and fermentation practices;
- explain the legal requirements associated with the selling and distribution of beer;

- demonstrate knowledge of the practical considerations that must be addressed to satisfy the requirements of regulatory agencies overseeing breweries, such as food safety, brew house safety, environmental compliance, and labeling; and
- identify and solve problems related to microbial, chemical, and physical threats using appropriate tests, and determine origin, type, prevention, and elimination of standard off-flavors in contaminated samples.

Notes: Students in this program of study must be at least 21 years of age prior to registering for BRFS201 and BRFS280 as these courses involve beer production. Interested students who will not be 21 years of age prior to registration for these courses should consider adding an additional complementary major (e.g. Business Administration, Biology, Chemistry, etc.).

Some Brewing & Fermentation Science coursework will require regular travel to local brewing facilities.

Business Administration

ASSOCIATE OF ARTS

This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **1009**

This program of study prepares students for upper-division course work leading to a bachelor's degree in Business Administration. The program parallels the first two years of study required by similar programs offered at baccalaureate institutions and universities. Students select the area of concentration best suited to their interests and aptitudes.

Graduates of this program are able to

- demonstrate an understanding of the functions of business;
- research and apply business problem solving and decision making in the context of the larger social and economic environment;
- employ tools and skills necessary to solve business and organizational problems; and
- apply the necessary skills to communicate and lead effectively.

Business Analytics

CERTIFICATE PROGRAM

Department of Business and Innovation

Grupp 401 • Phone (215) 968-8227

Curriculum Code No. **3202**

This certificate program is designed to provide students with the skills and knowledge to apply analytic tools to real-world business contexts for improved decision-making and problem-solving. It prepares students who are currently employed and who need their skills enhanced, as well as those who are seeking employment where analytical skills are required.

Graduates of this program are able to

- Demonstrate an understanding of the foundational elements of business analytics;
- Apply analytic tools and data management techniques effectively;
- Utilize business information systems and data to make better decisions; and
- Convey analytical results and insights effectively.

Chef Apprenticeship

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institutions and differ from school to school. Students should contact the Transfer Center early in their academic programs to determine which courses will transfer to the college of their choice.

Foods Emphasis: Curriculum Code No. 2056
Pastry Emphasis: Curriculum Code No. 2098

Department of Business and Innovation
Grupp 401 • Phone: 968-8227

Upon successful completion of the major requirements, apprentices will be awarded an Associate of Arts Degree from the College and Journeymen Cooks papers from the United States Department of Labor. Major requirements include 6,000 hours of supervised and documented on-the-job training and educational courses that support and enhance the work experience.

The College offers this major in conjunction with the Department of Labor, Bureau of Apprenticeship Training and participating food service employers. This major has been registered with and approved by the United States Department of Labor, Bureau of Apprenticeship and Training.

This Associate Degree program qualifies graduates to compete for various entry-level cook/pastry careers in the hospitality management, foodservice, institutional foodservice, commercial baking, and lodging industries, depending upon which emphasis is selected. Program requirements can be completed in a three-year period of part-time study, full time employment. Graduates seek employment in positions with job titles such as chef, sous chef, pastry chef, baker, foodservice production supervisor, kitchen manager, garde manger chef, lead cook.

Graduates of this program are able to

- demonstrate broad culinary and baking art knowledge and be proficient in the core function of their job;
- demonstrate competence in a variety of hospitality industry operational aspects;
- demonstrate effective written and oral communication skills;
- demonstrate an understanding of ethical and social issues and reach an appropriate industry/business decisions; and
- critically and creatively apply culinary knowledge and additional technology skills to identify and solve business related problems.

Chemistry

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department

Founders 110 • Phone 968-8305

Curriculum Code No. **1004**

This major provides a broad but quantitative understanding of matter and the physical and chemical transformations of matter, based on an understanding of chemical, physical, and mathematical principles. The major is for students planning to transfer to baccalaureate majors in chemistry, chemical engineering, and other fields requiring an emphasis on chemistry such as environmental science, forensic science, and oceanography. Students planning to enter medical school could also enter this major and select additional courses in biology. Students completing this degree, although typically transferring to a Bachelor's degree program, may also be employed as Laboratory Technicians or Assistants.

Prospective students with inadequate academic preparations should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and corequisites for the required courses must be followed.

Graduates of this program are able to:

- demonstrate an understanding of chemical, physical and mathematical principles as pertaining to the study of matter;
- compute with proficiency as to be able to obtain correct numerical solutions to chemistry problems;
- analyze and make reasoned judgments dealing with chemistry problems;
- develop a chemical knowledge and be able to apply it to other disciplines, such as biology, environmental science, engineering, pharmacy, health sciences, etc.; and
- demonstrate proficiency in laboratory skills as they pertain to: chemical information, the safe handling, use and disposal of chemicals; synthetic procedures including isolation, purification and structure elucidation of obtained products; stoichiometry and the use of instrumentation; and writing of laboratory notebooks and reports in accordance with current scientific journals styles.

Cinema Video Production

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Arts Department
Hicks Art Center 125 • Phone (215) 968-8425
Curriculum Code No. **1181**

The Cinema Video Production transfer major combines film and video production. It permits students to explore video and film production media, journalistic media and educational media as both communication and art forms. The program includes a variety of electives that allow students to tailor the program to their needs and interests.

This program offers a basic examination of the art and the processes of motion picture film making and video production. Though designed as a transfer major, graduates of the program should qualify for entry-level positions in the motion picture and electronic media industries in areas such as radio and television broadcasting, cable television systems, corporate video, multimedia development and production, cinematography, editing, sound recording, and mixing. Graduates will also have job skills in related industries such as sales, service, promotion, distribution, multimedia design and advertising.

Graduates of this program are able to

- read about, write about, and analyze films;
- demonstrate an understanding and use of the methods and materials associated with studio and field video capture, editing, digital audio, and production;
- participate in the planning, production, and/or directing of film, video and multimedia productions; and
- prepare and present a formal, professional-quality portfolio of work which may be used to apply for admission to a four-year college or entry-level professional employment*.

* In preparing and presenting a portfolio in VAMM250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take several required digital courses (e.g. VACV140, VACV137, VACV230) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation are assessed within this course.

Note: Studio courses can be expensive. Lab fees may be required

Bucks County Community College is an accredited institutional member of the National Association of Schools of Arts and Design.
Credits exceeding the required minimum cannot be used to satisfy required credits in other course requirements.

Bucks County Community College is a Blackmagic Design training partner for DaVinci Resolve 15.3.1. Students who successfully complete the course are prepared to take the Blackmagic certification test and, upon passing, become Certified Resolve 15.3.1 users.

DaVinci Resolve 15.3.1 is an advanced editing, color correction and audio post-production solution for feature films, television shows, and commercials. Its workflow allows you to switch between tasks with a single click without needing to translate projects between different software programs.

Communication Studies

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department: Communications Office
Hicks 125 • Phone (215) 968-8425
Curriculum Code: **1120**

The Communication Studies major is designed to serve the needs and interests of students who want to explore various subject areas in the Communication field without committing themselves immediately to any one area of concentration. Students in this major, through the required courses and the recommended elective list, have the opportunity to explore such diverse areas as speech communication, theatre, video-production, journalism, public relations, mass communication, advertising and marketing, and film within the context of a well-balanced liberal arts curriculum. Students planning transfer into a Communication major at a four-year college find this program is suited to their individual needs.

Graduates of this program are able to

- demonstrate a basic knowledge of communication and awareness of the responsibilities associated with communication;
- evaluate various types of communication through the application of standardized criteria; and
- analyze their own communication and the communication of others.*

*To fulfill the technological competence requirement, students demonstrate proficiency in accessing, creating, and presenting a digital visual aid appropriate for public presentation in COMM240.

Students who plan to transfer into a Communications major at a four year college will find this major well suited to their individual needs.

Computed Tomography

ABOUT THE PROGRAM

The Computed Tomography Certificate program prepares the post-graduate registered radiologic technologist to use x-rays and computed radiologic technology to produce cross-sectional anatomical images of the human body. Computed Tomography (CT) technologists operate CT scanners, picture archiving and communication systems and related equipment.

The Computed Tomography Certificate program is a two-semester on-line didactic course with a clinical practicum experience. The Computed Tomography Certificate Program is designed to provide the working Radiologic Technologist with the theoretical background and documented clinical experience necessary to sit for the Computed Tomography registry examination offered by the American Registry of Radiologic Technologist (ARRT).

TECHNICAL PERFORMANCE STANDARDS

The admissions policies of the Computed Tomography Program do not discriminate on the basis of sex, race, creed, religion, marital status, age or mental/physical handicaps. The following is an outline of performance standards relative to Computed Tomography. In addition to the academic requirement for the Computed Tomography Program, all applicants must be able to:

- Communicate to the patient in order to converse and instruct
- Hear a patient speak in a normal tone from a distance of 20 feet.
- Observe the patient in order to assess the patient's condition or needs from a distance of 20 feet.
- Read the patient medical chart and/or physician orders.
- Transport, move, lift or transfer patients from a wheelchair or litter to an x-ray table or to a patient's bed;
- Move, adjust and manipulate a variety of x-ray equipment with respect to the patient and image receptor according to established procedures and standards of speed and accuracy (to include mobile equipment) and;
- Physically place patients in proper positions for x-ray examinations according to established procedures and standards of speed and accuracy.
- Handling stressful situations related to technical, procedural or patient care situations; providing physical and emotional support to patients during procedures;
- Physically be able to administer emergency care including performing CPR
- Visually reviewing and evaluating radiographic images to identify shades of gray, proper patient positions, proper exposure factors, and other appropriate technical qualities.

PROGRAM MISSION

The mission of the Computed Tomography Program is to provide each student with the instruction, skills, and learning experiences to become a compassionate, knowledgeable, and competent entry-level Computed Tomography Technologist.

PROGRAM GOALS

1. Function as competent, entry-level professionals.
   1. Students will be able to adequately perform procedures at entry level competence.
   2. Students will select appropriate technical factors for quality patient exams.
   3. Students will demonstrate proper radiation practices.
2. Demonstrate appropriate, professional communication skills.
   1. Students will demonstrate effective communication strategies during the clinical experience.
   2. Students will practice written communication skills
3. Develop and practice effective problem-solving skills and critical thinking skills.
   1. Students will be able to adequately perform non-routine procedures at entry level competence.
   2. Students will be able to adequately alter technical factors in non-routine situations.
4. Conduct him/herself in a professional manner.
   1. Students will demonstrate professional behavior
   2. Students will recognize the benefits of professional development

ADMISSION PROCEDURES

Admission to the Computed Tomography Certificate program is open only to current Radiologic Technologists certified by the American Registry of Radiologic Technologist (ARRT) or Nuclear Medicine Technologist certified by Nuclear Medicine Technologist Certification Board (NMTCB). To apply for the Computed Tomography Certification Program, please complete the following steps:

1. **Submit an application to Bucks County Community College**.
2. **Submit previous college transcripts, if applicable, for evaluation by the Admissions Department**.
3. Submit completed **Computed Tomography Application**
4. Submit current ARRT credential card or current NMTCB card via email to **Program Director of Radiography**.

Applications will be accepted from May 1st- June 15th of each year. Accepted students will be notified by July 1st.

Program Director of Radiography:

Colleen Cardilla

267-685-4821

colleen.cardilla@bucks.edu

CLINICAL EDUCATION REQUIREMENTS

The number students accepted into clinical education (**RADI310** and **RADI325**) for computed tomography will be equal to the number of available clinical spaces.

Once accepted into the Computed Tomography Clinical Courses, students will be required to:

1. Purchase a Computed Tomography uniform from the preferred uniform vendor.
2. Assume all responsibility for transportation to and from the clinical sites assigned.
3. Obtain and maintain current CPR certification.
4. Obtain and maintain Immunization records.
5. Complete an FBI Fingerprint Criminal Background Check, a PA Criminal Background check, Child Abuse clearance and drug screening (until clearance is received, program acceptance is provisional and may be rescinded).
6. Show proof of health insurance coverage for the student.

CERTIFICATE REQUIREMENTS

*   **Computed Tomography certificate requirements**

Computer Hardware Installation and Maintenance

CERTIFICATE MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • phone (215) 968-8305
Curriculum Code No.**3162**

This certificate prepares the student to sit for two industry standard, vender independent certifications, the A$^+$ certification and the Network$^+$ certification. Students receiving their certificates possess the knowledge, skills, and customer relations experience needed to enter the computer or network technician area, as PC support technicians, help desk technicians, and PC installer. Students who complete this program may be prepared to sit for industry certification exams, such as those offered by Microsoft, Cisco, and CompTIA.

Graduates of this program are able to:

*   sit for the A$^+$ Certification and Network + Certification examination;
*   install Software and Hardware;
*   support users in a PC environment; and
*   troubleshoot Hardware and Software Problems.

CERTIFICATE COURSE REQUIREMENTS

Course	Credits
CISC128 Comparative Operating Systems	4

Course	Credits
CISC143 Essentials of Networking [A]	4
CISC201 Managing and Maintaining the PC [A]	4
CISC235 Networking Devices [A]	4
COLL101 College Success Seminar	1
COMM105 Interpersonal Communication	3
Total Credit Hours	20

[A] *Course requires prerequisite.*

Since the individual circumstances and backgrounds of students vary, all students planning to complete this certificate program must meet with their assigned academic advisor to develop a planned sequence of courses to meet their individual needs.

NOTE: Computer classes may be expensive. Purchase of equipment may be required.

Computer Networking Technology

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • phone (215) 968-8305
Curriculum Code No. **2136**

This associate degree major enables graduates to qualify for entry-level advanced positions in computer communications. Major requirements can be met in a two academic year period of full-time study. Graduates might be employed in positions with job titles such as network administrator, network technician, field service engineer, or related occupations. Students who complete this program may be prepared to sit for industry certification exams, such as those offered by Microsoft, Cisco, and CompTIA.

Graduates of this program are able to

- install, maintain, and troubleshoot modern network hardware and software;
- design, implement and administer the user's network environment - including file sharing and printing; and
- devise a network security plan using modern Network Operating Systems, technologies and protocols.

DEGREE COURSE REQUIREMENTS*

Course	Credits

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **1103**

This major prepares students for upper-division course work leading to a bachelor's degree in computer science. The major parallels the first two years of study required by similar majors offered at four-year colleges and universities.

Graduates of this program will be able to:

- demonstrate proficiency in mathematics at the calculus level;
- demonstrate proficiency in Program Analysis, algorithm development, coding, testing, debugging and documentation; and
- demonstrate the ability to analyze a business problem and develop data management.

DEGREE COURSE REQUIREMENTS*

Course	Credits
CISC110 Intro to Information Systems [F]	3

Criminal Justice

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science
Founders 210A • Phone (215) 968-8270
Curriculum Code No. **1189**

The transfer major has the following objectives

- to provide students with a solid foundation in Criminal Justice as an academic field of study in preparation for transfer to a four-year institution;
- to provide students with a comprehensive understanding of the functioning of the criminal justice system's major components- police, courts, and sanctions; and
- to provide students with an understanding of the purposes, scope, and sources of criminal law

Graduates of this program are able to:

- apply their knowledge of the function and roles of the police to representative situations
- describe the function and roles of the courts and apply to representative situations
- analyze the function and roles of sanctions and apply to representative situations
- examine the constitution, elements of crimes, and defenses and apply to appropriate legal cases
- analyze evidentiary data using software programs.

Upon completion of this associate degree program, the student will be qualified to apply for a position as a police officer, sheriff deputy, or correctional officer.

DEGREE COURSE REQUIREMENTS

Culinary Arts

CERTIFICATE PROGRAM

Department of Business and Innovation

Grupp 401 • Phone (215) 968-8227

Certificate Code No. **3154**

This certificate prepares students for such careers as hotel/restaurant/catering management trainee, foodservice production assistant, shift supervisor, cook or baker.

Upon completion of this program, graduates will

- demonstrate basic hospitality industry knowledge and be proficient in the core function of their job;
- demonstrate competence in a variety of hospitality industry aspects;
- demonstrate basic written and oral communication skills;
- articulate an understanding of ethical and social issues; and
- apply their training and knowledge to related industry/business problems.

CERTIFICATE REQUIREMENTS

Course	Credits
COLL101 College Success Seminar	1

Early Childhood Education

CERTIFICATE MAJOR

Department of Social and Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **3198**

The Early Childhood Education certificate program of study prepares students for a career or continuing professional development in day care centers, nursery schools and other early childhood settings. Students are provided with a strong foundation in early childhood development, the philosophy and history of early childhood education, assessment and evaluation of preschool children, curriculum development, lesson planning and language and literacy development.

After completing this program students earn the credentials to be a level IV professional on the Pennsylvania Early Learning Keys to Quality Career Lattice. This lattice provides a framework for high quality early childhood education in the state of Pennsylvania. Entry level students can enter the workforce in day care and other early childhood career paths.

Graduates of this program are able to:

· apply theories of learning to an early childhood setting
· observe children and use those observations to describe the learning needs of the students
· describe the development of children from birth to age nine

Education: Paraprofessional Instructional Assistant

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a four-year college should be aware that decisions on transferability of courses are made by the four-year colleges and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **2034**

Leading to the Associate of Arts degree, this major prepares students to work effectively as instructional assistants in public and private schools in Pennsylvania.

Graduates are prepared to assist teachers and to secure teaching materials and equipment, check workbooks and homework, prepare profiles of student progress and record teacher-assigned grades, monitor testing situations, supervise student activities in the cafeteria and on the playground, assist students in the use of teaching machines and computers, and perform instructional services when delegated.

Graduates of this program are able to

- implement a lesson under the supervision of the teacher.
- describe modifications and accommodations to instruction for students with learning differences to accomplish instructional objectives;
- demonstrate professional behavior when working with students, co-workers, and families; and
- apply strategies as directed to facilitate effective integration of students with learning differences into various settings.

Emergency Management

ASSOCIATE OF ARTS

THIS PROGRAM IS ACCREDITED BY THE INTERNATIONAL FIRE SERVICE ACCREDITATION CONGRESS (IFSAC).

OCCUPATIONAL MAJOR

Department of Business and Innovation
Cottage 1 • Phone (215) 968-8190
Curriculum Code No. **2178**

The Emergency Management Associate Degree Program, which is aligned with the Emergency Management Institute's Higher Education Program and the Principles of Emergency Management, prepares the student for a position in Emergency Management, Business Continuity, and related disciplines. In addition to the courses that prepare the student to plan for all-hazards, the courses in this curriculum provide the student with technical information on a wide range of topics. Courses such as Emergency Management Exercise/Design, Crisis Management and Critical Incident Stress, and Business Continuity Planning prepare the student for careers that are directly and indirectly related to the Emergency Management field. These careers include working in fire and emergency services, public/municipal planning, healthcare safety, security, and public service. In addition, this program provides individuals already working in emergency management or in a related field, the opportunity to prepare for promotion and/or professional certification while at the same time earning an Associate Degree.

Graduates of this program are able to:

- Manage a public or private sector emergency management plan;
- Demonstrate and apply the fundamental skills associated with emergency planning, hazard vulnerability analysis, risk assessment, and business impact analysis based on emergency management concepts;
- Evaluate vulnerabilities to communities and businesses through discussion-based and operations-based exercises;
- Develop plans for resilience and continuity of essential operations based on after action reviews; and
- Apply emergency management principles for the prevention, mitigation, preparedness, response, and recovery to all-hazards.

Engineering

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **1028**

The academic major for the first two years of engineering is similar for all branches of the discipline. This major provides a foundation for all phases of engineering as well as for physics and prepares students to continue their education at a four-year institution.

Graduates of this program are able to

- apply fundamental principles of mathematics, physics, engineering, and laboratory measurements to solve engineering problems;
- analyze engineering problems and make reasoned judgments in solving those problems;
- apply the engineering design process and technology in a collaborative nature to develop practical solutions to identified needs; and
- analyze the economic, societal, environmental, and ethical responsibilities of a professional engineer.

Prospective students with inadequate academic preparation should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and corequisites for the required courses must be strictly followed.

DEGREE COURSE REQUIREMENTS

[9] *Satisfies Technological Competence.*
[10] *Satisfies Writing.*

Credits exceeding the required minimum cannot be used to satisfy required credits in other course requirements.

Engineering Technology

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **2193**

This program is designed to prepare students to seek employment as technicians in the fields of instrumentation, electronics, communications, nanotechnology, and mechanical systems in the various engineering technology fields. It allows students to build a sequence of laboratory based courses to satisfy specific skills needed for immediate employment.

Upon successful completion of the program students will be awarded the Associate of Applied Science degree.

Graduates of this program are able to

- apply fundamental principles of mathematics, chemistry, physics, engineering, and laboratory measurements to solve accessible science and engineering technology problems;
- employ the techniques and skills necessary for the applied engineering technology practice;
- design, evaluate, and test an engineering system, component, or process; and
- identify, formulate, and solve applied engineering technology problems.

Prospective students with inadequate academic preparation should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and corequisites for the required courses must be strictly followed.

English

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Language & Literature
Grupp 105 • Phone (215) 968-8150
Curriculum Code No. **1200**

This program is designed for students who seek a general education with a focus on the study of English. English majors investigate a variety of literatures and hone their academic writing skills, preparing themselves for transfer to a four-year institution or entry into the workforce in fields such as public relations, technical writing, and the non-profit sector.

GRADUATES OF THIS PROGRAM ARE ABLE TO

- demonstrate proficiency in written communication, including awareness of purpose and audience, ability to effectively compose documents for print and non-print environments, and facility with thesis and argument construction;
- identify the distinguishing characteristics of literary genres and the historical and cultural environments in which literary texts have been created;
- demonstrate critical thinking skills in the analysis of literary works;
- demonstrate critical reasoning skills in the selection, identification, evaluation, and use of secondary sources needed in writing effectively about literature;
- apply correct documentation and citation style to academic writing; and
- use technology effectively to retrieve, evaluate, and incorporate information.

Entrepreneurship and Small Business Management

ASSOCIATE OF ARTS

This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

OCCUPATIONAL MAJOR

This associate degree program prepares graduates to start their own business, take over an existing business, or for an entry-level management position. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institutions and differ from school to school. Program requirements can be completed in a two-year period of full-time study.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **2054**

Graduates of this program are able to

- Demonstrate knowledge of the components of a business plan for starting one's own business or purchasing an existing business;
- demonstrate an understanding of the accounting functions necessary for operating a small business; and
- apply the management, marketing, and legal knowledge to operating a small business.
- demonstrate effective oral and written communication skills.

DEGREE COURSE REQUIREMENTS

Curriculum Code No. **1188**

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

The Environmental Science major provides an understanding of a wide range of environmental and ecological concepts. This major is for students planning to earn a baccalaureate degree in the broad range of environmental sciences.

Graduates of this program are able to

- sample and analyze the biological, chemical, and physical components of ecosystems;
- utilize geographic information systems (GIS) software to generate project maps and address a wide range of environmental issues;
- participate in habitat restoration and resource management projects; and
- describe how geologic processes can impact the earth system.

Prospective students with academic deficiencies should be aware that they will need additional time to acquire the necessary academic background. Prerequisites and corequisites for required courses must be followed.

Exercise Science

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Kinesiology and Sports Studies
Linksz Pavillion 208 • Phone (215) 968-8450
Curriculum Code No. **1197**

The Exercise Science major prepares undergraduate students for transfer to a four year institution where they major in any allied healthcare field including, but not limited to physical therapy, occupational therapy, athletic training, exercise physiology and nursing. Other possible professions include strength and conditioning coaches, health and fitness specialists and chiropractors. Community members currently working in the health field who would like to pursue continuing education will benefit from the Program's course offerings.

Graduates of this program are able to:

- Demonstrate an understanding of the body's anatomical and physiological systems as they pertain to exercise physiology principles and disease;

- Find, evaluate, discuss, and ethically use scholarly health science articles published in peer reviewed literature and relate concepts to exercise recommendations and prescription: and
- Demonstrate technological competence with health science computer programs, tools and equipment (i.e., skin fold calipers, heart rate monitors).

Fine Arts

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum code No. **1001**

Students interested in Fine Arts at Bucks need to meet with a Visual Arts faculty member for advising.

The Fine Arts major is designed to serve the fine arts major and the general college student. The major equips the art student with the skills, attitudes, and knowledge necessary for further training in a four-year professional or liberal arts institution and develops mastery of arts, crafts, and design in the student whose formal education ends after two years at the College.

All full-time students entering as Fine Arts majors are required to schedule a portfolio review. In the absence of a portfolio, students will schedule an assessment interview for placement purposes. An art advisor will help select the appropriate sequence of courses.

For the non-art major many electives in art require no pre-requisite or portfolio evaluation.

Graduates of this program are able to

- demonstrate an understanding of the methods and materials associated with drawing, two-dimensional design, and three-dimensional design;
- use traditional and new media to begin to explore and express their own creative voice;
- read about, write about, and analyze art and art history using basic research, critical thinking skills, and a visual arts vocabulary; and
- prepare and present a formal, professional-quality portfolio of work which may be used to apply for admission to a four-year college.*

* In preparing and presenting a portfolio in VAFA250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take at least one required digital course (e.g. VAMM100, VAPH110, or VACV140) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation will be assessed within this course.

Note: Studio courses can be expensive. Lab Fees may be required .

Fine Woodworking

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum Code No. **1187**

Students interested in Fine Woodworking at Bucks need to meet with a Fine Woodworking faculty member for advising.

The Fine Woodworking Transfer Program is designed for the studio arts major interested in specializing in the medium of wood. The major provides the art student with the basic foundation of skills and knowledge necessary for further training in a wood or a fine arts program. The craftsmanship and creative expression of each student is developed through a variety of functional and sculptural projects in wood. A portfolio review is recommended for placement purposes. Graduates will be prepared to transfer to the highest caliber four-year wood programs and qualified for entry level positions in cabinetmaking, furniture designing, furniture making, and machine operating.

Bucks County Community College is an accredited institutional member of the National Association of Schools of Art and Design.

Graduates of this program are able to

- demonstrate an understanding of the methods and materials associated with fundamental drawing, two-dimensional design, and three-dimensional design;
- design and create unique personal finished wood products;
- read about, write about, and analyze art, art history, and furniture history using basic research, critical thinking skills, and a visual arts vocabulary; and
- prepare and present a formal, professional-quality portfolio of work which may be used to apply for transfer applications or an entry-level position in woodworking.*

* In preparing and presenting a portfolio in VAFA250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take several required digital course (e.g. VAMM100, VAGD101, VAGD201, VAMM110) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation will be assessed within this course.

Check out this **video** about the program.

Note: Studio courses can be expensive. Lab fees may be required.

Fire Prevention & Investigation

OCCUPATIONAL CERTIFICATE

Department of Public Safety

Cottage I • Phone (215) 968-8190

Curriculum Code No. **3144**

This certificate program provides students an opportunity to pursue a career in fire prevention and/or inspection or for professional development for those currently employed or who already have a degree in another field.

The Fire Prevention and Investigation Certificate, which follows the Fire and Emergency Services Higher Education (FESHE) and the National Fire Academy models, prepares the student for a position in the fire prevention area discipline. In addition to the courses that prepare the student to perform inspections and investigations, the Fire Science courses in this curriculum provide the student with technical information on a wide range of topics.

Graduates of this program are able to:

- Demonstrate an understanding of fire dynamics, flame spread, and incident investigation, plus the technical, legal, and social aspects of arson;
- Demonstrate and apply the fundamental skills associated with fire protection, prevention, and investigation, such as scientific methods of inquiry and reasoning;

- Evaluate fire behavior and building construction as it related to firefighter safety, building codes, and fire prevention; and
- Apply safety codes and proper procedures for the transportation and storage of hazardous materials.

Fire Science

ASSOCIATE OF ARTS

This program is accredited by the International Fire Service Accreditation Congress (IFSAC) additionally recognized by Fire and Emergency Service Higher Education (FESHE) and the National Fire Academy (NFA).

OCCUPATIONAL MAJOR

Department of Business and Innovation
Cottage I • Phone (215) 968-8190
Curriculum Code No. **2158**

The Fire Science Associate Degree Program, following the Fire and Emergency Services Higher Education (FESHE) and the National Fire Academy models, prepares the student for a position in the fire service. In addition to the courses that prepare the student to manage a complex emergency scene, the courses in this curriculum provide the student with technical information on a wide range of topics. Courses such as Building Construction, Building and Fire Code Enforcement, Hazardous Materials, Fire Protection Systems, Fire Behavior, and Fire Safety Education prepare the student for careers that are directly and indirectly related to the Fire and Emergency Service. These careers include working in code enforcement, insurance investigation, fire protection, equipment inspection, and public service. In addition, this program provides individuals, already working in the fire service or in a related field, the opportunity to prepare for promotion while at the same time earning an Associate Degree.

Graduates of this program are able to:

- Manage a fire protection organization through effective use of public and private emergency planning and resources;
- Demonstrate and apply the fundamental skills associated with firefighter safety and wellness, such as prevention, incident safety / risk management, organizational health and safety, and wellness programs;
- Evaluate fire behavior and building construction as it relates to firefighter safety, building codes, and fire prevention; and
- Apply safety codes and proper procedures for the transportation and storage of hazardous materials.

Fire Science Certificate

OCCUPATIONAL CERTIFICATE

Department of Public Safety

Cottage I • Phone (215) 968-8190

Curriculum Code No. **3143**

This certificate program provides students an opportunity to pursue a career in fire science or for professional development for those currently employed or who already have a degree in another field.

The Fire Science Certificate, which follows the Fire and Emergency Services Higher Education (FESHE) and the National Fire Academy models, prepares the student for a position in the fire service. In addition to the courses that prepare the student to manage a complex emergency scene, the courses in this curriculum provide the student with technical information on a wide range of topics.

Graduates of this program are able to:

- Manage a fire protection organization through effective use of public and private emergency planning and resources;
- Demonstrate and apply the fundamental skills associated with firefighter safety and wellness, such as prevention, incident safety / risk management, organizational health and safety, and wellness programs;
- Evaluate fire behavior and building construction as it related to firefighter safety, building codes, and fire prevention; and
- Apply safety codes and proper procedures for the transportation and storage of hazardous materials.

Furniture and Cabinetmaking

CERTIFICATE PROGRAM

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum Code No. **3187**

This one-year certificate program develops essential entry-level skills required in the furniture/cabinetmaking business. An introduction to the history and theory of making functional wooden objects is combined with studio practices related to handling materials and employing safe working methods. The program provides students with practical experience in using hand tools, power tools, and other equipment routinely used in the industry.

Graduates of this certificate are able to:

- Design and create functional wood products.
- Design furniture and parts of furniture two dimensionally using digital and manual drawing techniques.
- Prepare and present a formal, professional-quality portfolio of work which may be used to apply for a position in the field.

Check out this video about the program: https://www.youtube.com/watch?v=6Re8YBnMHls.

Note: Studio courses can be expensive. Lab Fees may be required.

CERTIFICATE COURSE REQUIREMENTS*

[B]*Requires prerequisite and/or co requisite.*

*Since the individual circumstances and backgrounds of students vary, all students planning to complete this certificate program must meet with their assigned academic advisor to develop a planned sequence of courses to meet their individual needs.

Global Studies and World Languages

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Language & Literature
Grupp 105 • Phone (215) 968-8150
Curriculum Code No. **1204**

This interdisciplinary program is designed for students who seek a general education with a focus on the study of a world language and global or international studies. Students in the major complete their degrees with a strong background in global or international perspectives in the history, culture, geopolitics, economics, and language of various world regions. This major prepares students for transfer to a four-year institution and for careers with an international or global component in government, business, the non-profit sector, education, or law.

GRADUATES OF THIS PROGRAM ARE ABLE TO

- demonstrate proficiency in written communication with the ability to construct well-supported positions;
- demonstrate knowledge and critical thinking skills in the analysis of global history and international relations;
- analyze cultural contexts and perspectives relevant to a particular issue, conflict, or cultural expression;
- analyze an artistic expression and explain how that expression relates to the culture which produced it;
- analyze macro-economic trends and evaluate the impacts these trends have on diverse societal groups;
- demonstrate proficiency in speaking, comprehending, reading, and writing in a world language at the level of four semesters of college study

PHIL125	Introduction to Philosophy
PHIL115	Philosophy of Religion East and West
PSYC110	Introduction to Psychology *(This course should be taken by students seeking a teaching degree in a world language)*
PSYC200	Social Psychology
SOCI110	Introduction to Sociology
SOCI120	Introduction to Cultural Anthropology
VAFA191	Art History Before 1450
VAFA192	Art History After 1450
VAFA195	Non-Western Art History

WMST110   Introduction to Gender Studies

WORLD LANGUAGES (SELECT AT LEAST 12 CREDITS IN ONE LANGUAGE)

1.   Students should select at least 12 credits in one language from the list of approved **World Languages**, with the exception of American Sign Language (AMSL) and International Cultures (CLTR).

2.   Students may have the opportunity to receive credit for approved World Languages through prior learning assessment (PLA). Students starting their language coursework at a higher level than beginner or wishing to take courses in a language that currently offers less than twelve credits, should contact the Language & Literature Department for proper placement and advising.

3.   Students who choose to take courses in more than one language can use credits in the additional language for General Electives. Please contact the Language and Literature department for proper placement and advising.

Graphic Design

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum Code No. **1110**

This major begins with the traditional Fine Arts Foundation experience and then introduces students to the field of graphic design using up-to-date technology and industry-standard software applications. Although graduates from this program typically pursue transfer to professional art schools and complete a baccalaureate degree, this program also provides sufficient training for those seeking to begin an entry-level graphic design career in advertising agencies, publishing companies, television stations, packaging companies, magazines, and other firms in the business of communicating information visually.

All full-time students entering as Graphic Design majors are required to schedule a portfolio review. In the absence of a portfolio, students will schedule an assessment interview for placement purposes. An art advisor will help select the appropriate sequence of courses.

Graduates of this program are able to:

- demonstrate an understanding of the methods and materials associated with fundamental drawing, two-dimensional design, and three-dimensional design;
- read about, write about, and analyze art and art history using basic research, critical thinking skills, and a visual arts vocabulary;
- demonstrate and apply fundamental skills associated with digital imaging, layout, typography, graphic design, and web design; and
- prepare and present a formal, professional-quality portfolio of work.*

* In preparing and presenting a portfolio in VAFA250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take several required digital courses (e.g. VAMM100, VAGD101, VAGD102, VAGD201, VAMM110) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation are assessed within this course.

Bucks County Community College is an accredited institutional member of the National Association of Schools of Arts and Design.

Note: Studio courses can be expensive. Lab Fees may be required.

Guided Studies

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Language & Literature
Grupp 105 • Phone (215) 968-8150
Curriculum Code No. **1202**

The Guided Studies major provides an efficient vehicle for exploring possible majors while completing some/many courses that will meet requirements of an Associate degree at Bucks and/or earn credits that will transfer as requirements or electives at another institution.

GRADUATES OF THIS PROGRAM ARE ABLE TO:

- Articulate and discuss main concepts, features, and applications of two areas of study (Concentrations).
- Articulate personal qualities and interests as they relate to academic, training, and/or career planning.
- Create a plan for an academic or professional career by researching academic, training, and career opportunities, and matching those opportunities with personal qualities and interests.
- Use software programs commonly needed in workplaces and academic settings.

The Guided Studies Concentrations include the following: Creativity and Aesthetics; Culture and Society; Helping Professions and Public Service; Humanities; Management, Leadership, Entrepreneurship, and Business; Media and Technology; Numbers, Engineering, and Computer Technology; Science, Nature, and Health; Service Industries; Words, Texts, and Communication.

Health and Physical Education

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Kinesiology and Sport Studies
Linksz Pavillion 208 • Phone (215) 968-8450
Curriculum Code No. **1031**

The Health and Physical Education program prepares undergraduate students for a career in teaching health and physical education. The major is for students planning to transfer to a four-year institution as a health and physical education major. It provides the fundamental courses for students to successfully transfer into upper division course work. Students should plan their major to parallel that of the transfer college.

Program goals:

Graduates in this major will be able to:

- demonstrate an understanding of basic health materials and physical education concepts,
- communicate effectively in both oral and written forms; be able to write lesson plans, and teach a physical education class,
- access, evaluate and use information as it becomes available to continually improve and update their personal health and physical education objectives, and those that they will communicate to their future classes,
- demonstrate an understanding of how they can change their lives sand those of their students by improving their attitudes about health, exercise and nutrition.

Health Information Technology

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a four-year college should be aware that decisions on transferability of courses are made by the four-year colleges and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **2191**

The Health Information Technology Associate degree program is designed to prepare the student to function effectively in a technical manner in health information departments in a wide variety of healthcare settings. These settings include: ambulatory care, rehabilitation centers, drug and alcohol facilities, local health departments, third-party payers, pharmaceutical companies, acute care, as well as other healthcare related organizations such as insurance companies, consulting firms and technology companies. The curriculum is designed to prepare entry-level graduates with the knowledge and skills necessary to use, analyze, present, abstract, code, add, store and/or retrieve healthcare data for the support of departmental operations and clinical and business decision making in healthcare or related organizations.

Health Information Technology professionals are employed as health data analysts, insurance claims analysts, records technician specialists, clinical coding specialists, physician practice managers, or patient information coordinators.

Graduates of this program are able to

- apply analytical thinking and problem-solving skills necessary to perform complex coding and billing tasks;
- demonstrate an understanding of the healthcare field and how health-related information is managed and shared between medical facilities.
- analyze and manage healthcare data using current medical application software; and
- apply Health Insurance Portability and Accountability Act (HIPAA) regulations to protect the security and confidentiality of electronic patient health information.

Health Science

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Department of Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **1108**

The Associate Degree in Health Science is designed to prepare the graduate to transfer into baccalaureate degree programs in health fields. The degree also provides the student with pre-requisite courses necessary to enter one of the College's health care programs.

Graduates of this program are able to:

- Demonstrate appropriate, professional written and communication skills;
- Demonstrate effective problem-solving skills and critical thinking skills;
- Demonstrate an understanding of the health care field as it relates to psychological, social, and legal implications; and
- Demonstrate a strong foundation in the health sciences.

Historic Preservation

CERTIFICATE MAJOR

Department of Social and Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **3127**

The Historic Preservation Certificate program of study is primarily occupational, providing opportunities for individuals seeking a career in the field of historic preservation. The program is designed for job placement with students finding

employment in the historic preservation field in the offices of: community planners, developers, architects, contractors, realtors, zoning commissions, certified local governments, house museums, private and public research agencies, educational institutions, landscape architects, and historic reproduction businesses. Some students may also take the Certificate in order to enhance their present employment situation.

Graduates of this program are able to

- understand the theoretical and historical bases of historical preservation;
- demonstrate knowledge of American architectural history;
- employ research techniques to document historic sites;
- apply historic preservation standards and regulations to specific sites;
- communicate historic preservation values to the general public; and
- prepare a portfolio that demonstrates ability at entry level in the historic preservation field.

CERTIFICATE REQUIREMENTS

Course	Credits

History

ASSOCIATE OF ARTS

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **1196**

The study of history and the practice of historical reasoning assist the development of higher level thinking - an intellectual ability with academic and everyday applications. Through research and writing, history majors at Bucks County Community College constantly develop higher level thinking by exercising their critical and analytical muscles. With an eye towards identifying the relationship between the past and present, and the world and nation, the history program immerses students in the perspectives of past civilizations and cultures and leads them to debate and assess the historical genesis of contemporary issues.

This program provides a broad range of transferable courses that inspires students to examine and explore historical knowledge while developing the skills necessary to seek answers that enhance a greater understanding of our nation and world.

Graduates of this program are able to:

- Demonstrate an understanding of the American historical heritage;
- Demonstrate an understanding of the Western historical heritage; and
- Demonstrate an understanding of the historical heritage of at least one Non-Western culture;
- Analyze recent historical literature in the discipline's major journals; and
- Write historical reports using the University of Chicago style.

Hospitality Management

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a four-year college should be aware that decisions on transferability of courses are made by the four-year colleges and differ from school to school. Students should contact the Transfer Services office early in their academic programs to determine which courses will transfer to the college of their choice.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **2022**

Graduates seek employment in positions with job titles such as hotel/restaurant management trainee, front desk supervisor, foodservice supervisor, food production assistant, dietary manager, shift supervisor, or assistant manager in hotel/motel/restaurant/institutional operations.

This Associate Degree program prepares graduates to compete for various entry-level management careers in the hospitality management, commercial and non-commercial foodservice and tourism/lodging industries.

Graduates of this program are able to

- demonstrate basic hospitality industry knowledge and proficiency in the core functions of their hospitality positions;
- communicate effectively with internal and external customers through oral, written or graphic methods to demonstrate professional attitudes and workplace habits;
- employ asset management techniques in various hospitality operations to control costs; and
- organize and direct food production and service in a variety of settings and supervise employees.

Individual Transfer Studies

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department

Founders 110 • Phone (215) 968-8305

Curriculum Code No.**1146**

This major is intended for students whose educational goals are not met by the College's other transfer majors. It allows a student to build a sequence of courses to satisfy specific requirements of a particular four-year college. Upon successful completion it results in the award of the Associate of Arts degree.

Graduates of this program will be able to:

- Develop a plan for achieving vocational and/or transfer goals.
- Prepare a clearly delineated transfer plan tailored to the transfer school of choice.
- Demonstrate Technological Competence as appropriate to transfer major or create and modify word processing, spreadsheet, and electronic presentation documents using appropriate features of the selected application.

Students are admitted to this major only after they have identified the major and the four-year college into which they wish to transfer. They must also document that no other major will allow them to complete the associate of arts degree and transfer all of the required credits. Students are required to supply a catalog from the college or university to which they wish to transfer. They must meet with the Dean of the Science, Technology, Engineering and Mathematics Department to develop a Transfer Education Plan. This plan must be approved by the Provost.

Information Science

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **1102**

This major prepares students for upper-division course work leading to a bachelor's degree in computer or information science. The major parallels the first two years of study required by similar majors offered at four-year colleges and universities.

Students pursuing this major develop an understanding of the business environment and its information processing needs.

Graduates of this program will be able to:

- demonstrate an ability to develop and effectively use application software as well as the related technology and
- demonstrate proficiency in Program Analysis, algorithm development, coding, testing, debugging and documentation.

Information Technology Studies

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a four-year college should be aware that decisions on transferability of courses are made by the four-year colleges and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **2164**

This major is for students whose educational and occupational goals are not met by the Science, Technology, Engineering & Mathematics Department's other occupational and transfer majors. It allows students to build a sequence of computer-related courses to satisfy specific skills needed for employment and, upon successful completion, results in the award of the Associate of Applied Science degree.

This program is not for students planning to transfer. Students are admitted to this major only after they indicate in writing both the occupational objective and specific employment they expect to achieve through completion of the major. While the major is designed for students beginning their collegiate work, students with fewer than sixty credits of collegiate work may enter the major after receiving permission from both an academic advisor from the Computer Science area and the Science, Technology, Engineering & Mathematics Academic Dean. Students will be admitted to this major only after they indicate both the specific occupational objectives they expect to achieve and a specific sequence of courses that will be taken. This written plan will be used to determine graduation eligibility. Any changes in this sequence must be approved, in writing, by the Science, Technology, Engineering & Mathematics Academic Dean.

Positions that might be available, depending on courses chosen, are those that often combine the skills of two or more computer-related areas, such as:

- programmer/web developer
- web master/developer
- network administrator/developer

Based on the choice of courses, graduates of this program are able to

- interpret, analyze, and solve problems using a computer;
- adapt to changing technology; and
- work effectively as a team member to plan and implement solutions to computer related problems.

Journalism

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Language & Literature

Grupp 105 • Phone (215) 968-8150

Curriculum Code No. **1045**

Students interested in Journalism at Bucks need to meet with a Journalism faculty member for advising.

The Journalism major prepares students for news reporting, writing, copy editing, and page layout in both print and online journalism. The courses parallel the offerings in the first two years of most four-year journalism programs. The weekly campus newspaper provides practical workshop experience. Students gain computer skills by writing stories in computer labs and by using the Internet and electronic databases to gather information.

THE JOURNALISM PROGRAM OF STUDY IS FOR STUDENTS WHO

- intend to transfer to four-year colleges in journalism or a communication major;
- want to gain employment in entry-level news reporting or editing;
- want to use the most current layout software in publishing or a newspaper position; and
- desire experience in both print and online journalism.

GRADUATES OF THIS PROGRAM ARE ABLE TO

- recognize the complexities of media and society studies;
- practice the skills and knowledge necessary for jobs in print and online journalism, including the fundamentals of news reporting, writing, editing, and page layout;
- demonstrate their understanding of journalism ethics, press freedom, the First Amendment, and libel law.
- demonstrate technological competence appropriate to the major, such as using computer software to do newspaper layout, creating digital video news reports using cameras and professional video and audio editing software, and uploading stories and photographs to the student newspaper website.

Liberal Arts

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Language & Literature
Grupp 105 • Phone (215) 968-8150
Curriculum Code No. **1002**

This major is designed for students who intend to transfer to a four-year college and complete a liberal arts major. This major requires students to explore multiple humanities and humanistic social science fields, enabling them to make informed choices about more-focused related majors at Bucks or elsewhere. The Liberal Arts major includes a robust General Education program, including courses in science and mathematics.

Students in the Liberal Arts customarily prepare for transfer to bachelor degree majors which may lead to careers in government, education, business, industry, public relations, social services, social entrepreneurship, or journalism.

NOTE: Many transfer institutions require some knowledge of a world language, either for admission or to complete a degree. This requirement varies from one semester to two years of study at the college level (or equivalent). Students planning to transfer should be aware of any world language requirements that may affect their acceptance into certain colleges or programs.

LIBERAL ARTS IS FOR STUDENTS WHO

* intend to transfer to a particular humanities or humanistic social science major offered at a 4-year transfer institution with no specific parallel program offered at Bucks County Community College; and
* need to explore the humanities and humanistic social sciences prior to a commitment to a specific major.

GRADUATES OF THIS PROGRAM ARE ABLE TO

* demonstrate an understanding of human intellectual heritage and creative expression;
* demonstrate an understanding of human diversity and its impact on human experience;
* read critically, analyze and interpret information, and construct logical, well-supported positions;
* communicate effectively orally and in writing;

- demonstrate an understanding of human behavior and/or the relationships of people within societies; and
- find, evaluate, and ethically use information in a variety of formats for a variety of purposes.

Magnetic Resonance Imaging

CERTIFICATE PROGRAM

Gainful Employment Information is available for this program here: **3201 Magnetic Resonance Imaging**

Health Sciences

Lower Bucks Campus • Phone 215-968-8353 (option 5)

Curriculum Code No. **3201**

The Magnetic Resonance Imaging (MRI) Certificate program prepares the post-graduate registered radiologic technologist to use magnetic field and radio waves to produce cross-sectional anatomical images of the human body. MRI technologists operate MRI scanners, picture archiving and communication systems and related equipment.

The MRI Certificate program is a two-semester program. The program consists of online didactic courses and a clinical practicum experience. The MRI Certificate Program is designed to provide the working Radiologic Technologist with the theoretical background and documented clinical experience necessary to sit for the Magnetic Resonance Imaging Post-Primary Certification exam offered by the American Registry of Radiologic Technologist (ARRT).

Applicants must be registered and in good standing with the American Registry of Radiologic Technologist (ARRT) in Radiography, Sonography, Nuclear Medicine or Radiation Therapy. The American Registry of Diagnostic Medical Sonography (ARDMS) for Ultrasound or the Nuclear Medicine Technology Certification Board (NMTCB) for Nuclear Medicine are also accepted.

Graduates of this program are able to:

- function as competent, entry-level professionals;
- demonstrate appropriate, professional communication skills;
- develop and practice effective problem-solving skills and critical thinking skills; and
- conduct him/herself in a professional manner.

ADMISSION PROCEDURES

Magnetic Resonance Imaging Program Information

Admission to the Magnetic Resonance Imaging Certificate program is open only to applicants who are in good standing with the American Registry of Radiologic Technologist (ARRT) in Radiography, Sonography, Nuclear Medicine or Radiation Therapy. The American Registry of Diagnostic Medical Sonography (ARDMS) for Ultrasound or the Nuclear Medicine Technology Certification Board (NMTCB) for Nuclear Medicine are also accepted. To apply for the MRI Certification Program, please complete the following steps:

- Submit an **application** to Bucks County Community College.
- Submit p**revious college transcripts**, if applicable, for evaluation by the Admissions Department.
- Submit completed **Magnetic Resonance Imaging Application** via email to the Program Director of Radiography.
- Submit current ARRT credential card, current NMTCB card or ARDMS card via email to Program Director of Radiography.

Applications will be accepted from May 1st- June 15th of each year. Accepted students will be notified by July 1st.

CLINICAL EDUCATION REQUIREMENTS:

The number students accepted into clinical education (RADI311 and RADI326) for MRI will be equal to the number of available clinical spaces.

Once accepted into the MRI Clinical Courses, students will be required to:

- Purchase a MRI uniform from preferred uniform vendor.
- Assume all responsibility for transportation to and from the clinical sites assigned.
- Obtain and maintain current CPR certification.
- Obtain and maintain Immunization records.
- Complete an FBI Fingerprint Criminal Background Check, a PA Criminal Background check, Child Abuse clearance and drug screening (until clearance is received, program acceptance is provisional and may be rescinded).
- Show proof of health insurance coverage for the student.

Management and Marketing

ASSOCIATE OF ARTS

This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

OCCUPATIONAL MAJOR

This associate degree program qualifies graduates to compete for entry-level management, marketing, and/or retail positions, depending upon which track is chosen. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institutions and differ from school to school. Program requirements can be completed in a two-year period of full-time study.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **2015**

Graduates seek employment in positions with job titles such as management trainee, sales representative, marketing assistant, job supervisor, branch manager. Graduates of this program are able to:

- utilize accounting information as a management tool in planning and controlling business operations;
- demonstrate knowledge of how to market a product, service or idea;
- exhibit a knowledge of the terminology of the field in order to communicate orally with customers, employers and supervisors;
- read and interpret business, periodical and technical reports; and
- create written reports on job-related problems.

Mathematics

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. **1006**

This major prepares students for upper division course work leading to a bachelor's degree in mathematics or a mathematics-related area. Upon completion of the appropriate bachelor's degree, graduates are qualified for entry-level positions in actuarial science, statistics, applied mathematics, operations research, economic forecasting, teaching, and graduate study.

Graduates of this program are able to

- accurately interpret and translate pictorial and descriptive information into mathematical statements;
- solve problems quantitatively and communicate results clearly;
- demonstrate understanding of functions, limits, differentiation and integration, as appropriate;
- demonstrate computational skills in areas of applied mathematics; and
- utilize systems software to implement problem solutions on a computer system.

Although students completing this degree typically transfer to a 4-year institution with the intention of completing a Bachelor's program, they may be employed as teaching assistants or science technicians.

Medical Administrative Specialist

CERTIFICATE PROGRAM

Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **3148**

Administrative medical assistants complete office paperwork, schedule patients, and handle insurance billing in physicians' offices, clinics, or insurance companies. They may work as admitting clerks, billing agents, or medical transcriptionists in hospital outpatient areas.

Graduates of this program are able to

- perform basic administrative medical assisting functions including scheduling, appointments, coding, managing accounts receivables and payables, and maintaining accounting records;
- perform within legal and ethical boundaries;
- display a professional manner and image; and
- demonstrate an understating of the anatomical structure and physiological functions of the human body and of medical terms descriptive of body systems.

Total Credit Hours	**26***

[A] *Course requires prerequisite.*
[B] *Open to Credit by Examination.*

* All students are required to pass MEDA140 Keyboarding and Document Processing either by taking the course at Bucks County Community College or by passing the appropriate challenge test given by the Office Administration Area at the College. A competency of 35 words a minute with a 5-error maximum on a 5-minute timed writing is required.

Since the individual circumstances and backgrounds of students vary, all students planning to complete this certificate program must meet with their assigned academic advisor to develop a planned sequence of courses to meet their individual needs.

Medical Assistant

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a four-year college should be aware that decisions on transferability of courses are made by the four-year colleges and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **2131**

Medical Assistants work in medical practices, clinics, and hospitals. Medical Assistants have cross-training for both administrative and clinical responsibilities. Their administrative duties include keeping patient records, managing financial matters, handling insurance arrangements, processing correspondence, and managing an office. In the

clinical setting, the medical assistant prepares and assists in patient examination, records laboratory data, and obtains patients' vital signs.

Prospective students with inadequate preparation should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and co-requisites for the required courses must be followed.

Graduates of this program are able to

- perform basic administrative medical assisting functions including scheduling appointments, coding, managing accounts receivables and payables, and maintaining accounting records;
- perform basic clinical medical assisting functions including preparing and maintaining examination treatment areas, assisting with examinations, procedures and immunizations, collecting and processing specimens, performing diagnostic testing, and applying proper aseptic techniques;
- perform within legal and ethical boundaries; and
- display a professional manner and image.

Medical Coding/Billing

CERTIFICATE PROGRAM

Gainful Employment information is available here: **3174 Medical Coding/Billing**

This major is primarily designed for job preparedness. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institutions and differ from school to school. Students should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **3174**

Graduates of the Medical Coding/Billing Certificate program will be prepared for positions as ambulatory care coders (Current ICD Curriculum, CPT/HCPCs), as well as billers, patient accounts representatives, and other support positions in medical offices, hospitals, and other health care facilities. Upon program completion, graduates are qualified to take the Certified Coding Specialist - Physician's Office - National Certification Examination conducted by the American Health Information Management Association (AHIMA), and the Certified Professional Coder (CPC) National Certification Examination conducted by the American Academy of Professional Coders.

Graduates of this program are able to

- process, analyze, and report health information;
- classify, code, and index diagnoses and procedures;
- coordinate information for cost control, quality management, statistics, marketing, and planning;
- monitor governmental and non-governmental standards and facilitate research; and
- design system controls to monitor patient information security.

Medical Laboratory Technician

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Health Sciences
Lower Bucks Campus • Phone 267-685-4832
Curriculum Code No. **2203**

This associate of applied science degree prepares the graduate entering the profession of medical laboratory science. The degree provides the student with a variety of sound clinical experiences in which the student develops competency in skills, and personal and professional growth in the discipline.

This degree program prepares the student both educationally and clinically to take the American Society for Clinical Pathology (ASCP) examination for credentialing and to seek employment as a medical laboratory technician.

Essential Functions
MLT Program Outcomes
MLT Handbook

Graduates of this program are able to

- Collaborate with diverse health care team members to provide patient care and perform quality, cost-effective laboratory procedures;
- Incorporate concepts learned through classroom instruction and clinical practice to ensure accurate, meaningful laboratory results that reflect current standards of care;
- Practice responsibly in compliance with ethical, social, legal and regulatory requirements of medical laboratory science professionals;
- Utilize appropriate methods for the basic operation and troubleshooting of laboratory instrumentation and information systems;
- Integrate current technologies and procedures into clinical practice

ADMISSION PROCEDURES

The MLT application window is now closed. Applications will be accepted again starting Dec 16 2020 This is a restricted program with limited enrollment capacity.

1.   To begin the MLT program application process, you must be enrolled as a BCCC student. **(Notice of Non-Discrimination)**
2.   Conditional approval will be based on the completion of 30 credits from the courses in the general education framework, listed below. The GPA for the 30 credits must be 2.75 or better (no lower than a C in course work), and must include BIOL181, 182, 228, and CHEM101. BIOL228 may be registered for, but not yet taken, when applying to the program. However, it must be completed prior to the start of the program.

   o   BIOL181 Anatomy & Physiology I*

- BIOL182 Anatomy & Physiology II*
- BIOL228 Microbiology*
- CHEM101 Chemistry A
- COLL101 College Success Seminar
- COMM110 Effective Speaking**
- COMP110 English Composition I
- COMP114 Technical Writing
- Humanities Elective**
- MATH120 College Algebra
- PSYC110 Intro to Psychology
- MEDA120 Medical Terminology

*Courses must be taken within past 7 years

**Courses may be completed in spring of MLT (second) year

3.   Conditional acceptance will be mailed to you by the end of March; the MLT program begins in the summer. MDLB classes are required to be taken as listed under RECOMMENDED SEMESTER SEQUENCE

4.   Please send the names and emails of two references such as supervisors or faculty.

5.   In order to register for MDLB220, students must have completed and uploaded the following: State, FBI and child abuse clearances; physical exam form including hepatitis and flu immunization and 2-step PPD status or quantiferon gold test. Students must have Healthcare Provider CPR training and must remain current through entirety of program. The 10-parameter drug screen with extended opiates is to be completed thirty days prior to their first clinical day.

Curriculum Code No. **2171**

This Associate of Arts degree program prepares graduates to compete for various careers in the travel services and meeting planning industries. Program requirements can be completed in a two-year period of full-time study (including one summer employment internship). Graduates seek employment in such positions as meeting planners, conference planners, catering planners, exposition organizers, travel managers, travel agents, corporate planners, association planners, medical meeting planners, trade show coordinators, government meeting planners, incentive travel planners, independent meeting planners, seminar coordinators and sports event planners.

Graduates of this program are able to:

- plan corporate and business meetings and conferences;
- provide a variety of service functions in preparing for an event and managing ancillary services including food and beverage requirements;
- develop sales techniques and marketing plans; and
- develop business presentation techniques for group and convention presentations.

Multimedia and Digital Arts

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Students interested in Multimedia & Digital Arts at Bucks need to meet with a Visual Arts faculty member for advising. Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum code No. **1175**

The Multimedia & Digital Arts Transfer Major provides students with experiences creating image, text, sound, and video, with an emphasis on digital media. Using interactive design, students will combine these different digital components into projects that convey their ideas as Web sites, multimedia or digital arts projects. The Multimedia & Digital Arts Transfer Major strongly emphasizes the concepts and the fundamentals of design, as well as the artistic skills needed to create interactive projects. The program also prepares students with technical skills using up-to-date technology and industry-standard software applications. Graduates from this program may pursue transfer to professional art schools and complete a baccalaureate degree or begin a career as an entry level digital designer. Digital artists may find work with advertising agencies, publishing companies, television stations, training companies, and other firms in the communications business.

Graduates of this program are able to

- Design and create web sites, digital art and multimedia projects;
- prepare and present a formal, professional-quality portfolio of work which may be used to apply for admission to a four-year college or entry level employment; and*
- apply skills associated with the digital arts including: digital imaging, digital video, photography, web design, and multimedia.

* In preparing and presenting a portfolio in VAMM250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take several required digital courses (e.g. VAMM100, VAMM110, VAPH110, VACV140) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation will be assessed within this course.

Full time day students entering as visual arts and digital arts majors require an assessment interview. A portfolio review is not required for admission, but is recommended for placement purposes. An art advisor will help select the appropriate sequence of courses.

Note: Studio courses can be expensive. Lab Fees may be required.

Music

ASSOCIATE OF MUSIC

TRANSFER MAJOR

Students interested in Music at Bucks need to meet with a music faculty member for advising. Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department
Hicks 125 • Phone (215) 968-8425

Music Area
Hicks 208 • Phone (215) 968-8425
Curriculum Code No. **1019**

The Music major, which is designed to prepare students for transfer in Music to four-year institutions, is a curriculum that culminates in an Associate of Music degree. Numerous courses in the program fulfill Core Curriculum

requirements for general students, and students enrolled in other majors are encouraged to participate in any course or performing ensemble for which they qualify.

Graduates of this program are able to

- perform appropriate musical repertoire competently in both solo and ensemble environments;
- identify and analyze in both written and aural formats the historical forms, styles, genres, and compositional techniques of varied musical repertoire;
- analyze and construct diatonic and chromatic harmonies using techniques of Roman Numeral harmonic analysis, figured bass, and related symbolic nomenclatures;
- employ music technology productively in both practical and creative contexts*; and
- sight-sing melodies accurately and take musical dictation by applying compatible solfege methodologies.

*To fulfill the technological competence requirement, students apply music- specific digital software in MUSC124 to create music compositions.

Students entering as Music majors 1) must successfully pass the qualifying exam for entrance into Music Theory I and Ear Training I, 2) must schedule an interview with a representative of the Music Area, and 3) must perform an audition on their principal instrument (or voice) for placement into the Applied Lesson course sequence. Contact the Music Area (215-968-8425) for complete information and scheduling of these preliminary requirements.

Students must own an instrument and purchase music as required for study.

Students will be charged a music lesson fee for all MUSL courses.

Bucks County Community College is an accredited institutional member of the National Association of Schools of Music (NASM).

Neuroscience

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone: 968-8305
Curriculum Code No. **1194**

Neuroscience encompasses the neural foundations of normal and abnormal behavior and the application of this knowledge to the diagnosis and treatment of neurological and psychiatric disorders, as well as to the development of brain-based methods and models in fields ranging from education to economics. The Neuroscience Program provides students with an understanding of fundamental neuroscientific concepts in preparation for transfer to a four-year

college and completion of the baccalaureate degree in neuroscience or a related discipline, or employment as a technician in the pharmaceutical, medical device, medical instrumentation, or biotechnology industries.

Graduates of this program are able to:

- Describe the structure and function of the nervous system in health and disease;
- Apply the principles of scientific reasoning to neuroscience; and
- Identify, retrieve, read, and discuss neuroscience articles published in the peer-reviewed literature;
- Analyze scientific data using statistical software programs (e.g., SPSS.

Nursing

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR

Students interested in Nursing at Bucks need to contact their assigned advisor for advising. The nursing program requires additional fees.

Department of Health Sciences
Founders Hall 112 • Phone (215) 968-8327
Curriculum Code No. 2035

The Program in Nursing offered at Bucks County Community College can be completed in two years if the student chooses to be a full-time student, or it can be completed on a part-time basis and leads to an Associate of Arts Degree. Graduates of the Program are eligible to take The National Council Licensure Examination for Registered Nurses (NCLEX-RN). Further, the Nursing Program prepares graduates to function as beginning graduate nurses, and to assume entry-level positions as Registered Nurses in acute care, long-term care, homes, clinics physicians' offices, or other agencies established to meet health care needs. Program learning experiences prepare graduates for associate degree nursing practice, as defined and delineated by the nursing profession. Nursing functions require advanced technical skills, in addition to substantial scientific knowledge.

Nursing students must comply with the rules and policies as presented in the **AD Nursing Student Handbook and Attendance Policy**, in addition to those listed in the catalog. Students, who meet criteria for readmission into the program, must comply with the Nursing Student Handbook that is in place for the class to which they have been readmitted.

The Bucks Associate Degree Nursing Program is approved by the Pennsylvania State Board of Nursing and is accredited by: The Accreditation Commission for Education in Nursing, Inc., (ACEN) 3343 Peachtree Road NE, Suite 850 · Atlanta, Georgia 30326 P. 404.975.5000 · F. 404.975.5020

PROGRAM OUTCOMES

The graduate of the BCCC Nursing Program will use critical thinking to apply the theoretical knowledge from the cognitive, affective and psychomotor domains to

- communicate in a manner that is professional, that acknowledges and preserves the individual's dignity and worth and that recognizes and respects cultural differences between patients and care providers, and among patients;
- apply the nursing process to diagnose and treat individual and family responses to alterations in their functional health patterns;
- collaborate with the health care team to manage groups of patients with predictable outcomes while appropriately delegating duties to other healthcare providers;
- demonstrate awareness of today's health care delivery system and its impact on future health, act according to and within the legal and the ethical standards set forth by the Pennsylvania Nurse Practice Act, the College, the Nursing Program, the legal system at large, affiliating agencies, and their accreditation bodies and the nursing profession.

ADMISSION REQUIREMENTS

ADMISSION TO THE PROGRAM OF STUDY

1. All applicants must fulfill the College's admission requirements and the specific requirements for admission to the Nursing Program of Study.
2. Meeting High School Requirements
   a. All students must have completed work equal to a standard high school program with a minimum of 16 units (a unit is the equivalent of a year's worth of study). *These requirements are:*
      - 4 Units of English
      - 3 Units of Social Studies

- 2 Units of Science: 1 year of High School Chemistry with a grade of C or better or 70% and 1 year of High School Biology with a grade of C or better or 70%.
- 2 Units of Mathematics with a grade of C or better or 70% (one unit must be algebra)

All students must have a final official high school transcript on file in Admissions and must be enrolled in the College.

3. All enrolled nursing students must be seen by their assigned Academic Advisor during advising period fall/spring.
4. GED students must meet the same requirements.
o Students who do not meet the high school requirements must take the following courses:
1. To satisfy the English requirement, a student must take the Writing Placement Test and score a six (6) or complete COMP107 Introduction to Rhetorical Skills with a grade of "C" or better. (**NOTE:** Prerequisite courses, as determined by the College Placement Tests, need to be taken prior to enrollment in this course.)
2. To satisfy the Social Studies requirements a student must complete Introduction to Psychology OR Introduction to Sociology OR a course listed under Arts/Humanities (as listed in the College Catalog).
3. To satisfy the Science Requirement, a student must complete BIOL181, Human Anatomy & Physiology I, with a B or better for a deficiency in Biology; CHEM101, Chemistry A for a chemistry deficiency. It is recommended that the student enrolls in Biological Science 101 or 102 if seven years have lapsed since their last high school science course.
4. To satisfy the Mathematics requirements a student must take the placement test in order to determine the appropriate placement. The student needs to complete MATH095 OR receive a score on the Math Placement Test of 5.
o Students who completed high school work in a foreign country must either:
0. Have a course-to-course evaluation performed by one of the five College- approved transcript evaluating agencies (information available in the Office of Admissions).
1. Earn a "C" or better in all of the above College courses to meet high school requirements.

CONDITIONAL ACCEPTANCE INTO THE CLINICAL COMPONENT OF NURSING

1. Currently enrolled in the College, and have taken the three placement tests
2. Met high school requirements
3. Curriculum Code of 2035P (Nursing)
4. Have a grade of B in BIOL 181, Anatomy & Physiology I, BIOL 182 Anatomy & Physiology II, and BIOL 228 Microbiology and a C or better in ALL courses required in the Nursing Program of Study, if taken before applying for admission into the Clinical component of Nursing. All required courses, with a grade of less than required taken prior to entry into the clinical component of the Nursing Program MUST be repeated before acceptance into the clinical component.
5. BIOL 181, Anatomy & Physiology I, BIOL 182, Anatomy & Physiology II BIOL 228, HLTH120N, and PSYC 110 must be taken within the 7 years to be considered current and valid for admission.
6. Have a minimum cumulative grade point average (GPA) of 3.0 at BCCC
7. NLN-RN Pre RN entrance exam of 50th percentile or above (55th percentile preferred), OR ACT of 20 or above OR, SAT exam score of 900 (critical reading and math) if taken prior to March 2016 or above 980

total score if taken after March 2016. NLN Examination must be completed by the Fall or Spring testing deadline. All applicants must have an official score (in order to be deemed official, document must be sent directly from issuing institution, The College Board, to admissions postmarked by the application deadline and posted in the student planning module.

8. After meeting all of the following criteria, students who are Bucks County residents and have completed the highest number of credits in the Nursing Program of Study at BCCC with a final grade of B in BIOL 181, Anatomy & Physiology I, BIOL182, Anatomy & Physiology II , and BIOL 228 Microbiology and a C or better in other courses in the Program of Study will be considered first.

9. **Fill out the Clinical Application form**. The application opens each year between October 15th and December 15th.

After notification of conditional acceptance to the Clinical Component of the Nursing Program the student is required to submit the following documents to the Director for full acceptance into the clinical component of the Nursing Program (Necessary paperwork will be handed out and discussed at Orientation)

1. Current CPR certification (BCLS course)
2. Current Health examination
3. Current Immunizations record
4. Current State Police criminal check and FBI check that shows the applicant is felony free for ten (10) years. This requirement is related to the Nurse Practice Act (Act No. 185-109) of Pennsylvania which states "… The Board of Nursing shall not issue a license or certificate to an applicant who has been convicted of a felonious act prohibited by the Act of April 14, 1972 (P.L. 233, No. 64), known as "The Controlled substance, Drug Device and Cosmetic Act", or convicted of a felony related to a controlled substance in a court of law of the United States or any other state, territory or country, unless: at least ten years have elapsed from the date of conviction…" In addition, applicants must be free of Prohibitive Offenses (which includes certain drug and substance abuse violations) as found in the Pennsylvania Older Adult Protective Services Act 169 of 1996 and as amended by Act 13 of 1997, within their lifetime. The student must not have not been convicted of a driving under the influence of intoxicating liquors and/or drugs within five (5) years of participation in the program. In the event a student is permitted to participate in the program and then it is learned that he/she does not meet the criteria as set forth herein, they will be immediately removed from the program. The student must self-disclose any arrest after their acceptance in the Clinical Component.
5. Current FBI fingerprint clearance
6. Current Child Abuse Clearance that demonstrates child abuse free in lifetime.
7. Current negative drug and alcohol screen.

Prior to starting the 2nd year, students must re-submit the following to the Director. Associate Degree Nursing

1. Current CPR certification
2. Current State Police criminal check and FBI check demonstrating the above.
3. Current PPD test results
4. Current Negative Drug and alcohol screening
5. Other requirements that may be dictated by current clinical affiliations.

PROGRESSION THROUGH AND COMPLETION OF THE NURSING PROGRAM REQUIREMENTS

1.   A grade of C defined as 73% (on available testing) or better in all required nursing courses, which also includes a grade of satisfactory laboratory and clinical performance and attendance. Be able to demonstrate increasing proficiency on all drug calculations exams included in the nursing courses that start at a minimum grade of 80%.

2.   A grade of C or better in all required non-nursing courses and a B in BIOL 181 ,Anatomy & Physiology I, BIOL182 , Anatomy & Physiology II and BIOL228 Microbiology

3.   A minimum cumulative GPA of 2.75.

4.   Students failing to meet the above criteria will be dismissed from the Program.

5.   Nursing students must comply with the rules and policies as presented in the Nursing Student Handbook, in addition to those listed in the BCCC catalog.

6.   A student may only repeat one nursing course. Any attempt in a nursing course is considered unsuccessful if not completed with a 73% including any withdrawal. The student must reapply for admission and is on a space available basis. Students, who meet criteria for readmission into the program, must comply with the Nursing Student Handbook that is in place for the class to which they have been readmitted.

ADVANCED PLACEMENT

Advanced Placement for Licensed Practical Nurses or applicants who have attended other accredited associate or baccalaureate nursing degree programs

ELIGIBILITY:

1.   LPN's are eligible for advanced placement if space is available.

2.   Transfer students who have attended an ACEN accredited nursing program are also eligible for advanced placement on a space available basis.

ADMISSION TO THE COLLEGE AND TO THE NURSING PROGRAM OF STUDY:

See Admission Requirements to the College and to the Nursing Program of Study Above

ADDITIONAL ADMISSION CRITERIA:

1.   LPN's must provide proof of Pennsylvania licensure

2.   Because LPN's have completed the licensure exam, the SAT, ACT or NLN will not be required

3.   Transfer students are required to meet all criteria for acceptance as above.

PLACEMENT IN THE NURSING PROGRAM

1.   LPN's may challenge out of NURS 101 and NURS 102 and enter into NURS 201, after completing all of the NURS 101 and NURS 102 co-requisite courses, NURS 120 Drug Calculations and NURS 220 Health Assessment.

2.   Transfer students will achieve placement based on review of individual nursing course syllabi.

3.   Criteria for Challenge of Nursing I/Nursing 101 is completion of:

o   CHEM 101 - Chemistry A

o   BIOL 181 - Human Anatomy and Physiology I with a Grade of B or better within the last 7 years

o   COMP 110 - English Composition I

4.   Criteria for Challenge of Nursing II/Nursing 102

- o Satisfactory completion of above required courses, AND satisfactory completion of Nursing 101 Challenge exam
- o Completion of:
- o BIOL 182 - Human Anatomy and Physiology II with a grade of B or better within the last 7 years
- o BIOL 228 - Microbiology with a grade of B or better within the last 7 years
- o HLTH 120N - Nutrition taken within the last 7 years
- o NURS 120 - Drug Calculations
- o NURS 220 - Nursing Health Assessment
5. Courses to be taken with or before Nursing III/ Nursing 201
- o PSYCH 110 - Introduction to Psychology
- o SOCI 110 - Introduction to Sociology
- o COMP 111 - English Composition II
6. Courses to be taken with or before Nursing IV/ Nursing 202
- o COMM 110 - Effective Speaking
- o **Arts and Humanities**

The Pennsylvania State Board of Nursing has provisionally approved the Program as stated. An I, D, or F, grade in NURS, prerequisite or corequisite courses will prevent progression.

Paralegal

CERTIFICATE PROGRAM

The Paralegal Studies certificate program at Bucks is approved by the American Bar Association (ABA), the largest professional legal organization in the world.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **3129**

Students entering this program must possess either an Associates degree or a Bachelor's degree.

This all inclusive certificate paralegal program requires graduates to complete the same law courses required in the associate degree program. It is designed for the following individuals:

- legal secretaries seeking higher positions of employment.
- state and federal employees seeking advancement in government careers.
- people with life experience wanting to change careers.

This certificate program will qualify graduates to serve as paralegal and legal assistants for law offices, government agencies, or businesses involving legal work under the ultimate direction and supervision of attorneys.

The courses in this program are designed to impart knowledge and expertise of legal concepts, the legal system, and substantive and procedural law to qualify graduates to perform work of a legal nature that is customarily, but not exclusively, performed by a lawyer. Paralegals may not provide legal services directly to the public except as permitted by law.

Graduates of this program are able to

- Demonstrate an understanding of the basic concepts of substantive and procedural law including the operation of the legal system and the theory of law;
- Perform the duties of a legal assistant in the public and private sector or in a position relating to the practice of law; and
- Demonstrate an understanding of the ethical obligations and legal limitations of the legal assistant in the public and private sectors.

CERTIFICATE REQUIREMENTS

Course	Credits
LAWS100 Introduction to Paralegal Studies	3
MGMT130 Business Law	3
LAWS140 Civil Practice/Litigation Procedures [B]	3
LAWS220 Legal Research I [B]	3
LAWS225 Legal Research II [B]	3
LAWS240 Negligence and Personal Injury [B]	3

Course	Credits
LAWS285 Internship [B]	3
Paralegal Electives [A, B]	9
Total Credit Hours	**30**

Since the individual circumstances and backgrounds of students vary, all students planning to complete this certificate program must meet with their assigned academic advisor to develop a planned sequence of courses to meet their individual needs.

[A] *MGMT145 and/or any LAWS course except LAWS100 may be chosen.*
[B] *Course requires prerequisite.*

Paralegal Studies

ASSOCIATE OF ARTS

This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP) and the American Bar Association.

OCCUPATIONAL MAJOR

This major is primarily designed for job preparedness. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institution and differ from school to school. Students should contact the Transfer Services office early in their academic programs to determine which courses will transfer to the college of their choice.

Department of Business and Innovation
Penn 401 • Phone (215) 968-8227
Curriculum Code No. **2128**

This major will qualify students to serve as paralegals for employment by attorneys, law offices, governmental agencies, or other entities in capacities or functions that involve the performance, under the ultimate direction and supervision of attorneys, of specifically delegated substantive legal work. The courses in the major are designed to impart knowledge and expertise of legal concepts, the legal system, and substantive and procedural law that will qualify students to perform work of a legal nature, under supervision, which is customarily, but not exclusively, performed by a lawyer. Paralegals may not provide legal services directly to the public except as permitted by law. In order to provide graduates with the expertise and flexibility required in the growing field, the major offers a basic

knowledge in the paralegal field. Upon successful completion of the program in Paralegal Studies, the student should be able to

- Demonstrate an understanding of the basic concepts of substantive and procedural law including the operation of the legal system and the theory of law;
- Perform the duties of a legal assistant in the public and private sector or in a position relating to the practice of law; and
- Demonstrate an understanding of the ethical obligations and legal limitations of the legal assistant in the public and private sectors.

The Paralegal Studies program at Bucks is approved by the American Bar Association (ABA), the largest professional legal organization in the world. This program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

Phlebotomy

CERTIFICATE PROGRAM

Health Sciences
Founders Hall 112 • Phone 215-968-8353 (option 3)
Curriculum Code No. **3166**

The Phlebotomy Certificate program prepares students to collect and process blood samples for medical laboratory

analysis. The program provides students with information about basic anatomy, the healthcare delivery system, blood collection equipment, venipuncture and capillary puncture techniques, and medical, legal and ethical implications of blood collection.

The program prepares students to function as phlebotomists in a variety of health care settings such as hospitals, medical clinics, commercial laboratories, and in other settings where blood is collected from patients. All courses must be passed with a grade of C or better to be placed into an externship which offers students 120 hours of practice in an off-site clinical facility. Students must perform a minimum of 100 successful unaided blood draws during their externship. Graduates are eligible to sit for a national examination to become a certified phlebotomy technician.

Graduates of this program are able to

- Identify the role of a phlebotomist in the clinical laboratory environment;
- Use safe and effective phlebotomy procedures in accordance with laboratory policy;
- Utilize knowledge of pre-analytical variables to reduce complications associated with blood collection; and
- Discuss legal and ethical concerns related to the field of phlebotomy.

Photography

ASSOCIATE OF FINE ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Arts Department

Hicks Art Center • Phone (215) 968-8425

Curriculum code No. **1195**

The Photography Transfer Major provides students with experiences in film-based and digital photography. Students develop their technical and creative skills and learn skills applicable to both fine art and commercial photography.

The program includes a balance of film-based and digital photographic techniques allowing students to understand the link between technological innovation and the photographic process. Students are encouraged to develop a unique aesthetic in both commercial and artistic image making. Emphasis on darkroom, digital, location and studio work develops both the creative ability and the technical skills essential both photography careers and transfer to four-year institutions.

Graduates from this program may pursue transfer to professional art schools and complete a baccalaureate degree or begin a career as an entry-level commercial photographer. Photographers may find work with commercial photography studio or in a business such as wedding and/or portrait photography, advertising agencies, publishing companies, training companies, and other firms in the communications business.

Graduates of this program are able to

- use film-based and digital photography to begin to explore and express their own creative voice;
- prepare and present a formal, professional-quality portfolio of work which may be used to apply for admission to a four-year college and/or as part of an employment application*; and
- demonstrate and apply skills associated with traditional film and digital-based imagery as well as photographic lighting techniques in both the studio and the field.

* In preparing and presenting a portfolio in VAMM250, students currently need an array of digital skills, such as, but not limited to, media capture, manipulation, and presentation. Students take several required digital course (e.g. VAMM100, VAGD101, VAGD201, VAMM110) and then reinforce/develop their digital skills across the major. Essential digital competencies associated with portfolio preparation and presentation will be assessed within this course.

Students entering as photography majors require an assessment interview. A portfolio review is not required for admission, but is recommended for placement purposes. An advisor will help select the appropriate sequence of courses.

Pre K-4 Early Education

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science
Grupp 301 • Phone (215) 968-8270
Curriculum Code No. **4192**

The goals of the Early Childhood/Elementary Education Pre K-4 major are to:

- provide a teacher education program with an emphasis in the theory and practice in the Pre K-4 setting in accordance with the framework and program guidelines provided by the Pennsylvania Department of Education and NAEYC;
- prepare students for transfer to institutions offering bachelor's degree programs in Elementary Education Pre K-4 and Special Education by acquiring knowledge of educational theories and practices, through use of interpersonal skills, collaborative skills and field experiences in an educational setting; and
- prepare students to enter the workforce in day care and other early childhood career paths.

Graduates of this program are able to:

- apply their knowledge of educational theories, principles and competencies that are appropriate to the Pre K-4 setting;
- demonstrate an understanding of the characteristics of an effective educator; and
- determine adaptations, accommodations, and cognitive development of diverse students in an inclusive setting.

Psychology Interpersonal Emphasis

ASSOCIATE OF ARTS

TRANSFER MAJOR

Department of Social & Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **1183**

The goals of the Psychology - Interpersonal Emphasis major are to

- provide a liberal arts experience with an emphasis in the theory and practice of psychology and communication;
- prepare students for transfer to institutions offering bachelor's degree programs in psychology, organizational dynamics, business and psychology, health information management, public health, therapeutic recreation, and liberal studies-social sciences by acquiring knowledge of psychological theories, through the use of interpersonal and colalborative skills.

Graduates of this program are able to

- describe major psychological theories that address interpersonal relations;
- apply psychological principles to their own lives and to the lives of others; and
- demonstrate effective communication and collaborative skills.

Psychology: Pre-Professional Emphasis

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science

Grupp 301 • Phone (215) 968-8270

Curriculum Code No. **1060**

The Psychology Pre-Professional program of study is designed for students who intend to transfer to a four-year college and continue for a bachelors degree in psychology. Often these students intend to pursue a graduate degree in professional psychology. This major emphasizes the scientific foundations of psychology including data analysis and experimental design.

Graduates of this program are able to:

- demonstrate familiarity with the major concepts and theoretical perspectives in psychology;
- read and interpret research reports in the discipline's journals;
- use statistical software (SPSS) to enter and analyze data;
- write research reports employing APA style; and
- apply psychological principles to explain human behavior.

Radiography

ASSOCIATE OF APPLIED SCIENCE

OCCUPATIONAL MAJOR

Department of Professional Studies: Allied Health & Nursing

Lower Bucks Campus • Phone (267) 685-4821

Curriculum Code No. **2202**

The associate degree of applied science in radiography prepares the graduate entering the profession of radiography. The degree provides the student with a variety of sound clinical experiences in which the student develops competency in skills, and personal and professional growth in the discipline.

This degree program prepares the student both educationally and clinically to take the American Registry of Radiologic Technologists (ARRT) examination for credentialing and registration and to seek employment as a radiologic technologist.

Graduates of this program are able to:

- function as competent, entry-level professionals that meet the medical imaging needs of the surrounding community;
- demonstrate appropriate, professional communication skills;
- develop and practice effective problem solving skills and critical thinking skills; and
- conduct him/herself in a professional manner.

Recreation Leadership

CERTIFICATE PROGRAM

Department of Kinesiology and Sport Studies

Linksz Pavillion 208 • Phone (215) 968-8450

Curriculum Code No. **3190**

The Recreation Leadership Certificate Program prepares the student to work in the recreation field by providing students the following skills: lifeguarding, professional CPR/First Aid, water safety instructor training, advanced skills and standards for ropes course training, and facility and events planning. The program is designed to provide students with a fundamental knowledge base of the recreation field, employment options available within this area, and to provide the students the necessary skills for gainful employment in recreation.

This program prepares students to work as aquatic directors, park service personnel, outdoor educators, program specialists and ropes course instructors.

Graduates of this certificate are able to:

- Explain the history of the outdoor recreation program and field;
- Describe the appropriate rescues needed per criteria of victim;
- Explain and describe the procedures to perform CPR (Adult, Child, Infant);
- Explain and describe the procedures to perform First Aid;
- Explain and describe the procedures to perform AED (Adult, Child);
- Describe the counseling skills and procedures to implement a counseling session;
- Describe and explain how to set up a ropes course, belay and perform a rescue;
- Explain and describe the six basic strokes in aquatics and explain stroke mechanics;
- Explain and describe how to plan an event; and
- Explain and describe the main functions and areas of concern surrounding facility design.

Science

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215)968-8305
Curriculum Code No. **1117**

The Science major is designed for students who wish to major in a branch of science in a four-year institution, but are undecided about the specific discipline during their stay at Bucks. The major will enable students to broaden their experience in mathematics and different areas of science. Transferring students will lack specializations but will be able to transfer into any science major with a suitable selection of electives. Students in the major should keep in close touch with their advisors in the division.

Graduates of this program are able to

- apply mathematical concepts and methods to phenomena and problems as related to chemistry;
- apply mathematical concepts and methods to phenomena and problems as related to physical science;
- describe the energy transformations in living systems; and
- demonstrate ability to use networks, world-wide web, and other communication tools in a variety of settings.

Prospective students with inadequate academic preparations should be aware that they may need additional time to acquire the necessary academic background. Prerequisites and corequisites for the required courses must be followed.

Secondary Education: Mathematics

ASSOCIATE OF SCIENCE

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services office early in their academic program to determine which courses will be transfer to the college of their choice.

Science, Technology, Engineering & Mathematics Department
Founders 110 • Phone (215) 968-8305
Curriculum Code No. 1177

The Secondary Education – Mathematics major is designed for students who plan to teach Mathematics in a high school setting. The program provides the first two years of an undergraduate degree leading to a baccalaureate degree in Secondary Education with an emphasis on Mathematics.

Prospective students with academic deficiencies should be aware that they will need additional time to acquire the necessary academic background. Prerequisites and co-requisites for required courses must be followed.

Graduates of this program are able to

- accurately interpret and translate pictorial and descriptive information into mathematical statements;
- solve problems quantitatively and communicate results clearly;
- demonstrate understanding of numeric, algebraic and geometric reasoning;
- demonstrate computational skills in areas of applied mathematics.
- utilize systems software to implement problem solving on a computer system.

Although students completing this degree typically transfer to a 4-year institution with the intention of completing a Bachelor's program, they may be employed as teaching assistants or science technicians.

Social Media and Digital Marketing

CERTIFICATE PROGRAM

Department of Business and Innovation

Grupp 401 • Phone (215) 968-8227

Curriculum Code No. **3099**

This certificate program is designed to provide students with the skills and knowledge to plan, create, and implement effective social media and digital marketing campaigns for small businesses, corporations, government agencies, or non-profit organizations. It prepares students who are currently employed and need to enhance their skills, as well as those who are seeking employment in social media and/or digital marketing.

Graduates of this program are able to

- Create and manage digital marketing campaigns;
- Develop and implement social media campaigns;
- Explain best practices in social media and digital marketing;
- Assess and measure social media and digital marketing campaigns; and
- Apply design best practices to enhance social media and digital marketing activities.

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Science
Grupp 301 • Phone (215) 968-8270
Curriculum Code No. **1059**

The Social Science program of study is designed for students who intend to transfer to a four-year college and continue for a bachelor's degree in one of the following majors: Sociology, Political Science, Anthropology or Geography. This major emphasizes the theoretical and scientific foundations of the social sciences including research methodology and data analysis.

The goals of the Liberal Arts: Social Science Emphasis major are to:

- provide a liberal arts experience with an emphasis in social science-based theory and practice of the social sciences; and
- prepare students for transfer to institutions offering bachelor's degree programs in Sociology, Political Science, Anthropology or Geography by acquiring knowledge of theories, concepts and perspectives.

Graduates of this program are able to:

- demonstrate familiarity with the major concepts, theoretical perspectives and empirical findings in the social sciences;
- apply theory to current social and political events that impact local, national and international communities; and
- prepare and present an original research project that includes research design, data analysis and interpretation.

Social Work

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services Office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Social & Behavioral Sciences
Founders 210 • Phone (215) 968-8270
Curriculum Code No. **1130**

The Social Work program of study is designed for students who intend to transfer to a four-year college and continue for a bachelor's degree in Social Work. This major emphasizes social work theory and practice with a strong general education foundation.

Graduates of this program are able to:

- demonstrate knowledge and comprehension of the major concepts, theories, values and skills in social work;
- identify the extent to which societal structures influence human behavior;
- demonstrate self-awareness and the competent use of self in professional interaction; and
- apply and integrate social work theory and concepts in the study and assessment of diverse populations.

Sport Management

ASSOCIATE OF ARTS

TRANSFER MAJOR

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Students enrolled in this major should contact the Transfer Services office early in their academic program to determine which courses will transfer to the college of their choice.

Department of Kinesiology and Sport Studies
Linksz 208 • Phone (215) 968-8450
Curriculum Code No. **1154**

The Sport Management major prepares the undergraduate student for a career in sport management, athletics, marketing, campus recreation, intramurals, student activities, as well as other related areas. It serves as a foundation for upper division course work. Students planning to transfer to a four-year institution as a sport management major should plan a major parallel to that of the transfer college.

Students who complete this program will be able to:

- demonstrate the ability to communicate effectively with others through oral, written, and/or graphic means that apply interpersonal skills and professional attitudes
- assess, evaluate, and use information effectively and efficiently as lifelong learners in pursuit of personal and professional objectives. This includes interpreting and applying their knowledge of the principles of sport management, marketing, and/or event planning to direct, support or control a sport enterprise
- demonstrate understanding of basic Sport Management Core work
- compute with proficiency and confidence, in planning marketing strategies, and/or campus recreation, intramurals and other activities

Technical Entrepreneurship

ASSOCIATE OF ARTS

OCCUPATIONAL MAJOR (CATALOG YEAR 2017)

This major is primarily designed for job preparedness. Students who are considering transferring to a baccalaureate institution should be aware that decisions on transferability of courses are made by the baccalaureate institutions and differ from school to school. Students should contact the Transfer Services office early in their academic programs to determine which courses will transfer to the college of their choice.

Department of Business and Innovation
Grupp 401 • Phone (215) 968-8227
Curriculum Code No. **2070**

This major is ideal for students who possess validated technical competencies/trade skills as evidenced by at least one third party credential and an advanced score on a third party assessment such as NOCTI. Students can attain up to 23 Prior Learning Assessment credits and acquire the specific skills needed to run a business through coursework. Successful completion results in the award of the Associate of Arts degree.

This major may be of particular interest to potential and current area vocational technical high school students as well as graduates of area vocational-technical high schools.

While the major is designed for students beginning their collegiate work, students with fewer than sixty credits of collegiate work may enter the major after receiving permission from both an academic advisor and the Dean of the Department of Business Studies.

Graduates of this program are able to:

- analyze and appraise basic elements of entrepreneurship and business operations;
- apply and use the common mathematical functions of business such as the time value of money and interest, discount and loan calculations;
- record transactions under the accrual basis of accounting using the general journal/general ledger system and/or utilizing the appropriate computer application;
- create business letters, memos, and analytical reports; and
- prepare and deliver informative and persuasive speeches.

Web and Multimedia Designer

CERTIFICATE PROGRAM

Arts Department
Hicks Art Center • Phone (215) 968-8425
Curriculum Code No. **3147**

The Web and Multimedia Designer certificate trains students to design and create web sites and multimedia applications for the World Wide Web. Students complete courses in this program to build skills in design techniques, information management, project development and project design. Selection of course content continues to be developed to best prepare students for employment in this growing field. Students learn software applications employed by professionals in this field. This certificate prepares students for employment opportunities in entry-level positions such as multimedia designer, training designer, web designer, web graphic designer, and interactive application designer.

Note: Students who enroll in web design courses must be experienced in computer use including fluid skills in file saving, management, and retrieval. These skills will not be taught in web design courses.

Graduates of this program are able to

- use software tools and visual design concepts to create assets for web pages and sites;
- apply screen design, and user interface development techniques appropriate to web sites and multimedia applications; and
- use scripting and tagging languages appropriate for web page and application construction.

Note: Software required to complete assignments can be expensive. Students may need to plan extra time to use campus computing labs to complete course projects.

SECTION 3:   COURSE DESCRIPTIONS

Course Code	Course Name	Department Name	Course Category	Course Credits	Course Pre-requisites	Course Co-requisites	Course Description
ACCT103	Introductory Accounting (Formerly ACCT090)	Business + Innovation	Accounting	3	None		This course provides an introduction to the principles and concepts of financial accounting. This course focuses on bookkeeping and accounting procedures through the accounting cycle for service and merchandising businesses, including special journals. This course presumes no previous knowledge of accounting.
ACCT105	Financial Accounting (Formerly Principles of Accounting I)	Business + Innovation	Accounting	4	ACCT103 (C or better) or READ110 (C or better) or COMP108 (C or better) or Reading Placement Test score Level 3		This course provides an introduction to the objectives, principles, assumptions and concepts of financial accounting. It focuses on procedures and practices from the accounting cycle through financial statement presentation with an emphasis on recognizing, valuing, reporting, and disclosing assets, liabilities, and equity. This course presumes no previous accounting knowledge.
ACCT106	Managerial Accounting (Formerly Principles of Accounting II)	Business + Innovation	Accounting	4	ACCT105 (C or better)		This course introduces students to the concepts and applications of managerial accounting. Students focus on analysis and recording of various manufacturing costs, cost-volume-profit analysis, preparation of financial statements for a manufacturer, creation of static and flexible budgets and reports, evaluation of capital investments, and various costing systems.
ACCT108	Introduction to Accounting Software	Business + Innovation	Accounting	1	ACCT103 (C or better) or ACCT105 (C or better)		An introductory course in the practical application and study of current accounting software. The course provides an overview, in a computerized accounting environment, of the manual accounting concepts that were learned in fundamental accounting classes.
ACCT110	Personal Financial Planning	Business + Innovation	Accounting	3	None		This course prepares students with little or no experience in personal finance to make money management decisions. Students analyze the interrelationships of budgeting, banking, credit, taxation, investments, insurance, and estate planning as they apply to consumer decision-making.
ACCT120	Payroll Records and Accounting	Business + Innovation	Accounting	3	ACCT103 (C or better) or ACCT105 (C or better)		This course examines the various payroll laws, payroll accounting systems, and the procedures for computing wages and salaries in small, medium, and large firms.

ACCT130	Accounting Applications for the Computer	Business + Innovation	Accounting	3	ACCT103 (C or better) or ACCT105 (C or better)		This course provides a survey of automated accounting functions, including basic accounting procedures through the accounting cycle for service and merchandising businesses. Students implement current industry standard software to perform accounting functions and analyze financial statements.
ACCT200	Intermediate Accounting I	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business + Innovation		This course provides an intensive study of the application of generally accepted accounting principles and financial pronouncements for financial reporting and disclosure of current and noncurrent assets.
ACCT201	Intermediate Accounting II	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business + Innovation		This course provides an intensive study of the application of generally accepted accounting principles and financial pronouncements to the financial reporting and disclosure of current and noncurrent liabilities and stockholders' equity.
ACCT210	Cost Accounting I	Business + Innovation	Accounting	3	ACCT106 (C or better) or permission of the Department of Business + Innovation		This course provides an understanding of cost accounting systems and procedures and how they are used for business strategy and implementation. This course presents an analysis of key data for planning and controlling to assist in management decisions.
ACCT230	Financial Management	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business + Innovation		This course examines the financial methods and techniques for a business. Analysis emphasizes problems of financial management, internal financial planning and analysis, short-term, intermediate, and long-term financial needs, conflict between profitability and solvency, and financial instruments and markets.
ACCT240	Federal and State Taxes I	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business + Innovation		This course examines Federal and Pennsylvania state tax laws as they relate to individual income taxes. This course emphasizes the concepts of filing requirements, the determination of and adjustments to gross income, personal and business deductions, and business income.
ACCT241	Federal and State Taxes II	Business + Innovation	Accounting	3	ACCT240 (C or better) or permission of the Department of Business + Innovation		This course examines the Federal and Pennsylvania state tax laws as they relate to individual income taxes. It focuses on concepts of gains and losses from property transactions, miscellaneous income items, tax computation, and credits. This course also introduces pass-through entities and their impact on individual taxation.

ACCT250	Auditing	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business + Innovation		This course provides a presentation of current audit practices for audit decision making and evidence accumulation. This course emphasizes the understanding of the audit objectives, the audit risks, the audit decisions to be made, the appropriate audit evidence, and audit reports.
ACCT255	Advanced Accounting	Business + Innovation	Accounting	3	ACCT105 (C or better) or permission of the Department of Business		This course provides basic coverage of business combinations and consolidated financial statements, comprehensive coverage of accounting and financial reporting of state and local governments, and in-depth study of partnerships and fiduciary accounting. This course is recommended for students who will take the Uniform CPA examination.
ACCT280	Accounting Internship	Business + Innovation	Accounting	3	24 college credits, a GPA of 2.0 earned in courses by the Department of Business + Innovation, and Permission of the Department of Business + Innovation		This course evaluates a student's ability to relate the academic accounting concepts and skills with on-the-job experience and research of accounting topics as they relate to the student's academic preparation and career objectives.
AESL081	Writing Fundamentals for International Students	Language & Literature	American English as a Second Language	6	AESL placement score of 2 or permission of the Department of Language & Literature		This course is designed for international students who need to learn the fundamentals of writing. Students will develop the proper use of American English grammar, syntax, and skill in writing sentences and basic developmental paragraphs.
AESL083	Reading Fundamentals for International Students	Language & Literature	American English as a Second Language	3	AESL placement score of 2 or permission of the Department of Language & Literature		AESL 083 is a reading course designed for international students who need to learn the fundamentals of reading. It focuses on reading comprehension skills: vocabulary development, including word definitions, word families, common American idioms, and familiarity with American cultural influences.
AESL085	Oral Communication Fundamentals for International Students	Language & Literature	American English as a Second Language	3	AESL placement score of 2 or permission of the Department of Language & Literature		This course is designed for international students who need to learn the fundamentals of oral communication. Students develop their ability to understand spoken English and express themselves clearly in conversation and academic discourse. Individual and group work, as well as reading and writing assignments, build students' American English vocabulary.

AESL101	Writing Skills for International Students	Language & Literature	American English as a Second Language	6	AESL placement score of 3 or AESL081 (C or better)		This course is designed for international students who possess intermediate American English language skills. Students will master the proper use of American English grammar and gain skill in expository writing and vocabulary by writing developmental paragraphs. Transferability is determined by the transfer institution.
AESL103	Reading Skills for International Students	Language & Literature	American English as a Second Language	3	AESL placement score of 3 or AESL083 (C or better)		AESL103 is a reading course designed for intermediate level international students. Reading skills focus on reading comprehension and familiarity with American culture; vocabulary development, including word definition, denotation, connotation, and American idioms. Transferability determined by transfer institution.
AESL105	Oral Communication Skills for International Students	Language & Literature	American English as a Second Language	3	AESL placement score of 3 or AESL085 (C or better)		AESL105 is a required course for advanced intermediate international students that improves their conversation and speaking/listening skills. Group and individual work will build American English vocabulary and further the understanding and usage of idiomatic expression. Oral skills will be reinforced through reading and writing assignments.
AMSL110	American Sign Language I	Language & Literature	American Sign Language	3	None		In this introduction to American Sign Language, students develop visual receptive skills, with a focus on visual memory, visual discrimination, and gestural expressive skills, and learn basic ASL vocabulary and grammatical structures. This course introduces students to the American Deaf Community as a linguistic and cultural minority.
AMSL111	American Sign Language II	Language & Literature	American Sign Language	3	AMSL110 (C or better) or permission of the Department of Language & Literature		This course continues the work begun in AMSL110; students develop visual receptive skills, with a focus on visual memory, visual discrimination, and gestural expressive skills, and learn basic ASL vocabulary and grammatical structures. Students further their association with the American Deaf Community as a linguistic and cultural minority.
ARBC110	Elementary Arabic I	Language & Literature	Arabic	3	None		This is an interactive course in which students acquire basic knowledge of the Arabic language, as well as Middle Eastern culture. Students read, pronounce, write, and understand basic Arabic words. Cultural background is included.
ARBC111	Elementary Arabic II	Language & Literature	Arabic	3	ARBC110 (C or better) or equivalent or by permission of the Department of		This interactive course builds on the instruction from ARBC110. Students continue to acquire basic knowledge in the reading, pronunciation, writing, and understanding of basic Arabic words and phrases. Cultural background is included.

					Language & Literature		
BIOL101	Biological Science I	Science, Technology, Engineering & Mathematics	Biology	4	Reading Level 3 or READ110 (C or better) or permission of the Department of Science, Technology, Engineering and Mathematics; Math Level 5 or higher or MATH095 (C or better); Writing Level 4 or COMP090 (C or better) or COMP108 (C or better)		This course is an introduction to processes common to all living organisms. Science and the scientific method are described. Topics include: cell structure, energy transfer in plants and animals, classical genetics, molecular genetics, genetic engineering, and evolution. This course does not meet the curriculum requirements for biology majors.
BIOL102	Biological Science II	Science, Technology, Engineering & Mathematics	Biology	4	Reading Level 3 or READ110 (C or better) or permission of the Department of Science, Technology, Engineering and Mathematics; Math Level 5 or higher or MATH095 (C or better); Writing Level 4 or COMP090 (C or better) or COMP108 (C or better) . BIOL1O1 is recommended but not required.		This course explores aspects of life at the macroscopic, whole-organism level. Topics are ecology, taxonomy, a survey of plant and animal life forms, and an examination of major systems for both plants and animals, with emphasis on humans. This course does not meet the curriculum requirements for biology majors.

BIOL115	Basic Human Anatomy	Science, Technology, Engineering & Mathematics	Biology	3	Reading Level 3 or higher, or READ110 (C or better) or permission of the Department of Science, Technology, Engineering and Mathematics; and Math Level 5 or higher or MATH095 (C or better), and Writing Level 4 or higher or COMP090 (C or better) or COMP108 (C or better)		This course is a study of human anatomy which develops a basic understanding of the structure and function of body organs and systems and their interactions. Other topics include nutrition, metabolism, and growth and development.
BIOL121	Biological Principles I	Science, Technology, Engineering & Mathematics	Biology	4	CHEM101 (C or better) or CHEM121 (C or better) or permission of the Department of Science, Technology, Engineering and Mathematics.		This course is a comprehensive introduction to molecular and cellular biology. Structure/function relations of macromolecules and cellular organelles are studied. Other topics include transformation of energy in plants (photosynthesis) and in other types of cells (cellular respiration), cellular reproduction (mitosis and meiosis), and Mendelian genetics.
BIOL122	Biological Principles II	Science, Technology, Engineering & Mathematics	Biology	4	BIOL121 (C or better)		This course is a continuation of BIOL121 and focuses on comparative studies of plant and animal systems within an evolutionary framework. Additional topics include evolutionary theory, the tempo and mechanisms of evolution, speciation, population genetics, macro and microevolution, the evolutionary history of biological diversity and classification and ecology.
BIOL181	Human Anatomy and Physiology I	Science, Technology, Engineering & Mathematics	Biology	4	CHEM101 or CHEM121 or recent High School Chemistry (C or better) and approval by the Department of Science, Technology, Engineering and Mathematics.	CHEM101 or CHEM121	This course introduces the study of the human body and the basic structure of cells, tissues, and organs. Topics include the structure and function of the integumentary, muscular, nervous, and skeletal systems.

BIOL182	Human Anatomy and Physiology II	Science, Technology, Engineering & Mathematics	Biology	4	BIOL181 (C or better)		This course, a continuation of Human Anatomy and Physiology I, studies the structure and function of the cardiovascular, lymphatic, immune, digestive, endocrine, excretory, nervous, reproductive, and respiratory systems, as well as human development and genetics.
BIOL220	Principles of Ecology	Science, Technology, Engineering & Mathematics	Biology	4	BIOL101 (C or better) or BIOL121 (C or better)		This lecture and laboratory course provides an overview of ecology from the individual organism to populations, communities, and ecosystems. It examines the physical, chemical, and biological components of ecological interactions, and includes a comparative treatment of terrestrial and aquatic ecosystems. Laboratory exercises require field trips.
BIOL228	Microbiology	Science, Technology, Engineering & Mathematics	Biology	4	BIOL121 (C or better) or a grade of C or better in both CHEM101 and BIOL181		This course includes a study of viruses, protozoa, algae, fungi and with special emphasis, bacteria. Laboratories incorporate the preparation of cultures and use of aseptic laboratory techniques, stains and biochemical activity for identification of organisms. The relationship of microbes to health and disease are also studied.
BIOL280	Cooperative Education: Biology/Biotechnology /Environmental Science	Science, Technology, Engineering & Mathematics	Biology	3	Permission of the Department of Science, Technology, Engineering and Mathematics		This course provides on-the-job experience and observation in a field directly related to the student's academic preparation and career objectives. Periodic meetings between instructor and student are held to review actual experience and observation in light of theory and skills learned academically.
BIOT105	Introduction to Biotechnology	Science, Technology, Engineering & Mathematics	Biotechnology	4	None		This course is an introduction to the field of biotechnology. Topics include recombinant DNA, production of biological molecules, bioprocessing, and current events. Students also review employment and careers in the biotechnology and biopharmaceutical industries. Laboratories include aseptic technique, pipetting and measurement, DNA extraction and restriction digestion, gel electrophoresis, and PCR.
BIOT125	Biotechnology Methods and Techniques	Science, Technology, Engineering & Mathematics	Biotechnology	4	CHEM121 or	CHEM121	This course is an introduction to common practices and methodologies of Biotechnology. Students receive hands-on experience using and maintaining laboratory instruments. Laboratory procedures include: solution preparation, aseptic technique, protein separations and assays, DNA electrophoresis, and Polymerase Chain Reaction (PCR). Lectures support the laboratory activities.

BIOT225	Bioprocessing Science	Science, Technology, Engineering & Mathematics	Biotechnology	4	BIOT125 or permission of the department of Science, Technology, Engineering and Mathematics		The course introduces the techniques and processes used in the production of biological molecules in the biomanufacturing industry. Students receive hands-on laboratory experience in processing bacterial and or animal cell cultures to produce and purify products in compliance with biomanufacturing industry standards, including Good Laboratory and Good Manufacturing Practices.
BIOT275	Biotechnology Seminar	Science, Technology, Engineering & Mathematics	Biotechnology	1	BIOT125 (C or better)		This course is intended to prepare students for careers in Biotechnology. Topics include resume writing, interview skills, and discussion and presentation of scientific data. The course features speakers from the biotechnology industry and field trips to biotechnology laboratories.
BRFS101	Introduction to Brewing Science	Science, Technology, Engineering & Mathematics	Chemistry	3	Math Placement Score of 5 or MATH095 (C or better); and Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better).		The course aims to introduce the student in a responsible manner to beer as a major international beverage and to brewing as a traditional, yet highly controlled and innovative industrial process. This course meets the General Education requirement in Scientific Literacy.
BRFS102	Brewing Analysis & Quality Assurance	Science, Technology, Engineering & Mathematics	Chemistry	3	BRFS101 (C or better) and CHEM101 (C or better)		This course provides a thorough knowledge and understanding of the science and technology of the brewing of beer. This is achieved by the study of brewing raw materials (water, malt, hops and yeast), brewing processes (malting, brewhouse procedures, fermentation, and finishing operation), and quality assurance methods of the industry.
BRFS201	Practical Malting & Brewing	Science, Technology, Engineering & Mathematics	Chemistry	3	BRFS201 (C or better); permission of the Department of Science, Technology, Engineering & Math; and must be at least 21 years of age at time of course enrollment.	CHEM121	This course provides students with the practical application of brewing and fermentation techniques in an industry setting. Students gain enhanced knowledge and competency with the opportunity to focus on the day-to-day processing, operations, and management of a brewery or related allied industry. Travel to a local brewing facility is required. Students are responsible for any transportation needs.

BRFS280	Brewing & Fermentation Science Internship	Science, Technology, Engineering & Mathematics	Chemistry	3	BRFS102 (C or better) and BIOL228 (C or better); must be at least 21 years of age at time of course enrollment		This course builds upon the principles of malting and brewing science gained from the completion of prerequisite coursework by introducing students to the basic methodology used in malting and brewing laboratories for the analysis of raw materials and monitoring of process and product. Travel to a local brewing facility is required. Students are responsible for any transportation needs.
CHEM096	Chemical Calculations	Science, Technology, Engineering & Mathematics	Chemistry	1	MATH095 (C or better) or Math Placement Test score of 5		This course helps develop a strong foundation of mathematics required to be successful in CHEM101. Topics include foundational arithmetic operations, basic algebra, dimensional analysis, graphing, and solving word problems. This course is recommended for students with a C grade in MATH095 currently enrolled in CHEM101.
CHEM100	Preparatory Chemistry	Science, Technology, Engineering & Mathematics	Chemistry	4	MATH103 (C or better)		This lecture and laboratory course introduces some basics of chemistry for students with inadequate preparation for Chemistry I. The development of skills for solving quantitative (numerical) problems is emphasized. Topics include measurement, basic chemical concepts and theories, and nomenclature of simple ionic and covalent compounds.
CHEM101	Chemistry A	Science, Technology, Engineering & Mathematics	Chemistry	4	Prerequisites: MATH095 (C or better) or Math Placement Test score of 5 or higher		This lecture and laboratory course examines basic principles of general and organic chemistry. Topics include nature of matter, measurement, dimensional analysis, atomic structure, bonding, properties of gases, liquids, solids, and solutions, chemical reactions, acids and bases, hydrocarbons, functional groups, radiochemistry, and nomenclature. Knowledge of arithmetic and basic algebra is essential.
CHEM102	Chemistry B	Science, Technology, Engineering & Mathematics	Chemistry	4	CHEM101 (C or better) or CHEM121 (C or better)		In this lecture and laboratory course the chemical principles covered in a qualitative manner in Chemistry A (CHEM101) are reviewed quantitatively. The study of important topics in Organic and Biological Chemistry is enhanced. Polymer Chemistry and Industrial Syntheses are introduced.
CHEM121	Chemistry I	Science, Technology, Engineering & Mathematics	Chemistry	4	MATH120 (C or better) and Chemistry Placement Exam Score of 1		Science and engineering majors take this lecture and laboratory course to study fundamental theories and principles of chemistry. Topics include stoichiometry, atomic/molecular structure, bonding, states of matter, changes of state, and solutions. A quantitative study of each area is stressed; a strong background in chemistry and mathematics is required.

CHEM122	Chemistry II	Science, Technology, Engineering & Mathematics	Chemistry	4	CHEM121 (C or better)		This lecture and laboratory course is a continuation of CHEM121. Topics include molecular shape, chemical reactions, properties of liquids and solids and changes of state, solutions, reaction kinetics, chemical equilibrium, thermodynamics, and electrochemistry. Equilibrium topics include gaseous reactions, the ionization of weak acids and bases, hydrolysis of salts, and buffers.
CHEM221	Organic Chemistry I	Science, Technology, Engineering & Mathematics	Chemistry	5	CHEM122 (C or better), or CHEM220 (C or better), or a grade of B+ or better in both CHEM101 and CHEM102		The preparation, properties, and reactions of the more important classes of carbon compounds are studied in this lecture and laboratory course. Emphasis is on reaction mechanisms, stereochemistry, and functional group characteristics. The laboratory stresses synthetic methods and techniques. Compounds are analyzed using classical and instrumental methods.
CHEM222	Organic Chemistry II	Science, Technology, Engineering & Mathematics	Chemistry	5	CHEM221 (C or better)		This course is a continuation of Chemistry 221 with an emphasis on aromatic and carbonyl chemistry. Spectroscopy and chromatography are integrated into the lecture and laboratory. Compounds are analyzed using classical and instrumental methods.
CHEM242	Biochemistry	Science, Technology, Engineering & Mathematics	Chemistry	3	CHEM122 (C or better) or Permission of the Department of Science, Technology, Engineering and Mathematics		This is a lecture course for students majoring in chemistry, biology or pre-allied health. Emphasis will be placed on the chemistry of biomolecules and their utilization in intermediary metabolism. The principles of bioenergetics and the integration of metabolic control are developed.
CHEM280	Cooperative Education: Chemistry	Science, Technology, Engineering & Mathematics	Chemistry	3	24 college credit hours must be completed, with a minimum of 12 chemistry credits. Student must have a GPA of at least 2.5 earned in the chemistry courses.		This course provides on-the-job experience and observation in a field directly related to the student's academic preparation and career objectives. Periodic meetings between College Coordinator and student are held to review actual experience and observation in light of theory and skills learned academically.
CHNS110	Elementary Chinese I	Language & Literature	Chinese	3	None		In this course students learn the basics of understanding, speaking, reading, and writing Chinese. Oral proficiency, correct pronunciation, listening comprehension, and grammatical accuracy are all stressed, as well as the cultural and historical backgrounds of Chinese-speaking countries.

CHNS111	Elementary Chinese II	Language & Literature	Chinese	3	CHNS110 (C or better) or equivalent or permission of the Department of Language & Literature		In this continuation of CHNS110, students continue to learn more basics of understanding, speaking, reading, and writing Chinese. Oral proficiency, correct pronunciation, listening comprehension, and grammatical accuracy are all stressed, as well as the cultural and historical backgrounds of Chinese-speaking countries.
CISC100	Digital Literacy	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	None		A hands-on course for non-majors dealing with personal computers in a wide variety of settings. Topics include: basic computer concepts, computer hardware, operating systems, the Internet, online safety and security, email, computer applications including word processors, spreadsheets, presentation graphics, databases, and the impact of computers on society.
CISC110	Introduction to Information Systems	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	Reading Placement test score Level 3 or READ110 (C or better) or COMP108 (C or better) or permission of the Department of Science, Technology, Engineering, and Mathematics		This course provides an overview of business information systems. Topics include hardware and software fundamentals, use of software packages, effective use of networks, Internet, and other communication tools, the design of management information systems, as well as the ethical use of computers in business and society. Hands-on experience is provided.
CISC110H	Introduction to Information Systems (Honors section)	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	Reading Placement test score Level 3 or READ110 (C or better) or COMP108 (C or better) or permission of the Department of Science, Technology, Engineering, and Mathematics; admission to the Honors@Bucks program		This course provides an overview of business information systems. Topics include hardware and software fundamentals, use of software packages, effective use of networks, Internet, and other communication tools, the design of management information systems, as well as the ethical use of computers in business and society. Hands-on experience is provided.
CISC113	Visual Basic Programming I	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	MATH095 (C or better) or Math Placement Test score of 5 or higher		This is an introductory course dealing with the concepts of object-oriented/event driven computer programming of Windows applications. The class is offered in a lecture/lab format. Students will

							develop solutions and create programs to solve business problems.
CISC115	Computer Science I	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	MATH095 (C or better) or Math Placement Test score of 5 or higher		This is a first course for computer science students providing an introduction to the use and impact of computers, numbering systems, data representations, the fundamentals of structured programming, and problem solving through the use of logic design tools. Students develop programs using an object-oriented programming language.
CISC115H	Computer Science I (Honors section)	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	MATH095 (C or better) or Math Placement Test score of 5 or higher; admission to the Honors@Bucks program		This is a first course for computer science students providing an introduction to the use and impact of computers, numbering systems, data representations, the fundamentals of structured programming, and problem solving through the use of logic design tools. Students develop programs using an object-oriented programming language.
CISC119	Programming for Engineers and Scientists	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	MATH095 (C or better) or Math Placement Test score of 5 or higher		In this introductory computer programming course, computing theory is applied to automate and inform the design and construction of computer programs and other machines. An object-oriented computing language, along with a numeric computing environment are utilized to build software to perform automation.
CISC122	Computer Science II	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC115 - Java based (C or better)		This course is a continuation of Computer Science I and emphasis is placed on structured and object-oriented programming techniques. Topics include file I/O, lists, stacks, recursion, sorting, searching, strings, and their application in problem solving.
CISC127	Quantitative Data Analysis	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	Math Placement Test score of 5 or higher or MATH095 (C or better)		This course is an in-depth study of spreadsheets used to perform calculations and communicate quantitative information. Topics include: worksheets and templates, functions and formulas, charts and graphs, business intelligence and data analysis tools, validating and auditing workbooks, sorting and filtering data, automation with macros, and database functions.
CISC128	Comparative Operating Systems	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	None		The course introduces the student to the functional components of the operating system software, which manages the physical resources of the computer system. Microprocessor based operating systems are emphasized.

CISC135	Programming for Mobile Devices	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	CISC115 (C or better) or previous object-oriented programming experience with Permission of the Department of Science, Technology, Engineering, and Mathematics		This course is an overview of developing mobile apps for a variety of platforms. Students utilize an SDK and development tools, and build applications for distribution via an app store. Students choose one platform for more in-depth study culminating in a final project.
CISC143	Essentials of Networking	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	None	CISC128 or Permission of the Department of Science, Technology, Engineering and Mathematics	This lecture and laboratory course introduces the fundamental properties of data transmission and computer networks. Topics include: data transfer, the OSI and TCP/IP models, protocols, WAN and LAN topologies, devices and media, security and troubleshooting. This course provides basic background for other networking courses and industry certifications.
CISC144	Introduction to Microsoft Desktop	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC128 (C or better) or CISC143 (C or better)		This course will focus on the current Microsoft desktop version as the preferred corporate desktop operating system. It will explore the Microsoft networking family and the salient functions and features of installing, configuring, and maintaining the client operating system.
CISC201	Managing and Maintaining the PC	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC128 (C or better)		The course covers installation, configuration, upgrading, troubleshooting, and repairing desktop computer systems. The hands-on opportunity to build a complete computer from component parts is an integral part of the course. Successful completion of the course will prepare a student to take the industry standard, vendor-neutral certification test in this area.
CISC202	Linux Network Administration	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC128 (C or better)		This course provides students with an introduction to Linux Local Area Networks, their components, installation procedures, maintenance and usage, and function in an organization. Students gain hands-on experience in lab exercises using a Linux network.
CISC206	Introduction to Cybersecurity	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC143 (C or better)		Designed for students with no security experience or background, this course covers basic terminology and concepts. This course introduces students to cryptography, security management, wireless networking, and organizational policy. Topics include an overview of information security frameworks; network infrastructure security;

							security and cryptography; information security policy; and defense in depth.
CISC211	Object Oriented C++	Science, Technology, Engineering & Mathematics	Computer/Inform ation Science	4	CISC122 (C or better)	CISC128 or Permission of the Department of Science, Technology, Engineering and Mathematics	This course introduces the advanced programming techniques in C++ utilizing digital game programming. It will introduce students to C++ object oriented programming, as well as OpenGL and its components.
CISC213	Computer Science III (Java)	Science, Technology, Engineering & Mathematics	Computer/Inform ation Science	4	CISC122 (C or better)		This course is a continuation of Computer Science II. This course will apply object-oriented and software engineering techniques to the design and implementation of programs that manipulate complex data structures. Topics include recursion, stacks, queues, linked lists, hash tables, and trees.
CISC215	Database Design and Application Development	Science, Technology, Engineering & Mathematics	Computer/Inform ation Science	3	CISC127 (C or better) and CISC110 (C or better), or CISC113 (C or better), or CISC115 (C or better)		This course provides students with a foundation of knowledge needed to work with database management systems and to create applications utilizing current development strategies. Students examine various types of database techniques with emphasis on relational designs. Students design and implement solutions to business-related problems.
CISC219	Programming in Python	Science, Technology, Engineering & Mathematics	Computer/Inform ation Science	4	CISC113 (C or better) or CISC115 (C or better)		This course introduces students to intermediate programming concepts using the Python language. Topics include program design, modularization, data abstraction, file I/O, lists, dictionaries, and specialized libraries. Students design applications that manipulate and analyze data sets and present the results using a range of graphical techniques.
CISC227	Web Programming	Science, Technology, Engineering & Mathematics	Computer/Inform ation Science	3	CISC122 (C or better) or CISC215 (C or better)		This course exposes students to full-stack web development. Students design web-based user Interfaces and use declarative language and scripting languages to construct interfaces. Students collect data by using web-based forms and relational databases. Students use declarative computer languages to manipulate and represent data.

CISC234	Topics in Network Technology	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	CISC235 (C or better) AND CISC244 (C or better)		This is a capstone course for Networking Majors. This seminar course covers the latest developments and enhancements to LAN-based systems. Topics will be selected by the departmental faculty each year.
CISC235	Network Devices	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC143 (C or better)		This course is an introduction to the technology of routed and switched networks. Topics include TCP/IP, WAN technologies, CISCO IOS, configuring routers and switches, VLANs, network management techniques, and routing IP traffic. Students will be given the opportunity to gain hands-on experience in the laboratory.
CISC244	Introduction to Microsoft Server	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC202 (C or better) or CISC143 (C or better)		This course focuses on Microsoft Windows Server in the corporate environment. The course reviews the installation, set-up, and management techniques of Server. Classes are presented in lecture/lab format, with students configuring Microsoft Windows Server during extensive hands-on lab assignments.
CISC245	Network Security and Troubleshooting	Science, Technology, Engineering & Mathematics	Computer/Information Science	4	CISC143 (C or better) AND CISC244 (C or better)		This course is a practical approach to both securing and troubleshooting a network with emphasis on the local area network. Extensive laboratory work is provided. Topics include wired and wireless network security, cryptography, risk mitigation, problem recognition, and solution.
CISC280	Cooperative Education - Computer	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	24 college credits, a GPA of 2.5 earned in courses in the Computer and Information Science area		This course uses on-the-job experience and observation in a field directly related to the student's academic preparation and career objectives. Periodic meetings between College Coordinator and student are held to review actual experience and observation in the light of theory and skills learned academically.
CISD201	Data Science	Science, Technology, Engineering & Mathematics	Computer/Information Science	3	CISC219 (C or better) and MATH115 (C or better)		This course introduces Data Science using statistics, scientific methods, algorithms, and processes to extract useful insights from large amounts of data. Students analyze hidden patterns buried in raw data along with visualization techniques aimed at making this knowledge understandable.
CLTR110	Communication between Cultures	Language & Literature	International Cultures	3	None		This course defines intercultural communication, explores factors that influence it, and examines how all such considerations impact messages sent from one culture to another. It includes international, as well as American co-cultures, and students examine case studies to learn how misunderstandings arise and how to minimize them.

CLTR220	Introduction to Folklore Studies	Language & Literature	International Cultures	3	Writing Placement Test score of 6 or COMP107 (C or better) or COMP108 (C or better) or permission of the Department of Language & Literature		This course explores how folklorists and others study traditional, everyday, and "unofficial" world cultural expressions, covering various genres of verbal art, performance, material culture, and belief. Considering pattern and variation, students collect and analyze folklore with respect to its diverse cultural contexts, applying theory to real-life examples and creating interpretations.
COLL090	AACHIEVE! College Transitions	NULL	College Success Strategies	1	Restricted to students enrolled in the AACHIEVE! program		This course develops the foundation for independence, social/life skills and academic/study strategies at the college level for students diagnosed with Autism Spectrum Disorder (ASD) and registered with The Accessibility Office, exploring the transition to college from their unique perspective.
COLL091	AACHIEVE! The College Student	Learning Resources	College Success Strategies	1	COLL090 and COLL095 or	COLL090 and COLL095	This course provides practical applications of the student role, academic expectations, and social expectations within the college classroom. The student develops the ability to recognize college resources available to support success in their personal college experience. Students will develop and practice self-advocacy skills, which will lead to self-determination.
COLL092	AACHIEVE! Healthy Choices	Learning Resources	College Success Strategies	1	COLL090 and COLL095 or	COLL090 and COLL095	This course provides practical applications of mindfulness, stress management, and healthy choices with the college setting. The student develops the ability to recognize college resources available to support a health lifestyle in their personal college experience. Students develop and practice coping skills, which lead to self-regulation.
COLL093	AACHIEVE! College Connections	Learning Resources	College Success Strategies	1	COLL090 and COLL095 and COLL091 and COLL092 or	COLL090 and COLL095 and COLL091 and COLL092	This course develops insight into the hidden curriculum of college culture for students diagnosed with Autism Spectrum Disorder and registered with The Accessibility Office. Students have the opportunity to develop and understand personal perception of group situations, group characteristics, and others' perception of the student to build healthy relationships. Entry into this course is restricted to students who are enrolled in the AACHIEVE! Program at Bucks County Community College.

COLL095	AACHIEVE! Career/Workplace Skills	Learning Resources	College Success Strategies	1	Restricted to students enrolled in the AACHIEVE! program		Students diagnosed with Autism Spectrum Disorder (ASD) and registered with The Accessibility Office explore possible career outcomes. Students connect the programming to personal interests and discover how career planning and skill development affect their lives. Students focus on independence and self-understanding, and career and academic planning strategies.
COLL096	AACHIEVE! Career Exploration	NULL	College Success Strategies	1	COLL090 (C or better) and COLL091(C or better) and COLL092 (C or better) and COLL093 (C or better) and COLL095 (C or better)		This course continues the exploration of possible career outcomes. Students build on their connections of college programming and career plans with personal interests. Students apply their skills in career planning and explore the hidden expectations of the workforce. Students focus on applying their knowledge to real-life situations. Entry into this course is restricted to students who are enrolled in the AACHIEVE! Program at Bucks County Community College.
COLL101	College Success Seminar	NULL	College Success Strategies	1	None		Through self-exploration and group interaction, the seminar facilitates students' academic and social integration into the College community and helps build academic success strategies. Students gain knowledge of the College's resources, services, policies, and procedures, and explore various major and career opportunities to develop an academic plan.
COLL105	Strategic Learning Seminar	Language & Literature	College Success Strategies	1	None		This strategic learning course provides students with a comprehensive approach to learning that integrates study techniques and self-management strategies to facilitate academic success in college.
COLL115	Academic Success Seminar	Language & Literature	College Success Strategies	1	Permission of the Department of Language & Literature		This seminar for students on academic warning or probation and for students reinstated to the College focuses on improving academic performance. Students identify factors interfering with their academic progress and develop and implement specific action plans that identify strategies and college resources necessary to improve their academic status.
COMM101	Communication Theory	Arts	Communication Studies	3	None		This course examines concepts and contexts relevant to the study of human communication. Specifically, this course explores basic elements in the communication process as they occur in the context of interpersonal relationships, groups and organizations, public speaking, media, and various cultural contexts.

COMM105	Interpersonal Communication	Arts	Communication Studies	3	None		This introductory communication skills course helps students develop competencies in diverse social and professional communication. Students engage in activities and assignments that focus on diversity, perception, listening skills and conflict management skills.
COMM110	Effective Speaking	Arts	Communication Studies	3	Writing Placement Test score of 6 or better or COMP107 (C or better)		This course helps students build confidence in preparing and delivering informative and persuasive speeches. Topics include subject selection, audience analysis, research, organization, and use of voice and body in speech delivery.
COMM110H	Effective Speaking (Honors section)	Arts	Communication Studies	3	Writing Placement Test score of 6 or better or COMP107 (C or better); admission to the Honors@Bucks program		This course helps students build confidence in preparing and delivering informative and persuasive speeches. Topics include subject selection, audience analysis, research, organization, and use of voice and body in speech delivery.
COMM111	Media and Society	Arts	Communication Studies	3	None		Students examine the social, legal, ethical, and political implications of the relationship between mass media and society, including world cultures and media influences. All students, particularly those who specialize in communication, multimedia, and journalism, gain through this college-level, survey course, a foundation for future studies and responsible citizenship.
COMM215	Intercultural Communication	Arts	Communication Studies	3	Writing Placement Test score of 6 or better or COMP107 (C or better)		Students develop cross-cultural competency by examining how different cultural backgrounds communicate based on the value systems, worldviews, and narratives that ground them. The course emphasizes major demographic and societal shifts occurring in the 21st century resulting in growing diversity and interconnectedness throughout the world.
COMM240	Persuasive Communication	Arts	Communication Studies	3	Completion of COMM111 with at least a C or better		This course helps students build skill in analysis, writing, and communication of persuasive messages. Topics include: the theoretical premises currently operating in the field of persuasion, research and analysis of persuasive messages, preparing and delivering persuasive messages through a variety of channels.
COMP085	Composition Support Seminar	Language & Literature	Composition	1	Permission of the Department of Language & Literature		The Composition Support Seminar directly supports the learning objectives of the linked composition course in which the student is concurrently enrolled, by providing additional support and instruction to enhance student success.

COMP090	Basic Writing	Language & Literature	Composition	3	Writing Placement Test score of 2 or AESL101 (C or better) or permission of the Department of Language & Literature		By writing short compositions, through a process of pre-writing, drafting, revising, and editing, students improve both grammar and usage and composition development and organization. Course readings serve as sources and models for writing. This course prepares students for subsequent composition courses.
COMP107	Introduction to Academic Writing	Language & Literature	Composition	3	Writing Placement Test score of 4 or better or COMP090 (C or better)		To prepare students for COMP110, this course emphasizes paragraph development in academic, text-based essay assignments. Instructors guide students through the writing process, which requires critical thinking and decision-making in the use of evidence, sources, and rhetorical modes for effective paragraphs and essays.
COMP108	Introduction to Academic Reading & Writing	Language & Literature	Composition	4	Writing Placement Test score of 4 or better or COMP090 (C or better); and initial Reading Placement Test score of 2 or better		To prepare students for COMP110, this course emphasizes academic, text-based, themed reading and writing assignments. Instructors guide students through the reading and writing process, which requires critical thinking and decision-making in the use of evidence, sources, and rhetorical modes for effective paragraphs and essays.
COMP110	English Composition I	Language & Literature	Composition	3	Writing Placement Test score of 6 or COMP107 (C or better) or COMP108 (C or better)		English Composition I emphasizes the systematic study of writing effective expository prose and argumentation, stressing development and support of a clear thesis. The focus of the course is to lay the foundation for future academic writing requirements, including the ability to analyze, synthesize, evaluate, summarize, paraphrase, and cite textual sources from required course readings.
COMP110H	English Composition I (Honors section)	Language & Literature	Composition	3	Writing Placement Test score of 6 or COMP107 (C or better) or COMP108 (C or better); admission to the Honors@Bucks program		English Composition I emphasizes the systematic study of writing effective expository prose and argumentation, stressing development and support of a clear thesis. The focus of the course is to lay the foundation for future academic writing requirements, including the ability to analyze, synthesize, evaluate, summarize, paraphrase, and cite textual sources from required course readings.
COMP111	English Composition II	Language & Literature	Composition	3	COMP110 (C or better) or Permission of the Department of Language & Literature		In this continuation of English Composition I, students write several analytical essays assigned in conjunction with classroom study of a range of readings, including literature and critical analysis, that may center around a course theme. After sequenced instruction in research techniques, students write an argumentative and scholarly research paper.

COMP111H	English Composition II (Honors section)	Language & Literature	Composition	3	COMP110 (C or better) or Permission of the Department of Language & Literature; admission to the Honors@Bucks program		In this continuation of English Composition I, students write several analytical essays assigned in conjunction with classroom study of a range of readings, including literature and critical analysis, that may center around a course theme. After sequenced instruction in research techniques, students write an argumentative and scholarly research paper.
COMP114	Technical Writing	Language & Literature	Composition	3	COMP110 (C or better) or Writing Placement Test score of 9 or permission of the Department of Language & Literature		This course is designed for students majoring in technical, pre-engineering, and scientific fields. Assignments reflect actual technical writing tasks, with a focus on subject, purpose, and audience. The class examines traditional linear documents (instruction manuals, proposals) and those in an on-line format. Students learn to incorporate electronic formatting into technical documents.
COMP115	Creative Writing I	Language & Literature	Composition	3	COMP110 (C or better) or Writing Placement Test score of 9 or permission of the Department of Language & Literature, based on the writing samples		This course is a seminar-type exploration of creative writing techniques with emphasis on writing and criticism of student writing. Work from literary tradition will be studied as models and inspiration for the students' own literary efforts. Assignments will enable students to express and develop their creative skills.
COMP116	Creative Writing II	Language & Literature	Composition	3	COMP110 (C or better) or Writing Placement Test score of 9 or permission of the Department of Language & Literature, based on the writing samples		This course is a seminar-type exploration of creative writing techniques with emphasis on writing and criticism of student writing. Work from literary tradition will be studied as models and inspiration for the students' own literary efforts. Assignments will enable students to express and develop their creative skills. COMP116: Creative Writing II is an expansion of the skills listed in COMP115.
COMT101	Introduction to Theatre	Arts	Performance Arts	3	None		Students in this course read, watch, discuss, and analyze historical and contemporary plays. Students examine aesthetic concerns of audience, playwright, performers, director, and designers.
COMT103	Introduction to Acting	Arts	Performance Arts	3	None		Students experience a non-threatening introduction to basic acting techniques through improvisation, theater games in pairs and groups, and beginning scenes. Exploration of interpersonal relationships and non-verbal body language are stressed.

COMT106	Introduction to Improvisational Performance	Arts	Performance Arts	3	None		This course develops the student's performance skills in creating improvised theater. Emphasis is placed on developing ensemble compatibility, collaborative and creative skills, spontaneity, initiative, risk-taking, the creation of character and environment, as well as a full understanding of both character-driven comedy and drama.
COMT203	Acting II (formerly COMT111)	Arts	Performance Arts	3	COMT103		Students will continue to train in expressing emotional believability, character analysis, motivated blocking, conflict resolution, and related activities, through dramatic action in both written and improvised scenes and/ or monologues.
COMT206	Improvisational Performance II	Arts	Performance Arts	3	COMT106 (C or better)		This course further develops students' performance, design, and organizational skills acquired in Introduction to Improvisational Production. Emphasis is on developing ensemble compatibility, collaborative and creative skills, and creation of character and environment. Students attain an understanding of creating and organizing an ensemble pertaining to casting, designing, and performing a show.
CRIJ100	Introduction to the Administration of Criminal Justice	Social & Behavioral Science	Criminal Justice	3	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better) or	Reading Placement Test score Level 2 and enrollment in a paired section of READ110	This course is an introductory survey of the evolution, principles, concepts, and practice of the theory and nature of the criminal justice system including police, courts, and corrections systems.
CRIJ100P	Introduction to the Administration of Criminal Justice (paired section)	Social & Behavioral Science	Criminal Justice	3	COMP108 (C or better) or	Reading Placement Test score Level 2 and enrollment in a paired section of READ110	This course is an introductory survey of the evolution, principles, concepts, and practice of the theory and nature of the criminal justice system including police, courts, and corrections systems.
CRIJ110	Introduction to Criminal Law	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the study of substantive criminal law. The major topics of study include the purposes of criminal law, the elements of criminal law, defenses to crimes, criminal sanctions, constitutional limits on criminal law and the entrepreneurial mindset as applied to an issue in criminal law.

CRIJ115	Outlaw Gangs and Organized Crime	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the most current legal strategies and law enforcement tools for detecting and interdicting outlaw gangs and organized crime. The major areas of focus include a study of the origins of outlaw gangs and organized crime, and the impact of these outlaw organizations on American society.
CRIJ116	Crimes in U.S. Business	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the history of white-collar crime and present-day white collar crime. The major topics of study include criminal infractions in small and large business corporations and the methods of investigation utilized by criminal justice agencies.
CRIJ120	Criminal Evidence	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the laws of evidence at the operational level of law enforcement officers and other criminal justice professionals. The major topics of study include the federal rules of evidence, arrest, force, search, and seizure.
CRIJ130	Criminal Investigation/Forensics	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the fundamentals of criminal investigations, rules of evidence, sources of information, observations, descriptions, and identifications. The major areas of focus include collection techniques, preservation techniques, technological aids in investigating, and the processing of physical evidence, records, reports, and statements by police investigators.
CRIJ140	Criminal Procedure	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the general principles of procedural law. The major topics of study include arrest, initial appearance, hearings, grand jury proceedings, arraignment, bail, procedures, motions to suppress evidence, trial, appellate steps, warrants, and the various roles of individuals working within the criminal justice system.
CRIJ160	Introduction to Juvenile Justice	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the juvenile justice system, both delinquent and dependent. The major topics include theories of juvenile delinquency and dependency, juvenile offender laws, and the relationship among juveniles, family, probation, and schools.
CRIJ210	Terrorism	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the history and foundations of terrorism, terrorism as a universal phenomenon, weapons of mass destruction, counterterrorism, and the future of terrorism. The major topics of study include modern day national

							and international events and their connections to terrorism.
CRIJ220	Psychology for Law Enforcement Officers	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the fundamental principles of psychology as applied to modern practices in managing crowds, criminals, delinquents, and the public. The major topics of study include an examination of psychological principles as applied to criminals and the effects of trauma on the criminal justice professional.
CRIJ250	Police Organization and Administration	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to past and present police administration practices. The areas of focus include the operational procedures of both large and small departments and the administrative problems and principles associated with governmental and business administrations.
CRIJ260	Probation and Parole	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to the history and fundamental theories of probation and parole. The major topics of study include county correctional systems policies and practices and federal and state correctional systems policies and practices.
CRIJ275	Introduction to Correctional Administration	Social & Behavioral Science	Criminal Justice	3	CRIJ100 or	CRIJ100	This course introduces students to correctional administration. The major topics include theories of criminal behavior, justifications for punishment, correctional philosophy, the correctional processes, correctional treatment methodology, early American prisons, today's prisons, prisons of the future, and the role of probation in the criminal justice system.
CRIJ280	Cooperative Education - Criminal Justice	Social & Behavioral Science	Criminal Justice	3	CRIJ100 (C or better) and permission of the Department of Social & Behavioral Science		This course introduces students to field work directly related to the student's academic preparation and career objectives. The major areas of focus include partaking in actual field work, observing real-life situations of the working professional and their clients, and comparing academic theory to field work observations.
CRIJ285	Constitutional Law for the Law Enforcement Officer	Social & Behavioral Science	Criminal Justice	3	None		This course introduces students to constitutional law and the guarantees of personal liberties in the federal constitution. The major topics include the jurisdiction of the U.S. Supreme Court and the lower courts, case law, fundamental rights, such as trials by jury, the right to counsel, privilege, and self-incrimination.

CULN120	Basic Food Preparation and Management	Business + Innovation	Chef Apprenticeship	3	Permission of the Department of Business + Innovation		After completing this course, the student should be able to demonstrate knowledge of basic food preparation and management techniques used in commercial and institutional food operations. The areas of study will cover safety and sanitation, food preparation techniques, terminology, use and care of equipment, food costing, and standardized recipes.
CULN121	Advanced Food Preparation and Management	Business + Innovation	Chef Apprenticeship	3	CULN120 (C or better) or permission of the Department of Business + Innovation		After completing this course, the student should be able to demonstrate a knowledge of advanced food preparation and management techniques used for commercial and institutional food operations. The course covers cost implementation, meat and seafood fabrication, and group dynamic quantity food preparation techniques.
CULN122	International Cuisine	Business + Innovation	Chef Apprenticeship	3	HOSP106, CULN120, CULN121 or permission of the Department of Business + Innovation		After completing this course, the student should be able to demonstrate classical cooking skills associated with international and ethnic specific cuisines. The student will have a better understanding of international food sources, global (culinary) cultures and acquire a more in-depth artistic appreciation of food preparation techniques as well as terminology.
CULN127	Vegetarian Cuisine	Business + Innovation	Chef Apprenticeship	3	HOSP106 CULN120, CULN121 or permission of the Department of Business + Innovation		In this course, students learn to prepare contemporary vegetarian (ovo-lacto, vegan, and raw foods) meat-free meals using a variety of vegetarian cooking principles, techniques and products. Vegetarian diet culture, a more in-depth artistic appreciation of food preparation techniques, as well as terminology are covered.
CULN130	Baking and Decorating - Techniques and Procedures	Business + Innovation	Chef Apprenticeship	3	Permission of the Department of Business + Innovation		This course includes cake and dessert decorating and baking, involving the preparation of yeast rolls, breads, pies, cakes, cookies, tarts, doughnuts, holiday specialties, and tortes. Students are taught the care of equipment and safety and sanitation in conformance with health laws. The skills can also be used at home.
CULN131	Buffet Planning and Preparation Basic	Business + Innovation	Chef Apprenticeship	3	Permission of the Department of Business + Innovation		After completing this course, the student should be able to demonstrate a knowledge of basic Garde Manger. Topics will be charcuterie techniques, aspics, galantines, pates, mousses, and terrines, buffet preparation, and food arrangement will be demonstrated with group projects. Buffet arrangement, organization, and planning will also be covered.

CULN132	Buffet Planning and Preparation/Advanced	Business + Innovation	Chef Apprenticeship	3	CULN131 (C or better) or permission of the Department of Business + Innovation		This course covers advanced Garde Manger techniques, such as manipulation and use of specialized tools to produce decorative buffet items and show pieces, i.e., ice sculptures, pastillage, marzipan, and fondant. Modeling chocolate and confectionery (edible) food display are explored. Table arrangement, organization, and planning will also be covered.
CULN136	Modern Plated Desserts	Business + Innovation	Chef Apprenticeship	1	HOSP106 or permission of the Department of Business + Innovation		Students will develop the ability to combine tastes, textures, and shapes to produce modern plated desserts. Students will gain knowledge of techniques and equipment needed to produce desserts, sauces, and garnishes, and to use these components to create finished plated desserts that are both delicious and visually striking.
CULN138	Ice Cream and Frozen Desserts	Business + Innovation	Chef Apprenticeship	2	None		This course covers the preparation and presentation of frozen desserts. Students learn the principles and techniques necessary for the production of ice cream, gelato, sorbet, frozen mousses and souffles, and appropriate sauces and garnishes. This kitchen laboratory course focuses on developing the knowledge and skills required for the profitable production and presentation of ice cream, sorbet and frozen desserts, garnishes and sauces. These skills may be utilized by the hospitality worker/manager who desires to upgrade or broaden their knowledge. At the same time, the nature of this course lends itself to satisfying the needs of students who wish to take the course for self-fulfillment and an advanced knowledge of frozen desserts, along with sauces and garnishes that may be used in presenting them. Lab fees apply.

CULN139	Wedding Cake Assembly and Decoration	Business + Innovation	Chef Apprenticeship	2	None		Students learn techniques of wedding cake design, assembly, and construction. Areas of study include choice of number and size of cake tiers; construction of stacked and tiered cakes, buttercream and fondant decoration; the use of fresh and hand-made edible flowers; and production planning, safe storage and delivery of wedding cakes. This kitchen laboratory course focuses on the development of the knowledge and skills required to assemble, decorate and deliver wedding cakes. These skills can be used by the hospitality worker who desires to upgrade or broaden their knowledge or can lead to job success in a specialized job in the retail baking industry. The nature of this course also lends itself to satisfying the needs of those students whose main reason for taking this course is self-fulfillment. Lab fees apply.
CULN140	Culinary Arts Practicum I	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.
CULN141	Culinary Arts Practicum II	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.
CULN142	Culinary Arts Practicum III	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.

CULN143	Culinary Arts Practicum IV	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.
CULN144	Culinary Arts Practicum V	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.
CULN145	Culinary Arts Practicum VI	Business + Innovation	Chef Apprenticeship	2	Must be Chef/Pastry Apprenticeship Student		On-the-job apprenticeship training under the supervision of a qualified chef supervisor. This affords the apprentice an opportunity to learn food preparation and presentation techniques and to apply job and course related knowledge and skills. Provides experience and training in all aspects of the food service operation.
CULN151	Bread Fabrication - Basic	Business + Innovation	Chef Apprenticeship	2	None		This course covers the fundamentals of baking bread and rolls. Students develop knowledge of ingredients and techniques necessary to produce sandwich breads, basic free-form loaves and flat breads, rolls, and quick breads. This kitchen laboratory course focuses on the development of the foundational knowledge and skills required to produce raised breads and rolls. These skills can be used by the hospitality worker who desires to upgrade or broaden their knowledge or can lead to job success in a specialized job in the retail baking industry. The nature of this course also lends itself to satisfying the needs of those students whose main reason for taking this course is self-fulfillment and a desire for basic bread baking skills. Lab fees apply

| CULN152 | Bread Fabrication - Advanced | Business + Innovation | Chef Apprenticeship | 2 | CULN151 (C or better) or permission from the Department of Business + Innovation | | This course covers advanced topics in bread baking. Students develop knowledge of ingredients and techniques necessary to work with pre-ferments, natural starters, and specialty ingredients to produce a variety of specialty and artisanal breads. This kitchen laboratory course focuses on the development of the advanced knowledge and skills required to create specialty and artisanal yeast raised breads and rolls. These skills can be used by the hospitality worker who desires to upgrade or broaden their knowledge or can lead to job success in a specialized job in the retail baking industry. The nature of this course also lends itself to satisfying the needs of those students whose main reason for taking this course is self-fulfillment and a desire for advanced bread baking skills. Lab fees apply |
| CULN156 | Chocolate - Essential Skills | Business + Innovation | Chef Apprenticeship | 2 | CULN130 or permission of the Department of Business + Innovation | | This course covers the history, production and preparation of chocolate. Students learn tempering techniques, and create chocolate decorations, garnishes and confections. Desserts and pastries using chocolate as the primary ingredient are prepared.

A kitchen laboratory course, which focuses on the development of the knowledge and skills required to produce chocolate and chocolate confections. These competencies can be utilized by the hospitality worker/manager who desires to upgrade or broaden their knowledge. At the same time, the nature of this course lends itself to satisfying the needs of those students whose primary reason for taking the course are self-fulfillment and a desire for an advanced understanding of chocolate and chocolate confections.

Lab fees apply. |

CULN160	Advanced Baking: Pastry	Business + Innovation	Chef Apprenticeship	2	CULN130 (C or better) or permission from the Department of Business + Innovation		This course covers advanced topics in pastry making. Students develop knowledge and skills necessary to produce a variety of pastry doughs, custards, sauces, meringues and mousses and use these components to create pastries and plated desserts meeting professional standards for taste and appearance. This kitchen laboratory course focuses on the development of the advanced knowledge and skills required to create upscale pastries and plated desserts. These skills can be used by the hospitality worker who desires to upgrade or broaden their knowledge or can lead to job success in a specialized job in the retail baking industry. The nature of this course also lends itself to satisfying the needs of those students whose main reason for taking this course is self-fulfillment and a desire for advanced pastry baking skills. Lab fees apply.
CULN165	Advanced Baking: Cakes	Business + Innovation	Chef Apprenticeship	2	CULN130 (C or better) or permission from the Department of Business + Innovation		This course covers advanced topics in baking, assembling and decorating cakes and tortes. Topics covered include cake mixing methods, fillings and finishing coats, torting and assembly of layer cakes, piping and writing on cakes, and specialty decorations in fondant, marzipan and modelling chocolate. This kitchen laboratory course focuses on the development of the advanced knowledge and skills required to bake, assemble and decorate cakes and tortes. These skills can be used by the hospitality worker who desires to upgrade or broaden their knowledge or can lead to job success in a specialized job in the retail baking industry. The nature of this course also lends itself to satisfying the needs of those students whose main reason for taking this course is self-fulfillment and a desire for advanced skills in baking and decorating cakes.

							Lab fees apply.
CULN202	Food Purchasing/Techniques and Procedures	Business + Innovation	Hospitality and Tourism Management	3	HOSP100 (C or better) or permission of the Department of Business + Innovation		In this course, students examine the principles and practices concerned with the purchase of food, beverages, supplies, and equipment for the hospitality industry. Specific topics include testing and evaluation techniques, and storeroom controls.
CULN203	Menu Planning/Costing/Design	Business + Innovation	Hospitality and Tourism Management	3	HOSP100 (C or better) or permission of the Department of Business + Innovation		In this course, students examine the basic elements of menu planning. Topics include pricing, ordering, recipe conversion, and various types of menus and food preferences. Nutrition receives special emphasis. Other topics include marketing strategies, the life cycle of the menu, and cost-controls.
CULN292	Independent Pastry I	Business + Innovation	Chef Apprenticeship	3	Must be Chef/Pastry Apprenticeship Student		Students exhibit a working knowledge, both researched and portfolio submission, consisting of, but not limited to: petit fours, basic breads, puff pastry, two types of tortes-including a cheesecake, three-tier cake, and two desserts using either pate a choux, sweet yeast dough or pate sucree and one yeast-raised bread product.
CULN293	Pastry Independent Study II	Business + Innovation	Chef Apprenticeship	3			Students continue their work with fine pastries and breads which are publicly consumed at College events and at the annual Chef Graduation event. Included, but not limited to, are seven desserts (one frozen) and two artisan breads. Student work includes a printed portfolio and documented 45 hours of production time.

DANC101	Contemporary Dance Practices: Foundations of Modern Dance I	Kinesiology & Sport Studies	Kinesiology	2	None		This course provides the student with development and practice in the contemporary/classical principles of modern dance technique. Fundamentals of Modern Dance includes active participation in center, movement across the floor, proper alignment, improvisation, and personal growth within performance techniques. Diverse styles are explored to garner one's unique style.
DANC102	Beginner Modern Dance	Kinesiology & Sport Studies	Kinesiology	2	DANC101 (C or better) or Permission of the Department of Kinesiology & Sport Studies		Students continue development and practice in the contemporary/classical principles of modern dance technique. A continuation of DANC101, Beginner Modern Dance includes active participation in center, movement across the floor, proper alignment, improvisation, and personal growth within performance techniques. Diverse styles are explored to garner one's unique style.
DANC105	Fundamentals of Classical Ballet	Kinesiology & Sport Studies	Kinesiology	2	None		This course provides the student with fundamentals of Classical Ballet Technique. Instruction includes flexibility and other physiological benefits. The course includes participation in barre, and center movements with proper alignment. Class concentrates on: classical disciplines, alignment and core connection, physical strength and flexibility, and self-discipline.
DANC106	Beginner Classical Ballet	Kinesiology & Sport Studies	Kinesiology	2	DANC105 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course, a continuation of DANC105, provides students with fundamentals of Classical Ballet Technique. Instruction includes flexibility and other physiological benefits. The course includes participation in barre, and center movement focusing on proper alignment. Classes concentrate on classical disciplines, alignment and core connection, physical strength and flexibility, and self- discipline.
DANC107	Freshman Seminar in Dance	Kinesiology & Sport Studies	Kinesiology	3	None		This course is an introductory seminar to understanding dance as a career, dance performance techniques, and dance improvisation. The class explores improvisation, participating in a rehearsal process, basic elements of dance, injury prevention, and dance professions. The class demonstrates how to make a career in the dance field.
DANC201	Intermediate Modern Dance	Kinesiology & Sport Studies	Kinesiology	2	DANC102 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course provides the student with intermediate development and practice in the contemporary/classical principles of modern dance technique. Intermediate Modern Dance includes active participation in center, movement across the floor, proper alignment, improvisation and personal

							growth within performance techniques. Diverse styles are explored to refine one's unique style.
DANC202	Advanced Modern Dance	Kinesiology & Sport Studies	Kinesiology	2	DANC201 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course provides the student with advanced development and practice in the contemporary/classical principles of modern dance technique. Advanced Modern Dance includes active participation in center, movement across the floor, proper alignment, improvisation and personal growth within performance techniques. Diverse styles are explored to refine one's unique style.
DANC204	Dance History	Kinesiology & Sport Studies	Kinesiology	3	Reading Placement Test Score Level 3 or READ110 (C or better) or COMP108 (C or better) or permission of the Department of Kinesiology & Sport Studies		This course surveys dance history through examples from ancient times to the present. The course looks at diversity of dance practices across cultures, concert stage, vernacular settings, and screen media. Through the study of dance's history, aesthetic elements, and communicative power, students become familiar with dance as a vital form of artistic expression and creation throughout time and space.
DANC205	Intermediate Classical Ballet	Kinesiology & Sport Studies	Kinesiology	2	DANC106 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course provides the student with intermediate practice of Classical Ballet. Instruction includes flexibility and other physiological benefits. Participation in barre, and center movement focuses on proper alignment at an intermediate level. Classes concentrate on classical disciplines, alignment and core connection, physical strength and flexibility, and self- discipline.
DANC206	Advanced Classical Ballet	Kinesiology & Sport Studies	Kinesiology	2	DANC205 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course provides the student with advanced practice of Classical Ballet. Instruction includes flexibility and other physiological benefits. Participation in barre, and center movement across the floor focusing on proper alignment at an advanced level. Classes concentrate on classical disciplines, alignment and core connection, physical strength and flexibility, and self-discipline.
DANC207	Dance Composition I	Kinesiology & Sport Studies	Exercise Science	3	DANC101 (C or better)		This course explores the principles of dance composition including creativity, movement invention, choreographic structuring and the development of analytical skills as applied to dance. Class concentrates on exploring composition through improvisation; assigned movement studies; active engagement in a critical evaluation

							process; techniques needed for the creation of solo/group composition.
DANC208	Dance Composition II	Kinesiology & Sport Studies	Kinesiology	3	DANC207 (C or better) or Permission of the Department of Kinesiology & Sport Studies		This course combines beginning compositional techniques with site-specific dance work. The course re-familiarizes the basic choreographic techniques, comprehension and implementation of movement creation, and the utilization of original choreography in and outside the studio space. The course promotes improvisational movement choices to fully explore the students' artistic vision.
ECON111	Principles of Economics - Macro	Social & Behavioral Science	Economics	3	None		An introduction to the basic principles of economics, with emphasis upon macroeconomic theory and analysis. Among topics considered are the scope and nature of economics, ideology and structure of the American economy, national income and employment theory, business fluctuations, money and banking, fiscal and monetary policies, and economic growth.
ECON111H	Principles of Economics - Macro (Honors Section)	Social & Behavioral Science	Economics	3	Admission to the Honors@Bucks program		An introduction to the basic principles of economics, with emphasis upon macroeconomic theory and analysis. Among topics considered are the scope and nature of economics, ideology and structure of the American economy, national income and employment theory, business fluctuations, money and banking, fiscal and monetary policies, and economic growth.
ECON112	Principles of Economics - Micro	Social & Behavioral Science	Economics	3	None		Students study basic economic principles with particular emphasis upon microeconomic theory and problems. Among topics considered are the economics of the firm, the price system and resource allocation, the distribution of income, domestic economic problems, international trade, economic development, and comparative economic systems.
ECON120	Current Economic Issues	Social & Behavioral Science	Economics	3	None		An introduction to the application of economic analysis to current economic problems and the consideration of policy alternatives. This course investigates the role of the U.S. Government in the economy in pursuit of economic and social goals.

ECON130	Introduction to Labor Relations	Social & Behavioral Science	Economics	3	None		A study of labor-management relations in the United States, with an emphasis on current collective bargaining issues and procedures. The interaction of labor and management organizations will be analyzed within the context of the legal, economic, and structural environments in which they operate.
EDUC100	Foundations of Education	Social & Behavioral Science	Education	3	Reading Placement Test score Level 3 or READ110 (C or better)		This course is primarily for students interested in pursuing a career in education. This course provides a survey of the history and philosophy of education with emphasis on current problems in education, on significant educational innovations, and on the school as a social institution. Students complete five hours of observation.
EDUC100P	Foundations of Education (Paired Section)	Social & Behavioral Science	Education	3		READ110	This course is primarily for students interested in pursuing a career in education. This course provides a survey of the history and philosophy of education with emphasis on current problems in education, on significant educational innovations, and on the school as a social institution. Students complete five hours of observation.
EDUC105	Foundations for Early Learning: PreK - 4	Social & Behavioral Science	Education	3	Reading Placement Test score Level 3 or READ110 (C or better)		Students learn about the early childhood profession and its relationship to families, communities, and cultures. The course explores the profession in terms of legal, historical, philosophical, and ethical perspectives. Students examine developmentally appropriate practice aligned with current PA standards. Students complete five hours of observation.
EDUC105P	Foundations for Early Learning: PreK - 4 (Paired Section)	Social & Behavioral Science	Education	3			Students learn about the early childhood profession and its relationship to families, communities, and cultures. The course explores the profession in terms of legal, historical, philosophical, and ethical perspectives. Students examine developmentally appropriate practice aligned with current PA standards. Students complete five hours of observation.
EDUC115	Observing and Recording the Behavior of Young Children	Social & Behavioral Science	Education	3	None		The development of skills in observing, recording, assessing, and evaluating the behavior of young children is the course content. The course requires field experiences to acquaint students with a genuine teaching learning environment. Students complete five hours of observation.

EDUC120	Early Learning and Development I: Ages Birth - 5	Social & Behavioral Science	Education	3	None		This course explores child development in the cognitive, language, physical, emotional, and social domains within a theoretical and research framework for children from birth to five years of age. Students examine the influences of cultural diversity, family, and education on early learning and development. Five hours of observation required.
EDUC130	Early Learning and Development II: Ages 6 - 11	Social & Behavioral Science	Education	3	None		This course explores child development in the physical, social and emotional, cognitive, and language domains within a theoretical and research framework for children ages 6-11. Students explore ways to plan and implement instruction to support development with emphasis on current PA standards and technology. Students complete five hours of observation.
EDUC150	Science and Math Experiences for Young Children	Social & Behavioral Science	Education	3	None		Participants in this course learn the development of children's mathematical and scientific thinking and identify and create science and math experiences to support that development. Students create standards-based science and math experiences using appropriate materials. Students complete five hours of observation.
EDUC160	Introduction to Exceptionalities	Social & Behavioral Science	Education	3	None		This course provides an overview of the different categories of exceptional learners. The course emphasizes issues in the education of individuals with cognitive impairment, learning disabilities, emotional disturbance, and physical handicaps, including inclusion and other placement options. Students complete five hours of observation.
EDUC170	Language and Literacy Development in Early Childhood: Pre-K through Fourth Grade	Social & Behavioral Science	Education	3	None		This course examines language and literacy development in children from infancy through fourth grade, including the role of English language learners and language development for exceptional learners. Students present developmentally-appropriate activities in the areas of listening, speaking, reading, and writing. Students complete five hours of observation.
EDUC175	Families, Schools, and Community	Social & Behavioral Science	Education	3	None		This course examines relationships among family, school and community as they relate to education. Early childhood professionals develop techniques for establishing respectful partnerships among parents, schools, caregivers, and community agencies while employing effective communication strategies for each unique situation.

EDUC200	Integrated Arts, Movement, and Play	Social & Behavioral Science	Education	3	None		Students integrate children's creativity, play, music, movement, and the arts into the curriculum. Students describe the process involved in guiding children to creatively express themselves in art, movement, and play. Students learn how to effectively support goals of multicultural education and exceptional learners. Students complete five hours of observation.
EDUC205	Fieldwork: Observation and Assessment in Education I [Special Education/Autism Emphasis]	Social & Behavioral Science	Education	3	EDUC160 (C or better)		Participants engage in a hands-on experience working with children with autism spectrum disorder in a classroom setting. Students use applied behavior analysis, observation, and informal assessment techniques to increase skills and change behavior. Students complete thirty hours of field experience.
EDUC206	Fieldwork: Observation and Assessment in Education II- PreK-4	Social & Behavioral Science	Education	3	EDUC105 (C or better)		Students spend four hours each week in an early childhood or K-4th grade classroom. Students observe, develop, and apply classroom skills. Areas of focus include teacher language, community building and classroom management, assessment, and teacher and student behavior and interactions. Students complete a minimum of forty hours field experience.
EDUC220	Practicum in Education	Social & Behavioral Science	Education	6	Permission of the Department of Social & Behavioral Science		Students apply their knowledge and skills in an early childhood classroom for 15 hours each week. In this hands-on experience in a local school or childcare placement, students create and implement standards-based, developmentally appropriate learning environments and experiences. Course includes supervisory visitations, extensive written work, and a weekly seminar class.
ENGR112	Engineering Design	Science, Technology, Engineering & Mathematics	Engineering	4	MATH103 (C or better) or Math Placement Test score of 7 or higher		This course introduces students to the engineering design process through two- and three-dimensional modeling, drawing, computer-aided design (CAD), and rapid prototyping. This course emphasizes a design-driven curriculum involving team-based investigations and solutions of reverse engineering problems using free-hand, CAD software, and rapid prototyping techniques.
ENGR222	Statics	Science, Technology, Engineering & Mathematics	Engineering	3	MATH141 (C or better) and PHYS121 (C or better)		This course provides an overview of calculus-based engineering statics. Topics include: concurrent force systems; statics of particles; equivalent force/moment systems, distributed forces, and equilibrium of rigid bodies; trusses, frames, and machines; internal forces in structural members;

							friction; second moments of area, and moments of inertia.
ENGR223	Dynamics	Science, Technology, Engineering & Mathematics	Engineering	3	ENGR222 (C or better)		This course provides an overview of calculus-based engineering dynamics. Topics include: second moments, particle kinematics and dynamics, rigid body kinematics and dynamics, work-energy concepts, and vibrations.
ENGR224	Strength of Materials	Science, Technology, Engineering & Mathematics	Engineering	3	ENGR222 (C or better)		This course introduces students to the basics of strength of materials. Topics include: loading; statically indeterminate structures; temperature and prestrain effects; shear force and bending moment; axial, shear, bearing and bending stresses; deflection of beams; and buckling of columns.
ENGR240	Introduction to Circuit Analysis	Science, Technology, Engineering & Mathematics	Engineering	4	PHYS122 (C or better)		This lecture and laboratory course introduces the students to basic circuit devices and circuit analysis. Topics include: circuit elements, techniques of circuit analysis, natural response, steady state analysis, and basic filter design.
ENGT222	Applied Engineering Statics	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	3	PHYS106 (C or better), and MATH122 (C or better) or Math Placement Test score of 9 or higher		This course provides a non-calculus analysis of Newton's first law from an applications standpoint as it pertains to particles and rigid bodies. It utilizes algebra and trigonometry for application to problems involving force systems, equilibrium, and structures.
ENGT223	Applied Engineering Dynamics	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	3	ENGT222 (C or better)		This course provides a continuation of ENGT222, and provides a non-calculus study of the fundamental laws and properties of second moments, particle kinematics and dynamics, rigid body kinematics and dynamics, and work-energy concepts.
ENGT224	Applied Strength of Materials	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	3	ENGT222 (C or better)		This course provides a non-calculus analysis of applied strength of materials. Topics include: mechanical properties of materials; stress and strain analysis; loading in the design of shafts and beams; shear force and bending moment; axial, shear, deflection of beams; and buckling of columns.
ENGT230	Applied Thermodynamics	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	3	PHYS106 (C or better), and MATH122 (C or better) or Math Placement Test score of 9 or higher		This course provides a non-calculus overview of applied thermodynamics. Topics include: pressure; temperature; heat and heat transfer; properties of substances; First Law of Thermodynamics and its application; Second Law of Thermodynamics and its application; analysis of power and refrigeration cycles.

ENGT240	Applied Circuit Analysis	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	4	PHYS106 (C or better), and MATH122 (C or better) or Math Placement Test score of 9 or higher		This lecture and laboratory course provides a non-calculus overview of applied circuit analysis. Topics include: circuit elements, techniques of circuit analysis, natural response, and steady state analysis.
ENGT241	Applied Analog Electronics	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	4	ENGT240 (C or better)		This lecture and laboratory course provides a non-calculus overview of applied analog electronics. Topics include: introduction to semiconductors; diode characteristics and applications; bipolar junction and field effect transistors and applications; basic operational amplifier circuits; measurement applications; analog to digital conversion.
ENGT242	Applied Digital Electronics	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	4	PHYS106 (C or better)		This lecture and laboratory course provides a non-calculus overview of applied digital electronics. Topics include: number systems, operations and codes; logic gates; Boolean algebra; combinatorial logic; latches, flip flops, and timers; counters and shift registers; memory and storage; computer concepts; and integrated circuits.
ENGT250	Introduction to Engineering Communications	Science, Technology, Engineering & Mathematics	Applied Engineering Technology	3	ENGT240 (C or better) and PHYS107 (C or better)		This course provides a non-calculus overview of the principles and applications of analog and digital data transmission via RF, microwave, wire, and fiber-optic technology associated with the transmission and reception of data. Topics include wired and wireless local area networks, cellular, satellite, radio, and microwave transmission.
EXSC200	Biomechanics of Human Movement	Kinesiology & Sport Studies	Exercise Science	4	BIOL181 (C or better) and PHED180 (C or better)		This course introduces students to basic mechanical principles of physical activity and exercise. The structure, composition, and behavior of basic skeletal and muscular tissue, pathomechanics of injury, adaptation to load and degenerative changes associated with aging are discussed within the scope of scholarly literature.
EXSC201	Physiology of Exercise	Kinesiology & Sport Studies	Exercise Science	4	BIOL182 (C or better) and PHED180 (C or better)		This course covers the basic concepts and principles of the physiology of exercise. Topics include human responses and adaptations to exercise with varying levels of stress and intensity, as well as the relationship of exercise and training to metabolism, energy transfer, muscle contraction, circulatory, and respiratory function.
FREN110	Elementary French I	Language & Literature	French	3	None		In this course students learn the basics of understanding, speaking, reading, and writing French. This course stresses oral proficiency, pronunciation, listening comprehension, and

							grammatical accuracy, as well as the cultural backgrounds of French-speaking countries.
FREN111	Elementary French II	Language & Literature	French	3	FREN110 (C or better) or equivalent or permission of the Department of Language & Literature		In this interactive course, which continues the work of FREN110, students acquire a working knowledge of French necessary to accomplish basic tasks. This course emphasizes comprehension and practice in pronunciation and conversation, as well as listening, speaking, reading, and writing skills in an authentic French cultural context.
FREN201	Intermediate French I	Language & Literature	French	3	FREN111 (C or better) or equivalent or permission of the Department of Language & Literature		This course reviews basic essentials of vocabulary and grammatical constructions and presents some constructions not studied in the Elementary French sequence. The course also provides material for a solid foundation in conversation and composition and continues to place emphasis on knowledge and appreciation of the culture of French-speaking countries.
FREN202	Intermediate French II	Language & Literature	French	3	FREN201 (C or better) or equivalent or permission of the Department of Language & Literature		This course reviews basic essentials of vocabulary and grammatical constructions and presents further constructions not covered in FREN201. The course provides additional material for a solid foundation in conversation and composition and continues to place emphasis on knowledge and appreciation of the cultural backgrounds of French-speaking countries.
FREN250	Intermediate French III	Language & Literature	French	3	FREN202 (C or better) or equivalent or permission of the Department of Language & Literature		This course, conducted in French, is a continuation of the intermediate sequence. It emphasizes greater proficiency in listening, speaking, reading, and writing. Students study more complex language structures, read, view, and discuss current French media, read more difficult literary texts, and critically examine Francophone cultures.
FREN251	Intermediate French IV	Language & Literature	French	3	FREN250 (C or better) or equivalent or permission of the Department of Language & Literature		This course, conducted in French, continues from FREN250. It emphasizes greater proficiency in listening, speaking, reading, and writing. Students study more complex language structures, read, view, and discuss current French media, read more difficult literary texts, and critically examine Francophone cultures.

FRSC100	Introduction to Fire Science	Business + Innovation	Fire Science	3	None		This course is an overview of fire protection and emergency services including: career opportunities, culture, history, loss analysis, organization and function of public and private fire protection services, laws and regulations, nomenclature, basic fire chemistry and physics, introduction to fire protection systems, introduction to strategy and tactics, life safety initiatives.
FRSC103	Building Construction for Fire Protection	Business + Innovation	Fire Science	3	FRSC100 (C or better) or permission of the Business Studies Department.		This course examines the components of building construction that relate to fire and life safety. The focus of this course is on firefighter safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at emergencies.
FRSC104	Fire Prevention and Code Enforcement	Business + Innovation	Fire Science	3	FRSC100 (C or better) or permission of the Business + Innovation Department; and FRSC112 (C or better)		This course provides fundamental knowledge of fire prevention and code enforcement. Topics include: history and philosophy of fire prevention, organization and operation of a fire prevention bureau, conducting fire/life safety inspections, use and application of codes and standards, plans review, fire and life safety education, and fire investigation.
FRSC105	Fire Protection Systems	Business + Innovation	Fire Science	3	FRSC100 (C or better) or permission from the Business + Innovation Department; and FRSC112 (C or better)		This course provides information relating to the features of design and operation of fire alarm systems, water-based fire suppression systems, special hazard fire suppression systems, water supply for fire protection and portable fire extinguishers. The fundamentals of the inspection, maintenance, and operations of these systems are covered in this course.
FRSC112	Fire Behavior and Combustion	Business + Innovation	Fire Science	3	None		This course is a study of the physical properties and chemical characteristics applicable to fire; it also discusses combustion, the principles of fire, heat measurement, heat transfer, and heat energy sources. Emphasis is on emergency situations and the most favorable methods of handling firefighting and control.
FRSC114	Principles of Fire and Emergency Services Safety & Survival	Business + Innovation	Fire Science	3	None		This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavioral change throughout emergency services.
FRSC201	Firefighting Strategy and Tactics	Business + Innovation	Fire Science	3	FRSC100 (C or better) and FRSC103 (C or better) and		This course examines the principle of fire ground control through utilization of personnel, equipment, and extinguish agents related to various emergency scenarios. The focus is on communication, pre-fire planning, and the roles

					FRSC112 (C or better).		and responsibilities and resource allocation in Incident Command/National Incident Management System (ICS/NIMS).
FRSC202	Hazardous Materials	Business + Innovation	Fire Science	3	FRSC100 (C or better) or PUBS101 (C or better) or permission of the Department of Business + Innovation.		This course introduces the student to the chemical and physical characteristics, hazards, and combustibility of the most commonly encountered hazardous materials. Students learn how hazardous materials can influence fire development and spread, as well as how to manage hazardous materials at the incident scene.
FRSC204	Legal Aspects of Emergency Services	Business + Innovation	Fire Science	3	FRSC100 (C or better) or permission of the Business + Innovation Department.		This course introduces the Federal, State, and local laws that regulate emergency services and includes a review of national standards, regulations, and consensus standards influencing emergency services.
FRSC206	Fire Investigation I	Business + Innovation	Fire Science	3	FRSC100 (C or better) or permission of the Business + Innovation Department and FRSC103 (C or better) and FRSC112 (C or better) and Writing Placement Score of 6 or COMP107 (C or better).		This course provides the student with the fundamentals and technical knowledge needed for proper fire scene interpretations, including recognizing and conducting origin and cause, preservation of evidence and documentation, scene security, case law and constitutional amendments, motives of the fire setter, and types of fire causes.
FRSC208	Principles of Fire and Emergency Services Administration	Business + Innovation	Fire Science	3	FRSC100 (C or better) and Writing Placement Score of 6 or COMP107 (C or better).		This course introduces the student to the organization and management of a fire and emergency services department and the relationship of government agencies to the fire service. Emphasis is placed on fire and emergency services, ethics, and leadership from the perspective of the company officer.
FRSC209	Occupational Safety and Health for Emergency Services	Business + Innovation	Fire Science	3	FRSC100 (C or better) and Writing Placement Score of 6 or COMP107 (C or better).		This course introduces the concepts of occupational health and safety as it relates to emergency service organizations. Topics include risk and hazardous evaluation and control procedures for emergency service organizations.

FRSC210	Fire and Life Safety Education	Business + Innovation	Fire Science	3	FRSC100 (C or better) and Writing Placement Score of 6 or COMP107 (C or better).		The course prepares students to develop and deliver fire and life safety education programs. Students develop presentation skills, prepare and deliver an oral presentation, learn how to formulate public education programs, review the effectiveness of existing programs and identify future trends.
FRSC214	Fire Plans Review	Business + Innovation	Fire Science	3	FRSC103 (C or better) and FRSC104 (C or better) and FRSC105 (C or better)		Through the use of construction documents and a fundamental knowledge of fire codes and standards, students develop an understanding of a building's fire protection features including the design of fire alarm systems, water-based fire suppression systems, special hazard fire suppression systems, water supply for fire protection and egress arrangements.
FRSC216	Fire Investigation II	Business + Innovation	Fire Science	3	FRSC202 (C or better) and FRSC206 (C or better)		This course is a continuation of Fire Investigation I, providing students with advanced principles and technical knowledge on the rule of law, fire scene analysis, fire behavior, evidence collection and preservation, scene documentation, case preparation, and courtroom testimony.
FRSC227	Pre-Emergency Planning	Business + Innovation	Fire Science	3	FRSC103 (C or better) and FRSC104 (C or better) and FRSC105 (C or better) and FRSC202 (C or better).		Students examine the intricacies of preparing pre-emergency plans and diagrams for fire investigation reports using computer technology. Students demonstrate their understanding of the importance of pre-emergency planning for the Fire Service and prepare pre-emergency plans and diagrams.
FRSC280	Fire and Emergency Services Internship	Business + Innovation	Fire Science	3	Successful completion of at least fifteen (15) credit hours in Fire Science (FRSC) or permission of the Department of Business + Innovation and A GPA of 2.5 earned at Bucks County Community College		Student to field work directly related to their academic preparation and career objectives. The major areas of focus include partaking in actual field work, observing real-life situations of the working professional and their clients, and comparing academic theory to field work observations.
GEOG110	World Geography	Social & Behavioral Science	Geography	3	None		A thematic survey aimed at understanding the contemporary world through an analysis of physical/environmental and cultural regions. Special attention is given to problems of social and technological change, political geographic disputes, and population growth.

GRMN110	Elementary German I	Language & Literature	German	3	None		In this interactive course students acquire a basic knowledge of understanding, speaking, reading, and writing German. It places emphasis on oral proficiency, listening, comprehension, and grammatical accuracy. Cultural background accompanies each chapter.
GRMN111	Elementary German II	Language & Literature	German	3	GRMN110 (C or better) or equivalent or permission of the Department of Language & Literature		This interactive course continues the work of GRMN110; students continue to acquire a basic knowledge of understanding, speaking, reading, and writing German and it continues to stress oral proficiency, listening, comprehension, and grammatical accuracy. German cultural background accompanies each chapter.
GRMN201	Intermediate German I	Language & Literature	German	3	GRMN111 (C or better) or equivalent or permission of the Department of Language & Literature		This course reviews basic essentials of vocabulary and grammatical constructions and presents constructions not studied in the Elementary sequence and provides material for a solid foundation in conversation and composition. This course continues to place emphasis on knowledge and appreciation of the culture of German-speaking countries.
GRMN202	Intermediate German II	Language & Literature	German	3	GRMN201 (C or better) or equivalent or permission of the Department of Language & Literature		This course reviews basic essentials of vocabulary and grammatical constructions and presents constructions not studied in GRMN201 and provides additional material for a solid foundation in conversation and composition. It continues to emphasize knowledge and appreciation of the cultural backgrounds of German-speaking countries.
GRMN250	Intermediate German III	Language & Literature	German	3	GRMN202 (C or better) or equivalent or permission of the Department of Language & Literature		This course, conducted in German, is a continuation of the intermediate sequence and it emphasizes greater proficiency in listening, speaking, reading, and writing. Students study more complex language structures, read, view, and discuss current German media, read more difficult literary texts, and critically examine German cultures.
GRMN251	Intermediate German IV	Language & Literature	German	3	GRMN250 (C or better) or equivalent or permission of the Department of Language & Literature		This course, conducted in German, continues from GRMN250 and emphasizes greater proficiency in listening, speaking, reading, and writing. Students study more complex language structures, read, view, and discuss current German media, read more difficult literary texts, and critically examine German cultures.
GUID101	Introduction to Guided Studies	Language & Literature	Student Services	1			Students in this course develop self-awareness, critical thinking skills, and problem solving techniques to identify credit and/or non-credit

							learning opportunities aligned with their academic and/or professional interests, and plan accordingly.
GUID250	Guided Studies Seminar	Language & Literature	Student Services	1	at least 30 credits completed		In this seminar, students identify the skills and knowledge learned in their concentrations, explain connections between their Guided Studies Concentrations and developing educational and/or professional interests, and begin the next steps in their academic and/or career plans.
HIST100	American Studies Seminar	Social & Behavioral Science	History	3	None		Students explore American society and culture through readings and discussion. Methods and concepts from the social sciences, arts, and humanities are synthesized to create a better understanding and deeper appreciation of the nation's past and present.
HIST101	History of Bucks County	Social & Behavioral Science	History	3	None		Students examine the history of Bucks County from colonial times to the present.
HIST111	History of Western Civilization I	Social & Behavioral Science	History	3	None		This course is a survey and critical examination of Western human history and explores the social, political, religious, intellectual, and artistic achievements from the earliest human civilizations to the Age of Reason.
HIST112	History of Western Civilization II	Social & Behavioral Science	History	3	None		This course is a survey and critical examination of Western human history and explores the social, political, religious, intellectual, and artistic achievements from around the year 1500 to the present.
HIST113	Global History: Ancient and Medieval World	Social & Behavioral Science	History	3	None		This course is a survey and critical examination of global history in which students explore the social, political, religious, economic, intellectual, and artistic achievements of the earliest human societies until roughly 1500 C.E.
HIST114	Global History: Modern World	Social & Behavioral Science	History	3	None		This course is a survey and critical examination of global history in which students explore the social, political, religious, economic, intellectual, and artistic achievements of the major human civilizations from roughly 1500 C.E. to the present.
HIST114H	Global History: Modern World (Honors Section)	Social & Behavioral Science	History	3	Admission to the Honors@Bucks program		This course is a survey and critical examination of global history in which students explore the social, political, religious, economic, intellectual, and artistic achievements of the major human civilizations from roughly 1500 C.E. to the present.
HIST139	World War II	Social & Behavioral Science	History	3	None		This course is a survey of the Second World War. Major topics include the roots and causes of the war, diplomacy, the major campaigns and battles, and the home-fronts of the major participants.

HIST146	East Asia	Social & Behavioral Science	History	3	None		An interdisciplinary study of the cultures of China, Japan, Korea and neighboring countries. Social, historical, economic, factors will be examined with special attention paid to philosophy, traditional cultures, national unification, modernization and East/West relations.
HIST149	America: The Cold War Years (1945-1990)	Social & Behavioral Science	History	3	None		An examination of the post-World War II era featuring diplomatic conflict between the United States and the Soviet Union. When diplomacy broke down, military conflict ensued in such diverse places as Korea, Vietnam, Hungary, and Afghanistan. The course examines the background, causes, and course of this sustained conflict.
HIST151	U.S. History: Young America	Social & Behavioral Science	History	3	None		This course explores U.S. history from European colonization until the end of the Civil War. Students critically examine the social, cultural, economic, and political dynamics of America's agrarian age.
HIST151H	U.S. History: Young America (Honors section)	Social & Behavioral Science	History	3	Admission to the Honors@Bucks program		This course explores U.S. history from European colonization until the end of the Civil War. Students critically examine the social, cultural, economic, and political dynamics of America's agrarian age.
HIST152	U.S. History: Modern America	Social & Behavioral Science	History	3	None		Students explore America's transformation into an industrial and global power since the Reconstruction era. Topics critically examined include: immigration, modernization, struggles for race, class, gender, and sexual equality, nationalism, world war, and broad social, economic, and cultural change.
HIST152H	U.S. History: Modern America (Honors section)	Social & Behavioral Science	History	3	Admission to the Honors@Bucks program		Students explore America's transformation into an industrial and global power since the Reconstruction era. Topics critically examined include: immigration, modernization, struggles for race, class, gender, and sexual equality, nationalism, world war, and broad social, economic, and cultural change.
HIST155	The Peoples of Russia and Eastern Europe	Social & Behavioral Science	History	3	None		This course is a survey of the historical development of the Slavic peoples and nations of Eastern Europe, emphasizing their roots, national consciousness, and cultural outlook. Topics include the modernization of Russia and Eastern Europe through the various phases of revolution, industrialization, East/West relations, and human rights.

HIST159	The American Civil War	Social & Behavioral Science	History	3	None		This course examines the American Civil War, the conflict that defined the United States. Students study the time period stretching from the Compromise of 1850 to the Presidential election of 1876, as well as the various reasons for the war, the combat, the eventual outcome, and the Reconstruction Period.
HIST170	Colonial American History	Social & Behavioral Science	History	3	None		This course is a survey of the American experience from the age of discovery to the revolutionary convulsions of the late 18th century. Major topics include European antecedents and the dynamics of America's social, cultural, economic, and political life during these early years.
HIST172	20th Century America	Social & Behavioral Science	History	3	None		This course is a survey of the American experience from pre-World War I to the present. Students explore the dynamics of America's social, cultural, economic, and political life as the United States reaches maturity as a world power.
HIST175	The Vietnam War	Social & Behavioral Science	History	3	None		Students examine American involvement in the Second Indochina War by considering the roots, causes, and consequences of the war. Topics include historical events, France's First Indochina War, the anti-war movement, and the Vietnam veterans' community today.
HIST178	The American Indian	Social & Behavioral Science	History	3	None		A study of the North American Indian, including daily life, social relationships, myths, legends, and their fate at the hands of European settlers in the New World.
HIST190	African-American History	Social & Behavioral Science	History	3	None		This course is a study of the history of African-Americans from their origins in Africa to the present. Students examine the social, political, legal, and economic history of the African-American community. Major topics include the impact of slavery, military service, and the Civil Rights Movement and Black Power Movement.
HIST191	Principles of Historic Preservation	Social & Behavioral Science	Historic Preservation	1	None		This course is an overview of the American Historic Preservation movement from the 19th-century grass roots organizations through the 20th-century state, federal, and private institutions that guide the movement's work in the 21st century. Students learn how to apply best practices in the care of our cultural heritage.
HIST192	Principles of Historic Building Analysis	Social & Behavioral Science	Historic Preservation	1	None		This course is an overview of American architecture. Students explore historic styles within a social and cultural context. Emphasis on identification, description, and building significance explored through representative examples

							throughout the country. Students identify, describe, and write about significant architecture in context.
HIST193	Principles of Building Conservation	Social & Behavioral Science	Historic Preservation	1	None		This course is an overview of conservation techniques used in the preservation of our built environment. Students learn about natural and man-made material deterioration, and are introduced to techniques that successfully halt or reverse the effects of the environment on traditional building materials.
HIST194	Historic Preservation Planning and Sustainability	Social & Behavioral Science	Historic Preservation	3	None		Historic Preservation Planning and Sustainability introduces students to the principles, practices, and procedures of land-use planning and public policy associated with historic preservation planning. Sustainable communities and the historic preservation connection are discussed within the context of case studies. Issues include combating sprawl, preserving rural landscapes, and managing growth.
HIST195	Historical Archaeology	Social & Behavioral Science	Historic Preservation	3	None		This course introduces students to the study of the physical traces left by people in the past, emphasizing methods of identifying, documenting, excavating, and analyzing historical sites and their artifacts. Students study archaeological sites through an anthropological lens via field, lab, and historical research techniques, including new technologies.
HIST197	History and Theory of Historic Preservation	Social & Behavioral Science	Historic Preservation	3	None		This course surveys the historical antecedents, theoretical foundations, and current issues in historic preservation practice.
HIST198	History of American Architecture	Social & Behavioral Science	Historic Preservation	3	None		This course surveys four centuries of American architecture. The work of architects and the evolution of architectural styles are examined as a reflection of broader historical trends. Through observation, description, and analysis, students build their visual literacy skills and architectural vocabulary to recognize and interpret a building's historic character.
HIST199	Historic Property Research and Documentation	Social & Behavioral Science	Historic Preservation	3	None		The methodology of documenting historic sites will be studied and applied to local buildings and structures.
HIST201	Building Conservation	Social & Behavioral Science	Historic Preservation	3	None		The course teaches students to see buildings in a new way: as ever decaying artifacts in need of vigilant care. All components of a building are

							covered along with an understanding of a building's relationship to its environment.
HIST202	Law, Taxes, and Zoning for Historic Preservation	Social & Behavioral Science	Historic Preservation	3	None		Federal, state, and local laws are studied as they relate to the preservation of historic structures. Special attention is given to the role of historic architecture review boards, as well as planning commissions in the decision making process.
HIST203	Internship for Historic Preservation	Social & Behavioral Science	Historic Preservation	3	18 credits of completed coursework in Historic Preservation (C or better)		The Internship for Historic Preservation provides students with practical training in the field. Students apply historic preservation skills to a selected preservation project. Students work directly under the supervision of a Historic Preservation Professional to develop the project plan and execution.
HIST204	Oral History	Social & Behavioral Science	Historic Preservation	3	None		This course combines the theory and practice of oral history with extensive field work. Students examine the legal and practical issues of recording oral histories as they apply to a public project. Students interview, record, transcribe, formally present, and assemble the material into an accepted archival format.
HIST205	Principles of Restoration & Rehabilitation	Social & Behavioral Science	Historic Preservation	1	None		The course is a hands-on approach to the conservation and preservation of buildings. Building techniques are stressed.
HIST206	Restoration Workshop	Social & Behavioral Science	Historic Preservation	2	None		The course is a hands-on approach to the conservation and preservation of buildings. Advanced building techniques are stressed.
HIST208	History, Society and Architecture in the Delaware Valley	Social & Behavioral Science	Historic Preservation	3	None		This course will explore the history of Bucks County and neighboring areas, with special reference to settlement patterns of various ethnic groups and their influence on the landscape, building traditions, and material culture.
HIST210	Topics in Historic Preservation	Social & Behavioral Science	Historic Preservation	3	None		This course introduces students to various emerging issues in historic preservation. Topics vary by semester and include developing areas of historic preservation and/or areas of historic preservation which are subject to frequent reinterpretation.
HIST214	Preservation Site Project	Social & Behavioral Science	Social & Behavioral Science Department Archive	3	HIST201 (C or better)		This course combines classroom study with hands-on field work under the guidance of a historic preservation professional at a chosen site. Real-world experience surveying and assessing a historic building project or other historical site supplements class sessions. Students apply skills of drafting,

							photography, and writing to complete a class project.
HIST217	Principles of Historic Gardens	Social & Behavioral Science	Historic Preservation	1	None		An overview of formal gardens and other historic designed landscapes as part of the built environment. Special emphasis is placed on the development of formal gardens in the first half of the twentieth century and the ways in which they reflect cultural ideas about nature.
HIST219	Management of Historic Sites	Social & Behavioral Science	Historic Preservation	3	None		Using case studies, students study the principles, methods, and disciplines required to manage a small museum or historic site, with special emphasis on personnel, financial and collections management, exhibit development and interpretation, fundraising, marketing, customer service, governance, ethics, and professional standards.
HIST222	Archaeology Topics	Social & Behavioral Science	Historic Preservation	1	None		Students study how archaeologists work in the Delaware Valley region. Special emphasis is placed on actual excavations in New Jersey and Pennsylvania.
HIST239	American Pop Culture: History of Rock	Social & Behavioral Science	History	3	None		This course focuses on American popular culture through the lens of rock-n-roll music, including rock's roots, influences, and impact on popular culture. Students experience the subtleties, power, and excitement of the music.
HIST246	Advanced Techniques in Conservation	Social & Behavioral Science	Historic Preservation	3	None		Students acquire hands-on practice of advanced techniques in conservation and/or rehabilitation of historic properties.
HIST290	History Seminar	Social & Behavioral Science	History	3	COMP111 (C or better) and 12 credit hours in HIST (C or better)		In this capstone course students analyze issues and topics in American, Western and/or World history through a heavy focus on historical research, writing, presentation, and defense. Consequently, major topics include the techniques and methodologies of cultural, economic, political, and social history.
HITT105	Legal Aspects of Health Information Technology	Health Sciences	Health Information Technology	3	None		This course covers concepts and principles of law found in the healthcare field. The course focuses on legal issues regarding health information, including confidentiality, release of health information, consent forms, liability of healthcare providers, concepts and methods of risk management in the healthcare field, and other current medical/legal issues.

HITT190	Introduction to Health Information Technology	Health Sciences	Health Information Technology	3	None		This course is an introduction to healthcare delivery systems with emphasis on organizational compliance, structure and accreditation, licensing and/or certification with regulatory agencies. This course covers revenue cycle management, claims management, and bill reconciliation processes. Topics include chargemaster maintenance and health data classification.
HITT207	Health Information Technology Applications	Health Sciences	Health Information Technology	3	None		This course covers the concepts of computer applications related to healthcare. This course discusses healthcare data sets, health information specialty systems, document archival, retrieval and imaging systems, and data storage systems. Students demonstrate an understanding of various health information software applications coding tasks.
HITT208	Healthcare Quality Improvement	Health Sciences	Health Information Technology	3	HITT190 (C or better)		This course covers quality assessment and improvement, providing a basis for developing skills in collecting and analyzing data. Topics include healthcare evaluation systems and the role of HIT professionals in quality improvement, clinical pathways, case management, utilization management, risk management, infection control, and medical staff credentialing.
HITT217	Health Insurance and Reimbursement	Health Sciences	Health Information Technology	3	HITT190 (C or better)		This course covers health insurance products and managed care approaches to the financing and delivery of healthcare services. Students explore reimbursement and payment methodologies. Students examine forms, processes, practices, and the roles of health information professionals. Students discuss concepts in insurance, third-party and prospective payments, and managed care organizations.
HITT250	Basic Pathophysiology and Pharmacology for Health Information Technology	Health Sciences	Health Information Technology	3	MEDA120 (C or better) and BIOL181 (C or better)		This course is the study of pathological conditions and the drugs used in their treatment. Students study the description of conditions and diseases of the organ systems, including etiology, signs and symptoms, and methods of diagnosis and treatment. Students identify disease entities and describe appropriate diagnostic and treatment modalities.
HITT280	Health Information Technology Externship	Health Sciences	Health Information Technology	3	Completion of all other HITT courses in the program with a grade of C or better and permission of the		Health Information Technology Externship requires students to work a minimum of 120 clock hours at an off-campus healthcare site in a supervised practice experience.

					Department of Health Sciences		
HITT285	Medical Coding/Billing Externship	Health Sciences	Health Information Technology	3	Completion of all courses in the Medical Coding/Billing Certificate program with a C or better and permission of the Department of Health Sciences		Medical Coding/Billing Certificate students will apply coding/billing principles in a health care provider setting. Students will gain 120 hours of experience in International Classification of Diseases Coding Modifiers (current ICD curriculum) and Current Procedural Terminology (CPT) coding systems and related activities.
HITT297	Medical Coding	Health Sciences	Health Information Technology	3	MEDA120 or BIOL115 or	MEDA120 or BIOL115	This course covers principles of the International Classification of Diseases Coding Modifiers (current ICD curriculum), Current Procedural Terminology (CPT), and third party reimbursement. Students are provided with the fundamentals of a classification coding system used in health care industries.
HITT298	Advanced Procedural Coding	Health Sciences	Health Information Technology	3	HITT297 (C or better)		This advanced course covers Current Procedural Terminology (CPT), International Classification of Diseases (current ICD curriculum), Health Care Procedural Coding Systems (HCPCS), modifier applications, evaluation and management services, and coding issues for specific body systems.
HITT299	Advanced Diagnostic Coding	Health Sciences	Health Information Technology	3	HITT297 (C or better)		The current ICD curriculum and coding systems are practiced. Content and purposes of disease and procedure indexes are reviewed, as well as the purposes of abstracting from patient medical records. Implications of DRGs and their relationship to coding assignments and financing of hospital care are examined. Tumor registries are discussed.
HLTH103	Life and Health	Kinesiology & Sport Studies	Health	3	None		This course is an introduction to perplexing personal and social health problems in contemporary society, providing opinions, data, and facts that help the student investigate these problems. A synthesis of knowledge is presented from a variety of disciplines, such as medicine, psychology, physiology, sociology, sexology, and child development.
HLTH103H	Life and Health (Honors section)	Kinesiology & Sport Studies	Health	3	Admission to the Honors@Bucks program		This course is an introduction to perplexing personal and social health problems in contemporary society, providing opinions, data, and facts that help the student investigate these problems. A synthesis of knowledge is presented

							from a variety of disciplines, such as medicine, psychology, physiology, sociology, sexology, and child development.
HLTH110	Responding to Emergencies	Kinesiology & Sport Studies	Health	3	None		This course teaches the principles and applications of first aid and safety so that the student can correctly respond to medical emergencies. Successful completion satisfies the certification requirements for Responding to Emergencies and CPR courses of the American Red Cross.
HLTH120	Nutrition	Kinesiology & Sport Studies	Health	3	Reading Placement Test score Level 3 or higher or READ110 (C or better) or COMP108 (C or better) or	Reading Placement Test score Level 2 and enrollment in a paired section of READ110	This course is an introduction to nutrition as a health science that examines the nutrients essential to human life. The metabolic action, requirements, and nutrient food sources are studied along with application of entrepreneurial skills. Needs and behavior patterns in children and adults are used to illustrate the relationship between diet and health.
HLTH120N	Nutrition with a Registered Dietitian	Kinesiology & Sport Studies	Health	3	Reading Placement Test score Level 3 or higher or READ110 (C or better) or COMP108 (C or better) or	Reading Placement Test score Level 2 and enrollment in a paired section of READ110	This course is an introduction to nutrition as a health science that examines the nutrients essential to human life. The metabolic action, requirements, and food sources of the nutrients are studied along with application of entrepreneurial skills. Needs and behavior patterns in children and adults are used to illustrate the relationship between diet and health.
HLTH120NH	Nutrition with a Registered Dietitian (Honors section)	Kinesiology & Sport Studies	Health	3	Admission to the Honors@Bucks program		This course is an introduction to nutrition as a health science that examines the nutrients essential to human life. The metabolic action, requirements, and food sources of the nutrients are studied. Needs and behavior patterns in children and adults are used to illustrate the relationship between diet and health.
HLTH121	Applied Nutrition	Kinesiology & Sport Studies	Health	3	HLTH120 (C or better)		After completing this course, the student should be able to discuss metabolic functions and needs of the human body, have a basic knowledge of drugs and nutrition, provide information on food economics, and understand basic diet therapy.
HLTH130	Principles and Applications of Diet and Fitness	Kinesiology & Sport Studies	Health	3	None		In this health science course, students study variables related to a longer and healthier life. Students learn basic exercise physiology, nutrition, and weight control. They study the beneficial effects of regular exercise and nutritious diets, maintaining a healthy weight, and prevention of life-style diseases.

HLTH140	Cardiopulmonary Resuscitation	Kinesiology & Sport Studies	Health	1	None		An investigation of the knowledge and skills of cardiopulmonary resuscitation. The course emphasizes the principles and skill application of basic life support, external cardiac compression, and the emergency medical systems. Successful completion satisfies the certification requirements of the American Red Cross and the American Heart Association.
HLTH200	Introduction to Women's Health Issues	Kinesiology & Sport Studies	Health	3	None		This course is an introduction to the personal and social concerns of women's past and present health trends. Emphasis will be placed on the historical perspective of women's health, including an exploration of psychological, physiological, and social barriers to women's health. The holistic model of wellness will be examined.
HOSP100	Introduction to Hospitality Management	Business + Innovation	Hospitality and Tourism Management	3	None		This course provides an overview of the tourism and hospitality industry. Students learn how technological changes and financing affect the industry. Other topics include trends, planning, design, location, and procedures, materials, equipment and supplies.
HOSP106	Safety and Sanitation	Business + Innovation	Hospitality and Tourism Management	2	None		This course provides an overview of the emerging issues in governmental standards of food safety and sanitation. Specific topics include microorganisms, employee training, equipment purchasing, integrated pest management, cleaning and sanitizing, and other related subjects. Students prepare for and can earn ServSafe Food Protection Manager and ServSafe Allergens certifications.
HOSP110	Hospitality Financial Management	Business + Innovation	Hospitality and Tourism Management	3	HOSP100 (C or better) or permission of the Department of Business + Innovation		In this course, students examine the Uniform System of Accounts for Hotels and Restaurants. Other topics include special journals, transactions, monthly and annual reports, and accounting.
HOSP111	Conference and Meeting Planning	Business + Innovation	Hospitality and Tourism Management	3	None		This course is designed to develop skills necessary to plan and organize traditional and technological conferences, meetings, conventions, trade shows and expositions. The student will learn to systemize and assemble reservations for lodging, air and ground transportation, food and beverages, site selection, room design, and conference and meeting materials.

HOSP200	Hotel and Lodging Operations Management	Business + Innovation	Hospitality and Tourism Management	3	HOSP100 (C or better) or permission of the Department of Business + Innovation		In this course, students examine the responsibilities of front office staff in the hotel/tourism industries. Specific topics include public relations, sales promotions, cash control procedures, night audit and accounting techniques, checking guests in and out, handling mail and other guest information, and emergency procedures.
HOSP210	Hospitality Internship	Business + Innovation	Hospitality and Tourism Management	3	HOSP100 (C or better) or permission of the Department of Business + Innovation		In this course, students engage in on-the-job training in supervised internships in hotels, motels, and restaurants. Industry principals and the Program Coordinator interview candidates to assist in their placement and provide follow-up assessment.
HUMN111	Ancient World: Culture and Ideas	Social & Behavioral Science	Humanities	3	None		This course is a historical survey of the art, literature, music, philosophy, technology, science, and religion of ancient cultures (25,000 B.C.E. - 300 C.E.) Students explore the major themes at the heart of the Western cultural tradition.
HUMN112	Medieval and Renaissance Worlds: Culture and Ideas	Social & Behavioral Science	Humanities	3	None		This course is a historical survey of the art, literature, music, philosophy, technology, science, and religion of human civilizations from the dissolution of the Roman Empire to the Late Renaissance (300-1550 C.E.). Students explore the major themes and ideas at the heart of the Western cultural tradition.
HUMN113	Early Modern World: Culture and Ideas	Social & Behavioral Science	Humanities	3	None		This course is a historical survey of the art, literature, music, philosophy, science, technology, and religion of the Western world in a global context from the Late Renaissance to the Modern Era (1550-1880s C.E.). Students explore the major themes and ideas of the Western cultural and intellectual tradition in a global context.
HUMN114	Modern World and Beyond: Culture and Ideas	Social & Behavioral Science	Humanities	3	None		This course is a historical survey of the art, literature, music, philosophy, science, technology, and religion of the Western World in a global context from the Age of Nationalism (1880 C.E.) to the present. Students explore the major themes and ideas at the heart of the Western cultural tradition.
HUMN120	Survey of World Religions	Social & Behavioral Science	Humanities	3	None		This course is a study of the historical development of world religion from pre-civilization to the development of the major religions of India (Hinduism, Jainism, Buddhism, and Sikhism), the Far East (Taoism, Confucianism, and Shintoism), and the Near East (Zoroastrianism, Judaism, Christianity, and Islam).

HUMN121	Christianity	Social & Behavioral Science	Humanities	3	HUMN120 (C or better) or Permission of the Department of Social & Behavioral Science		This course is a survey of Christianity from its origins to the present stressing its history, teachings, and institutions. Major topics include the Life of Jesus, Early Church, Catholicism, Protestant Reformation, the Church in the Modern Age, and the overall political and intellectual influence of Christianity on human history.
HUMN122	Buddhism - An Introduction	Social & Behavioral Science	Humanities	3	None		This course explores the history and ideas of Buddhism. Students explore the religion's varieties, basic abstract concepts, and patterns of spread.
HUMN125	Religion in America	Social & Behavioral Science	Humanities	3	None		This course is a survey of the contemporary American religious life. Major topics include the major world religions, as well as the rise of noted cults with special emphasis upon their origins, practices, and consequent reactions and repercussions. Students also explore the broad historical trends and phenomena in American religious life.
HUMN126	Science and Religion	Social & Behavioral Science	Humanities	3	None.		Students examine the relationship between religion and science in western and non-western cultures and the extent to which they either conflict or cooperate. Areas of focus include science and religion in ancient Greece and China, medieval Arabia, modern Europe, and contemporary America.
HUMN128	Holy War, Holy Peace in Islam, Judaism, Christianity	Social & Behavioral Science	Humanities	3	None		This course examines the origins and relationships among the world's three major religions Christianity, Islam, and Judaism. Topics of emphasis include how the three religions influence one another and how they historically relate to each other in times of war and in times of peace.
HUMN129	Eastern Religions	Social & Behavioral Science	Humanities	3	None		Students examine the religions of the East, including Hinduism, Buddhism, Confucianism, Taoism, Shintoism and Shamanism. Areas of focus include historical development, cultural background, and institutional development.
INDP290	Independent Study	Business + Innovation	Independent Study				NULL
ITAL110	Elementary Italian I	Language & Literature	Italian	3	None		In this course students learn the basics of understanding, speaking, reading, and writing Italian. Instruction stresses oral proficiency, correct pronunciation, listening comprehension, and grammatical accuracy, as well as the cultural and historical backgrounds of the Italian-speaking countries.

ITAL111	Elementary Italian II	Language & Literature	Italian	3	ITAL110 (C or better) or equivalent or permission of the Department of Language & Literature		In this interactive course students continue the work of ITAL111; students acquire a further working knowledge of Italian necessary to accomplish basic tasks. Instruction continues to emphasize comprehension and more practice in pronunciation and conversation and addresses listening, speaking, reading, and writing skills within an authentic Italian cultural context.
ITAL201	Intermediate Italian I	Language & Literature	Italian	3	ITAL111 (C or better) or equivalent or permission of the Department of Language & Literature		In this course students study vocabulary, grammar, and idiomatic constructions; and continue to hone speaking, listening and writing skills. Students write compositions using new and more complex language structures and read culture-related materials.
ITAL202	Intermediate Italian II	Language & Literature	Italian	3	ITAL201 (C or better) or equivalent or permission of the Department of Language & Literature		This course combines review with new and more complex language usage than were studied in ITAL201. Instruction continues to emphasize intermediate-level speaking, listening comprehension, idiomatic usage, and practice in writing. An Italian cultural reader focuses on Italian history and culture.
ITAL250	Advanced Italian I	Language & Literature	Italian	3	ITAL202 (C or better) or equivalent or permission of the Department of Language & Literature		This course emphasizes developing greater proficiency in understanding, speaking, reading, and writing Italian through study of more complex language structure, discussion of current Italian media, reading more difficult literary texts, and deeper study of the culture and history of Italy.
ITAL251	Advanced Italian II	Language & Literature	Italian	3	ITAL250 (C or better) or equivalent or permission of the Department of Language & Literature		This course builds on the instruction from ITAL250. Students continue to develop greater proficiency in understanding, speaking, reading and writing Italian through study of more complex language structure, discussion of current Italian media, reading more difficult literary texts, and deeper study of the culture and history of Italy.
JOUR155	Advertising Copyrighting	Language & Literature	Journalism	3	None		An introduction to the theory and practice of creating and writing advertising messages for products and services. Exercises for developing persuasive ads for magazines, newspapers, radio, and television. Exploration of ad agency creative functions and structure. Discussions, group work, films, videos, lectures. No prior advertising experience needed.

JOUR175	News Reporting and Writing	Language & Literature	Journalism	3	Writing Placement score of 6 or COMP107 (C or better)		This intensive workshop course stresses news reporting and writing techniques important in both print media and online news. Coverage of news events on and off-campus is supplemented by in-class deadline writing exercises. Students learn to check facts using the internet, and to promote their work using social media.
JOUR275	Newspaper Editing and Page Layout	Language & Literature	Journalism	3	JOUR175 (C or better)		This course provides intensive training in the editing and preparation of newspaper copy, and the writing of headlines and page layout using computerized layout software. It covers local and wire copy, assembling and shaping the various elements of a news story, the requirements of newspaper style, and safeguards against errors.
JOUR276	Feature Writing for Print and Online Media	Language & Literature	Journalism	3	JOUR175 (C or better)		This workshop course focuses on the reporting and writing of feature articles for print and online media, with attention to the ethics of freelancing. Coverage of news events on and off-campus is supplemented by in-class dead line writing exercises. Students use social media to promote their work.
JOUR277	Public Affairs Reporting	Language & Literature	Journalism	3	JOUR175 (C or better)		This course is an introduction to public affairs reporting, including coverage of local government, public schools, courts, crime, and social services. Students cover town government and school board meetings, trials, and the police beat. Emphasis is on students producing stories suitable for publication in the College newspaper or local media.
JOUR278	Webcast News Production	Language & Literature	Journalism	3	JOUR175 (C or better)		This workshop course stresses the production of a video news webcast. Students conduct interviews, write scripts, shoot and edit digital video, and help produce a news webcast that can be shown online. Students learn to use digital videos cameras and editing software.
JOUR280	Cooperative Education - Journalism	Language & Literature	Journalism	3	Permission of the Department of Language & Literature		On-the-job experience and observations in a field directly related to the student's academic preparation and career objectives. Periodic meetings between the faculty coordinator and the student are held to review actual experience and observation in light of the theory and skills learned academically.

JPNS101	Elementary Japanese I	Language & Literature	Japanese	3	None		In this course students learn the basics of listening, speaking, understanding, reading, and writing using the Hiragana and Katakana writing systems, and also study basic communication. The course includes knowledge and appreciation of Japanese historical and cultural backgrounds.
JPNS102	Elementary Japanese II	Language & Literature	Japanese	3	JPNS101 (C or better) or equivalent or permission of the Department of Language & Literature		In this continuation of study from JPNS101, students further develop the basics of listening, speaking, understanding, reading, and writing using the Hiragana and Katakana writing system, and study basic communication. The course continues to present Japanese historical and cultural backgrounds.
JPNS201	Intermediate Japanese I	Language & Literature	Japanese	3	JPNS102 (C or better) or equivalent or permission of the Department of Language & Literature		Students are introduced to the reading and writing of Kanji, one of three writing systems of the Japanese language, plus sixty-five Kanji fundamental to recognizing and constructing written Japanese. Students engage in extensive practice building vocabulary and sharpening conversational and grammatical skills. Also, Japanese culture and thought processes will be addressed.
KINS106	Art of Personal Defense	Kinesiology & Sport Studies	Kinesiology	2	None		This is an introductory course in the theory and techniques of self-defense. The content focuses on recognition and avoidance of dangerous situations, techniques of eliminating dangers, and the physical skills and strategies of personal defense. Basic concepts and principles of nutritional and physiological fitness are included in the course.
KINS110	Tennis	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to enable any student to learn the leisure time sport of tennis and to enhance and enrich his/her leisure experience. This course will also help the student improve his organic, social, and mental wellness.
KINS116	Competitive Activities	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to provide the student with opportunities to participate in a variety of leisure sports and games. Activities are carefully selected to enrich the student's leisure time. Concepts of exercise physiology and proper nutrition are introduced.
KINS118	Tennis and Competitive Activities	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to enable the general student to learn and participate in a wide variety of competitive sports and games with an emphasis on tennis. Emphasis will also be applied to enrich, enhance, and improve the student's organic, social, and mental wellness.

KINS120	Horsemanship	Kinesiology & Sport Studies	Kinesiology	2	None		This course is for beginners or non-riders of Hunt Seat Equitation. The basic fundamentals of English riding techniques are taught. The course includes ring riding, trail riding, horsemanship, theory of horses, tack, and stable care. Basic principles of exercise physiology and nutrition will be presented as they apply to the individual rider.
KINS124	Badminton and Volleyball	Kinesiology & Sport Studies	Kinesiology	2	None		This course provides students with the opportunity to participate in badminton and volleyball as leisure time pursuits. Instructions will emphasize skill fundamentals, strategy, and rules. It will also include basic principles of exercise physiology and nutrition as they pertain to an individual engaged in this lifetime sport.
KINS126	Modern Dance	Kinesiology & Sport Studies	Kinesiology	2	None		This is an introductory course in creative dance that includes dance fundamentals of technique, improvisation, and choreography. Basic dance movements will be used to develop an understanding of body language and an articulation between movement and creativity. Basic concepts of exercise physiology and nutrition are presented.
KINS129	Tai Chi Chaun	Kinesiology & Sport Studies	Kinesiology	2	None		Tai chi chuan is an introductory Chinese Martial Art course that is performed slowly, in a relaxed fashion with fluid graceful motions. It is based on traditional Chinese philosophies and is useful for body and mind. It increases balance, range of motion, and helps to relieve stress. Basic concepts and principles of nutritional and physiological fitness are included in the course.
KINS130	Yoga	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to introduce the student to the fundamental philosophies, skills, techniques, and terms of Hatha Yoga. Emphasis is placed on how to correctly practice yoga and how to incorporate it into one's daily habits. This course will also teach valid concepts of nutrition and exercise physiology.
KINS133	Archery	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to give the student a fundamental background in the skills, techniques, and rule interpretation of archery. Students will learn proper care of equipment, safety, and rules for tournament play. Basic principles of physiology of exercise and proper nutrition will be presented.

KINS134	Aerobics	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to enable any student to plan and progressively develop a personalized fitness program based on participation in a regular system of aerobic dance and other aerobic exercise. Basic concepts of exercise physiology and nutrition will be presented.
KINS135	Walk-Jog-Run	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to give the student an opportunity to improve his/her fitness through the activity of walking or jogging. The emphasis will be on the walking aspect of fitness. Basic concepts of exercise physiology and proper nutrition will be presented.
KINS141	Golf	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to give the student the skills, techniques, and rule interpretation of golf as a leisure time activity. Principles of physiology of exercise, proper nutrition, care of equipment, safety, and etiquette will be presented.
KINS145	Bowling and Golf	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to give the student a fundamental background in the skills, techniques, and rule interpretation of golf and bowling. Students will learn proper care of equipment, safety, and rules for tournament play. Basic principles of physiology of exercise and proper nutrition will be presented.
KINS150	Beginning Aquatics	Kinesiology & Sport Studies	Kinesiology	2	None		This course is for non-swimmers and students with limited swimming ability. Special attention is given to basic swimming skills and water safety. This course is recommended for students who plan to transfer to colleges requiring aquatics for graduation. Basic concepts of exercise physiology and nutrition are presented.
KINS154	Swim for Fitness	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to improve cardiovascular capacity and personal wellness through an individual program of aquatic training. Basic concepts of exercise and nutrition are presented.
KINS155	Lifeguarding	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. It is designed to meet all American Red Cross requirements. Students will receive certification in lifeguarding, first aid, and other appropriate certifications. Basic concepts of exercise physiology and nutrition will be presented.
KINS156	Red Cross Water Safety Instructor	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to teach students swim strokes and water safety techniques for American Red Cross certification in specific water safety courses. Included are specific concepts of planning, organizing, and teaching techniques. Lifetime

							health benefits related to proper nutrition and exercise physiology are examined.
KINS170	Individual Fitness and Wellness	Kinesiology & Sport Studies	Kinesiology	2	None		This course is designed to guide the student to develop a personal fitness program utilizing concepts of muscle physiology and nutrition. Each student will be evaluated and an individual exercise and nutrition program will be recommended.
KINS172	Gymnastics	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies requirements for physical education majors. Content includes an introduction to elementary tumbling and apparatus skills. It requires performance of specific skills, compulsory routines, and safe-class participation. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS175	Dance: Square and Folk	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. Students are taught and practice square and folk dances. The course also teaches proper etiquette and appreciation of dance. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS176	Basketball and Softball	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. Fundamental skills and strategies of basketball and softball are introduced with emphasis in learning, teaching, playing, and coaching using current national and state rules. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS178	Basketball and Baseball	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. Fundamental skills and basic strategies of basketball and baseball are introduced according to Men's rules. Instructional drills and progressions on various skill levels are emphasized. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS179	Field Hockey and Soccer	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. It teaches rules and strategy needed to play, officiate, teach and coach field hockey and soccer along with proper selection and care of equipment. Lifetime health benefits related to proper nutrition and exercise physiology are examined.

KINS180	Foundations of Physical Education and Exercise Science	Kinesiology & Sport Studies	Kinesiology	3	None		This course gives the prospective teacher of Health, Physical Education, and Recreation insight into this area, including the historical, philosophical, and sociological principles with a survey of the latest research and literature in the field. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS183	Movement and Physical Education for Early Childhood	Kinesiology & Sport Studies	Kinesiology	3	None		A study and application of the theories of movement, games, self-testing, and challenge activities suitable for young children. The growth patterns, developmental needs, interests, and related movement activities of elementary school children are examined. Field experience is included. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS188	Net Games: Tennis and Badminton	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. Students are given instruction and practice fundamentals, drills, court strategy, doubles play, and conditioning for tennis and badminton. They are taught about rules and equipment. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS189	Bowling and Volleyball	Kinesiology & Sport Studies	Kinesiology	2	None		This course satisfies the transfer requirements for Physical Education majors. Content includes the history, etiquette, rules, terminology, and safe performance of bowling and volleyball. Teaching, practice, and team play experience is provided. Lifetime health benefits related to proper nutrition and exercise physiology are examined.
KINS190	Introduction to Recreation Leadership	Kinesiology & Sport Studies	Kinesiology	3	None		This course is a comprehensive survey of recreational activities and facilities. Various agencies that govern and administer recreation programs will be studied, as well. This course will examine the trends and philosophies of education for leisure, outdoor recreation programs, and camping. A two-day overnight camping experience is required.
KINS191	Outdoor Recreation	Kinesiology & Sport Studies	Kinesiology	3	None		This course teachs outdoor recreation activities, such as biking, cross-country skiing, orienteering, backpacking hiking, rock climbing, and repelling. Instruction includes classroom seminars, supervised outdoor practices, and field trips. Lifetime health benefits related to proper nutrition and exercise physiology are examined.

LAWS100	Introduction to Paralegal Studies	Business + Innovation	Paralegal/Law	3	None		This course provides students with basic coverage of the important role paralegals play in many employment contexts. Through completion of innovative exercises, which foster an entrepreneurial mindset, students learn how to identify legal issues; and understand various legal specialties, ethics, research and skills necessary to excel in this growing field.
LAWS101	Divorce and Family Law	Business + Innovation	Paralegal/Law	3	LAWS100 or LAWS110		This course covers the principles of the Divorce Code of 1980 in Pennsylvania courts, and a comparison with other states. Emphasis is on divorce law, antenuptial agreements, separation agreements, child custody issues, child support, alimony, tax consequences of divorce, and adoptions.
LAWS140	Civil Litigation and Practice	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course provides students with an overview of the theory, procedure and mechanics of a lawsuit from fact gathering through judgment enforcement, with an emphasis on the Pennsylvania Court System.
LAWS150	Elder Law	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course gives an overview of all areas of the law which concern the elderly client such as elder abuse, living facilities, insurance, estate planning and healthcare. Attention is focused on drafting documents such as advance directives, Power of Attorney, wills, trusts and guardianships.
LAWS160	Wills, Trusts, and Estates	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		In this course, students examine the legal principles and ethical considerations of probate, wills, trusts and the fiduciary code as applied by the Orphans Courts in Pennsylvania. Students also learn how to prepare and file probate and estate planning documents. Students also discuss ethical issues that affect the estate client.
LAWS165	Criminal Procedure for the Paralegal	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course offers an overview of criminal procedure for the paralegal by focusing on crimes against persons, crimes against property, summary offenses, misdemeanors and felonies, as well as state and federal crimes.
LAWS170	International Law	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course offers an overview of international trade, licensing, investment, collections, and letters of credit. Students analyze and contrast the risks of international versus domestic business. Students also examine procedures for buying and selling goods in foreign countries.
LAWS180	Business Organizations: Paralegal	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course provides an overview of corporations, partnerships, and sole proprietorships in businesses. Students also learn the court

							procedures and tax implications associated with sole proprietorships, corporations or partnerships.
LAWS205	Paralegal Trial Procedure and Practices	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) and LAWS140 (C or better)		Using a realistic case file, the student works through the intense trial advocacy process from conceptualizing the trial, including strategy and tactics, preparing a trial notebook, filing pretrial motions, and performing exercises exploring procedural and evidentiary issues.
LAWS210	Real Estate Law and Conveyancing	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) or REAL101 (C or better) and REAL102 (C or better);		This course addresses various topics in real estate law, including estates, titles, acquisition, agreements of sale, encumbrances, conveyancing, and bonds. Other topics include liens, deeds, and mortgages.
LAWS215	Advanced Real Estate Law	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) and LAW210 (C or better)		In this course, students examine advanced real estate law and the documents used in sophisticated residential and commercial transactions with concentration on financing, option contracts, title insurance, zoning, and the vocabulary of these advance transactions.
LAWS220	Legal Research and Writing I	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) and either COMP110 (C or better) or MGMT135 (C or better)		This course provides an introduction to the tools used in legal research including statutes, cases, treaties, encyclopedia and computer search techniques. Students research actual case problems and prepare written memorandum of law. Students also learn how to file research materials and use state and federal legal reporter services.
LAWS225	Legal Research and Writing II	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) AND LAWS220 (C or better)		This course emphasizes the systematic study of electronic legal research and critical analysis of legal issues, location, and evaluation of appropriate legal authority and application of such authority to the resolution of hypothetical factual situations. Students learn how to prepare persuasive presentations in acceptable legal format.
LAWS235	Bankruptcy	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course provides an overview of the federal bankruptcy law, its purposes and procedures, with special emphasis on asset liquidation, business reorganization, and individual income rehabilitation plans. Other topics include the relationship of debtor, creditor and trustee, ethics, litigation, and the collection process.
LAWS240	Tort Law for the Paralegal	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) AND LAWS140 (C or better)		This course provides an overview of tort law including intentional torts, personal injury, negligence law and strict liability. Students learn how to prepare legal pleadings and discovery materials. Other topics include ethics, and trial preparation.

LAWS255	Ethics for the Paralegal	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) and LAWS140 (C or better)		This course examines ethical requirements under the Pennsylvania Rules of Professional Conduct and the National Federation of Paralegal Associations. Specific topics include attorney regulation, and paralegals, the unauthorized practice of law, confidentiality, conflicts of interest, advertising, solicitation, fees, client funds, competency and professionalism.
LAWS260	Computers in the Law Office	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) AND CISC100 (C or better) OR CISC110 (C or better)		This course provides a general introduction to the use of computers and legal specialty computer software programs in the modern law office. Students use hands on computer exercises using professional software programs frequently used by paralegals, including billing software, spreadsheets and litigation support software.
LAWS285	Paralegal Internship/Capstone Course	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better) and LAWS140 (C or better) and LAWS220 (C or better); and successful completion (C or better) of at least nine (9) credits in LAWS courses; or successful completion (C or better) of six (6) credits in LAWS courses and MGMT130 (C or better); and a GPA of 2.0 earned at Bucks County Community College; and Permission of the Department of Business + Innovation		In this course, students gain practical work experience either in a private or public sector under the supervision of an attorney or experienced paralegal in day-to-day, on-site office work. This course also includes internship seminar sessions.
LAWS290	Administrative and Municipal Law	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This course provides an introduction to the laws involving the administration of government by various departments, agencies, boards and commissions that implement and enforce law and policy. Students learn the laws and procedures that affect the administrative decision-making processes on a local, state and federal government level.

LAWS295	Special Topics in Law	Business + Innovation	Paralegal/Law	3	LAWS100 (C or better)		This special topics course provides an introduction to various emerging legal issues. Topics vary by semester, and include developing areas of law and/or areas of law which are subject of frequent re-interpretation. This course is designed to enhance students' written communication skills through various writing exercises.
LITR205	English Literature to the 19th Century	Language & Literature	Literature	3	None		This course traces the development of British Literature from its Anglo-Saxon origins to the beginning of the 19th Century through the examination of representative literary and historical/cultural texts from a diverse range of writers and perspectives.
LITR206	English Literature in the 19th and 20th Century	Language & Literature	Literature	3	None		This course traces the development of British Literature from the beginning of the 19th Century to the present through the examination of representative literary and historical/cultural texts from a diverse range of writers and perspectives.
LITR231	American Literature to 1865	Language & Literature	Literature	3	None		This course surveys the development of American Literature from the Colonial beginning to Whitman, emphasizing a thorough acquaintance with the work of significant writers of the period, including women and minorities, in their historical and cultural context.
LITR232	American Literature from 1865	Language & Literature	Literature	3	None		This course surveys the development of American Literature from Whitman to the present, with emphasis upon thorough acquaintance with the work of the significant writers of the period, including women and minorities, in their historical and cultural context.
LITR234	Introduction to British Women Writers	Language & Literature	Literature	3	None		Course features novels, short stories, poems, plays and other literature by, for, and about women in Britain from the medieval period to the present. Students examine the portrayal of women's lives, the relationship to women's roles in modern society, the expression of multi-cultural developments, and major movements in British literature.
LITR235	A Century of Literature by American Women	Language & Literature	Literature	3	None		This course features novels, short stories, poems, and plays by women writers in America from the late 19th century to the present. Students examine the portrayal of women's lives and changing roles, the expression of multi-cultural developments, and major movements in American literature alongside new perspectives created by women's voices.

LITR236	Introduction to Latin American Literature	Language & Literature	Literature	3	None		This course traces the development of Latin American Literature from the mid 20th century to the present through the examination of representative literary and historical/cultural texts from a diverse range of writers and perspectives.
LITR246	Children's Literature	Language & Literature	Literature	3	None		This course surveys the development of children's literature from oral folk tales through nursery rhymes, literary folk tales, modern fantasy, realistic fiction, and informational books. Students learn about poetry, prose, illustrations, fiction, and literary genres, study the dynamics of reading aloud, and explore creative techniques for presenting literature.
LITR254	World Literature I	Language & Literature	Literature	3	None		Students read and analyze literary works drawn from non-English speaking cultures. Lecture and discussion shall emphasize both literary issues, including structure and technique, and a sense of the cultural backgrounds that inform those works. Instructors assign translated works from the ancient world until approximately 1650.
LITR255	World Literature II	Language & Literature	Literature	3	None		Students read and analyze literary works drawn from non-English speaking cultures. Lecture and discussion shall emphasize both literary issues, including structure and technique, and a sense of the cultural backgrounds that inform those works. Instructors assign translated works from approximately 1650 to the present.
LITR261	Themes in Literature - Women	Language & Literature	Literature	3	None		Readings and discussion in this course center on selected works of primarily but not exclusively American and Western European literature that portray female characters in prominent roles and explore the problems of women in their various societies. The works are drawn from various genres representing several centuries.
LITR264	Themes in Literature - Religion	Language & Literature	Literature	3	None		This course explores the connection between religious belief and literary expression, including poetry, novels, drama, and essays. Study of classic religious and literary texts from around the world will focus on both formal and thematic patterns to help students understand the varieties of religious experience and deepen their sense of literature.
LITR264H	Themes in Literature - Religion (Honors section)	Language & Literature	Literature	3	Admission to the Honors@Bucks program		This course explores the connection between religious belief and literary expression, including poetry, novels, drama, and essays. Study of classic religious and literary texts from around the world will focus on both formal and thematic patterns to

							help students understand the varieties of religious experience and deepen their sense of literature.
LITR271	Introduction to World Drama	Language & Literature	Literature	3	None		This course examines drama from Greek theater to plays by current playwrights. Readings include work from diverse cultural contexts, including, for example, plays by women, African Americans, other minorities, and non-Western playwrights. The emphasis is on play construction, dialogue, staging, themes and cultural values, symbols and motifs, and character development.
LITR273	Introduction to Poetry	Language & Literature	Literature	3	None		This course concentrates on the analysis and study of poetry and its forms. Readings include work from diverse cultural contexts, including, for example, poems by women, African Americans, other minorities, and non-Western writers. The course emphasizes discussion and student presentation of poetic analysis.
LITR275	Introduction to the Novel	Language & Literature	Literature	3	None		This course introduces students to the novel as a literary form and explores its development in different historical and cultural contexts. Students read selected novels, discuss them, and learn to write critically about them. Readings include novels by women, African Americans, other minorities, and non-Western writers.
LITR277	Introduction to Short Fiction	Language & Literature	Literature	3	None		This course explores the short story and novella as meaningful literary forms, with emphasis on structure and technique. Lectures and classroom discussions are reinforced by examinations, critical essays, and exercises in critical analysis.
LITR278	Introduction to African-American Literature	Language & Literature	Literature	3	None		This course introduces students to the writing of persons of African descent in North America. Students examine and critically study the themes, content, and structure of African-American writing from the late 18th century up through the modern period.
LITR279	Introduction to Shakespeare	Language & Literature	Literature	3	None		This course provides an introductory study to Shakespeare's tragedies, comedies, and histories, and a careful study of major plays and sonnets. Shakespeare's importance as a dramatist and the enduring nature of his ideas and vision are stressed. The class may view films and live performances.
MATH085	Mathematics Recitation	Science, Technology, Engineering & Mathematics	Mathematics	1	Student must be registered for a 15		This course provides individualized support and instruction to enhance success in mathematics courses.

					week MATH095 or MATH103 class.		
MATH089	Fast Track Mathematics	Science, Technology, Engineering & Mathematics	Mathematics	1	Math Placement Test		This course reviews various mathematical concepts from Pre-Algebra through Pre-Calculus. After taking the math placement test, students work with math software to strengthen their mathematical knowledge and potentially increase their placement score through the software, leading to continue with other courses within a program of study earlier.
MATH090	Prealgebra	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 1		This course provides preparation for study in algebra. Topics include a review of basic arithmetic skills, fractions, and decimals, an introduction to signed numbers, variables, equation solving, and data analysis. Transferability is determined by transfer institution.
MATH095	Basic Algebra	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 3 or MATH090 (C or better)		This is an introductory course in Algebra. Topics include operations with numerical and algebraic expressions, solving linear and absolute value equations and inequalities; factoring polynomials, solving quadratic equations, and graphing linear equations and inequalities. Study skills are also emphasized. Transferability is determined by transfer institution.
MATH101	Mathematical Concepts I	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 5 or higher or MATH095 (C or better)		This course is primarily for liberal arts and education majors, and emphasizes mathematical systems and reasoning. Course content includes sets, symbolic logic, and elementary probability and such optional topics as basic statistics, game theory, or linear programming.
MATH102	Mathematics for Educators I	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 7 or MATH103 (C or better)		This course provides a preparation in mathematics for students interested in elementary education. Topics include elementary logic, sets, relations, functions, numeration systems, whole numbers, integers, and number theory.
MATH103	Intermediate Algebra	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 5 or MATH095 (C or better)		This course provides a preparation for more advanced study in mathematics and related fields. Topics include simplifying algebraic, rational, and radical expressions; solving quadratic, rational, radical, absolute value, exponential, and logarithmic equations; solving compound and absolute value inequalities, and graphing functions.

MATH105	Mathematics for Educators II	Science, Technology, Engineering & Mathematics	Mathematics	3	MATH102 (C or better) or Permission of the Department of Science, Technology, Engineering & Mathematics		This course provides a continuation of the mathematics preparation for students interested in elementary education. Topics include rational numbers, real numbers, probability, statistics, measurement, and geometry.
MATH110	Mathematics for Technology I	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 5 or higher or Math095 (C or better)		This course is primarily for students in technological career programs. Topics include basic arithmetic and algebraic operations; binary, octal and hexadecimal numbers; and Boolean logic. Emphasis is on applications for careers using digital technology.
MATH115	Elementary Statistics	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 7 or higher or MATH101 (C or better) or MATH103 (C or better) or MATH110 (C or better)		This course is primarily for business, science, liberal arts, and education majors. Topics studied include descriptive measures for empirical data, theory of probability, probability distributions, sampling distributions of statistics from large and small samples, estimation theory, hypothesis testing, correlation, and regression.
MATH115H	Elementary Statistics (Honors section)	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 7 or higher or MATH101 (C or better) or MATH103 (C or better) or MATH110 (C or better); admission to the Honors@Bucks program		This course is primarily for business, science, liberal arts, and education majors. Topics studied include descriptive measures for empirical data, theory of probability, probability distributions, sampling distributions of statistics from large and small samples, estimation theory, hypothesis testing, correlation, and regression.
MATH117	Finite Mathematics for Business	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 7 or higher or MATH103 (C or better)		This is primarily for students of accounting, business, economics, management, data processing, technologies, and related fields. Topics include linear and quadratic models, matrix theory, linear systems and linear programming, probability, and expected value.
MATH118	Business Calculus	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 8 or higher or MATH117 (C or better) or MATH120 (C or better)		This is an introduction to basic calculus with emphasis on applications to business, economics, management, information science, and related fields. Topics include relations and functions, limits, continuity, derivatives, techniques of differentiation, chain rule, applications of differentiation, antiderivatives, the definite

							integral, the fundamental theorem of calculus, and applications of integration.
MATH120	College Algebra	Science, Technology, Engineering & Mathematics	Mathematics	4	Math Placement Test score of 7 or higher or MATH103 (C or better)		This course is designed to strengthen and increase the understanding of basic algebraic concepts before a student undertakes advanced study in mathematics. Topics include algebra of the real numbers, algebraic, exponential, and logarithmic functions and their graphs, systems of equations, inequalities, and absolute value.
MATH121	Discrete Mathematics	Science, Technology, Engineering & Mathematics	Mathematics	3	MATH140 (C or better) or Permission of the Department of Science, Technology, Engineering & Mathematics		This course enables students to strengthen and increase the understanding of discrete mathematics with special emphasis on computer science applications. Topics include sets, number systems, the nature of proof, formal logic, functions and relations, combinatorics, recurrence relations, trees and Boolean algebra.
MATH122	Trigonometry and Analytic Geometry	Science, Technology, Engineering & Mathematics	Mathematics	3	Math Placement Test score of 8 or higher or MATH120 (C or better)		Topics in this course include right triangle trigonometry, trigonometric functions and their inverses, identities, equations, solutions of oblique triangles, complex numbers, and analytic geometry.
MATH125	Precalculus Mathematics	Science, Technology, Engineering & Mathematics	Mathematics	4	MATH Placement Test score of 9, or MATH122 (C or better), or MATH120 (C or better) and High School Trigonometry		This course introduces the foundations of analysis designed to precede the calculus sequence with emphasis on functions and graphs. Topics include properties of absolute value, polynomial, rational, exponential, logarithmic and trigonometric functions, techniques for solving equations and inequalities, and an introduction to the concept of limits and the difference quotient.
MATH140	Calculus I	Science, Technology, Engineering & Mathematics	Mathematics	4	Math Placement Test score of 11 or MATH125 (C or better)	MGMT100	This is the first course in the calculus sequence for physical science, business, computer science, mathematics and engineering students. Topics include: limits, the rate of change of a function, derivatives of algebraic and trigonometric functions, applications of derivatives, integration, and applications of the definite integral.
MATH140H	Calculus I (Honors Section)	Science, Technology, Engineering & Mathematics	Mathematics	4	Math Placement Test score of 11 or MATH125 (C or better); admission to the		This is the first course in the calculus sequence for physical science, business, computer science, mathematics and engineering students. Topics include: limits, the rate of change of a function, derivatives of algebraic and trigonometric

					Honors@Bucks program		functions, applications of derivatives, integration, and applications of the definite integral.
MATH141	Calculus II	Science, Technology, Engineering & Mathematics	Mathematics	4	MATH140 (C or better)		This course is a continuation of Math 140. Topics include differentiation and integration of transcendental functions, indeterminate forms, methods of integration, improper integrals, infinite series, parametric equations, and polar coordinates.
MATH215	Elementary Statistics II	Science, Technology, Engineering & Mathematics	Mathematics	3	MATH115 (C or better)		This course is a continuation of MATH115 and is designed primarily for business, economics, and management students. Topics include decision-making procedures in business and related fields that include ANOVA, simple and multiple regression, correlation, time series, forecasting, index numbers, total quality management, and nonparametric methods.
MATH242	Calculus III	Science, Technology, Engineering & Mathematics	Mathematics	4	MATH141 (C or better)		This course is a continuation of Math 141. Topics for this course include: vectors and solid analytic geometry, surfaces, partial and directional derivatives, Lagrange multipliers, multiple integrals, cylindrical and spherical coordinates, line and surface integrals, Green's Theorem, Stokes' Theorem, and the Divergence Theorem.
MATH250	Differential Equations	Science, Technology, Engineering & Mathematics	Mathematics	3	MATH141 (C or better)		Topics for this course include first order and higher order ordinary differential equations; linear differential equations with constant coefficients; differential operators, non-homogenous differential equations and their solutions, special techniques for solving ordinary differential equations, and Laplace transforms.
MATH260	Linear Algebra	Science, Technology, Engineering & Mathematics	Mathematics	3	MATH140 (C or better)		Topics for this course include: vector spaces, linear transformations, matrix algebra, change of bases, similarity, diagonalization, eigenvalues and vectors; with application to solutions of systems of linear equations, linear programming, Leontief models, Markov chains, codes, and quadratic forms.
MDLB101	Introduction to Medical Laboratory Technician	Health Sciences	Medical Laboratory	3	Admission to Medical Laboratory Technician Program		This course introduces the medical laboratory technician student to the laboratory setting. Students gain an appreciation for the daily functions, safety regulations, and ethical standards of a professional laboratory technician. This course also includes hands-on laboratory experience in Phlebotomy, Urinalysis, and Analysis of Body Fluids.

MDLB201	Immunology	Health Sciences	Medical Laboratory	3	MDLB101 (C or better)	MDLB205, MDLB210, MDLB215	Students learn the organization, activation and diseases of the immune system with emphasis on the central concept of antigen-antibody reactions. Students devote laboratory time to performing various techniques used to detect diseases involving the immune system.
MDLB205	Immunohematology: Blood Bank	Health Sciences	Medical Laboratory	4	MDLB101 (C or better)	MDLB201, MDLB210, MDLB215	Students focus on the theory of antigen-antibody reactions, genetics of blood group inheritance, and the concept of donor/patient compatibility. In the laboratory, students devote time to quality control, compatibility testing, patient antibody identification, and blood component therapy.
MDLB210	Diagnostic Microbiology	Health Sciences	Medical Laboratory	4	MDLB101 (C or better)	MDLB201, MDLB205, MDLB215	Students identify medically important microorganisms using a wide variety of clinical techniques. Included in discussions are susceptibility studies and the correlation of the presence of microorganisms to health and disease.
MDLB215	Clinical Chemistry	Health Sciences	Medical Laboratory	4	MDLB101 (C or better)	MDLB201, MDLB205, MDLB210	Students learn physiologic theory of routinely tested analytes. In the laboratory, students devote time to instrumentation, quality control, and statistics used in the quality assurance plan. Students learn the relationship of blood chemistry results to normal and disease states.
MDLB220	Hematology	Health Sciences	Medical Laboratory	4	MDLB201 (C or better), MDLB205 (C or better), MDLB210 (C or better), MDLB215 (C or better)	MDLB225	Students learn cell morphology, hemostasis, and the principles of automated instrumentation used in the hematology and coagulation laboratories. In the laboratory, students devote time to cell identification, instrumentation, and correlation of hematology and coagulation results with disease states.
MDLB225	MLT Seminar	Health Sciences	Medical Laboratory	3	MDLB201 (C or better), MDLB205 (C or better), MLDB210 (C or better), MDLB215 (C or better)	MDLB220	Students participate in a comprehensive review to plan for the National Certification Examination. They develop and deliver a case study, write resumes, attend mock interviews in order to demonstrate competency as an entry-level Medical Laboratory Technician.
MDLB230	Medical Lab Clinical I	Health Sciences	Medical Laboratory	2	MDLB201 (C or better), MDLB205 (C or better), MLDB210 (C or better), MDLB215 (C or better), and MDLB220 (C or better)	MDLB225	This course introduces the Medical Laboratory student to the Clinical Laboratory setting. Student clinical work occurs in the assigned applicable departments of the Laboratory—Hematology, Clinical Chemistry, Microbiology, or the Blood Bank (Immunohematology). Preceptors closely supervise student clinical work.
MDLB235	Medical Lab Clinical II	Health Sciences	Medical Laboratory	2	MDLB220 (C or better), MDLB225 (C or better),		Medical Laboratory students apply theory and classroom materials to the clinical laboratory setting. Students participate in the supervised

					MDLB230 (C or better)		clinical setting while developing the skills of an entry-level laboratory professional.
MEDA120	Medical Terminology	Health Sciences	Medical Assisting	3	None		This is an introductory course in medical terminology. The course focuses on accurate spelling and pronunciation of terms and building knowledge of basic medical vocabulary with an emphasis on prefixes, suffixes, roots, and combining vowels. Anatomical, physiological, and pathological terminology are covered. Terminology related to the body systems is discussed.
MEDA140	College Keyboarding and Document Processing	Health Sciences	Office Administration	3	None		Students use computers to learn the touch method of keyboarding and the basic features of Microsoft Word to produce letters, tables, reports and memos. Eligibility for exemption determined by placement test.
MEDA200	Clinical Procedures I	Health Sciences	Medical Assisting	3	MEDA120 (C or better) or BIOL115 (C or better)		This course is designed to give the medical assistant student knowledge and practice in skills needed in a medical office. Topics include managing the clinical environment, patient teaching, obtaining a medical history and vital signs, assisting with examinations, sterilizing equipment, assisting with minor office surgery, and understanding diet and nutrition.
MEDA201	Clinical Procedures II	Health Sciences	Medical Assisting	3	MEDA200 or	MEDA200	This course offers the student knowledge and practice in medical assisting skills required in a medical office. Pharmacology, medication administration, and principles of medical assisting in specialized areas of medicine are the main focus.
MEDA203	Laboratory Procedures	Health Sciences	Medical Assisting	3	MEDA120 (C or better) or BIOL115 (C or better)		This course is a laboratory introduction to microscopic and chemical analysis of blood and urine as performed in the physician's office. Basic procedures for diagnostic tests, including the handling and preservation of specimens, urinalysis, and capillary and venous blood withdrawal are performed.
MEDA204	Phlebotomy Procedures and Techniques	Health Sciences	Medical Assisting	4	BIOL115 or MEDA120 or	BIOL115 or MEDA120	This course provides skill development in the performance of blood collection using proper techniques and standard precautions. Topics include phlebotomy equipment and procedures for collecting venipuncture and capillary specimens. Emphasis is on patient identification, safety, preanalytic variables, infection control and specimen handling.

MEDA205	Medical Law and Ethics	Health Sciences	Medical Assisting	3	None		This course is an introduction to the concepts of medical law and ethics for health care practitioners. Topics including criminal and civil acts, contracts, negligence, and ethical concepts as they relate to the medical profession. Managed care, HIPAA, and other health care legislative rulings are discussed.
MEDA215	Medical Administrative Procedures	Health Sciences	Medical Assisting	3	MEDA140 or	MEDA140	This course examines the role and function of the medical professional. Topics including patient education, compliance with HIPAA, and relationships with health care providers are covered. Students are introduced to the latest in financial procedures, financial management concepts, and communication technology and skills essential in preparing them for today's job market.
MEDA216	Medical Insurance, Billing and Reimbursement	Health Sciences	Medical Assisting	3	MEDA140 or	MEDA140	This course covers advanced medical administrative procedures using billing software. Topics including maintaining files, entering patient data, inputting insurance, posting transactions, generating reports, and scheduling appointments are covered.
MEDA220	Medical Assistant Externship	Health Sciences	Medical Assisting	4	Completion of all courses in the medical assisting program with a grade of C or better and permission of the Department of Health Sciences		The course prepares students to work in a medical office assisting physicians and office personnel by performing assigned duties in both administrative and clinical procedures. The work experience is supported by knowledge and skills gained in pre-requisite courses, site liaison feedback, and externship instructor site visits.
MEDA280	Medical Administrative Specialist Externship	Health Sciences	Medical Assisting	4	Completion of all courses in the Medical Administrative Specialist Program with a grade of C or better and permission of the Department of Health Sciences		The course prepares students to work in a medical office assisting physicians and office personnel by performing assigned administrative duties. The work experience is supported by knowledge and skills gained in pre-requisite courses, site liaison feedback, and externship instructor site visits.
MEDA287	Phlebotomy Externship	Health Sciences	Medical Assisting	3	Completion of all courses in the Phlebotomy Certificate program with a C or better and permission of the Department of Health Sciences		Students participate in an on-the-job experience in an affiliated healthcare facility perfecting venipuncture skills and perform a minimum of 100 successful venipunctures under supervision. Students are evaluated for technical proficiency and professionalism by the supervisor using criteria established by the coordinator in conjunction with the healthcare facility standards of performance.

MGMT100	Introduction to Business	Business + Innovation	Management	3	None		This course examines the social, legal, ethical, economic and political interactions of business and society in the United States and internationally. Business and non-business majors learn about the relationship and impact of business to society in which they are citizens, consumers, and producers.
MGMT100H	Introduction to Business (Honors section)	Business + Innovation	Management	3	Admission to the Honors@Bucks program		This course examines the social, legal, ethical, economic and political interactions of business and society in the United States and internationally. Business and non-business majors learn about the relationship and impact of business to society in which they are citizens, consumers, and producers.
MGMT100P	Introduction to Business (Paired Section)	Business + Innovation	Management	3	None		This course examines the social, legal, ethical, economic and political interactions of business and society in the United States and internationally. Business and non-business majors learn about the relationship and impact of business to society in which they are citizens, consumers, and producers.
MGMT110	Small Business Management	Business + Innovation	Management	3	None		This course reviews considerations in establishing and managing a small business venture in today's complex business environment. It promotes application of the entrepreneurial mindset to issues of management, operations and control. Also reviewed are legal forms of ownership, financial planning and resources, ethical issues, and the importance of social responsibility.
MGMT120	Business Mathematics	Business + Innovation	Management	3	Math Placement Test score of 5 or better or MATH095 (C or better)		This course applies students' interpretation of basic mathematical concepts to common business usage covering such topics as percentages, interest, trade, bank and cash discounts, payroll, time value of money, and business loans.
MGMT122	Introduction to Business Analytics	Business + Innovation	Management	3	MGMT100 or	MGMT100	This course is an introduction to business analytics including the fundamental concepts and tools needed to understand how organizations can make better-informed business decisions. Topics include various industries using data analysis and related professional roles. Emphasis is placed on applications, concepts, and the interpretations and communication of results.
MGMT130	Business Law	Business + Innovation	Management	3	None		This course examines the fundamentals of Business Law, the legal process and environment within which individuals and business operate, and the relationship of law, business, and the individual. Topics include the basic elements of a contract, the Uniform Commercial Code, and provision on sales and negotiable instruments.

MGMT135	Business Communication (formerly OADM110)	Business + Innovation	Management	3	Writing Placement score of 6 or better or COMP107 (C or better)		The strategies and techniques of writing letters, memos, and reports are emphasized. Students will develop and refine these skills through assignments that include positive letters, negative letters, and other types of business messages. An analytical business report is assigned to apply principles for writing a business research report.
MGMT140	Supervision	Business + Innovation	Management	3	None		This course investigates the roles and functions of the first-level supervisor in industrial, business, and institutional settings, both profit and non-profit. It reviews supervisory practices that relate directly to general issues and problems of managers at the first level and emphasizes the management of human relations from a supervisory perspective.
MGMT145	Negotiation and Conflict Resolution	Business + Innovation	Management	3	None		This course introduces students to negotiation and conflict resolution in a variety of settings. Students develop a foundational understanding of conflict theory, followed by negotiation and dispute resolution. This course is designed to enhance students' negotiation/conflict resolution skills through various exercises, activities, role plays, and self-assessments.
MGMT155	Introduction to Entrepreneurship	Business + Innovation	Management	3	None		This course focuses on understanding basic entrepreneurial concepts, the entrepreneurial mindset, and developing entrepreneurial skills through hands-on learning. The course emphasizes the entrepreneurial process and the application of this process to a broad range of business contexts. The course also addresses creativity, securing resources, team building, communication, and leadership.
MGMT160	Insurance and Risk Management	Business + Innovation	Management	3	None		The course covers the risks that are faced by an individual or firm and the various methods for their treatment. Methods of treatment include, but are not limited to, insurance, loss prevention, suretyship, simple retention, and self-insurance. Topics include personal and business insurance.
MGMT175	Professional Development (formerly OADM190)	Business + Innovation	Management	3	None		Students study the various factors that contribute to successful professional growth and development with emphasis on business ethics, business and professional etiquette, presentation skills, human relations, international business customs, and the job search and interview process. Each student develops a professional growth plan.

MGMT180	Legal Environment of Business	Business + Innovation	Management	3	None		This course examines the various classifications of the law and the rights and responsibilities imposed on the business community by our legal system. It introduces students to the evolutionary process of the legal system and its impact on the individual, business environment, and upon society as a whole.
MGMT190	Introduction to Finance	Business + Innovation	Management	3	Reading Placement Test score Level 3		This course focuses on a firm's financial goals and decisions to maximize shareholders' wealth. It examines financial concepts and analytical techniques, financial performance, time value of money, measurement of risk and return, capital budgeting, capital structure, short-term financial planning, working capital management, and international finance.
MGMT200	Organizational Behavior	Business + Innovation	Management	3	MGMT100 (C or better) or MGMT110 (C or better) or Permission of the Department of Business + Innovation		This course examines the nature of individual and group employee behavior in a work environment and how it affects organizational performance. Psychological principles explain how and why people act as they do. It includes an emphasis on the use of theories as conceptual tools for analyzing and solving personnel problems.
MGMT220	Production and Operations Management	Business + Innovation	Management	3	MGMT100 or MGMT110 or permission of the Department of Business + Innovation		This course reviews the management of operations in manufacturing, service, and government organizations. Topics include a review of the activities and responsibilities of operations management, the tools and techniques available to assist in running the operation, and the factors considered in the design of the system.
MGMT230	Principles of Management	Business + Innovation	Management	3	MGMT100 (C or better) or MGMT110 (C or better) or Permission of the Department of Business + Innovation		This course presents the principles, techniques, and concepts needed for managerial analysis and decision-making. It highlights the effective management of planning, organizing, influencing, and controlling related to the internal and external environment and issues of ethics and social responsibility. It emphasizes a variety of communication skills.
MGMT250	Human Resource Management	Business + Innovation	Management	3	MGMT100 (C or better) or MGMT110 (C or better) or Permission of the Department of Business + Innovation		This course examines the policies and practices used by human resource management staff to build and maintain an effective work force. Topics include human resource planning, job analysis, recruitment, selection, performance appraisal, manpower development, compensation, and labor relations.

MGMT280	Management Internship	Business + Innovation	Management	3	24 college credits, a GPA of 2.5 earned in courses by the Department of Business + Innovation and permission of the Department of Business + Innovation		Students participate in an on-the-job experience and observation in a field directly related to their academic preparation and career objectives in business management. Students review actual experience and observation in the light of theory and skills learned academically with a College Coordinator.
MKTG110	Selling	Business + Innovation	Marketing	3	None		This course evaluates selling as a component of the marketing mix. Students examine effective selling, steps in the selling process, and the application of entrepreneurial mindset to the selling process. Topics include an analysis of consumers, motivation and communications, handling objections, closing techniques, and the role of the salesperson.
MKTG112	Customer Experience	Business + Innovation	Marketing	3	None		This course examines current trends in innovative customer service and guest experiences. Topics include Implementation strategies, acting on customer requests and complaints, practicing service skills, and learning to empower employees by understanding the entrepreneurial mindset of turning challenges into opportunities to create value for the customer.
MKTG135	Retail Management	Business + Innovation	Marketing	3	None		This course examines the overall organizational structure and relationships within a retail organization. It emphasizes sales supporting (non-merchandising) functions and current trends. It includes single-unit and multi-unit structures, receiving, marking, stock, warehousing, delivery, wrapping-packing, adjustments, credit, accounts payable, audit, security, workrooms, and personnel.
MKTG140	Retailing Merchandising	Business + Innovation	Marketing	3	None		This course examines planning and organizing for buying in the retail merchandising environment. Topics include elements related to when, what, and how much to buy. This course also covers pricing, developing resources and inventory, promotional planning and controls, and supervision of sales and supporting staffs.
MKTG200	Advertising	Business + Innovation	Marketing	3	None		This course studies advertising theory, design, functions, principles, and procedures. It emphasizes the utilization of various media, along with the overall advertising campaign strategy based on creative problem solving. Topics include creative promotional activities, particularly as they help to integrate advertising into the marketing program.

MKTG215	Principles of Marketing (formerly MKTG100)	Business + Innovation	Marketing	3	MGMT100 (C or better) or MGMT110 (C or better) or Permission of the Department of Business + Innovation		This course examines the major elements in the marketing mix, including product planning, pricing, channel and logistics of dispersion, and promotion. It reviews consumer demand, as well as principles, functions, and the basic problems and opportunities that exist in the world of marketing.
MKTG220	Digital Marketing	Business + Innovation	Marketing	3	None		This course examines the basic principles and concepts underlying the use of digital information and communication technology by organizations and consumers. It reviews critical success factors and best practices central to the effectiveness of digital tools and social media.
MKTG230	Social Media Marketing	Business + Innovation	Marketing	3	None		This course explores social media marketing principles and best practices for using social media for business, reputation management, and online community building. Students analyze current social networking sites, learning how to use social media to create meaningful relationships with customers, clients, and colleagues. The relevant legal/ethical ramifications are studied.
MKTG280	Marketing Internship	Business + Innovation	Marketing	3	24 college credits, a GPA of 2.5 earned in courses by the Department of Business + Innovation or permission of the Department of Business + Innovation		Students participate in an on-the-job experience and observation in a field directly related to their academic preparation and career objectives in marketing/retail. Students periodically review actual experience and observation in the light of theory and skills learned academically with a College Coordinator.
MUSC100	Music Fundamentals	Arts	Music	3	None		Music Fundamentals introduces basic musical concepts, develops rudimentary skills in musicianship, and functions as a precursor to the study of music theory and ear training.
MUSC101	Introduction to Music	Arts	Music	3	Writing Placement Test score of 6 or COMP107 (C or better)		This course is a listening-based survey of Western art music from Gregorian chant to the present, including a study of basic acoustics and musical notation. Subject matter includes representative composers, their lives, times, and works, as well as musical instruments, styles, genres, and forms presented in an historical context.

MUSC103	World Music	Arts	Music	3	Writing Placement Test score of 6 or COMP107 (C or better)		Beginning with a preliminary study of music fundamentals and an overview of societal contexts of music and musicians, this listening-oriented survey of traditional and popular music from around the world employs the ethnomusicological approach to explore the diverse musical heritages of Africa, Asia, the Americas, and the Middle East.
MUSC105	American Music	Arts	Music	3	Writing Placement Test score of 6 or COMP107 (C or better)		This course is a listening-based survey of American music from Colonial times to the present, including a study of basic acoustics and musical notation. Subject matter includes representative American composers, their lives, times, and works, as well as musical instruments, styles, genres, and forms presented in an historical context.
MUSC106	History of Jazz	Arts	Music	3	Writing Placement Test score of 6 or COMP107 (C or better)		This course surveys the development of jazz from its origins to the present time, investigates representative composers, and examines the musical characteristics, compositional practices, and instrumental/vocal techniques associated with ragtime, blues, bebop, swing, progressive, and other styles.
MUSC107	American Pop Culture: History of Rock	Arts	Music	3	None		This course focuses on American popular culture through the lens of rock-n-roll music, including rock's roots, influences, and impact on popular culture. Students experience the subtleties, power, and excitement of the music.
MUSC111	Music Theory I	Arts	Music	3	By qualifying exam or	MUSC115	Music Theory I explores elements of diatonic harmony (including triads, chord progressions, cadences, and part-writing principles). This course, intended for music majors, must be taken in conjunction with MUSC115 Ear Training I.
MUSC112	Music Theory II	Arts	Music	3	MUSC111 (C or better) and by qualifying exam	MUSC116	Music Theory II explores elements of diatonic harmony (including qualities and inversions of triads and seventh chords, non-harmonic tones, and modulation to closely related keys). A continuation of Music Theory I and intended for music majors, MUSC112 must be taken in conjunction with MUSC116 Ear Training II.
MUSC115	Ear Training I	Arts	Music	3	By qualifying exam or	MUSC111	Ear Training I applies the aural skills of sight-singing, rhythmic, melodic, and harmonic dictation in diatonic relationships (including triads, chord progressions and cadences). This course, intended for music majors, must be taken in conjunction with MUSC111 Music Theory I.

MUSC116	Ear Training II	Arts	Music	3	MUSC115 (C or better) and by qualifying exam	MUSC112	MUSC116 applies sight-singing and dictation to diatonic relationships (including qualities and inversions of triads and seventh chords, non-harmonic tones and modulation to closely related keys). A continuation of Ear Training I and intended for music majors, MUSC116 must be taken in conjunction with MUSC112 Music Theory II.
MUSC124	Music Technology	Arts	Music	3	None		Following a general historical survey of MIDI (Musical Instrument Digital Interface) technology, this course examines entry, transmission, and editing of MIDI data, and its musical notation via industry standard software and hardware. Students apply music technology in creative projects ranging from song writing to film scoring to studio preproduction.
MUSC129	Digital Recording Technology	Arts	Music	3	None		In this studio course students utilize a hands-on approach in applying principles and techniques of studio configuration, microphone placement, digital recording, digital signal processing, editing digital audio, and mixing.
MUSC201	Music Styles and Literature: Music before 1750	Arts	Music	3	MUSC112 (C or better)		This course is an historical and analytical study of Western music of the Medieval, Renaissance, and Baroque Periods. Students explore lives and works of prominent composers in an historical context while examining representative forms, styles, genres, and compositional techniques of the respective musical eras in both written and aural contexts.
MUSC202	Music Styles and Literature: Music after 1750	Arts	Music	3	MUSC112 (C or better)		This course is an historical and analytical study of Western music of the Classical, Romantic, and Modern Periods. Students explore lives and works of prominent composers in an historic context, while examining representative forms, styles, genres, and compositional techniques of the respective musical eras in both written and aural contexts.
MUSC211	Music Theory III	Arts	Music	3	MUSC112 (C or better) and by qualifying exam or	MUSC215	Music Theory III explores Eighteenth and Nineteenth Century chromaticism (including secondary dominants, primary, secondary, and double mixture, Neapolitan chords, and related chromatically altered sonorities). A continuation of Music Theory II and intended for music majors, MUSC211 must be taken in conjunction with MUSC215 Ear Training III.

MUSC212	Music Theory IV	Arts	Music	3	MUSC211 (C or better) or by Departmental placement exam or	MUSC216	Music Theory IV explores Eighteenth- and Nineteenth-Century chromaticism (including secondary dominants, primary, secondary, and double mixture, Neapolitan chords, and augmented sixth chords), Twentieth-Century techniques. Students analyze stylistically representative repertoire.
MUSC215	Ear Training III	Arts	Music	3	MUSC116 (C or better) and by qualifying exam or	MUSC211	Ear Training III applies sight-singing and dictation to chromatic tonal relationships (including modal mixture and secondary dominants). A continuation of Ear Training II and intended for music majors, MUSC215, must be taken in conjunction with MUSC211 Music Theory III.
MUSC216	Ear Training IV	Arts	Music	3	MUSC215 (C or better) or by Departmental placement exam	MUSC212	Ear Training IV applies sight-singing and dictation to chromatic tonal relationships (including secondary dominants, modal mixture, Neapolitan and augmented sixth chords), modes, and non-diatonic scales (pentatonic, octatonic, and whole tone).
MUSE101	Concert Choir (formerly MUSA101)	Arts	Music	1	Audition Required		Concert Choir is a mixed vocal ensemble that prepares stylistically diverse musical repertoire for one or more public performances each semester. It is open to all students.
MUSE115	Jazz Orchestra (formerly MUSA115)	Arts	Music	1	Audition Required		Jazz Orchestra is an instrumental jazz ensemble (big band) that prepares diverse musical repertoire for one or more public performances each semester. It is open to all students.
MUSE140	Percussion Ensemble	Arts	Music	1	Audition Required		Percussion Ensemble provides students opportunity to study the full-range of pitched and non-pitched percussion instruments in a group setting. The ensemble performs percussion music of varied historical, cultural, and stylistic backgrounds and genres.
MUSE151	Chamber Ensemble: Classical	Arts	Music	1	Audition		This course addresses the unique dynamic of small group performance in the Classical idiom and provides students with a venue for rehearsing and performing the wealth of repertoire specifically composed for Classical chamber ensembles.
MUSE155	Chamber Ensemble: Jazz	Arts	Music	1	Audition		This course addresses the unique dynamic of small group performance in the Jazz idiom and provides students with a venue for rehearsing and performing the wealth of repertoire specifically composed for Jazz chamber ensembles.
MUSE201	Madrigal Singers	Arts	Music	1	Audition		Madrigal Singers is a select vocal ensemble that specializes in the performance of advanced repertoire representing diverse historical, cultural, and stylistic backgrounds and genres.

MUSG165	Group Instruction in Piano Level I (Formerly MUSA165)	Arts	Music	1	None		This course offers group instruction in piano and introduces fundamental concepts of music reading. Students practice proper fingering and hand position in the contexts of sight-reading, performance of elementary repertoire, and execution of scales and simple chord progressions.
MUSG185	Group Instruction in Ukulele	Arts	Music	1	None		This course offers group instruction in ukulele and introduces the reading of standard notation. Students practice right and left hand techniques, including strumming/plectrum and finger styles as applied to scales and melodies, provide primary chord accompaniment for melodies an perform simple works for solo ukulele.
MUSL100	Preparatory Lessons	Arts	Music	1	Audition, Departmental Placement Exam, Enrollment in Music Transfer Major (curriculum code: 1019) and permission of the Arts Department		MUSL100 is private applied instruction at the Preparatory Lesson level. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their chosen area of emphasis.
MUSL101	Secondary Lessons	Arts	Music	1	Audition, Departmental Placement Exam, Enrollment in Music Transfer major (curriculum code: 1019) and permission of the Arts Department		MUSL101 is private applied instruction at the Secondary Lesson level. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their secondary area of emphasis.
MUSL110	Performance Class	Arts	Music	1	Permission of the Arts Department and current enrollment in Program of Study (1019) - Music or		Students of the same applied instrument perform solo repertoire from their lessons and develop critical listening skills by evaluating the performances of their peers.
MUSL111	Principal Lesson I	Arts	Music	2	For non-music majors - permission of the Arts Department. For Music majors only: Audition and enrollment in Music Transfer Major (curriculum code: 1019)	For Music majors only: Students must be registered in both Music Theory and Ear Training course sequences and an MUSE	Students receive private applied instruction on the student's principle instrument. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their chosen area of emphasis.

						music ensemble course.	
MUSL112	Principal Lesson II	Arts	Music	2	For non-music majors - permission of the Arts Department. For Music majors only: MUSC111, Audition, and enrollment in Music Transfer Major (curriculum code: 1019)	For Music majors only: Students must be registered in both Music Theory and Ear Training course sequences and an MUSE music ensemble course.	Students receive private applied instruction on the student's principle instrument. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their chosen area of emphasis.
MUSL211	Principal Lesson III	Arts	Music	2	For non-music majors - permission of the Arts Department. For Music majors only: MUSC112, Audition, and enrollment in Music Transfer Major (curriculum code: 1019)	For Music majors only: Students must be registered in both Music Theory and Ear Training course sequences and an MUSE music ensemble course.	Students receive private applied instruction on the student's principle instrument. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their chosen area of emphasis.
MUSL212	Principal Lesson IV	Arts	Music	2	For non-music majors - permission of the Arts Department. For Music majors only: MUSC211, Audition, and enrollment in Music Transfer Major (curriculum code: 1019)	For Music majors only: Students must be registered in both Music Theory and Ear Training course sequences and an MUSE music ensemble course.	Students receive private applied instruction on the student's principle instrument. Students develop technical competency, learn representative musical repertoire, and advance performance skills in their chosen area of emphasis.

NANO211	Material, Safety and Equipment Overview	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks County Community College may be contacted at (215) 968-8305 for additional information.
NANO212	Basic Nanofabrication Processes	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks County Community College may be contacted at (215) 968-8305 for additional information.
NANO213	Materials in Nanotechnology	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks County Community College may be contacted at (215) 968-8305 for additional information.
NANO214	Lithography for Nanofabrication	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks County Community College may be contacted at (215) 968-8305 for additional information.
NANO215	Materials Modification in Nanofabrication	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks County Community College may be contacted at (215) 968-8305 for additional information.
NANO216	Characterization, Packaging, and Testing of Nanofabrication Structures	Science, Technology, Engineering & Mathematics	Nanofabrication Technology	3			This three credit course is part of a six course, eighteen credit, Nanofabrication Manufacturing Technology (NMT) capstone program taught at Penn State University. The Dean of the Science, Technology, Engineering & Mathematics Department located in Founders 112 at Bucks

							County Community College may be contacted at (215) 968-8305 for additional information.
NEUR121	Fundamentals of Neuroscience	Science, Technology, Engineering & Mathematics	Neuroscience	4	CHEM121 (C or better) or permission of the Science, Technology, Engineering, and Mathematics Department		This course introduces students to the structure and function of the nervous system and the neural foundations of behavior. Topics include cellular components of the nervous system; neuroanatomy; neurophysiology; chemical signaling and neuropharmacology; brain development; behavioral genetics; and the neurobiology of movement, perception, homeostasis, emotion, learning, memory, and cognition.
NEUR122	Clinical Neuroscience	Science, Technology, Engineering & Mathematics	Neuroscience	3	NEUR121 (C or better)		This course examines the neurobiological basis of brain disorders across the lifespan, from disorders that typically present in childhood, such as autism, to degenerative conditions of old age, such as Alzheimer's disease. Students learn about diagnostic techniques and current treatments for brain disorders.
NURS101	Nursing I	Health Sciences	Nursing	6	Must meet Admission criteria. CHEM101 and BIOL181 and COMP110 or	CHEM101 and BIOL181 and COMP110	In Nursing I, students learn the cognitive, psychomotor, and communication skills associated with nursing that recognizes the needs of culturally diverse individuals in a healthy state. The nursing process is introduced. Students use current technology to analyze and integrate data.
NURS102	Nursing II	Health Sciences	Nursing	6	NURS101 (C or better) or Permission of the Department of Health Sciences and BIOL182 and BIOL228, and HLTH120N or	BIOL182 and BIOL228 and HLTH120N	In Nursing II, students learn the nursing care of various age individuals who have alterations in their needs. Providing care to individuals with potentially ineffective responses is emphasized, and ineffective responses are introduced. Students use current technology to analyze and integrate data.
NURS120	Drug Calculations and their Implications	Health Sciences	Nursing	1	Nursing major or RN or LPN license. Math Placement Test score of 3 or higher.		This course is designed for nursing students and for nurses returning to practice. Drug calculations, intravenous solutions, and their implications will be covered.
NURS121	Pharmacology in Nursing	Health Sciences	Nursing	3	NURS101 (C or better) or RN or LPN license		This course discusses commonly used medications and their nursing implications. Related issues in gerontology, pediatrics, ethical concerns, and legal implications are integrated throughout the course.

NURS201	Nursing III	Health Sciences	Nursing	9	NURS102 (C or better) or Permission of the Department of Health Sciences, and PSYC110 and SOCI110 and COMP111 or	PSYC110 and SOCI110 and COMP111	Nursing III students care for individuals who have alterations in their functional health patterns with potentially ineffective responses. The nursing process is utilized to diagnose and treat the responses. Clinical experience is expanded to allow for increased student-patient interaction and practice settings. Students use current technology to analyze and integrate data.
NURS202	Nursing IV	Health Sciences	Nursing	9	NURS201 (C or better) or permission of the Department of Health Sciences, and COMM110 and Arts/Humanities elective or	COMM110 and Arts/Humanities elective	Nursing IV continues with the nursing care that assists individuals to respond to alterations in every functional health pattern and ineffective responses to each of those alterations, emphasizing the cognitive perceptual health pattern. Students care for patients and use current technology to analyze and integrate data.
NURS220	Nursing Health Assessment	Health Sciences	Nursing	3	BIOL182 (C or better)		This course provides theory and technical skills to perform health and physical assessment. The legal and ethical aspects of the examination and documentation will be included. This course may fill the pre-requisite requirement for Registered Nurses pursuing a Bachelor of Science in Nursing (BSN) degree.
PHIL105	Critical Thinking	Social & Behavioral Science	Philosophy	3	None		Students examine the nature of both formal and informal reasoning in order to think more clearly and avoid biases. In addition to studying informal fallacies, students learn basic patterns of deductive and non-deductive argument analysis. Examples from across disciplines help students apply critical thinking to all areas of inquiry.
PHIL111	Ethics	Social & Behavioral Science	Philosophy	3	None		A critical examination of the foundations of ethical theory; contributions of eminent philosophers of ethics are evaluated. The source material used consists of analytic studies from great religious thinkers and philosophers. Students learn to begin to formulate an intellectual basis for their own ethical behavior.
PHIL115	Philosophy of Religion East and West	Social & Behavioral Science	Philosophy	3	None		The nature and meaning of religion in different cultures is investigated and the major ideas of different religions are studied. Exploration and analysis of psychological, sociological, and anthropological implications of mystical, legalistic, and secular forms of religion.

PHIL125	Introduction to Philosophy	Social & Behavioral Science	Philosophy	3	None		An investigation of the basic themes in philosophy from around the world. Topics include the nature of existence, knowledge, and values. Readings are drawn from both ancient and contemporary sources. Students develop the ability to apply philosophical theories to their lives.
PHIL125H	Introduction to Philosophy (Honors section)	Social & Behavioral Science	Philosophy	3	Admission to the Honors@Bucks program		An investigation of the basic themes in philosophy from around the world. Topics include the nature of existence, knowledge, and values. Readings are drawn from both ancient and contemporary sources. Students develop the ability to apply philosophical theories to their lives.
PHIL140	Existentialism	Social & Behavioral Science	Philosophy	3	None		A study of an influential modern philosophical movement, including such philosophers and writers as Dostoevski, Kierkegaard, Nietzsche, Heidegger, Jaspers, Camus, Sartre, and Buber. Includes an analysis of the influence of this movement on contemporary deconstructionism and post modernism.
PHIL145	Aesthetics	Social & Behavioral Science	Philosophy	3	None		An examination of the major philosophical issues raised in connection with music, the visual arts, literature and poetry, craft, and contemporary media art. Topics include the concept of beauty, critical evaluation, artistic truth, and meaning in the arts. Traditional, as well as contemporary viewpoints will be addressed.
PHYS106	Physics A	Science, Technology, Engineering & Mathematics	Physics	4	MATH120 (C or better) or Math Placement Test score of 8 or higher		This lecture and laboratory course provides a non-calculus study of the fundamental laws and properties of matter, mechanics, heat, and sound. This course places emphasis on the mathematical solution of problems based on an understanding of the underlying physical phenomena.
PHYS107	Physics B	Science, Technology, Engineering & Mathematics	Physics	4	PHYS106 (C or better)		This lecture and laboratory course is a continuation of PHYS106. It is a non-calculus study of the fundamental laws and properties of electricity, magnetism, geometrical, and physical optics. This course places emphasis on the mathematical solution of problems based on an understanding of the underlying physical phenomena.
PHYS121	Physics I	Science, Technology, Engineering & Mathematics	Physics	4	MATH140 (C or better)		This lecture and laboratory course provides a rigorous introduction to classical physics designed specifically for engineering and science majors. Topics include: SI units, vector mathematics, kinematics, dynamics, work and energy, momentum, gravitation, rigid body dynamics, angular momentum, elastic properties of solids,

							fluid dynamics, vibrational dynamics, and mechanical waves.
PHYS122	Physics II	Science, Technology, Engineering & Mathematics	Physics	4	PHYS121 (C or better)		This lecture and laboratory course continues a rigorous introduction to classical physics designed specifically for engineering and science majors. Topics include: electric forces and fields, potential and potential energy, capacitors, direct current and transient circuits, magnetic forces and fields, electromagnetic induction, inductors, photons, geometric and physical optics.
POLI101	Political Science Internship	Social & Behavioral Science	Political Science	3	None		A hands-on opportunity to work in a legislative office thereby augmenting the political science classroom learning experience. Interaction with constituents and those in public office will heighten student understanding of the political process and the relationship of citizen and government.
POLI111	American National Government	Social & Behavioral Science	Political Science	3	None		An examination of the workings of American government at the national level. A consideration of who gets what, when, how, and why. An introduction to effective citizenship, suitable for all students.
POLI120	American State and Local Government	Social & Behavioral Science	Political Science	3	None		Students examine the problems, structure, and major functions of government at the state and local levels. Topics include political processes in the suburban, urban, and state political systems.
POLI212	International Relations	Social & Behavioral Science	Political Science	3	None		This course explores the field of international relations, focusing on topics such as geopolitics, diplomacy, crisis-solving techniques, ideology, nationalism, and international problem-solving.
PSYC100	Psychology of Personal Awareness	Social & Behavioral Science	Psychology	3	None		This course promotes personal growth and discovery by exploring psychological theories, concepts and methods through an entrepreneurship service learning experience. Students are required to take initiative, communicate effectively, put theory into action, and tap into yet undiscovered personal potential. Topics include personality theories, career development, wellness, interpersonal relationships and diversity.

PSYC105	Introduction to Group Dynamics	Social & Behavioral Science	Psychology	3	None		This course focuses on the communication behavior of individuals within group structures. Didactic and experiential techniques are used to explore the stages of group development, decision-making techniques, group problems and problem solving, resolution skills, norms, structures, leadership, authority, membership, ethics, cultural sensitivity, and the intra-and inter-personal dynamics within small groups.
PSYC110	Introduction to Psychology	Social & Behavioral Science	Psychology	3	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better)		Introduction to Psychology is the scientific study of the psychological factors which influence the behavior of individual organisms, both animal and human.
PSYC110H	Introduction to Psychology (Honors section)	Social & Behavioral Science	Psychology	3	Admission to the Honors@Bucks program		Introduction to Psychology is the scientific study of the psychological factors which influence the behavior of individual organisms, both animal and human.
PSYC110P	Introduction to Psychology (Paired Section)	Social & Behavioral Science	Psychology	3	COMP108 (C or better) or	Reading Placement Test score Level 2 and enrollment in a paired section of READ110	Introduction to Psychology is the scientific study of the psychological factors which influence the behavior of individual organisms, both animal and human.
PSYC120	Human Sexuality	Social & Behavioral Science	Psychology	3	None		This course seeks to foster healthy attitudes toward sexuality by providing knowledge and having discussions about the formation of sexual attitudes and myths, the physiology of human sexual systems, psychological aspects of sex roles, love and human sexuality, sexual minorities, and the legal aspects of sexuality.
PSYC125	Psychological Techniques of Stress Management	Social & Behavioral Science	Psychology	3	None		In this experiential course, the positive and negative consequences of stress are examined. Emphasizing the mind/body connection and encouraging holistic health in the students, both the physiological and psychological aspects of stress management are studied.
PSYC160	The Psychology of Addiction and Substance Abuse	Social & Behavioral Science	Psychology	3	PSYC100 (C or better) or PSYC110 (C or better)		This course analyzes the development, intervention, and treatment of drug abuse, alcoholism, and codependency. Family dysfunction and its results are examined, as well as specialized techniques in counseling. Various intervention strategies are discussed.

PSYC180	Human Growth and Development	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course is a survey of development and growth from conception through adolescence. The physical, emotional, intellectual, and social processes of maturation are examined. Emphasis is on the adjustment of the individual to his or her peer group, social institutions, the community, and the home.
PSYC181	Developmental Psychology - Lifespan	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course describes the intellectual, emotional, social, and physiological development of the human being. Development will be studied from conception through adulthood and aging.
PSYC190	Educational Psychology	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course surveys the nature of the learning process and application of the principles of psychology to the problems of learning and teaching. Individual differences, special problems of learning, and evaluation techniques are among the topics covered. Field experiences are provided to acquaint students with an authentic teaching-learning environment.
PSYC200	Social Psychology	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course emphasizes those findings and theories of psychology, which aid in the understanding of socially significant behavior. Areas of psychology are emphasized to the extent that they contribute to an understanding of human behavior on a social level.
PSYC215	Introductory Psychological Statistics	Social & Behavioral Science	Psychology	4	MATH115 (C or better) and PSYC110 (C or better)		This course includes exercises within the following areas: scales, graphic representations, central tendency and variability, probability, the normal distribution, standard scores, correlation, hypothesis testing, basic nonparametric techniques, analysis of variance, and basic experimental design. This course includes a two-hour weekly computer lab.
PSYC230	Neuroscience of Psychology	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course focuses on biological contributions to behavior. Instruction encompasses teachings regarding introduction to the structure and function of the nervous systems, as well as psychological topics, including but not limited to, emotions, stress, sleep, substance use and abuse, learning, memory, and psychological disorders.
PSYC270	Experimental Psychology	Social & Behavioral Science	Psychology	4	PSYC215 or	PSYC215	This course introduces the student to the basic principles of experimental design through a description of experimental investigations in various subject areas such as perception, learning, memory, and social psychology. It also focuses on the skill of scientific report writing and includes scheduled laboratory experiences.

PSYC280	Psychology of Abnormal Behavior	Social & Behavioral Science	Psychology	3	PSYC110 (C or better)		This course presents a summary of the field of abnormal behavior. It analyzes current theories which attempt to explain the development of personality and the cause of mental illness. Also discussed are diagnostic and therapeutic procedures and the techniques currently used.
PSYC285	Psychology Internship	Social & Behavioral Science	Psychology	3	Completion of 9 credits of PSYC courses including PSYC110 (C or better), GPA of 2.75 or higher, and permission of the department of Social & Behavioral Science		This course introduces students to fieldwork directly related to the students' academic preparation and career objectives. The major areas of focus include partaking in fieldwork, observing real-life situations of working professionals and their clients and comparing academic theory to fieldwork observations.
PUBS101	Introduction to Emergency Management	Business + Innovation	Emergency Management	3	None		This course introduces the student to the basic premises of emergency management including: prevention, mitigation, preparedness, response, and recovery. Students learn the concepts of whole community and all-hazards planning.
PUBS104	Crisis Management and Critical Incident Stress	Business + Innovation	Emergency Management	3	PUBS101 (C or better) or permission from the Business + Innovation Department		This course provides an effective foundation for leadership skills employed in a crisis or disaster situation. It focuses on the understanding of group behavior, psychological response to crisis, crisis communication, and conflict resolution. The underlying factors in the development and mitigation of critical incident stress are explored.
PUBS206	Business Continuity Management	Business + Innovation	Emergency Management	3	PUBS101 (C or better) or permission from the Business + Innovation Department and Writing Placement Score of 6 or COMP107 (C or better).	FRSC202	Students are introduced to the principles of business continuity management including identification of risks, threats, and vulnerabilities. Students learn how to conduct a business impact analysis and how to develop comprehensive continuity plans. Students learn techniques for developing and evaluating continuity programs.
PUBS207	Emergency Management Exercise Design	Business + Innovation	Emergency Management	3	PUBS206 (C or better)		This course prepares students to design, plan, conduct, and evaluate exercises to determine community preparedness. Students are introduced to the Homeland Security Exercise and Evaluation Program (HSEEP). Critical issues examined include: coordination, business recovery, damage assessment, hazard vulnerability analysis, risk management, and agency interaction.

PUBS212	Emergency Communications and Public Information	Business + Innovation	Emergency Management	3	PUBS206 (C or better) and FRSC202 (C or better)		This course introduces the student to the principles of emergency communication and public information. Students learn how to develop emergency communications, develop and issue warnings, effectively use social media, and provide public information at emergency incidents.
PUBS280	Emergency Management Internship	Business + Innovation	Emergency Management	3	Successful completion of at least twenty-one (21) credit hours in Emergency Management (PUBS), Fire Science (FRSC), and Management (MGMT) or permission of the Business + Innovation Department and a GPA of 2.5 earned at Bucks County Community College		Students conduct field work directly related to their academic preparation and career objectives. The major areas of focus include partaking in actual field work, observing real-life situations of the working professional and his/her clients, and comparing academic theory to field work observations.
RADI100	Introduction of Radiography	Health Sciences	Radiography	3	Admission to the radiography program.		RADI100 is an introduction to the hospital setting, radiology department, and the radiography school. The topics of patient care, including physical and psychological needs of the patient and family, routine and emergency patient care procedures, infection control, ethical principles and legal terminology are discussed.
RADI105	Radiographic Procedures I	Health Sciences	Radiography	3	Admission to the radiography program	RADI100, RADI110, RADI115, and RADI120	Radiographic Procedures I is designed to provide the knowledge base necessary to perform standard radiographic procedures of the chest, upper extremity and lower extremity. This course combines didactic coursework and laboratory simulation. The laboratory portion of the course provides the student opportunity to practice and demonstrate their proficiency.
RADI110	Image Production and Evaluation	Health Sciences	Radiography	3	Admission to the radiography program.	RADI100, RADI105, RADI115, and RADI120	This course is designed to provide a knowledge base of factors that influence the production and recording of radiologic images. Film, image production, and related accessories are discussed. Class demonstrations/labs are used to demonstrate the application of theory. A basis for analyzing radiographic images is provided.

RADI115	Radiation Physics	Health Sciences	Radiography	3	Admission to the radiography program	RADI100, RADI105, RADI110, and RADI120	This course provides basic knowledge of atomic structure and terminology. The concepts of electricity, magnetism, electromagnetic radiation, electric motors, rectification, and the x-ray tube are presented. The nature and characteristics of radiation, x-ray production, and photon interactions with matter are discussed.
RADI120	Clinical Experience I	Health Sciences	Radiography	2	Admission to the radiography program.	RADI100, RADI105, RADI110, and RADI115	Students will be assigned to clinical areas and attend clinical education for 16 hours per week. In the clinical setting, the student will demonstrate their knowledge in ethical situations, legal issues, evaluation of radiographic images and patient care situations.
RADI125	Radiographic Procedures II	Health Sciences	Radiography	3	RADI100 (B or better), RADI105 (B or better), RADI110 (B or better), RADI115 (B or better), and RADI120 (B or better)	RADI130, RADI135, and RADI140	Radiographic Procedures II provides the knowledge base necessary to perform standard radiographic procedures of the abdomen, spine, pelvic girdle, bony thorax and mobile studies. This course combines didactic coursework and laboratory simulation. The laboratory portion of the course gives the student opportunity to practice and demonstrate their proficiency.
RADI130	Radiation and Protection Biology	Health Sciences	Radiography	3	RADI100 (B or better), RADI105 (B or better), RADI110 (B or better), RADI115 (B or better), and RADI120 (B or better)	RADI125, RADI135, RADI140	This course provides the principles of radiation biology, including the interaction of radiation with living tissue and the methods used to protect the patient, radiographer, and others. An emphasis on the National Council on Radiation Protection dose limits, interpreting personnel dose reports and the types of radiation badges is discussed.
RADI135	Advanced Imaging I	Health Sciences	Radiography	3	RADI100 (B or better), RADI105 (B or better), RADI110 (B or better), RADI115 (B or better), and RADI120 (B or better).	RADI125, RADI130, and RADI140	This course provides the student with a detailed understanding of various radiographic imaging techniques, procedures, and equipment. Topics explored include: film, film intensification screens, and introduction to computers, digital radiography, mobile radiography, image intensification, fluoroscopy, and tomography.
RADI140	Clinical Experience II	Health Sciences	Radiography	2	RADI100 (B or better), RADI105 (B or better), RADI110 (B or better), RADI115 (B or better), and RADI120 (B or better).	RADI125, RADI130, and RADI135	Students are assigned to clinical areas and attend clinical education for 16 hours per week. In the clinical setting, the student demonstrate their knowledge in ethical situations, legal issues, evaluation of radiographic images and patient care situations.

RADI200	Clinical Experience III	Health Sciences	Radiography	3	RADI125 (B or better), RADI130 (B or better), RADI135 (B or better), and RADI140 (B or better)		Students are assigned to clinical areas and attend clinical education for 24 hours per week. In the clinical setting, the student demonstrate their knowledge in ethical situations, legal issues, evaluation of radiographic images and patient care situations.
RADI205	Radiographic Procedures III	Health Sciences	Radiography	3	RADI200 (B or better)	RADI21 and RADI215	Radiographic Procedures III is designed to provide the knowledge base necessary to perform radiographic procedures of the cranium, sinuses, facial bones, and contrast media studies. This course combines didactic coursework and laboratory simulation. The laboratory portion of the course gives the student opportunity to practice and demonstrate their proficiency.
RADI210	Advanced Imaging II	Health Sciences	Radiography	3	RADI200 (B or better)	RAD205 and RADI215	This course is a continuation of RADI135 and provides the student with a detailed understanding of various radiographic imaging techniques, procedures, and equipment. The major topics that are included are introduction to all modalities and introduction to cross-sectional anatomy.
RADI215	Clinical Experience IV	Health Sciences	Radiography	3	RADI200 (B or better)	RADI205 and RADI210	Students will be assigned to clinical areas and attend clinical education for 24 hours per week. In the clinical setting, the student will demonstrate their knowledge in ethical situations, legal issues, evaluation of radiographic images and patient care situations.
RADI220	Registry Review	Health Sciences	Radiography	2	RADI205 (B or better), RADI210 (B or better), and RADI215 (B or better)	RADI225, RADI230, and RADI235	This course is designed to provide a review of all previously studied radiography course work in preparation for the ARRT examination.
RADI225	Pathology	Health Sciences	Radiography	2	RADI205 (B or better), RADI210 (B or better), and RADI215 (B or better)	RADI220, RADI230, and RADI235	This course provides the student with an introduction to pathology related to medical-surgical diseases and injury. Diseases that are demonstrated using radiographic procedures are the primary focus. The various modalities used to demonstrate pathologies are also discussed.
RADI230	Quality Assurance	Health Sciences	Radiography	2	RADI205 (B or better), RADI210 (B or better), and RADI215 (B or better)	RADI220, RADI225, and RAD235	This course provides the student with the effective and corrective measures to ensure production of high quality radiographs. Applicable state, federal, and non-governmental regulations are also presented.
RADI235	Clinical Experience V	Health Sciences	Radiography	3	RADI205 (B or better), RADI210 (B or better), and RADI215 (B or better)	RADI220, RADI225, and RADI230	Students will be assigned to clinical areas and attend clinical education for 24 hours per week. In the clinical setting, the student will demonstrate their knowledge in ethical situations, legal issues,

							evaluation of radiographic images and patient care situations.
RADI300	Patient Care in Computed Tomography	Health Sciences	Radiography	3	Admission to the Computed Tomography program		This course provides the basic concepts of patient care as well as ethical and legal considerations, radiation protection and the responsibilities for protecting patients, public, and personnel. Students review basic concepts of venipuncture, administration of contrast and agents and discuss the appropriate delivery of patient care during contrast procedures.
RADI301	Patient Care in MRI	Health Sciences	Radiography	3	Admission to the MRI program		This course provides the basic concepts of patient care as well as ethical and legal considerations. The screening, safety and application protocols for MRI Imaging are discussed. Students review basic concepts of venipuncture, administration of contrast and agents and discuss the appropriate delivery of patient care during contrast procedures.
RADI305	Procedures in Computed Tomography	Health Sciences	Radiography	3	Admission to the Computed Tomography program		This course focuses on computed tomography examination preparation, patient positioning, contrast media usage, patient education and safety as they pertain to the field of computed tomography. The scanning parameters, radiation dose reduction and positioning are discussed. Students review computed tomography images for pathology, anatomy, and quality.
RADI306	Procedures in MRI	Health Sciences	Radiography	3	Admission to the MRI program		This course focuses on MRI examination preparation, patient positioning, protocol considerations, imaging planes, contrast media usage, patient education and safety as they pertain to the field of MRI. Students review MRI images for pathological considerations, quality, anatomy and physiology.
RADI310	Computed Tomography Practicum I	Health Sciences	Radiography	2	Admission to the Computed Tomography program		This course provides students with clinical education experience in computed tomography imaging and assists students in completing the American Registry of Radiologic Technologist' clinical education requirements for certification in computed tomography.
RADI311	MRI Clinical Practicum I	Health Sciences	Radiography	2	Admission to the MRI program		This course provides students with clinical education experience in magnetic resonance imaging and assists students in achieving competency with the American Registry of Radiologic Technologist's clinical education

							requirements for certification in magnetic resonance imaging.
RADI315	Cross-sectional Anatomy in Medical Imaging	Health Sciences	Radiography	3	Admission to the Computed Tomography Program or the Magnetic Resonance Program		This course enhances the student's knowledge of cross-sectional human anatomy using computed tomographic and magnetic resonance images. Students study the anatomical sections of the extremities, thorax, pelvis, abdomen, spine, head and neck in the transaxial, sagittal, and coronal planes.
RADI320	Physics Instrumentation in Computed Tomography	Health Sciences	Radiography	3	Admission to the Computed Tomography program		This course focuses on the physics, theories, application, and instrumentation of computed tomography equipment. Students discuss quality control procedures and the appearance, prevention of computed tomography image artifacts and adjustment required for correction.
RADI321	Physics Instrumentation in MRI	Health Sciences	Radiography	3	Admission to the MRI program		This course focuses on the physics, theories, application, and instrumentation of MRI equipment. Students discuss quality control procedures and the appearance, prevention of MRI image artifacts, and adjustment required for correction.
RADI325	Computed Tomography Practicum II	Health Sciences	Radiography	2	RADI310		This course provides students with clinical education experience in computed tomography imaging and assists students in completing the American Registry of Radiologic Technologist' clinical education requirements for certification in computed tomography.
RADI326	MRI Clinical Practicum II	Health Sciences	Radiography	2	RADI311		This course provides students with clinical education experience in magnetic resonance imaging and assists students in completing the American Registry of Radiologic Technologist' clinical education requirements for certification in magnetic resonance imaging.
READ085	Reading Support Seminar	Language & Literature	Reading	1	None		The Reading Support Seminar directly supports the learning objectives of the linked reading and/or content course in which the student is concurrently enrolled. This seminar provides additional academic support and facilitates success in the linked course.

READ087	Integrated Basic Reading and Writing	Language & Literature	Reading	5	Reading Placement Test score Level 1 or AESL103 (C or better), AND Writing Placement Test score of 2 or AESL101 (C or better), or permission of the Department of Language & Literature.		Through themed readings, students apply, monitor and adjust a repertoire of reading strategies for improved comprehension and utilize the recursive writing process for composition organization and development. This introductory course develops the foundational literacy skills necessary for college success and prepares students for subsequent reading and composition courses.
READ089	Fast Track Reading	Language & Literature	Reading	1	Reading Placement Test score Level 1, or Reading Placement Test score Level 2, or AESL103 (C or better) or, permission of the Department of Language & Literature		Through the use of an individualized, web-based learning system and instructor guided group instruction, this course develops the reading competencies required for academic success. Emphasis is on the development of basic reading comprehension skills and the application of these skills and other strategies for increased reading proficiency.
READ090	Introduction to College Reading	Language & Literature	Reading	3	Reading Placement test score Level 1, or AESL 103 (C or better), or permission of the Department of Language & Literature		This introductory course develops students' ability to apply, monitor and adjust a variety of reading strategies for increased comprehension and metacognitive awareness. The focus of this course is to develop the reading competencies necessary for success in college level courses.
READ110	College Reading and Study Strategies	Language & Literature	Reading	3	Reading Placement test score Level 2, or READ090 (C or better), or permission of the Department of Language & Literature Reading placement test score Level 2 or READ090 (C or better) or department		This course develops and improves reading comprehension skills and learning strategies to enhance academic performance across the curriculum. Emphasis is on the application of comprehension, critical thinking, and study strategies to college course material.

					approved assessment or permission of the Department of Language & Literature		
REAL101	Real Estate Fundamentals	Business + Innovation	Real Estate	2	None		This is a basic course designed to provide students with an overview of real estate practice in Pennsylvania. Students learn the language, principles, and laws governing the real estate profession, with an emphasis on land, property rights in realty and practices, and the laws governing conveyance of these rights.
REAL102	Real Estate Practice	Business + Innovation	Real Estate	2	REAL101 (C or better)		This course focuses on the role of a real estate agent in residential brokerage. The course introduces basic techniques, procedures, regulations, and ethics involved in a real estate transaction and a working knowledge of the necessary forms and documents. Specific topics include fair housing, listing, settlement, and surveys.
SCIE101	Physical Science	Science, Technology, Engineering & Mathematics	Science	3	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better); and Math Placement Test score of 5 or higher or MATH095 (C or better)		Physical Science provides an introduction to the phenomena of motion, force, energy, matter, sound, electricity, magnetism, and light. Students study nature's basic laws and how they govern human experience.
SCIE102	Astronomy	Science, Technology, Engineering & Mathematics	Science	3	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better); and Math Placement Test score of 5 or higher		Astronomy provides a survey of our knowledge of the structure, formation, and evolution of Earth, the solar system, the stars, and the galaxies. The course focuses on the logical development of ideas and concepts within the framework of science.

					or MATH095 (C or better)		
SCIE103	Physical Geology	Science, Technology, Engineering & Mathematics	Science	4	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better); and Math Placement Test score of 5 or higher or MATH095 (C or better)		This lecture and laboratory course introduces the basic principles and processes of geology. Emphasis is on a wide range of topics, including rocks and minerals, topographic maps, surface processes, hydrologic systems, plate tectonics, the earth's interior, and the application of entrepreneurial skills to assessment of a geologic or environmental hazard.
SCIE104	Weather and Climate	Science, Technology, Engineering & Mathematics	Science	4	Reading Placement Test score Level 3 or READ110 (C or better) or COMP108 (C or better); and Math Placement Test score of 5 or higher or MATH095 (C or better)		This lecture and laboratory based course investigates the principles and processes that govern weather and climate on Earth. Topics include the structure of the atmosphere, temperature, air pressure, wind, cloud types and cloud formation, precipitation and storm formation, climate, and introduction to basic weather map interpretation and forecasting.
SCIE105	Introduction to Environmental Science	Science, Technology, Engineering & Mathematics	Science	4	None		This lecture and laboratory course examines the history of environmental ethics, conservation movements, environmental policy and sustainable lifestyles. It covers basic ecological principles, especially as pertains to conservation, restoration, and resource management. Students study agricultural practices, waste management, and energy sources. Laboratory exercises require field trips and service learning.
SCIE206	Fundamentals of Geographic Information Systems	Science, Technology, Engineering & Mathematics	Science	3	CISC110 (C or better)		This course teaches the theory and practical use of Geographic Information Systems (GIS). Topics include issues of data accuracy, map projections, scale, data collection, metadata, and data storage/management. GIS analysis techniques, data display options, and cartography are also covered. Students use current GIS software in laboratory exercises.

SOCI110	Introduction to Sociology	Social & Behavioral Science	Sociology	3	None		This course is an introduction to the basic concepts in the field of sociology, with emphasis upon the application of these concepts to the understanding of American institutions: politics, economics, religion, education, marriage, and the family.
SOCI110H	Introduction to Sociology (Honors section)	Social & Behavioral Science	Sociology	3	Admission to the Honors@Bucks program		This course is an introduction to the basic concepts in the field of sociology, with emphasis upon the application of these concepts to the understanding of American institutions: politics, economics, religion, education, marriage, and the family.
SOCI110P	Introduction to Sociology (Paired Section)	Social & Behavioral Science	Sociology	3	None	Paired Section of READ110	This course is an introduction to the basic concepts in the field of sociology, with emphasis upon the application of these concepts to the understanding of American institutions: politics, economics, religion, education, marriage, and the family.
SOCI120	Introduction to Cultural Anthropology	Social & Behavioral Science	Sociology	3	None		This course explores human culture worldwide, including cultural elements and systems, diversity and cross-cultural interactions, and cultural change. It covers concepts essential to the discipline of cultural anthropology, such as holism, fieldwork, and environmental adaptation. Course topics include worldview, domestic groups, kinship, gender, power structures, economics, religion, and artistic expression.
SOCI140	Peoples of America	Social & Behavioral Science	Sociology	3	None		This course explores systems of oppression and liberation related to racial and ethnic minorities, immigrants, gender outlaws, sexual minorities, and other marginalized groups in U.S. society. Attention is on past and present status of these groups as it relates to an understanding of intergroup dynamics in today's society.
SOCI143	Introduction to Queer Studies	Social & Behavioral Science	Sociology	3	None		In this course, students explore historical and contemporary ways that gender and sexuality have been regulated by cultural norms and social institutions. Students examine how homophobia and transphobia are inextricably linked to racism, sexism, and other forms of oppression. Students analyze Lesbian, Gay, Transgender, and Queer political movements.
SOCI150	Criminology	Social & Behavioral Science	Sociology	3	None		The sociological relationships involved in the causes and prevention of crime and juvenile delinquency and in the treatment of criminal offenders.
SOCI160	Marriage and the Family	Social & Behavioral Science	Sociology	3	None		This course examines the institution of marriage and the family through history and across cultures with emphasis on the contemporary family. Topics, such as the changing family, love, mate selection,

							marital communication, divorce, gender roles, and domestic violence are studied.
SOCI230	Contemporary Social Problems	Social & Behavioral Science	Sociology	3	SOCI110 (C or better) and COMP110 (C or better)		Students examine and analyze complex contemporary social problems. The major topics include the application of sociological theory to local, national, and international social problems, including the environment, poverty, crime, violence, drug abuse, and inequality. Students prepare and present an original research project that includes research design, data analysis, and interpretation.
SPAN110	Elementary Spanish I	Language & Literature	Spanish	3	None		This is an interactive course in which students acquire a basic knowledge of understanding, speaking, reading, and writing Spanish. Oral proficiency, listening, comprehension, and grammatical accuracy are all stressed. Cultural background accompanies each chapter.
SPAN111	Elementary Spanish II	Language & Literature	Spanish	3	SPAN110 (C or better) or equivalent or permission of the Department of Language & Literature		This interactive course builds on the instruction from SPAN110; students continue to acquire a basic knowledge of understanding, speaking, reading, and writing Spanish. Oral proficiency, listening, comprehension, and grammatical accuracy are all stressed. Cultural background accompanies each chapter.
SPAN201	Intermediate Spanish I	Language & Literature	Spanish	3	SPAN111 (C or better) or equivalent or permission of the Department of Language & Literature		This course, which further develops skills introduced in SPAN111, reviews basic essentials of vocabulary and grammatical constructions and presents some constructions not yet studied. The course also provides material for a solid foundation in conversation and composition. Emphasis is placed on knowledge and appreciation of the culture of Spanish-speaking countries.
SPAN202	Intermediate Spanish II	Language & Literature	Spanish	3	SPAN201 (C or better) or equivalent or permission of the Department of Language & Literature		A continuation of SPAN201, this course reviews more basic essentials of vocabulary and grammatical constructions and presents constructions not yet studied. The course provides additional material for a solid foundation in conversation and composition. Emphasis continues to be placed on knowledge and appreciation of the cultural backgrounds of Spanish-speaking countries.

SPAN250	Advanced Spanish I	Language & Literature	Spanish	3	SPAN202 (C or better) or equivalent or permission of the Department of Language & Literature		This continuation of the work from the Intermediate sequence focuses on discussion of selected cultural readings, periodical articles, etc., to instill a greater mastery of spoken and written Spanish. This course also addresses advanced language skills and a deeper understanding of the Spanish-speaking countries.
SPAN251	Advanced Spanish II	Language & Literature	Spanish	3	SPAN250 (C or better) or equivalent or permission of the Department of Language & Literature		In this continuation of work from SPAN250, students discuss selected cultural readings, newspaper and magazine articles, etc., in order to acquire a greater mastery of spoken and written Spanish. This course also addresses advanced language skills and a deeper understanding of the Spanish-speaking countries.
SPMT200	Introduction to Sport Management	Kinesiology & Sport Studies	Sport Management	3	None		This course is an analysis of effective management strategies and the body of knowledge associated with pursuing a career in sport management. The course introduces the student to sport management career opportunities and to sport principles as they apply to management, leadership style, communication, motivation and entrepreneurship.
SPMT201	Sport Marketing	Kinesiology & Sport Studies	Sport Management	3	None		This course is an analysis of effective management strategies and the body of knowledge associated with pursuing a career in sport management. The course will introduce students to the sport management career opportunities in the sport industry and sport principles as they apply to management, marketing, leadership style, communication, and motivation.
SPMT202	Facility Management and Event Planning	Kinesiology & Sport Studies	Sport Management	3	None		This course analyzes effective management strategies and knowledge associated with pursuing a career in sport management. It will introduce students to the sport management career opportunities in the sport industry and to sport principles as they apply to facility management and event planning, leadership style, communication, and motivation.
SPMT203	History and Philosophy of Sport Management	Kinesiology & Sport Studies	Sport Management	3	None		This course is a survey of the philosophy and historical development of sport. The course will examine the major philosophical and historical schools of thought in sport and trace the development of competitive sport from ancient civilizations to the present.

SPMT204	Sport and Society	Kinesiology & Sport Studies	Sport Management	3	None		This course explores the sociological aspects of sport. Students study research and theory used to explain the relationship between sport and society in the areas of socialization, children, deviance, violence, gender, race, social class, economy, media, politics, religion and future trends in sports.
SPMT280	Sport Management Co-op	Kinesiology & Sport Studies	Sport Management	3	Permission of the Assistant Academic Dean of the HPEN Department. Must have completed all sport management Core courses with a 2.5 GPA in those courses.		The student is required to perform 180 hours of internship at an affiliated training site. An attempt is made to match sites to the intern's professional interests and career goals. Periodic meetings between the College Coordinator and the student are held to review actual experience and observation.
SSWK110	Introduction to Social Work and Social Welfare	Social & Behavioral Science	Social Work	3	None		This course provides an overview of the historical, economic and political foundations of social work and social welfare. Emphasis is on the structure and functions of the social welfare delivery system. Students examine core concepts, theories, skills, values, and ethics in the field of social work.
SSWK215	Loss and Grief	Social & Behavioral Science	Social Work	3	None		In this course, students examine the dynamics of loss and grief. Students explore cultural variations and societal attitudes about death, loss, and bereavement. Students apply core concepts, theories, and counseling skills related to loss and grief.
SSWK220	Social Work: Interviewing, Assessment, and Referral	Social & Behavioral Science	Social Work	3	SSWK110 (C or better);		Students apply core concepts, theories, values and ethics of social work to interviewing, assessment, and referral. Students apply direct skills including basic listening, empathy, focusing, confrontation, directives, feedback, and self-interpretation. Emphasis is on practicing professional values that guide practice.
VACV130	Media Scriptwriting	Arts	Cinema/Video Production	3	Writing Placement Test score of 6 or better or COMP107 (C or better)	Writing Placement Test score of 6 or better or COMP107 (C or better)	This course introduces students to the fundamentals of writing and critiquing scripts for various media. Students write, edit, and pitch original material. Students critique their own work and the work of other writers.
VACV135	Video Studio Production I (formerly COMV135)	Arts	Cinema/Video Production	3	None		This course introduces students to the equipment and techniques of video studio production from planning through scripting to taping. A series of exercises and individual projects provide a foundation for personal expression in various video formats.

VACV137	Sound Design for Film and Video	Arts	Cinema/Video Production	3	None		This course covers the fundamental elements of producing, designing, and editing sound for film/video. Students learn the basics of audio recording, sound editing, and multi-track sound design specifically for the moving image. Topics covered include microphone techniques, field and studio recording, Foley techniques, and using digital audio multi-tracking software.
VACV140	Digital Video Editing	Arts	Cinema/Video Production	3	None		This course covers digital editing using current software tools. Students work with digital non-linear editing hardware and software tools, multi-track audio creation, and sound sweetening. Students work with either their own footage or with exercise footage prepared by the instructor.
VACV141	The Art of Independent Cinema (formerly COMC141)	Arts	Cinema/Video Production	3	Writing Placement Test score of 6 or COMP107 (C or better)		Students examine films made outside of the film industry, which fall into three genres -- experimental, documentary, and animated. Particular emphasis is given to form and technique and how they are used to express meaning. The course traces the development of alternative cinema from its beginnings to the present.
VACV142	The Art of Theatrical Cinema	Arts	Cinema/Video Production	3	Writing Placement Test score of 6 or COMP107 (C or better)		Students examine the art and craft of the narrative cinema as it has developed from the beginning of film history to the present. Feature films are analyzed for their visual and story elements, as well as their historic, cultural, religious, political, and economic context.
VACV145	Filmmaking	Arts	Cinema/Video Production	3	None		This course introduces students to the equipment, techniques, and the art of filmmaking. Through a series of exercises and projects, students explore the basic processes of motion picture production from planning and filming to editing and incorporation of sound.
VACV230	Motion Graphics	Arts	Cinema/Video Production	3	VACV140 (C or better) or VAMM100 (C or better)		Students learn the essential elements of motion graphics and visual effects creation through the use of industry-standard software programs. This course provides students with the essential skills of compositing and creating post-processing effects for a wide range of media, including video, animation, gaming, and the web.
VACV231	Video Field Production	Arts	Cinema/Video Production	3	VACV140 (C or better)		Students practice single-camera, on-location, digital video-tape recording, and post-production, non-linear video editing. Students plan the location of shoots, practice storyboarding and scripting, and operate digital video cameras, microphones, lights, and tripods.

VACV235	Video Studio Production II	Arts	Cinema/Video Production	3	VACV135 (C or better) or permission of the Arts Department		Students write, produce, direct, and edit their own original 15-minute programs. Professional attitudes are emphasized in the students' collaboration with crew members in producing and directing programs.
VACV238	Cinematography	Arts	Cinema/Video Production	3	VACV231 (C or better) and VACV140 (C or better)		Students research and explore the art of visual storytelling through published works and hands-on lighting and cinematography techniques for both studio and field projects. Students learn creative composition through lighting, camera techniques, and color manipulation to convey their message.
VACV247	Advanced Cinema/Video Production	Arts	Cinema/Video Production	3	VACV140 (C or better) and VACV145 (C or better)		This is an advanced class in cinema video production. The final project is based on content and in a format selected by the student with the approval of the instructor. Students apply skills and methods learned in the prerequisite courses to the development of their own creative work.
VACV280	Cooperative Education - Cinema/Video and Multimedia	Arts	Cinema/Video Production	3	Cinema Video, Multimedia and Photography majors, 30 BCCC credits, a GPA of 2.5 or greater earned in courses offered by the Arts Department		This course provides on-the-job experience in a cinema video/multimedia field directly related to students' academic preparation and career objectives. Periodic meetings between faculty coordinator and students are held to ensure students' progress. Students maintain a work journal and complete a final report summarizing the learning experience.
VAFA100	Drawing I	Arts	Visual Arts	3	None		This is an introduction to the concepts and techniques of drawing. The course stresses disciplined draftsmanship. Students analyze the structure and appearance of natural forms. Relying on their perception, observation, and memory, they apply basic drawing skills. Black and white media are utilized to explore space, value, and volume.
VAFA101	2-D Design Fundamentals	Arts	Visual Arts	3			This course introduces students to abstract and representational two-dimensional design concepts. Projects emphasize creativity, conceptualization, problem-solving, skill-building, expression, execution, teamwork, research techniques, and presentation. Black, white, and gray media serve as the basis for learning the vocabulary, concepts, and principles of two-dimensional design.
VAFA102	3-D Design Fundamentals	Arts	Visual Arts	3			This foundation course covers the elements and principles of three-dimensional form in space and lays the groundwork for future 3-D courses. The materials employed introduce basic technical skills, and conceptual approaches are emphasized. The

							relationship between two- and three-dimensional thinking is stressed.
VAFA103	Drawing II	Arts	Visual Arts	3	VAFA100 (C or better) or permission of the Arts Department		This course refines and expands the knowledge base and skill set developed in Drawing I. Students employ a variety of media to investigate three-dimensional illusion and compositional methods working from still life, figure, interiors and landscape. They additionally examine and practice contemporary concepts in drawing.
VAFA104	2-D Design Color	Arts	Visual Arts	3	VAFA101 (C or better) or permission of the Arts Department		Students learn basic color concepts including theory, perception, chromatic relationships, phenomena, terminology, physics, psychology and harmony. Projects emphasize perception, creativity, conceptualization, problem-solving, skill-building, expression, execution, teamwork, research techniques, and presentation. Work in paper and pigment serves as the basis for learning the principles of color.
VAFA105	3-D Design Materials/Modeling	Arts	Visual Arts	3	VAFA102 (C or better) or permission of the Arts Department		This course combines the study and examination of process-based forms and figurative based-forms. Students are introduced to drawing and modeling the human body. Students are introduced to various tools, materials, and techniques in the application of design to tactile forms in space.
VAFA107	Introduction to Jewelry and Metalsmithing	Arts	Jewelry	3	None		Students are introduced to the basic techniques necessary for the design and fabrication of jewelry and small three-dimensional metal forms. This course is the foundation for further exploration into jewelry design and metalsmithing as a vehicle for self-expression.
VAFA108	Jewelry II	Arts	Jewelry	3	VAFA107 (C or better)		This course emphasizes the refinement of technical skills necessary to fabricate complex design concepts. Students explore various methods and materials, which are incorporated into the design and construction of several major works.
VAFA111	Drawing Basics	Arts	Visual Arts	3	None		This course introduces and reinforces preliminary skills related to basic drawing concepts. The course comprehends three major units: (1) Simple shapes and Proportions; (2) Measuring and Perspective; and (3) Light and Composition. Students improve their concentration in a studio setting and develop essential skills related to drawing structural forms.

VAFA141	Introduction to Sculpture	Arts	Sculpture	3	None		This course introduces basic sculpture techniques, such as carving, casting, modeling, and welding, with emphasis on understanding issues of line, plane, shape, and volume. Plaster, metal, clay, and wood are utilized to help the student understand the form and content of sculpture. Historical sculpture topics supplement this course.
VAFA147	Introduction to Glassblowing	Arts	Glassblowing and Stained Glass	3	None		Students are introduced to basic studio techniques of forming molten glass through the use of various tools, equipment, and processes. They are introduced to basic technical skills required for the production of glass objects, and to aesthetic sensitivity for the material. Studio procedures, including maintenance, safety, and construction are covered.
VAFA148	Glassblowing II	Arts	Glassblowing and Stained Glass	3	VAFA147 (C or better)		This course advances the processes and concepts in the forming of molten glass through the use of various tools and equipment. Students in this class are expected to have basic knowledge of studio operation and glassblowing techniques.
VAFA160	Introduction to Printmaking	Arts	Printmaking	3	None		Students explore a wide variety of printmaking processes, including intaglio, relief, color reduction printing and monoprinting. Students focus on the comprehension of techniques and materials and their relationship to the printed image and visual concepts.
VAFA161	Screenprinting	Arts	Printmaking	3	None		Students employ screenprinting processes using water-based inks. They explore a variety of techniques, including photo silkscreen, cut paper stencils, direct drawing techniques, color registration, and textile printing. Students also incorporate digital technology to better understand these techniques and develop their individual imagery.
VAFA171	Introduction to Painting	Arts	Painting	3	VAFA100 is recommended		This course introduces and explores various problems in painting often seen in the work of beginners, but also students with some experience. The medium is determined by the instructor. Students paint from models, still life, landscape, and imagination.
VAFA181	Introduction to Ceramics	Arts	Ceramics	3	None		Lectures, demonstrations, and practice introduce students to the historical, cultural, scientific, creative, and expressive basis of ceramics. Developing a personal viewpoint as an outgrowth of the ceramic process is encouraged by emphasizing historical perspectives, design, basic pottery skills, and exploration.

VAFA191	Art History Before 1450	Arts	Art History	3	Writing Placement Test score of 6 or COMP107 (C or better)		This survey course covers painting, sculpture, and/or architecture from the Paleolithic period through the age of Gothic cathedrals. Students gain a formal understanding of ancient, classical, and medieval art. They interpret selected examples of Western art using a variety of analytic methodologies, including cultural, religious, social, political, and/or economic context.
VAFA192	Art History After 1450	Arts	Art History	3	Writing Placement Test score of 6 or COMP107 (C or better)		This survey course covers painting, sculpture, and/or architecture from the Renaissance through Impressionism. Students gain a formal understanding of Western art by major artists of the fifteenth through nineteenth centuries. They interpret selected examples of art using a variety of analytic methodologies, including cultural, religious, social, political, and/or economic context.
VAFA193	History of Modern Art	Arts	Art History	3	Writing Placement Test score of 6 or COMP107 (C or better)		This survey course covers painting, sculpture, and/or architecture from the late-nineteenth century up to the present. Students gain a formal understanding of major twentieth-century stylistic movements. They interpret selected examples of Modern art using a variety of analytic methodologies, including cultural, religious, social, political, and/or economic context.
VAFA194	American Art History	Arts	Art History	3	Writing Placement Test score of 6 or COMP107 (C or better)		This survey course covers the history of American painting, sculpture, architecture, photography, and other significant arts and crafts from the settlement period to the present. Students gain a formal understanding of American art. Students examine American art from cultural, social, and economic perspectives.
VAFA195	Non-Western Art History	Arts	Art History	3	Writing Placement Test score of 6 or COMP107 (C or better)		This course surveys the art and architecture of India, China, and Japan, from the earliest times to the 19th century. Indian art is presented in the context of Buddhist, Hindu, and Islamic traditions. Relationships between Chinese and Japanese art are examined. Influence in Islamic and Western culture is also explored.
VAFA200	Drawing Anatomy	Arts	Drawing: Second Year	3	VAFA103 (C or better)		Through drawing, students study the design and function of the figure. The proportions and architecture of the human form are analyzed. Insight into the construction of the body is achieved through skeletal and muscular studies and conceptual applications of 3-D form. A selection of masterworks is emulated.

VAFA202	Figure Drawing	Arts	Drawing: Second Year	3	VAFA103 (C or better) or Permission of the Arts Department		Students integrate and review the drawing experiences of the previous drawing classes. The figure is expressed within complex situations dealing with spatial concepts and composition through extended problems. These exercises encompass relationships to interior spaces, landscape, and still life situations.
VAFA246	Sculpture/Foundry	Arts	Sculpture	3	VAFA141 (C or better) or VAFA105 (C or better)		This advanced course emphasizes foundry practices. Initial work is done in foundry wax or Styrofoam. Topics covered are procedures in ceramic shell or investment and burnout of wax preparatory to casting in metal. Basic foundry procedures are followed and studied. Finish and treatment of metal castings are also explored.
VAFA250	Fine Arts and Design Portfolio Studio	Arts	Portfolio Studios	3	24 studio credits and either VAFA191 (c or better), VAFA192 (C or better), or VAFA193 (C or better) or permission of the Arts Department		Students develop and enhance their fine arts and design portfolio for transfer or employment. Also, students prepare and deliver an informative speech describing their work using appropriate vocabulary and/or historical references. Finally, students engage in class critiques of their work and the work of other students.
VAFA260	Printmaking II	Arts	Printmaking	3	VAFA160 (C or better)		This course is a continuation of the Introduction to Printmaking class. Students add to their knowledge of intaglio and relief printmaking processes through the exploration of intermediate-level technical skills. Students develop their own imagery and investigate printmaking as a means of creative expression.
VAFA271	Painting II	Arts	Painting	3	VAFA171 (C or better)		This course is a continuation of Introduction to Painting. Students work from the traditional subject matter with the emphasis upon development of individual concepts and imaginative statements. Students also develop aesthetic values and quantitative judgment in terms of creative painting and critical appraisal of any art work.
VAFA282	Ceramics II	Arts	Ceramics	3	VAFA181 (C or better)		Emphasis is placed on developing a consistent body of work stressing wheel work and hand building. Laboratory and practical study of clays and glazes are explored. Slide presentations, lecture, and demonstrations expose students to the history of world ceramics and current techniques used by today's ceramic artists and industry.

VAFW100	Fine Woodworking Fundamentals	Arts	Woodworking	3	None		This studio course focuses on structural, functional, and sculptural properties of wood, together with the traditional studio techniques of professional woodworkers. Emphasis is on a variety of design approaches, the execution of working drawings, and completing wood projects.
VAFW133	Woodcarving - Furniture	Arts	Woodworking	3	None		This studio course focuses on the creation of well-crafted functional and sculptural carved wood objects. Students explore low and high relief, 3-dimensional forms, figurative and decorative subjects, tool use and care to develop their carving skills and creative expression.
VAFW136	Bending and Veneering	Arts	Woodworking	3	VAFW100 (C or better)		This studio course focuses on design, drawing, and execution of curved forms and laminating techniques. Students employ bending and veneering techniques in the design and construction of a piece of furniture. Emphasis is on a variety of joinery, bending, and veneering techniques.
VAFW137	Chair Construction	Arts	Woodworking	3	VAFW100 (C or better)		This comprehensive course covers the structural, design, and historical basis of good seating devices. Students learn to develop designs and construct models and finished pieces, using classical and contemporary guidelines that satisfy functional requirements and reflect personal creativity.
VAFW138	Table Systems	Arts	Woodworking	3	VAFW100 (C or better)		This studio course focuses on table design and construction. Students study classical and contemporary shapes and employ construction techniques. Students explore the relationship of structural issues and design.
VAFW140	Cabinetmaking	Arts	Woodworking	3	VAFW100 or	VAFW100	This studio course focuses on the design, construction, and joinery requirements necessary in cabinet construction when using sheet goods for both free-standing and built-in applications. Students work with a variety of materials, including plywood and composite boards.
VAFW145	Conceptual Furniture	Arts	Woodworking	3	VAFW100 (C or better) or VAFA102 (C or better)		This course focuses on designing and creating conceptually-based furniture. Students create functional furniture through the process of exploring ideas, construction methods, and finishes.
VAFW180	Woodturning	Arts	Woodworking	3	None		This studio course explores the historical and contemporary basics of lathe work. This course investigates both spindle (between center) and bowl (faceplate) turning techniques. Students learn how to care for, sharpen, and use a variety of lathe

							tools. Students design and make a variety of lathe-turned objects.
VAFW181	Woodturning II	Arts	Woodworking	3	VAFW180 (C or better)		This course provides an in-depth exploration of lathe turning in the traditional, as well as the contemporary context. Multi-axis spindle turning, split turning, and turning in conjunction with processes off the lathe, including carving, shaping, surface ornamentation, and joinery are used to create sculptural and functional items.
VAFW190	History of American Furniture	Arts	Woodworking	3	Writing Placement Test score of 6 or COMP107 (C or better)		Students analyze American furniture in the context of craft, elements of style, connoisseurship, historical influences, connections to European and Eastern traditions, socio-economics, regionalism, pattern books, and related domestic architecture.
VAFW280	Cooperative Education - Fine Woodworking	Arts	Woodworking	3	Fine Woodworking major, 30 BCCC credits, a GPA of 2.5 earned in courses offered by the Arts Department		On-the-job experience occurs in a field directly related to the student's academic preparation and career objectives. Periodic meetings between the College Coordinator and the student are held to evaluate the student's performance.
VAGD101	Layout and Basic Typography	Arts	Graphic Design and Illustration	3	VAMM100 (C or better)		Using manual methods for layout and design, together with current software applications, students explore the relationship between text and image, as well as the design and impact of typography. Students analyze a variety of published materials and complete a series of introductory graphic design projects.
VAGD102	Illustration - Drawing and Digital	Arts	Graphic Design and Illustration	3	VAMM100 (C or better) and VAFA100 (C or better) or the permission of the Arts Department		This course introduces drawing strategies, concepts, and specialized illustration techniques used by designers and illustrators. Students create illustrations in both traditional and digital formats. Emphasis is on realistic modeling approaches and rendering skills, as well as expressive and historical perspectives that an illustrator-designer must have.
VAGD190	Graphic Design History	Arts	Graphic Design and Illustration	3	Writing Placement Test score of 6 or better or COMP107 (C or better)		This graphic design survey course covers visual communication since the Middle Ages, focusing on the period from the Arts & Crafts Movement through Postmodernism. Students gain a formal understanding, and they interpret selected examples using a variety of analytic methodologies, including cultural, religious, social, political, and/or economic context.

VAGD201	Graphic Design	Arts	Graphic Design and Illustration	3	VAMM100 (C or better) and VAGD101 (C or better)		Working from concept to finished artwork, students develop methods and strategies for producing effective graphic design solutions. Formal and practical design concepts, skills, and essential digital applications are covered. Presentation of visual ideas, design principles, typography, prepress and commercial printing technology, and advanced graphic design processes are explored.
VAGD280	Cooperative Education - Graphic Design	Arts	Graphic Design and Illustration	3	30 BCCC credits in a studio art major and a minimum GPA of 2.5, or permission of the Arts Department		On-the-job experience occurs in a field directly related to the student's academic preparation and career objectives. Periodic meetings between the College faculty coordinator and the student are held to ensure the student is making adequate progress. Students maintain a work journal and complete a final report summarizing the learning experience.
VAMM100	Digital Imaging	Arts	Multimedia and Web Design	3	None		This studio course presents in-depth techniques for image creation and manipulation using current software applications. Students explore peripherals, file formats, resolution requirements, media storage, and digital photo processing. Emphasis is on image-making methods used to create raster and vector graphics for print and the web.
VAMM110	Web and Interactive Design	Arts	Multimedia and Web Design	3	VAMM100 or CISC110 or	VAMM100 or CISC110	This course is an introduction to the XHTML coding and techniques used to create websites. Students learn to design and develop interactive websites using both editors and hand coding skills. Project management and design skills are introduced. The semester culminates in the development of a website.
VAMM120	Interface Design	Arts	Multimedia and Web Design	3	None		The theoretical foundation needed to design user interfaces for digital projects are established. Topics discussed include human computer interaction, current trends, and basic methods for design, as well as project management techniques. Software is used to create the menus and navigation systems needed.
VAMM130	3-D Modeling Concepts	Arts	Multimedia and Web Design	3	None		Three-dimensional concepts and design techniques are presented through lecture and demonstration. The student, through studio experience, uses these concepts to design and create a digital 3-D environment. Current animation and graphic software is used in this class.

VAMM209	Multimedia Concepts I	Arts	Multimedia and Web Design	3	VAMM100 (C or better) or permission of the Arts Department		Through lecture and studio work, students create multimedia projects. Students import or create video clips, sound bytes, still imagery, and copy; to produce a digital multimedia project. Graphic editing, video editing, and animation applications are used in this course.
VAMM230	3-D Animation	Arts	Multimedia and Web Design	3	VAMM130 (C or better) or equivalent knowledge with permission of the Arts Department		Three-dimensional animation techniques are presented through lecture and demonstration. Students build on the concepts of 3-D modeling to expand their project to include motion scripting of fully mapped and lighted scenes. Animation and graphic editing applications are used in the course.
VAMM250	Digital Arts Portfolio Studio	Arts	Portfolio Studios	3	24 studio credits or permission of the Arts Department		Students develop and enhance their portfolio for transfer, employment or entrepreneurial pursuits. Students prepare and deliver an informative speech describing their work using appropriate vocabulary and/or historical references. Students engage in class critiques of their work and the work of other students.
VAPH110	Digital Photography Fundamentals (formerly VAFA110)	Arts	Photography	3	None		Students are introduced to digital-based photographic imagery. The course examines the potential inherent in the methods, techniques, and applications of digital photography as a means of personal expression. Students produce a portfolio of images for presentation.
VAPH151	Darkroom Photography I	Arts	Photography	3	None		Students learn the basic photographic processes, from making an exposure to making a final print. Students use the camera and darkroom techniques in black and white still photography to explore the visual world. The course is designed to treat photography as a medium of personal expression.
VAPH157	Photo II	Arts	Photography	3	VAPH151 (C or better)		This course emphasizes the development of a critical eye and the use of photography as a form of self-expression and an artistic medium. Students are expected to have a working knowledge of the photographic process. Students produce photographs as fine art and refine advanced technical and printing techniques.
VAPH196	History of Photography (formerly VAFA196)	Arts	Photography	3	Writing Placement Test score of 6 or COMP107 (C or better)		This survey course covers the history of photography from its invention in 1839 to the present day. Specific artists, movements, and technical histories will be explored, together with some of the relationships between photography and aesthetics, culture, and social history.

VAPH210	Digital Photography II (formerly VAFA210)	Arts	Photography	3	VAPH110		Students will continue to explore the potential of digital photographic imagery and will concentrate on advanced image editing methods. A central aim of the course will be creating a portfolio of high quality printed images. The course will additionally emphasize the use of photography as an artistic medium.
VAPH211	Studio and Lighting Fundamentals	Arts	Photography	3	VAPH110 (C or better) or VAPH151 (C or better) and VAMM100 (C or better)		Students will be introduced to the fundamentals of photographic lighting. Tungsten, strobe, daylight, and an array of light shaping tools will be explored in an effort to further refine their photographic imagery. A central aim of the course will be the creation of a portfolio of high-quality, digital images.
VAPH257	Large Format Photography	Arts	Photography	3	VAPH151 (C or better)		This course introduces students to the operation and current practices associated with view cameras. Students learn about lens selection, the use of camera swings and tilts, and processing procedures for sheet film. Students produce images in both the traditional darkroom and the digital lab.
WMST110	Introduction to Gender Studies	Language & Literature	Women's Studies	3	None		This course examines the contingent nature of identity factors, such as gender, sexuality, race, ethnicity, and social class, and how such factors are intertwined with relations of power. It emphasizes the consequences of the distribution of inequality, and the ways in which individuals exert agency and challenge systems of inequality.
WMST280	Cooperative Education - Women's Studies	Language & Literature	Women's Studies	3	Permission of the Department of Language & Literature and COMP110 (C or better) and WMST110 (C or better)		On-the-job experience and observations in a field directly related to the student's academic preparation and career objectives. Periodic meetings between the faculty coordinator and the student are held to review actual experience and observation in light of the theory and skills learned academically.

SECTION 4:   COLLEGE INFORMATION

Section 4: College Information

Admissions

The Admissions Office is located on the first floor of Pemberton Hall and can be reached at 215-968-8100.

Admissions Policy

Any person may apply for admission to Bucks County Community College. Admission is generally granted to graduates of accredited secondary schools, to recipients of a high school equivalency diploma, and to others who, in the judgment of the college, are likely to benefit from a collegiate experience. Admission to some programs of study is limited by available facilities, the number of faculty, county of residence, or other factors. The College may guide the enrollment of entering students in an effort to improve their opportunity to succeed in college.

Enrollment to the college for the fall and spring semesters is contingent upon completion of the college's placement testing program for new students. Students who have earned postsecondary credentials from a United States institution may be eligible for testing waivers.

For students who are seeking to transfer college credits to Bucks, the following general policies apply:

- A student can obtain no more than 30 transfer credits from all outside sources, including Advanced Placement and Prior Learning Assessment (PLA), for Associate programs.
- A student can obtain no more than half the number of credits required for a given certificate.
- Only grades of "C" or better will be considered for potential transfer credit.
- Courses are considered for transfer credit as they relate to the student's program of study.
- If a student changes his/her major, a new evaluation request must be submitted as above.
- Developmental coursework will not be accepted for transfer credit.
- Proficiency courses (those which produce "pass" or "satisfactory" grades) will not be accepted for transfer credit.
- Courses taken at some institutions without regional accreditation may not be accepted for transfer credit through traditional means but may be reviewed through the Office of Prior Learning Assessment (PLA).
- Credentials earned outside the United States require external evaluation before submitting to Bucks for review and potential transfer.

Military transcripts are evaluated for potential transferability through PLA.

Applying for Admission

Applicants for admission must submit an official Application for Admission to the Office of Admissions. Students who are intending to receive financial aid, or who intend to pursue

the Nursing (2035) major, must also have an official copy of their high school transcript or an official copy of their GED scores on file in the Office of Admissions. A transcript marked "issued to student," unsealed, or missing the Registrar's signature or school seal, will be marked as unofficial. A transcript is considered final official when a date graduated, for high school, and a degree conferred, for college, is stated.

It is important to note that placement testing is mandatory for all students who are planning to enroll at the College. Students must make application to the College prior to Placement Testing.

The results of the Placement Testing have no bearing on a student's acceptance to the College; rather they are used for academic advising and program planning that will help to ensure student success.

Individuals who previously attended another college or university may be eligible for an exemption from Placement Testing. Those applicants must submit a transcript from that institution for review by the Office of Admissions. The transcript can be unofficial for the purpose of testing waivers.

Application Deadline

Students should apply for admission as early as possible to ensure optimal course availability. Applications are accepted on a rolling admissions basis.

Specific Admissions Concerns

Readmission/Reactivation

Students who seek readmission must reactivate their student records: https://ac.bucks.edu/apps/admiss/application/.

Applicants with Previous College Experience

Transfer students must have an official copy of their transcripts sent and submit a Request for Evaluation (https://www.bucks.edu/admissions/records/forms/) in order to obtain transfer credits. For purposes of placement testing or prerequisite course waivers, an unofficial copy may be submitted.

Guest students are students currently enrolled at another college or university who wish to take courses at Bucks for transfer back to their primary institution. Such students should be advised by their own institution regarding course selection and transferability and meet any necessary course prerequisites by submitting an unofficial transcript, along with a prerequisite waiver request (https://www.bucks.edu/admissions/records/forms/).

Non-degree/Non-certificate seeking students may be exempt from placement testing, unless that testing is a prerequisite for the desired coursework. Prerequisite waiver requests must be submitted for such courses.

High School Enrichment Program

The College allows eligible students from Bucks County high schools to enroll. This program expands educational opportunities and allows college credits to be earned before high

school graduation. The program enables students to select unique courses, as desired or required by their high school, while Dual Enrollment programs feature designated courses taught at the high school location.

Dual Enrollment
With Bucks, students can get a head start on college while in high school.
Classes are held in participating high schools. These courses are college level and are preselected by the high school. Taught by Bucks faculty, the classes take place during the school day.

To learn if a high school participates in the Dual Enrollment Program, contact your high school guidance counselor.

The Accessibility Office
Students with disabilities who may be eligible for reasonable accommodations should request them through this office. Services can include interpreters, note takers, access to alternative format texts, adaptive technology and testing modifications.

Students are strongly urged to contact this office for information prior to or immediately after registering for classes calling 215-968-8182 or by contacting accessibility@bucks.edu. Further information is available at the office's website at https://www.bucks.edu/resources/campusresources/accessibility/.

Students who need accessible parking should contact The Office of Security and Safety, 215-968- 8911.

International Student Applicants
Non-immigrant students seeking F-1 International Student status must complete the following documentation:

- Bucks Application for Admission and Information Form

- Certified and English translated academic records of secondary and any post-secondary education

- Official results of TOEFL (Test of English as a Foreign Language) if English is not your native language

- Affidavit of Financial Support and a bank statement and bank letter reflecting, in U.S. dollars, the funds available to the student

- Affidavit of Sponsor Room and Board with deed or lease of the property

- Copies of passport and other immigration documents

- Other information as required for specific cases (see application for details)

In order to allow the time needed to process applications for students requiring an I-20, the Admissions Office must receive application materials by the following deadlines:

July 1 - for the Fall semester
November 1 - for the Spring semester

Please contact the Admissions Office for application materials and information or download the information from the College's International Student Website.

Any non-immigrant individual wishing to obtain an F-1 student visa through the United States government must first complete all documents required by Bucks County Community College, along with any necessary government forms. Application materials and information can be obtained through our International Student Website.

Other non-U.S. citizens seeking admission to the College, including Resident Aliens, should follow the regular application process but must supply proof of immigration status. Please note that any visa holder authorized to attend credit classes while in the United States is not considered a legal resident for purposes of tuition.

Senior Citizens

Bucks County residents aged 65 and over may enroll tuition-free in credit courses on a space-available basis. To qualify for this waiver, students must register during the period designated by the College in its semester registration publication. Tuition is waived but all other applicable fees must be paid at registration. Proof of age and Bucks County residency may be required.

Students may elect to pay full tuition to secure a seat but, in doing so, forfeit their tuition waiver for the semester. Students who choose this option should report to a scheduled registration.

Residency Verification

All applicants for admission and enrolled students are legally bound to certify the county and state of their legal residency and are obligated to the College for the established tuition and fees.

Bucks County Community College adheres to the Regulations of the State Board of Education of Pennsylvania, Chapter 35, Community Colleges, which defines residency and domicile. The regulations define domicile as "the place where one intends to and does, in fact, permanently reside." The regulations also state "continuous residence in this Commonwealth for a period of 12 months prior to registration as a student. A student may rebut this presumption by convincing evidence." A copy of the regulations is available in the Office of Enrollment Services. If requested to prove residency or to establish residency in Bucks County, documentary evidence from disinterested persons is required.

Examples of factors which may provide convincing evidence include the following:
- copy of a signed lease or proof purchase of a permanent independent residence
- payment of appropriate State and local taxes
- agreement on company letterhead for permanent employment as a resident of the county

For in-county tuition, a student must provide evidence of permanent residency of Bucks County prior to registration.

Non-US citizens must supply admissions with their immigration documents. Visa holders and those who are not legal residents are subject to the out-of-state tuition.

Ownership of property or a business in Bucks County while not actually residing in the county does not qualify a person to attend the College as a county resident.

A student's residence is determined at the time the student makes application for admission, readmission, or registration. If you are visiting or living with a relative who is not your parent or guardian, you are not considered a legal resident of Bucks County.

The College reserves the right to challenge a student's residence at any time if there is reason to suspect that the student 's address is incorrect.

In order for a student to be classified or reclassified as a Bucks County resident for a particular semester, the classification or reclassification must be approved by the Office of Enrollment Services by the end of the third week of classes (or equivalent in condensed terms). Any questions concerning residency should be directed to the Interim Executive Director of Enrollment Services at 215-968-8117.

College Credit for High School Students

Bucks County Community College has developed articulation agreements with several area high schools:

- Bucks County Technical High School
- Centennial School District
- Eastern Center for Arts & Technology
- Lancaster County Career and Technical Center
- Middle Bucks Institute of Technology
- Northern Montgomery County Technical Career Center
- Upper Bucks County Technical High School
- Western Center for Technical Studies

Bucks offers seamless pathways from a wide variety of high school programs into related college majors. Visit www.bucks.edu/pla or the most up-to-date list of participating high schools and feeder programs.

For all approved programs, the course of study at the high school has been compared with the course of study at Bucks. Credit is granted for the mastery of common topics.
High school students in approved programs should work through their instructors at the high school to pursue program articulation and should arrange to have their transcripts sent to the Office of Admissions. The appropriate academic departments will evaluate these credits and will inform the Office of Admissions which courses may be brought in for credit on the Bucks County Community College transcript.

Individuals who are pursuing (or have completed) a registered apprenticeship program can earn credits under the evaluation guidelines of the American Council on Education. This is accomplished by a detailed evaluation of the individual's training record. Please visit the PLA Website (https://www.bucks.edu/academics/pla/) for additional details or contact Prior Learning Assessment at 215-968-8161.

Other area high school students and/or previous high school graduates with a technical background may be interested in pursuing an Associate Degree in Technical Entrepreneurship.

If you have questions regarding the Technical Entrepreneurship Program, contact the Department of Business + Innovation at 215-968-8227 or the Office of Academic and Curricular Services at 215-968-8212.

Advanced Placement

The College participates in the Advanced Placement Program of the College Entrance Examination Board (CEEB). Under this program, the College grants credit and advanced placement to students with completed college-level courses in approved secondary schools with a score of three (3) or better in the Advanced Placement Tests of the CEEB. Applicants for credit for advanced placement should request the CEEB to send their test scores to the Dean, Enrollment Services. Students are notified of the action taken on advanced placement and credit. Questions should be directed to 215-968-8117.

Evaluation of Transfer Credits

To have credits from prior colleges and universities evaluated, students must provide an official transcript to the Registrar's Office. Please note that the official transcript must be sent directly from the issuing institution. Students must indicate "Evaluation" on the college application or submit a Waiver or Evaluation Form (https://www.bucks.edu/media/bcccmedialibrary/admissions/forms/Evaluation-and-Waiver-Request-Form.pdf) or via login (https://ac.bucks.edu/apps/admiss/login/).
Unofficial and/or "student copy" transcripts will not be accepted for credit transfer; however, they can be reviewed for possible testing waivers and/or prerequisite course waivers. Please refer to the Placement Testing page (https://www.bucks.edu/catalog/info/registration/testing/) for acceptable exemptions from placement testing.

Upon receipt of a Transcript Evaluation Request (https://ac.bucks.edu/apps/admiss/login/), Bucks County Community College will evaluate parallel work completed at accredited post-secondary institutions for potential transfer credit.

- Students seeking transfer credit should first submit an Admission for Admission to the College (https://ac.bucks.edu/apps/admiss/application/).

- Next, students must request that an official copy of their transcript(s) be sent from their previous institution(s) to Bucks County Community College. Official transcripts can be mailed to Bucks County Community College, Registrar's Office, 275 Swamp Road, Newtown, PA 18940. If sending your official transcript electronically, please have it sent to waivers@bucks.edu.

Policies related to transfer credits and transcript evaluations:
- A student can obtain no more than 30 transfer credits from *all* outside sources (including AP Course Credit and Prior Learning Assessment) for Associate programs.
- A student can obtain no more than half the number of credits required for a given certificate.
- Only grades of "C" or better will be considered for potential transfer credit. Grades of a "C-" and below are not eligible for transfer credit.

- Courses are considered for transfer credit as they relate to the student's program of study.
- Course descriptions are reviewed for course content and in determining equivalency. At times, syllabi and additional consultation with the area academic dean and other support documentation may be necessary.
- If a student changes his/her major, a new evaluation request must be submitted as above.
- Developmental coursework will not be accepted as transfer credits.
- Proficiency courses (those which produce "pass" or "satisfactory" grades) will not be accepted as transfer credits.
- Courses taken at some institutions without regional accreditation may not be accepted for transfer credit through traditional means. Schools that are vocational or technical in nature without regional accreditation are reviewed through the Office of Prior Learning Assessment (PLA) for potential life experience credit.
- Credentials earned outside the United States require external evaluation before submitting to Bucks for review and potential transfer.
- Military credentials are reviewed by PLA.
- Coursework previously determined for equivalencies can be viewed at the Pennsylvania Transfer and Articulation Center or CollegeTransfer.net, but all coursework presented will be considered based on the above criteria.
- The Registrar's Office is responsible for consideration of incoming transfer credit. Concerns or questions regarding transfer credits should be directed to the Registrar at registrar@bucks.edu or 215-968-8000 option #1.

For more information about transferring to Bucks County Community College, please read our Frequently Asked Questions (FAQs) for Transfer Students page.

For details regarding transferring out of Bucks to another institution, please review the Transfer Services webpage (www.bucks.edu/transfer) or call 215.968.8031 to make an appointment with a transfer advisor.

Evaluation of Military Experience
The College evaluates previous military experience in accordance with the recommendations of the American Council on Education (ACE) through the Guide in the Evaluation of Educational Experience in the Armed Forces. Veterans seeking credit for previous military experience must submit an official copy of their transcript (AARTS or SMART).

Once an evaluation is completed, the student will receive notification when credits are posted to the student's record.

Foreign College or University Experience
Credits will be accepted from a regionally accredited foreign college or university after a course-by-course evaluation is conducted by an approved Credential Evaluation Service. A list of acceptable services is available in the Office of Admissions.

Supplemental External Credits
For students who are seeking to transfer college credits to Bucks, the following general policies apply:

- A student can obtain no more than 30 credits from all outside sources, including Advanced Placement and PLA, for Associate programs.
- A student can obtain no more than half the number of credits required for a given certificate.
- Only grades of "C" or better (or 70% by permission of the area Dean) will be considered for potential transfer credit.
- Courses are considered for transfer credit as they relate to the student's program of study.
- If a student changes his/her major, a new evaluation request must be submitted as above.
- Developmental coursework will not be accepted for transfer credit.
- Proficiency courses (those which produce "pass" or "satisfactory" grades) will not be accepted for transfer credit.
- Courses taken at some institutions without regional accreditation may not be accepted for transfer credit through traditional means but may be reviewed through the Office of Prior Learning Assessment (PLA).

Supplemental Internal Credits

Internal credits are earned at the College and satisfy the degree requirements of completion of not fewer than thirty semester credit hours at the College. These internal credits may be earned through Portfolio Assessment (LE), Credit by Examination through division examinations (CREX), the College Level Examination Program (CLEP), and the DSST Defense Activity for Non-Traditional Education Support Program (formerly DANTES). The CLEP and the DSST examinations may also be accepted as external credits by the College.

Prior Learning Assessment Program

Bucks County Community College (Bucks) recognizes that students enter the College from a variety of backgrounds and experiences, some of which may involve college-level learning. The College is committed to providing pathways for students to proceed along smooth transitions without delays, duplication of courses, or loss of credit. As such, the College maintains a Prior Learning Assessment (PLA) Program in order that students will be afforded the assessment methods by which they can document their college-level learning and pursue equivalent credit toward courses in their Program of Study.

Participation

To be eligible to participate in the Prior Learning Assessment (PLA) Program at Bucks, students must be in good academic and financial standing with the College, have successfully completed a semester at Bucks, are currently enrolled, and actively pursuing classes in a Program of Study that includes requirements for the course(s) they propose to challenge.

There are limitations to the total number of equivalent credits earned through PLA that students can use toward their degree or certificate at Bucks, based upon the College's graduation residency policy. The nontraditional ungraded credits that can be used toward a Bucks degree or certificate include all equivalent credit awarded through PLA (marked as CL, CX, and/or LE on the Bucks transcript where the grade would go) in addition to any Advanced Placement (marked as AP on the Bucks transcript where the grade would go), Military equivalent (marked as ME on the Bucks transcript where the grade would go) and Transfer credit (marked as TR on the Bucks transcript where the grade would go) brought into Bucks.

Equivalent credit awarded via Prior Learning Assessment may not be transferable to a Bachelor's degree program. However, students should check directly with the intended transfer institution to determine transferability and/or the possibility of applying for a similar credit equivalency award process at the transfer school.

Application Process
Students begin the PLA process by completing, signing and submitting an application. The PLA Application is available online, in the Advising and Transfer Center in the Rollins Center on the Newtown campus, and at the Student Services areas of each campus location (Newtown, Upper Bucks, Epstein Campus at Lower Bucks). All students should feel free to contact the Office of Prior Learning Assessment directly for advice regarding their questions, concerns, and/or developing their individualized PLA plan. In order to complete the PLA Application, the student should:

1. Carefully consider the course requirements for their Bucks Program of Study.
2. Review the Master Course Outline to understand the course objectives of the course for which PLA is being sought.
3. Consider whether their prior learning included mastery of the course objectives for any specific course(s) in their Bucks Program of Study.
4. Identify any course(s) to potentially challenge for equivalent credit.
5. Determine which course(s) they propose to challenge and indicate this on the PLA Application.
6. Explore, with the PLA advisor if desired, the pathways available to document their prior learning that led to mastery of the course objectives.
7. Select the most appropriate pathway(s) or assessment method(s) by which to document the prior learning and indicate this on the PLA Application.

The completed PLA Application should be submitted to the Office of Prior Learning Assessment in the Advising and Transfer Center in the Rollins Center at 275 Swamp Road, Newtown, PA 18940. Official supporting documentation, which verifies the learning, will also need to be provided, with the type varying depending upon the pathway.

The complexity of the actual PLA process for individual students can vary along a broad spectrum. For example, some PLA plans, such as those for Challenge by Exam, are straightforward and may require little to no advising. In those cases, the student should feel free to use the resources available through the PLA web pages and publications to create and pursue their plan to completion. On the other end of the spectrum, some situations may be complex and even involve multiple assessment processes and the student may benefit from consulting with the Office of Prior Learning Assessment to obtain advice for creating their individualized PLA plan.

Pathways – Assessment Methods
The College recognizes three primary assessment methods by which students can document their college-level learning - examination, evaluation of non-collegiate instruction, and individual assessment.

Challenge by Examination (CBE)
Many Bucks courses are open for Bucks students to challenge by examination. The College recognizes and makes available departmental challenge exams (CREX) along with the standardized exams of CLEP, DSST (formerly known as DANTES) and NYU's Foreign Language Testing Service. The specific courses and corresponding exams are reviewed

annually with updated lists made available on the Testing Center and PLA web pages.

Scores at or above the minimum will lead to equivalent credit for the associated Bucks course, but no letter grade will be awarded. If the student does not achieve the minimum score, they must wait at least three months to repeat a CLEP, six months to repeat most CREX exams (except for NURS101/102), and 90 days for a DSST exam. Credit awarded from an exam will not replace a grade on the student's Bucks transcript. If a student has previously taken or is currently enrolled in the course for which they wish to take a CREX exam, the student must obtain permission of the Academic Dean for the Department in which the course is taught. The code "CL" will be indicated on the Bucks transcript where the grade would be for credit granted for standardized exams (CLEP, DSST, NYU) or "CX" for CREX exams.

Students should feel free to contact the Office of Prior Learning Assessment directly with any questions and/or concerns regarding challenging courses by examination.

Evaluation of Non-Collegiate Instruction

The evaluation of non-collegiate instruction often results in Credit Recommendations and/or Articulation Agreements that provide students with specified opportunities to pursue equivalent credit. Students who have successfully completed instruction and training programs outside the traditional college classroom may be eligible to pursue equivalent credit via this PLA pathway, which evaluates these programs. Examples of programs that have qualified students for equivalent credit include tech-prep programs at secondary schools; noncredit continuing education programs at Bucks; and various training programs for professionals. Summary information about the many Credit Recommendations and Articulation Agreements is maintained on the College's PLA web pages and in the PLA Office in The Advising and Transfer Center in the Rollins Center at 275 Swamp Road, Newtown, PA 18940.

The College recognizes the American Council on Education (ACE) and the National College Credit Recommendation Service (National CCRS, formerly known as PONSI), two national bodies that evaluate non-collegiate instruction and training programs. If the program the student successfully completed has been evaluated by one of these two bodies, the student has the opportunity to challenge a Bucks course(s) based upon their credit recommendations.

Students should feel free to contact the Office of Prior Learning Assessment directly with any questions and/or concerns regarding challenging courses by the evaluation of non-collegiate instruction.

Individual Assessment via Portfolio

The opportunity for individual assessment is provided via the portfolio method at Bucks, by which students challenge a course(s) in their program of study. Students must obtain authorization to pursue this method prior to beginning any portfolio preparation.

Contact Information

The complexity of the actual PLA process for individual students can vary along a broad spectrum. All students should feel free to contact the Office of Prior Learning Assessment directly for advice regarding their questions, concerns, and/or developing their individualized PLA plan.

Shared Majors

Bucks County Community College students may elect to take courses at Philadelphia, Montgomery, or Delaware County Community Colleges under this plan. Students who elect to enroll at these community colleges must be authorized by the Office of Enrollment Services and will pay the host college sponsored student rate for courses that they take at the host college.

Shared Program opportunities include:

Host College   Major

Delaware

- Automated Manufacturing and Robotics
- Machine Tool Technology
- Mechanical Technology

Philadelphia
- Amer. Sign Language/Interpreter
- Architecture
- Automotive Technology
- Dental Hygiene
- Facilities Management
- Interior Design
- Respiratory Technology

Montgomery
- Cyber Security Certificate
- Dental Hygiene
- Game Simulation and Design
- Human Services
- Medical Laboratory Technology
- Physical Therapist Assistant
- Software Engineering Certificate
- Sound Recording & Music Technology
- Surgical Technology
- Theater

Interested students should contact the Office of Admissions at the host college of the major they wish to pursue.

Bucks County Community College is the host college for the following programs:

Fine Woodworking AA	Delaware, Montgomery, Philadelphia
Furniture and Cabinetmaking Certificate	Delaware, Montgomery, Philadelphia
Historic Preservation Certificate	Delaware, Montgomery, Philadelphia
Paralegal AA and Certificate	Montgomery
Sport Management AA	Delaware, Montgomery
Meeting, Convention, and Event Planning AA and Certificate	Delaware, Montgomery

Interested students should contact the Bucks Office of Enrollment Services at 215-968-8117.

Bucks County Community College and Mercer County Community College students can enroll in unique programs that are not offered at their home colleges for in-state tuition rates. For more information visit the Office of Advising and Transfer Services.

Tuition/Expenses

Expenses Per Semester

Tuition and fees are subject to change by action of the Board of Trustees of Bucks County Community College.

In addition to the tuition and fees, some courses or majors require additional expenditures for travel, supplies, materials, performance tickets, and the like. Additional expenses are shown with the course description where applicable.

All tuition and fees are due by the posted deadlines for each semester. For registrations occurring after the deadline, payment will be due immediately.

Out-of-county residents who receive permission and county financial support to attend the College do so at the resident tuition rate.

All full-time students who register for more than eighteen credits must have the approval of their academic advisor.

Some courses are billed at a different rate than the credits awarded. Such courses are noted in the course descriptions listing.

Sample Cost Illustration

12 semester hour credits @ $165 each credit	$1980
Activity Fee (12 or more credit hours)	$2
Capital Fee (County Resident)	$0
College Service Fee	$25
Technology Support Fee ($35 per credit hr)	$420
Illustrative Total (per semester)	**$2427**

Other Fees/Costs

Payment Plan Admin Fee	$30
Return Check Fee	$25
Payment Plan Late Payment Fee	$25

Tuition and Fees

Tuition
This is the basic charge for full-time and part-time students. Tuition costs for In-County residents are reasonable because they are subsidized by the Commonwealth of Pennsylvania and the County of Bucks. Tuition for Out-of-County and Out-of-State residents will vary due to the absence of this subsidy.

Activity Fee
This fee is assessed to all students, dependent upon the number of credits taken. It supports all student activities and organizations such as the campus newspaper and athletic events.

Capital Fee
This fee is assessed to out-of-county and out-of-state students as a contribution to the costs of land, buildings, and equipment furnished by the Commonwealth of Pennsylvania and the County of Bucks.

Course Fees
Certain courses incur additional expenses which are added to the course in the form of "course fees." The course fee is used to defray the additional cost associated with these course offerings.

Graduation Fees
This charge is assessed to cover a portion of the costs of graduation ceremonies and diplomas. $20 fee.

Credit by Examination for Nursing
This charge is assessed for each course for which a student wishes to test competency. The charge covers the cost of the special examination and grading of the examination.

Transcript
This charge covers the handling and printing of transcripts for students. $5 fee.

College Services Fee (per semester)

A general services fee covering registration, parking decal, etc. $25 fee.

Technology Support Fee

This fee is assessed to cover the cost of technology resources. It supports such things as computers, Internet access, network infrastructure, and other technical services and resources.

Tuition Refund Policy

Tuition and fees paid for classes cancelled by the College due to insufficient registrations are fully refundable. Other tuition refunds will be processed under the following official policy of the College:

- Official Withdrawal or Drop of courses is effective upon receipt of written notice from the student in the Registrar's Office.

- Official Drop from courses **prior** to the end of the add/drop period.
  - o 100% refund of Tuition, Capital Fee, Activities Fee and Technology Support Fee. (**Note: The College Service Fee is non-refundable**).

  - Summer Refund Schedule
  - Fall Refund Schedule
  - Winter Refund Schedule
  - Spring Refund Schedule

  - Official Drop from courses **following** the add/drop period.
    - o Refunds are based on the actual withdrawal date.
    - o Refunds Tiers are based on percent completion of a term, and will vary.
    - o Refunds will be processed according to the following semester Refund Schedule(s)

To determine your refund: 1) Find the corresponding Start and End date for your course(s) on the semester chart above. 2) Find the official date of your withdrawal or drop within the date ranges of the Refund Tiers.

- Official Drop period ends with the last day of the available refund. Following this date official Withdrawal period begins.

All Title IV aid recipients, who completely withdraw from classes at or before the 60% point of the semester, will have a calculation performed to determine the amount of unearned aid that must be returned. Based on the withdrawal date recorded in the Registrar's Office, we determine how many calendar days a student has attended in the semester. We divide the calendar days attended by the calendar days in the semester to get the percentage completed. Total disbursed aid is then multiplied by this percentage completed to determine earned aid. If earned aid is less than disbursed aid, we must perform another calculation to determine how much of the unearned aid has to be returned by Bucks County Community College and how much has to be returned by the student. Once the amount of unearned aid that needs to be returned is determined, it must be returned to the Title IV aid programs in the

following order:

- Unsubsidized Federal Direct Loans
- Subsidized Federal Direct Loans
- Federal Perkins Loans
- Federal Direct PLUS Loans
- Federal PELL Grant Program
- FSEOG Program
- LEAP (if known Title IV)

Military Duty Tuition Refund

A student unable to complete any semester by virtue of being called to Military Reserve Duty, other than a training obligation scheduled prior to the beginning of the semester, shall be granted, at his/her option, a complete drop or complete withdrawal or an incomplete for all courses in that semester. A student dropping all courses will receive a 100% refund, including fees. A student withdrawing will receive no refund. A student electing incompletes will be expected to complete courses within the time frame and policy prescribed by college policy. A student receiving financial aid or veteran benefits may be required to elect a particular option in accord with established policies.

Tuition Appeals

No refunds will be made after the first week of the semester (or equivalent during summer sessions or modular courses).

The tuition appeal policy is applicable to all students enrolled in credit courses.

The college recognizes that there may be extenuating circumstances that can prevent a student from dropping classes by the refund date. An appeal for tuition refund may be filed if a student was unable to attend courses registered in the current semester due to medical, personal, or employment-related situations that were beyond the student's control.

The Tuition Appeal form must be completed in its entirety and submitted to the Office of Enrollment Services. The deadline to submit the form is the last day of the semester in which the course enrollment is being appealed.

Related form and procedures are available on the [college website](#).

Indebtedness to the College

The College uses a standard collection process for unpaid indebtedness to the College. In addition, student official transcripts are withheld and the College will deny registration and readmission to students who:

1. are indebted to the College.
2. have failed to return books or equipment loaned to them.

Payments of Tuition and Fees

Students are expected to pay all tuition and fees due at the designated time(s) before classes begin each semester. Failure to pay or attend classes neither cancels registration nor reduces the amount due. To have courses and charges removed, submit written and signed notification to the Admissions office by the deadline. Deadlines are published in the credit course brochure each semester.

Students may pay by cash, check, or credit card at the Student Accounts office, in the Linksz Pavilion, during regular business hours.

Any checks returned to the College for insufficient funds will be assessed a return check fee in the amount of $25.

Tax Credits

American Opportunity Credit
For students in their first four years of higher education. Maximum annual credit is $2,500 for qualifying educational expenses.

For more information, consult a tax professional or visit https://www.irs.gov/credits-deductions/individuals/aotc.

Lifetime Learning Credit
For those beyond the first two years of college, or taking classes part-time to improve or upgrade their job skills, up to $2,000 credit per tax return can be taken. The credit is available for net tuition and fees (less grant aid) on a per-taxpayer (family) basis. Like the Hope tax credit, higher-income families are not eligible.

For more information, consult a tax professional or visit www.irs.gov/publications/p970.

Tuition, Fees and Expenses for Current and Upcoming Academic Years

Payment arrangements for Summer 2020, Fall 2020, and Winter 2021 must be made at the time of registration.

(Not applicable at registration) Allow an average of $100 per course

Chef Apprentice Courses
Students enrolled in certain chef apprentice courses will incur additional expenses listed here.

Music Instruction & Studio Art Courses
Students enrolled in certain music and art courses will incur additional expenses listed here.

Nursing & Medical Assistant Courses
Students enrolled in certain nursing and medical assistant courses will incur additional expenses listed here.

Online (Distance Education) Courses
There are no special charges for students in online courses. Some courses, do, however, require proctored testing. Proctored testing is available free of charge at the Upper, Lower, and Newtown Campuses. If the College's testing facilities are inaccessible to you, an instructor may offer you the option of proposing an alternative proctor. Most proctors charge for this service; fees vary and are the responsibility of the student.

Payment Options
View your payment options here.

Returned Check Fee
Students whose checks are returned to the College because of insufficient funds will be assessed a bad check fee of $25 for each occurrence.

Science Courses
Students enrolled in certain science courses will incur additional expenses listed here.

Music Instruction/Studio Art Supplies
Students enrolled in the following courses will incur an additional expense. Any expenses
not listed will be the responsibility of the individual student.

- Fine Arts Course Fee.
- Lesson Fee: a charge for individual music lessons for music majors only.

All tuition and fees are due and payable at time of registration.

Financial Aid

Financial aid is any grant, scholarship, loan or employment opportunity with the express purpose of helping a student meet educationally-related expenses while attending college. During the 2018-19 academic year, approximate 3,544 students received some form of

financial aid. The total amount of financial aid received by these students exceeded $ 16.2 million.

Financial Aid Office

The Financial Aid Office is located on the first floor of the Linksz Pavilion. Office hours are 8:30 a.m.to 4:30 p.m. Monday through Friday, during the Fall and spring Semesters.

FASTWEB

A Financial Aid Search Through the WEB and Internet Scholarship Search

Application Deadlines

Financial Aid Applications are accepted at any time during the year, with preference given to applications received by May 1st for students entering in the fall semester and by November 1st for new students entering for the spring semester.

Applications received after these dates will be considered Late Applications and will be reviewed after all on-time applications have received consideration. Late awards are dependent upon available funds.

If you apply by the above dates, properly complete the application, and we need no additional information or verification, you will be notified of your eligibility status prior to the start of the semester(s). If verification is required, additional information may be requested including a verification form and tax returns. The student must comply with verification requirements before any financial aid is processed. If corrections are required as a result of verification, the Financial Aid Office can make changes to a student's federal record electronically. If changes are made electronically, the Financial Aid Office will receive the corrected electronic ISIR.

Application Forms
Students applying for financial aid **MUST** complete:

- a Free Application for Federal Student Aid **(FAFSA)**. (Bucks County Community College's federal school code is 003239.)

In addition to the FAFSA form all students interested obtaining a Federal Direct Loan, must complete:
- A Master Promissory Note
- A Loan Entrance Counseling Session
- A Loan Request form

Parents wishing to borrow a PLUS loan, must complete:

- PLUS Master Promissory Note
- Credit Application
- Plus Loan Request Form
- Entrance Counseling is required for PLUS borrowers, it is recommended for all to complete.

PHEAA STATE Grant Program may request additional information from any student who would like to be considered for a PHEAA State grant.

Eligibility

Eligible students are notified by mail. The majority of awards are made during the months of May, June, July, and August for students entering for the fall semester, and November and December for students entering for the spring semester. Eligible students receive a Financial Aid Award Letter, outlining awards being offered, and terms and conditions of the awards. Most awards are based upon financial need, and eligible students generally are awarded a combination of types of awards, referred to as a "financial aid package." This "package" is usually a combination of grant/scholarship, loan, and work-study opportunities. You may also view your financial aid package using the WebAdvisor.

Non-eligible students are notified in writing of the reasons why aid was refused, and may appeal this decision by directing a request for reconsideration, in writing, to the Financial Aid Office.

Please contact the Financial Aid Office with any questions.

Sample Budget

A sample budget, used for financial aid purposes during 2019-2020, for an in-county commuter student living with parents, enrolled at 14 credits per term is listed below:

Tuition and Fees	$5,706
Room and Board	$1,500
Books and Supplies	$1,700
Transportation	$2,970
Personal Expenses	$1,350
TOTAL	$13,226

General Application Eligibility Criteria

To apply for assistance, students **MUST**:

- be U.S. citizens or permanent residents;
- provide the BCCC Office of Admissions with either an Official Final High School Transcript or Official GED Test scores;
- be enrolled or planning to enroll for at least six (6) credits for most programs; Federal Pell Grant eligibility has been extended to less than half-time students;
- be enrolled in a major on a degree-seeking basis leading to an Associate of Arts Degree or Certificate offered by the College. (NOTE: Students enrolling on a non-degree seeking basis are not eligible for financial aid. Some

financial aid programs will not cover the College's Certificate Programs. Contact the Financial Aid Office for details.)

- not be in default status on a previously secured student loan;
- not owe a refund due to an overpayment received from a federal or state student aid program;
- be making satisfactory academic progress.

Verification

If the student is selected for verification, a school's financial aid administrator must confirm the information the student reported on the FAFSA is accurate. This is completed by requesting the appropriate information the student and their family used to complete the FAFSA. Usually this is done by requesting tax information filed by the student and, if applicable, by the student's parent(s) or spouse. At Bucks we also require students selected to provide a Verification Form as well. A student selected for verification will be sent an letter requesting the information that is needed to complete this process. Failure to provide verification documents within the specified time frame will result in deactivation of their financial aid file, and no further processing will take place. If documentation is received after a student's file was deactivated, the file will be reactivated and processed, providing there is adequate time for delivery of aid and if funding is available.

Reminder to all students selected for verification. We are no longer able to accept paper copies of you and your spouse's or parental tax returns. We can only accept an IRS Tax Transcript for verification purposes. See link below on suggested ways to request your transcript. We still suggest that you retain copies of all your federal tax documents including tax returns, W-2 forms, 1099 forms, and any schedules submitted with your tax return in case of discrepancies. In addition to tax information, you may also be required to submit proof of separation/divorce, marriage licenses, Social Security ID, birth certificates, driver's license, and proof if you are a non-citizen or other legal documentation as requested to verify conflicting information. Please note that tax documentation may not be required if your FAFSA Application was completed using the IRS Data retrieval tool when you filed. Other verification documents will still be requested from you and your spouse, or parents. Please visit [IRS Tax Transcript Request Instructions](#) for more information.

Enrollment Status

Eligibility for financial aid awards is contingent upon enrollment status throughout the semester. Some programs require students to maintain full-time status. Other programs require that students maintain at least half-time enrollment. In most cases, award amounts are dependent upon enrollment status. Adjustments in enrollment status either between or during semesters will result in adjustments to award amounts or cancellation of awards.

Auditing a Course

Students attending college and Auditing a course are not eligible to receive financial aid. Students must be enrolled in credit courses and receive a grade. Students that enroll as "Audit" do not receive a grade that will be applied towards the completion of their degree and therefore, Audit course(s) cannot be counted in awarding financial aid.

Satisfactory Academic Progress

To continue to be eligible for financial aid, a student is required, by federal regulations, to maintain satisfactory academic progress during study he or she is pursuing. This policy was written to comply with current federal regulations and became effective in July 2011 updated June 2014.

1. A student's academic progress will be checked at the end of each semester. All prior semesters are reviewed whether a student has received financial aid during each semester.

2. Students who have attended Bucks County Community College for less than (2) two academic years must maintain a grade point average which complies with the following scale:

   Credits Attempted G.P.A.
   Includes "F" grades, Withdrawals (W) and Incompletes (I) and Transfers (TR)

0-8	no minimum
9-16	at least 1.00
17-30	at least 1.60
31-45	at least 1.75
46 or more	at least 1.85

3. Once a student attends Bucks County Community College for two (2) academic years* a student must have a grade point average consistent with graduation requirements. A grade point average that is considered to be consistent with graduation requirements is at least 2.00.
   * For example, a student who attends fall 2017, spring 2018, summer 2018 and fall of 2018 has attended two (2) academic years for purposes of this policy. (Combined summer sessions will be treated as one semester.)

4. In addition to the GPA requirement, a student must successfully complete sixty-seven (67%) (PACE) percent of cumulative attempted credits during their enrollment at the College. Total credits attempted include grades of F, Withdrawals (W), and Incompletes (I) and Transfer Credits (TR).

5. Once a student attempts more than 150% of the credits that it normally takes to complete his/ her program of study, he/she is no longer eligible for financial aid. Exceptions may be made for students who have changed their major. If a student wishes to be considered for such an exception, the student must complete an appeal form in the Financial Aid Office. If an exception is made to the maximum time frame for a student, due to a change in major, the Financial Aid Office will notify the student of the academic plan which must be followed.

6. Repeat courses will be counted towards total credits attempted and total credits completed for determining the required 67% credit (PACE) completion rate referred to in item #4 of this policy. Repeat courses will also be counted towards the 150% maximum credit limit referred to in item #5 of this policy. Financial Aid can be applied only once to repeat any course, where the student has received a passing grade of "A", "B", "C" and "D. Students who have failed "F" or withdrew from a course "W" in any previous attempts are not restricted by this one repeat limit. Finally, the grade earned by retaking a course is the grade, other than W, that is counted in the cumulative grade point average. For more information please review Repeated Coursework.

7. If lack of academic progress results from either the death of a relative of the student, an injury or illness of the student, or other special circumstances, this policy may be reconsidered on a case-by-case basis. For special consideration, a student must complete an appeal form in the Financial Aid Office. If granted, an appeal the student must adhere to all terms of appeal; failure to comply will terminate this exception and student will no longer be eligible.

8. Students not meeting the satisfactory academic progress requirements according to federal regulations, defined as qualitative (GPA) and quantitative (PACE) may be reinstated for financial aid once they have regained their eligibility as noted on the "no progress" letter sent to students. In addition, they must also meet the grade point average requirement referred to in item #2 of this policy.

9. Federal regulations permit financial aid to be awarded for no more than 30 semester hours of remedial coursework. Once a student has attempted a total of 30 semester hours of remedial courses, no additional remedial courses will qualify for financial aid. English as a Second Language (AESL) courses are exempt from the remedial course limit. Remedial courses will be counted as attempted credits and calculated into the GPA. The PHEAA State Grant has other remedial requirements. Please see the rules and regulations in the PHEAA Grant eligibility notice provided to you with your state grant award notice.

10. Students who have been granted an "Academic Restart" approval. Please note: The granting of an academic restart does not automatically constitute eligibility for financial aid. Students must complete a Financial Aid Academic Progress Appeal Form that will be evaluated by the Financial Aid Staff and eligibility notification will be sent to the student.

11. Satisfactory Academic Progress also includes following the prescribed coursework of the student's current program of study. Students should note that the majority of courses they are enrolled in for each semester must apply toward their major at Bucks. This information can be found in the Progress tab in Self-Service Student Planning.

Class Attendance

To be eligible to receive financial aid, students must be attending class(es)on a regular basis. *Failure to attend classes is not considered to be an official withdrawal from class(es) or the College*. It is the student 's responsibility to notify the Admissions Office of intent to withdraw from class(es) or the College. Students who stop attending class(es), but fail to notify the Admissions Office, will be required to repay any financial aid refund received to cover educational expenses during the time of non-class attendance.

Enrollment in a study abroad program approved for credit may be considered enrollment at Bucks County Community College for the purpose of applying for Title IV assistance. Please contact the Financial Aid Office for further information.

Students Convicted of Possession or Sale of Drugs

A federal or state drug conviction can disqualify a student for Federal Student Aid (FSA) funds. The student self-certifies in applying for aid that he is eligible; the Financial Aid Office is not required to confirm this unless there is conflicting information.

Convictions only count if they were for an offense that occurred during a period of

enrollment for which the student was receiving Title IV aid; they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when she was a juvenile, unless she was tried as an adult.

[Financial Aid Penalties for Drug Violations](#)

Withdrawal from the College

Financial aid recipients withdrawing from the College should contact the Financial Aid Office. This will ensure that all matters regarding financial aid awards, refunds, and student loan obligations are taken care of prior to leaving the College. It is the policy of Bucks County Community College not to grant leaves of absence. Students are considered to be withdrawn at the time they are no longer in attendance.

A student will be considered an unofficial withdrawal if such student receives financial aid and fails to earn a passing grade in at least one class in which he/she was enrolled. In this case, the Financial Aid Office will perform a Return to Title IV calculation and remove any unearned financial aid received by the student. If the removal of unearned financial aid results in an outstanding balance, the student will be unable to re-enroll until such time that the outstanding balance has been paid. Students not contacting the Financial Aid Office will be billed for any unearned financial aid received, and will be unable to re-enroll until such time that the resulting balance has been paid. Students with Federal Perkins Loans (formerly National Direct Student Loans), Nursing Health Professions Student Loans, and Federal Stafford Loans (formerly Guaranteed Student Loans) must contact the Financial Aid Office so that exit counseling can be conducted.

Please contact the Financial Aid Office if you are interested in receiving information regarding exit counseling required to be provided to student borrowers of a Federal Stafford Loan or Federal Perkins Loan. You may also contact the Financial Aid Office to receive terms and conditions of deferments of loans for service in the Peace Corps, under the Domestic Volunteer Service Act of 1973 or comparable volunteer service for a tax-exempt organization of demonstrated effectiveness in the field of community service. Finally, you may request, from the Financial Aid Office, information regarding the terms of any loans received, sample loan repayment schedules and the necessity for repaying loans.

Return to Title IV Refund Policy

All Title IV Aid recipients, who totally withdraw from classes at or before the 60% point in the semester, or if they have all "F" grades at the end of the semester, or if the student has a combination of grades including any "I" Incompletes will have a calculation performed to determine the amount of unearned aid that must be returned. Based on the withdrawal date recorded in the Registrar's Office or the last date of attendance recorded by the instructor, we determine how many calendar days a student has attended in the semester. We divide the calendar days attended by the calendar days in the semester to get the percentage completed. Total disbursed aid is then multiplied by this percentage completed to determine earned aid. If earned aid is less than disbursed aid, we must perform another calculation to determine how much of the unearned aid has to be returned by the college and how much has to be returned by the student. Once the amount of unearned aid that needs to be returned is determined, it must be returned to the Title IV aid programs

in the following order:

- Unsubsidized Direct Stafford Loans (other than PLUS Loans)
- Subsidized Direct Stafford Loans
- Federal Perkins Loans
- Federal Direct PLUS Loans
- Federal PELL Grants for which a return of funds is required
- Academic Competitiveness Grants for which a return is required
- Federal Supplemental Educational Opportunity Grants (SEOG) for which a return is required
- Iraq and Afghanistan Service Grant for which a return is required

Payment of Financial Aid Awards

The College pays all financial aid scholarship, grant, and loan awards by direct credit to student accounts on a semester basis. Payments are credited to the student accounts after they have been awarded. Students must have returned all required forms as requested to be awarded. Payments are not applied or credited until after the refund period has ended for the regular semester. Enrollment in Modular courses may delay the payment of your aid, as students must be in attendance before payments can be made for the semester. Dropping credit hours and/or course withdrawal may result in the revision or cancellation of financial aid awards.

You may be able to charge your books if you have financial aid awards in excess of the amount needed to pay your tuition and fees. You can now view Financial Aid **Bookstore Voucher** information on MYBUCKS Financial Aid Self Service: http://bucks.edu/mybookfunds. Navigate left-Click Financial Information then-MyBookstore Available Funds. If this code appears on your account and you are **currently enrolled**, you can go to the Bookstore and purchase your textbooks. The notice will appear the day before the first day of the semester. You can purchase books using this virtual voucher starting the first day of the semester. *There is no physical voucher. Bookstore staff will look up your virtual voucher balance in our database*.

Remember that a photo id is required, and you have a designated time frame to use your voucher (typically the first 2 weeks of the regular semester). Vouchers expire as the payment process begins for the full traditional semester.

Financial Aid Refunds

Financial aid awards in excess of the amount needed to pay any outstanding balance owed to the College are refunded directly to students. Late financial aid awards are processed as soon as administratively possible. Late refund checks are issued to students throughout the processing year. In general, students can expect to receive their refund check within 14 days of the date their financial aid is paid to their student account, assuming that classes have started, the refund period has ended and there is no change in their enrollment or other eligibility criteria.

Change in Financial Circumstances

Students and/or parents who have experienced an unexpected reduction in income may complete a Special Condition Form with the Financial Aid Office. You must provide

additional documentation such as tax returns, pay stubs, W2 forms, etc. Students/parents will be notified of the outcome in writing.

Reapplication for Financial Aid

All students must reapply for financial aid each year. New applications are generally available each January for the ensuing academic year. Students who have received financial aid during one academic year will automatically receive a federal renewal application. Preference is given to applications received by May 1st for the fall semester and November 1st for students entering in the spring semester. Applications received after the deadlines are processed as soon as administratively possible, dependent upon available funding.

Job Location Program

Students who are interested in securing part-time jobs during the semester are encouraged to contact the Job Location Coordinator in the Financial Aid Office, Newtown Campus. Students eligible for the Federal Work-Study Program may be placed in open positions within a few days. Although most of the open positions are filled at the beginning of each semester, a number of openings become available each month. Students not eligible for a part-time job through the Federal Work-Study Program will be referred to other College departments assisting the students with job location while enrolled. For additional information, schedule an appointment to see the Job Location Coordinator or Financial Aid Office.

Please contact the Financial Aid Office if you are interested in receiving our informational brochure on the Federal Work-Study Program, which outlines general conditions and terms applicable to the FWS Program.

You may view the current listings for the [Federal Work-Study Program](#).
This website will allow you to search for Federal Work-Study positions and other employment opportunities outside of the college.

Bucks Financial Aid Programs

The College participates in all major federal and state financial aid programs. Descriptions of the various programs, including eligibility requirements, application procedures, and possible award amounts are summarized below. Award amounts and eligibility requirements are subject to change by state and federal legislation.

Contact the Financial Aid Office at Bucks to secure application forms. If possible, pick up the forms in person. For those unable to come to campus, the forms can be mailed. However, mailing will delay the application process at least two weeks. The FAFSA can be completed online at [www.fafsa.gov.](#)

FEDERAL PELL GRANT

SOURCE

Federal Government Program

WHO IS ELIGIBLE TO APPLY

Applicants must be:

1. U.S. citizens or permanent residents.
2. Enrolled or planning to enroll for at least six (6) credits, half-time status.
3. Federal Pell Grant eligibility is extended to less than half-time students.
4. Enrolled in a major on a degree- seeking basis.
5. Not in default status on a previously secured student loan.
6. Making "satisfactory academic progress."
7. A recipient of a high school diploma or a high school equivalency diploma (GED).

AWARD AMOUNTS

Yearly amounts range from $500 to $5,775 at Bucks. (Dependent upon eligibility and enrollment status.)

HOW ELIGIBILITY IS DETERMINED

Eligibility is based on the federal methodology needs analysis, student's enrollment status, and cost of attendance.

HOW TO APPLY

Complete a Free Application for Federal Student Aid (FAFSA). Renewal students should receive a renewal FAFSA automatically. The FAFSA can be completed on-line at www.fafsa.gov.

Eligibility is determined by the school, based upon certification information provided by BUCKS. Eligibility is based upon cost of education, expected family contribution, and other financial resources received by the student.

HOW TO APPLY

1. A Free Application for Federal Student Aid (FAFSA)/Renewal FAFSA
2. Loan Application or Master Promissory Notes may be completed at www.Studentloans.gov
3. Entrance Counseling session must be completed at www.Studentloans.gov
4. A Loan Request Form is available from the Financial Aid Office, on the web under Additional Financial Aid Forms
5. PLUS Loan Credit Applications can be completed at www.Studentloans.gov

FEDERAL PLUS LOAN

SOURCE

Federal Government

WHO IS ELIGIBLE TO APPLY

Parents of dependent undergraduate students. Students must enroll at least half-time.

AWARD AMOUNTS

Loan amount may not exceed cost of attendance minus financial aid student received.

HOW ELIGIBILITY IS DETERMINED

Eligibility is determined by the school, based upon certification information provided by BUCKS. Eligibility is based upon cost of education, expected family contribution, and other financial resources received by the student.

HOW TO APPLY

1. A Free Application for Federal Student Aid (FAFSA)/Renewal FAFSA
2. Loan Application or Master Promissory Notes may be completed at www.Studentloans.gov
3. Entrance Counseling session must be completed at www.Studentloans.gov
4. A Loan Request Form is available from the Financial Aid Office, on the web under Additional Financial Aid Forms
5. PLUS Loan Credit Applications can be completed at www.Studentloans.gov

HAPP-GROVER FUND OF THE BUCKS COUNTY FOUNDATION

SOURCE

Happ-Grover Fund of the Bucks County Foundation

WHO IS ELIGIBLE TO APPLY

Students enrolled on at least a half-time basis who are from the Central Bucks County School District.

AWARD AMOUNTS

Yearly awards range from $200 to $1,000.

HOW ELIGIBILITY IS DETERMINED

Eligibility is based on federal methodology needs analysis, student's enrollment status, GPA, and residence in the Central Bucks County School District. Final eligibility is determined by the Financial Aid Office.

Other Financial Aid Programs

The College participates in all major federal and state financial aid programs. Descriptions of the various programs, including eligibility requirements, application procedures, and possible award amounts are summarized below. Award amounts and eligibility requirements are subject to change by state and federal legislation.

Contact the Financial Aid Office at Bucks to secure application forms. If possible, pick up the forms in person. For those unable to come to campus, the forms can be mailed. However, mailing will delay the application process at least two weeks. The FAFSA can be completed on-line at **www.fafsa.gov**. The state of Pennsylvania offers a variety of grant opportunities through the PHEAA- Pennsylvania Higher Education Assistance Agency Special Programs, funding and availability is determined through PHEAA please check their website at **www.pheaa.org** for information regarding these special programs.

PHEAA GRANTS

Pennsylvania Higher Education Assistance Agency Grants

SOURCE

Commonwealth of Pennsylvania

WHO IS ELIGIBLE TO APPLY

Students enrolled on at least a half-time basis (at least 6 credits) enrolled in majors leading to the A.A. Degree.

NOTE: *One-year Certificate Programs are ineligible according to State Regulations.*

AWARD AMOUNTS

Yearly grants are based upon a percentage of tuition

HOW ELIGIBILITY IS DETERMINED

Awards are determined by a State formula based on financial need.

HOW TO APPLY

Complete the Free Application for Federal Student Aid (FAFSA)/Renewal FAFSA and the PHEAA State Grant Application is available on the Web at www.pheaa.org.

Scholarships

View the complete listing of the [Foundations scholarships available](). There are also scholarship opportunities on www.fastweb.com which is a free scholarship search engine and can be found as a link on the Financial Aid homepage. There are other free search engines available that students can also use; beware of any scholarship searches that require a fee.

Dean's Academic Scholarships

A limited number of Dean's High School Academic Scholarships are available. Applicants must meet the following requirements at the time of application: Be a legal Bucks County resident and have applied for admission to BCCC by May 1, of the current year. Possess a minimum 3.0 high school GPA, be accepted for and maintain full-time enrollment for the Fall and Spring semesters, and have graduated from high school by June of the current year. A recipient must continue to make Satisfactory Academic progress once enrolled, and maintain a minimum cumulative GPA of 3.0 to receive the second installment for the Spring. Details and application can be found on:
http://ac.bucks.edu/apps/scholarship/listing/credit/browse/.

Registration Guidelines

Course Registration

For Continuing/Returning Students
Dates for course registration are announced by the Registrar's Office. Currently enrolled students are sent priority registration information from that office. Dates and locations for registration are also published in each semester's registration brochure and at www.bucks.edu/register.

Before course registration, students are encouraged to meet with an appropriate academic advisor. Please see the section below titled Academic Advising and be sure to note the steps on how to prepare for the advising appointment prior to course registration.

For New Students

Registration for new students who have been formally accepted to the College begins as early as May for the fall semester or December for the spring semester. Upon completion of placement testing, students are directed to sign up for an academic advising and registration group session appointment.

Late Registration
Late registration has been discontinued.

Students must register no later than two (2) days before the start of the term. For course-sections which begin later in the term, students must register at least two (2) days before the start-date of the section.

Academic Advising

Academic Advising assists students with setting educational goals, planning how to achieve those goals, and making informed decisions on matters related to academic success.

The advisor is a source of information about institutional policies, procedures, and programs, and helps students use College resources for integrating academic pursuits with personal and vocational goals.

It is best to meet with advisors well before course registration periods so that adequate time and attention can be devoted to student concerns, apart from the urgency of registration itself. Advisors are prepared to assist students in considering career choices, transfer of courses, selection of transfer colleges, major requirements, and course choices.

Advising Requirements

For enrolled degree-seeking students, Advisor approval is required in order to register for fall and spring courses.

Obtaining Advising

Students are encouraged to seek advising from Faculty Advisors in their academic field of study. In October and March of each semester, enrolled students will be assigned to a faculty advisor. Students are asked to connect with their advisor during the fall or spring semester in order to discuss course progress.

In order to prepare for the advising discussion, students should become familiar with required courses for their program of study and prepare a trial schedule of classes for the upcoming semesters.

Choosing Courses

Course Scheduling

Courses are offered at a variety of campus locations, times, days, and modalities. Students may need to schedule courses during other than morning hours. The large number of students, a limited number of classroom and other instructional spaces, parking, and food service capacities combine to make it impossible for all students to attend the College during the popular morning hours. Courses, therefore, are also scheduled during afternoon and evening hours and on Saturdays, and are open to all students. In addition, courses are offered through online learning.

Course Selection

The ultimate responsibility for course selection rests with the student. The Advisor's function is to help the student identify degree/course requirements, alternatives, and to evaluate options.

Self-Service Student Planning is the most convenient way for students to find available courses at times and locations convenient to them.

Prerequisites

A prerequisite is a course condition or requirement which must be met before enrolling in a course. Students are not permitted to enroll in a course without first satisfying the prerequisite. Courses requiring prerequisites are so noted in the College Catalog and course schedules. Requests for a waiver of prerequisites are considered by Assistant Academic Deans.

Corequisites

A corequisite is a course which is required to be taken simultaneously with another. For example: Preparatory Chemistry (CHEM100) must be taken in conjunction with College Algebra (MATH120).

Master Course Outline

A copy of the syllabus for each course offered by the College is available for reference by students in Department offices, the Office of the Provost/Dean, Academic Affairs, the Library and online.

Course Syllabus

Every instructor is required to distribute a course format to students in a class. The course format contains information on the teaching methods to be employed in the class, student evaluation criteria and devices, required instructional materials, and other information pertinent to the organization and conduct of the class.

Student Schedules

A student's schedule is available in Self-Service or may be requested through the Registrar's Office

Identification Cards

Identification Cards are required for all full-time and part-time students. Cards are issued by the Library and will be used for library and equipment check-out, as well as for admission to College activities. Loss of the I.D. Card should be reported immediately to the Library. There will be a replacement fee charged to reissue an I.D. Card.

Placement Testing

Effective May 20, 2020: Out of an abundance of caution and in compliance with the CDC's social distancing guidelines, Bucks County Community College is temporarily moving to a remote testing solution for placement testing. Students will be able to test at home through their own computers. For the Math Placement Test, a webcam, microphone, and desktop or laptop computer are required for this test. ***If you only have access to a Chromebook or iPad, please contact Testing at testing@bucks.edu for alternate***

instructions. Students must first apply to the College. Instructions for testing will be sent in their acceptance letter.

IF YOU HAVE ALREADY BEEN ACCEPTED TO THE COLLEGE AND NEED TO TEST, PLEASE EMAIL TESTING@BUCKS.EDU FOR INSTRUCTIONS.

However, AESL students must contact aeslcoordinator@bucks.edu for more information on placement testing options, advising, and registration.

New processes for prerequisite approval via transcripts from another college for guest and transfer students are posted on the Registrar resource page.

If you have any questions regarding the placement tests you are required to take, testing waivers, or the next steps in the enrollment process, please email info@bucks.edu.

If you have questions regarding the tests themselves, you may speak to Testing Center staff during Testing Center Office Hours. Staff will be available to assist with any Placement Testing questions. Due to demand, there may be a wait before staff can speak with you. Please be patient.

For the Testing Center Office hours schedule, please visit our Testing Center Office Hours schedule.

*** PLEASE CONTACT THE STEM DEPARTMENT AT STEM@BUCKS.EDU FOR QUESTIONS ABOUT CHEMISTRY PLACEMENT TESTING***"

As of the 2007 Spring Semester, Placement Testing is required of all incoming students at Bucks (students enrolling at Bucks for the first time). Students who were enrolled at Bucks prior to the 2007 Spring Semester are still under the previous rules, with Placement Testing required of all full-time students, and part-time students before registering for their 16th credit. These tests include:

The Writing Sample, used to determine English course placement, is required of all students who are planning to register for English Composition I (COMP110) or Business Communication (MGMT135).

The Mathematics Placement Test is used to determine the level at which a student is best prepared to begin the study of mathematics. The test is adaptive, which means that the computer automatically determines which questions are presented to the student based on responses to prior questions.

The Reading Placement Test measures vocabulary and comprehension.

The Chemistry Placement Test measures comprehensive, basic chemical vocabulary and math applications. The Chemistry Placement Exam is only required for students planning to enroll in CHEM121.

American English as a Second Language. Students for whom English is their second language should take the *American English as a Second Language (AESL)* placement test which consists of consists of a 45-minute writing sample, a grammar test, and a reading test. An oral interview will be required. Students must contact the AESL Coordinator, at 215-968-8018, for information on testing, advising and registering for classes.

Why are There Placement Tests?
The purpose of placement testing is to assess the level of student learning and skills for placement at the appropriate level in courses. If test results do not meet the standards of college-level courses, students are required to register in courses which help them to improve their learning and skills and increase their opportunity to succeed in college work.

Placement Testing Schedule
The placement tests are given on regularly-scheduled days and at other times when demand is adequate. For additional Placement Testing information and to view the Placement Testing Schedule visit
https://www.bucks.edu/academics/testing/placement/schedule/.

Placement tests may not be taken a second time unless permission is granted by the Academic Department.

Placement Test Scores
Test scores are entered on transcripts for College use but are removed from those transcripts sent to off-campus locations, such as other colleges or employers.

Test scores are valid for placement purposes for three years. If a student does not enroll in the College within three years, new placement scores will be required.

Who Must Be Tested

- **All applicants and re-applicants**
    - Whether applying for full-time or part-time status, unless you are in an exempt class, you will need to take placement tests.
- **Foreign college students**
    - Applicants with a degree or coursework from a foreign country's college or university need to take placement exams to align existing learning with the Bucks curriculum.
- **First-time Math and Chemistry students**
    - All students planning to enroll in their first college math course must take the Math Placement Test prior to registering for the class. All students planning to enroll in Chemistry 121 (Chemistry I) must take the Chemistry Placement Test prior to the beginning of class. No waivers will be given.
- **Current High School Students**
    - Students in the High School Enrichment Program must take the Reading, Writing and Math Placement Tests before you may register for any course unless you are in an exempt class. For more details about the high school enrichment program, please review High School Enrichment Program Information.
- **Summer Study**
    - Students taking summer courses for transfer to another institution **do not** need to take Placement Tests unless the course(s) they will be taking require a Placement Test score as a prerequisite. See course descriptions for prerequisite information. However, all of the above policies will be in effect if you plan to enroll for future Fall or Spring semesters.

Exemptions from Testing and Waivers. Individuals qualifying for an exemption from Placement Testing must complete the Form available through the following link: Waiver or Evaluation Form

- **Graduating Soon or Recent Graduates: 3.0 GPA or Higher**
  - Recent graduates who earn at least a 3.0 GPA in high school may be eligible for exemption from placement testing. If you will graduate from high school this year, or graduated within the last 5 years, and meet the GPA standard of 3.0 or higher, have your high school send an official transcript to the Registrar's Office.
- **Current High School Students: GPA Requirements**
  - If you are a high school junior with a 3.25 GPA or higher or a high school senior with a 3.0 GPA or higher, you may be eligible for exemption from placement testing. If you meet this standard, have your high school send an official transcript to the Registrar's Office.
- **Previous Success in the College Level Course**:
  - Students with previous college-level coursework, earned at a regionally accredited college or university in the United States, should submit a transcript, official or unofficial, from that institution for consideration of Placement Testing Waivers.
- **Senior Citizens:**
  - Students 65 years of age or older are exempt Placement Testing. However, they must take any Placement Test required as a prerequisite for a course in which they are planning to enroll.
- **Summer Study:**
  - Placement tests are not required for summer enrollment unless the course requires any/all placement tests as a prerequisite. See the Bucks Catalog listing of course descriptions for prerequisite. For more information about Guest Students visit admissions.

Questions regarding exemptions from Placement Testing can be directed to the Office of Admissions, at (215) 968-8100, waivers@bucks.edu.

Testing Accommodations
 If testing accommodations are necessary as a result of a physical or learning disability, notify the Accessibility Office, in advance, at 215-968-8182.

Use of Test Results
Depending upon placement test scores, students may be required to enroll in one or more of these courses:

AESL081 - Writing Fundamentals for International Students
AESL083 - Reading Fundamentals for International Students
AESL085: Oral Communication Fundamentals for International Students
AESL101 - Writing Skills for International Students AESL103 - Reading Skills for International Students
AESL105 - Oral Communicative Skills for International Students
READ090 - Introduction to College Reading
READ110 - College Reading and Study Strategies
COMP090 - Basic Writing COMP107 - Introduction to Rhetorical Skills
MATH090 - Pre-Algebra
MATH095 - Basic Algebra
CHEM100 - Preparatory Chemistry

Students who test into the above courses should complete them as quickly as possible at a required rate of no less than one per semester of enrollment.

Placement Test Results

READING PLACEMENT

Score	Required Reading Course
Level 1 (ESL)	AESL103 Reading Improvement for International Students (a required course, must be taken the semester immediately following the test)
Level 1	READ090 Introduction to College Reading (a required course, must be taken the semester immediately following the test)
Level 2	READ110 College Reading and Study Strategies (a strongly recommended course but not required)
Level 3	No Reading Course Required

- Students with a Level 1 Reading score are limited in their enrollment to certain courses until they pass READ090 with a grade of C or better. Students who take READ090 must also successfully complete READ110 with a grade of C or better in the subsequent semester. All academic advisors have the list of currently approved courses for READ090 students. Students enrolled in AESL103 must next register for READ090 unless they take the placement reading test at the end of AESL103 and score at Level 2 or 3. Students must pass READ090 with a grade of C or better and a placement score of Level 2 or 3. Students enrolled in READ090 must next register for READ110 unless they take the placement reading test at the end of READ090 and score a level 3 and receive a C grade or better.
- Inquiries about the reading test, scores, or course placement should be directed to the Reading Coordinator in the Department of Language and Literature, 215-968-8133.

WRITING PLACEMENT

Score	Required Writing Course
	AESL081 Writing Fundamentals for International Students (students who score into AESL081 must also take AESL083, and AESL085)
	AESL101 Writing Skills for International Students (students who score into AESL101 are also required to take AESL103 and AESL105)
2	COMP090 Basic Writing
4	COMP107 Introduction to Rhetorical Skills

6	Depending upon major: COMP110 English Composition I or OADM110 Business Communication

- Students placed into AESL081 must complete with (grade C or better) AESL081, AESL083, and AESL085. Students placed in AESL101 must complete satisfactorily (C grade or better) AESL101, AESL103, and AESL105 in order to move on to other courses. Inquiries about AESL courses, AESL scores, or AESL course placement should be directed to the AESL Coordinator in the Department of Language and Literature, 215-968-8018. Students placed in COMP090 must complete the course with a C grade or better before they are permitted to register for COMP 107. Students placed in COMP107 must complete the course with a grade of C or better before they are permitted to register for COMP110 or OADM110.
- Each student planning to take COMP110 English Composition I or OADM110 Business Communication is required to write a multi-paragraph placement essay.
- Each essay will be read by two readers and scored 1 (lowest) - 6 (highest), corresponding to standards established by the Department of Language & Literature. A student who receives a 6 should take COMP110 English Composition I or OADM110 Business Communication, depending on major.
- Failure to write the placement essay means a student is not permitted to take COMP110 English Composition I or OADM110, Business Communication. If a student is required to take COMP090 or COMP107, registration for COMP110 or OADM110, Business Communication is not permitted until successful completion of the earlier writing course with a grade of C or better.
- Inquiries about placement test scores and course placement should be directed to the Department of Language & Literature, 215-968-8150.

MATHEMATICS PLACEMENT

Score	Entry Level Mathematics Course
1	MATH090 Pre-Algebra
3	MATH095 Basic Algebra
5	Depending upon major: MATH103 Intermediate Algebra or MATH110 Mathematics for Technology I or MATH101 Mathematical Concepts I or MGMT120 Business Mathematics
7	Depending upon major and previous coursework: MATH102 Mathematical Concepts II or MATH115 Elementary Statistics or MATH117 Finite Mathematics for Businesses or MATH120 College Algebra
8	Depending upon major: MATH118 Business Calculus MATH122 Trigonometry

9	Depending upon major: MATH125 Pre-Calculus
10	Depending upon major: MATH140 Calculus I

- In general, a Liberal Arts major could take either MATH101 or MATH102. Each course is independent of the other and either may be taken before the other.
- MATH117 is not a preparation for calculus. It is for students in majors in business, biology, information science, and social science.
- Students are not permitted to register for a course higher than the score level indicates but may register for lower level courses.
- Inquiries about the Math placement test or course should be directed to the Department of Science, Technology, Engineering & Mathematics, 215-968-8305.

CHEMISTRY PLACEMENT
- In order to enroll in CHEM121, students must take and pass the Chemistry Placement Exam irrespective of any prior courses they have taken or degrees they have completed.
- Inquiries about the Chemistry placement test or course should be directed to the Department of Science, Technology, Engineering & Mathematics, 215-968-8305.

Transfer of Bucks Courses to Other Schools

Decisions on the transferability of courses are made by the four-year colleges and differ from school to school. Transfer Services, 215-968-8031, offers materials and counseling helpful to students planning transfer.

Students should consult with Transfer Services as early as their first semester at Bucks rather than waiting until they are close to degree completion. Since policies and procedures may change at transfer institutions, students should maintain contact with Transfer Services and with their transfer school's admissions representatives during the course of their study at Bucks County Community College.

Course Audit

Students auditing courses are expected to attend classes regularly although they do not take examinations or receive a grade or credits for the courses. Standard tuition and fees are charged for audit registration. If space is limited, preference in registration will be given to those seeking academic credits.

Students wishing to audit the same course more than once must petition the Chairperson of the Department in which the course is offered for permission to register for the course. Under no circumstances, however, may the same course be taken for audit more than three times.

Students may register to audit courses or change their registration from audit to credit only during the specified drop/add period. Please note that if you audit a course you will not be eligible to receive financial aid for that course.

How to Make Changes after Registration

Changes of Curriculum

Students who wish to change their majors can do so using the online form. For questions about changing your major, please contact the Registrar's Office at 215-968-8100 or email registrar@bucks.edu.

Drop and Add

Each semester begins with a period when courses may be added or dropped with no grade being recorded. Students must use Self-Service Student Planning to drop and add courses, or submit the required forms to the Registrar's Office to have any changes officially recorded. Dates for this drop/add period (and related refund percentages) are published in each academic calendar.

Once the drop/add period ends for a semester, no further adds or late registration is permitted. Students may still withdraw from courses (with a grade of "W" recorded and no refund) until the date specified in the semester calendar. Any request to change to or from "audit" status must be submitted by the end of the drop/add period.

A course that begins later than the first week of a semester is known as a modular course. A modular course may be added no later than one day after its start date. Full refund for a modular course ends the business day before the course begins. Refund tiers for modular courses may be found on the Tuition Refund Policy page.

The drop/add period is intended to aid students in adjusting their schedules or courses due to unforeseen circumstances or academic considerations. Students are responsible for promptly completing missed assignments if they enter a course after it has begun.

Withdrawal

Instructor-Initiated. An instructor may withdraw students from courses for lack of attendance until the deadline for mid-term grades. Students will be notified by the Registrar's Office when an instructor has withdrawn them from a class(es). Students may appeal the withdrawal to the *Committee on Academic Performance* if they believe the instructor-initiated withdrawal is unjustified.

Student-Initiated. From the second week of classes (or its equivalent in modulars, summer and winter sessions) until the deadline for student-initiated withdrawal (see the College calendar for specific dates), students may withdraw from a course with a grade of W recorded on the transcript. The course instructor's signature is not required. No courses may be added. A grade of F will be given for withdrawals made after the deadline.

Failure to attend class is not an official withdrawal. Students who discontinue class attendance and who do not complete the official withdrawal procedures may receive a grade of F.

Students may withdraw from a course(s) by completing **the online [Withdrawal Form](#).** The withdrawal becomes effective the day that the Registrar's Office receives the form. It must be received before the deadline which is stated in the College calendar.

Withdrawal after the Deadline. Any student who needs to withdraw from class after the withdrawal deadline, as listed in the College Calendar, must provide evidence of the circumstances which require the late withdrawal. The student must file a petition for withdrawal with the Committee on Academic Performance. Petition forms are available online, in the Registrar's Office, and the Director's offices at the Lower and Upper Bucks Campuses. If the appeal is denied by the Committee, the student may not withdraw from class. If the appeal is upheld and the instructor agrees with the Committee's decision, the grade will be changed to a withdrawal.

No appeal for a change of a grade to W will be considered after three years have elapsed since the end of the semester or session in which the grade was received.

Students completely withdrawing from the College must secure a clearance from the Financial Aid Office prior to submitting a withdrawal form.

Veterans' Registration Policy

Veterans' Course Scheduling Preference Policy

GENERAL

Bucks County Community College, in support of those that have served our country, will grant Veteran Students course scheduling preference for credit courses. At Bucks, this means that Veteran Students who have been approved for this preference, have no outstanding obligations, and have met all academic advising obligations, will be allowed to register on a designated day(s) prior to the first day of Priority Registration for the general student population (usually mid-April for Fall registration and m id-November for Spring registration). This opportunity is extended to all *full-time and part-time* Veteran Students, as well as active duty service members, whether or not they are receiving education benefits. In addition, dependents and family members receiving education benefits under the appropriate GI Bill® are eligible for this program.

A Veteran Student is a student who:

- Has served in the United States Armed Services, including a Reserve Component and National Guard
- Was discharged or released from such service under conditions other than dishonorable

Course Scheduling Preference is defined as:
- A designated day(s) whereby veterans and/or active duty service members may register for upcoming courses *prior* to the time when registration is opened to the general student population and/or other select groups of students that qualify for early registration.

If a Veteran Student is enrolled in one of the college's selective admission programs, the veteran student will receive preference provided all other eligibility criteria are equal (for example: GPA, class status, etc.)

Act 46 of 2014 requires public institutions of higher education in Pennsylvania to provide veteran students, as define in the Act, with preference in course scheduling. Non-compliance may be reported to the Pennsylvania Department of Education by submitting the Higher Education Student Complaint form found at **www.education.state.pa.us**.

PROCEDURES

Veterans and/or their dependents or family members currently receiving benefits under the GI Bill® are automatically eligible to take advantage of priority registration and will receive an email alerting them to the priority registration dates. Additional notices will be posted on the website, in registration materials, in the catalog and in the Admissions, Records, Registration and Financial Aid Offices, as well as in other locations throughout the campus including the Veterans' Lounges on each campus.

Veterans who are not currently receiving benefits under the GI Bill® and active duty service members must complete the **Identification Form** for Priority Registration.

In order to exercise this benefit, a copy of this form, along with the Veteran's DD-214 or other discharge papers, or for active members, a copy of the active duty military ID, must be submitted to the Office of Admissions via one of the following methods:

- **Postal mail or in-person delivery** to: Bucks County Community College, Admissions Office, Linksz Pavilion, 275 Swamp Road, Newtown, PA, 18940
- **Email from your Bucks Student Email Account** to: **VAbenefits@bucks.edu**.

Students will receive confirmation of eligibility via their Bucks Student email.

Students will be directed to the Bucks website for a list of Priority Registration Dates.

Questions regarding this policy and/or procedures, should be directed to the Veterans' Coordinator.

Academic Policies

Grading System

Each instructor will explain the grading system used in a course. Students are responsible for obtaining a clear understanding of the system.

Grades	Numerical	Quality Points
A	90-100	4
B+	87-89	3.5
B	80-86	3
C+	77-79	2.5
C	70-76	2
D+	67-69	1.5
D Lowest Passing Grade 60-66		1
F Failure	Below 60	
PA Pass*	70-100	
NP No Pass*	Below 70	
W Withdrawn		

I Incomplete (A grade of F is automatically recorded if course work is not completed within thirty calendar days after the start of the following academic year semester.)

AU Audit

*The addition of PA/NP grades is applicable only for credit courses affected by the COVID-19 pandemic of Spring 2020. A grade of PA or NP is not included in the calculation of GPA.

Advisory Grades

At the third week and midpoint of each semester an S (Satisfactory) or U (Unsatisfactory) grade is reported for each student officially enrolled in a course. This grade is advisory only, indicates the quality of the work up to that point of the semester, and is not a permanent part of the academic record.

Satisfactory Academic Progress

To continue to be eligible for financial aid, students are required by federal and state regulations to make satisfactory academic progress towards the completion of their major.

To continue to receive financial aid from the federal aid programs, students must

adhere to the "Satisfactory Academic Progress" policy outlined in the Financial Aid section of this catalog.

To continue to receive financial aid from the Pennsylvania Higher Education Assistance Agency (PHEAA), state regulations require that students be in good academic standing and progress an academic grade level for each year of assistance received. For the PHEAA Grant Program, students must successfully complete (Grade A, B, C, or D) at least twenty-four (24) credits for each academic year of state grant that is received.

Course Load

A full-time course load is 12-18 credits. A part time course load is 1-11 credits. Students wishing to register for more than 18 credits in a semester must obtain approval for the overload from their academic advisor or the Department Dean.

Credit Hour Policy

All courses taken for credit at Bucks County Community College that are applied to completion of degree and certificate requirements must conform to applicable federal and state regulations concerning the assignment of credit hours.

Bucks County Community College adheres to the U. S. Department of Education (34 CFR Section 600.2) definition of credit hour as ... *an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:*

(1) One hour of classroom or direct faculty instruction and a minimum of two hours of out-of-class student work each week for approximately fifteen weeks for one semester or trimester hour of credit, or ten to twelve hours for one quarter hour of credit, or the equivalent amount of work over a different amount of time; or

(2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution, including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

Pennsylvania Department of Education regulations state *Degree requirements stated (in this section) may be stated in terms of semester credit hours or quarter credit hours, as determined by the institution and conforming to generally accepted academic practices* (PA Code §32.32.b), and require that each semester and session shall include no fewer than 750 minutes per credit of instruction. Further, according to PA regulations, *a semester credit hour represents a unit of curricular material that normally can be taught in a minimum of 14 hours of classroom instruction, plus appropriate outside preparation or the equivalent as determined by the faculty* (PA Code §21.21.b).

All semester/credits awarded by Bucks County Community College will conform to the definitions provided above.

Registration, orientation and final examination periods shall be in addition to the periods described above.

The semester credit hour is the basic unit of academic credit. One semester credit is equivalent to one 50-minute hour of faculty instruction time per week for 15 weeks, and a minimum of two hours of out-of-class student work per credit hour per week. Fall and spring semesters run for 15 weeks, which does not include registration, orientation, or final examination periods. Summer, winter session, and modular (accelerated) sessions are typically less than 15 weeks but adhere to the policy in terms of meeting time and the amount of work required.

Typical instructional times for a standard (15 week) academic semester are three 50-minute sessions, or two 75-minute sessions, or one 150-minute session. Typical instructional times for summer, winter session, and modular classes are increased, based on number of available weeks, to provide the same number of instructional minutes (i.e. 750 minutes per credit).

Lecture Courses

Credit Hours/Instructional Time/Student Work Time

Credits awarded	Minimum Instructional time per week	Minimum instructional time over 15 weeks	Minimum out-of-class student work time over 15 weeks	Total instructional time and out-of-class student work time over 15 weeks
1	50 contact minutes	750 contact minutes	1500 minutes	2250 minutes
2	100 contact minutes	1500 contact minutes	3000 minutes	4500 minutes
3	150 contact minutes	2250 contact minutes	4500 minutes	6750 minutes
4	200 contact minutes	3000 contact minutes	6000 minutes	9000 minutes
5	250 contact minutes	3750 contact minutes	7500 minutes	11,250 minutes

Laboratory, Studio and Clinical Classes

These are courses with a focus on experiential learning under the direct supervision of a College faculty member wherein the student performs substantive work in a laboratory, studio, or clinical setting. The courses require at least an equivalent amount of work as required in the U. S. Department of Education definition of credit hour (above). Laboratory, clinical and studio courses credit hours are

directed by requirements of accrediting agencies, course-to-course equivalencies with transfer institutions, and compliance with the Pennsylvania Transfer and Articulation Oversight Committee (TAOC).

Nursing clinical courses follow a formula of 3 contact hours per credit.

Studio art courses follow the formula required by the National Association of Schools of Art and Design (NASAD). All studio art courses meet a minimum of 4.5 hours per week in a 15-week semester.

STEM laboratory class ratios range from 1.3:1 to 2:1, depending on the course.

Credits are assigned per semester as follows

Class Format	Credits/Time
Lecture/Seminar	1 hour class instruction and 2 hours out-of-class student work time per credit per week
ELearning	1 hour contact instruction and 2 hours out-of-class student work time per credit per week
Nursing clinical	3 contact hours per credit per week
Studio art	4.5 contact hours per week
STEM lab courses	3-4 contact hours and 2-3 lab hours per week

Grade Changes and Challenges

The College provides an appeal procedure for students who believe that a recorded grade is not the one earned in a course. Students should first see the course instructor to resolve the matter. If resolution is not achieved, then the Department Dean should be consulted. The final step in the appeal process is the Committee on Academic Performance. It should be noted that only the instructor of a course makes a grade change. Other steps in the appeal process are advisory. Students are urged to retain all graded work until final grades have been received from the College.

No appeal for a change of a grade will be considered after three years have elapsed since the end of the semester or session in which the grade was received.

Student Academic Scale

Students enrolled at the College are governed by this student academic scale:

Cumulative Grade Point Average (C.G.P.A.)

Cumulative Credits Attempted	Probation	Academic Warning	Acceptable
0-8	-	.00-1.99	2.00
9-16	.00-0.99	1.00-1.99	2.00

17-30	.00-1.59	1.60-1.99	2.00
31-45	.00-1.74	1.75-1.99	2.00
46-	.00-1.84	1.85-1.99	2.00

A student's cumulative grade point average is determined by dividing the number of credits attempted into the quality points. For example:

	Credits	Grade	Quality Points
COMP110 English Composition I	3	B	3x3=9
PSYC110 Intro to Psychology	3	C	3x2=6
MATH101 Mathematical Concepts I	3	C	3x2=6
BIOL101 Biological Science I	4	B+	4x3.5=14
HLTH103 Life and Health	3	B	3x3=9
	16		44

Thus, the Cumulative Grade Point Average is 44/16 = 2.75.

Acceptable: Cumulative grade point average (C.G.P.A.) of 2.00 or greater.

Academic Warning: An indication that students are experiencing academic difficulty and are "at risk" of not successfully completing their academic program.

Enrollment restricted to a maxi- mum of 12 billable credit hours for the Fall and Spring semesters and a maximum of 6 billable credits in any summer session.

Academic Probation: A second level warning category. Students falling into this category are in serious academic difficulty and "at risk" of academic dismissal.

Enrollment restricted to a maximum of 7 billable credit hours for the Fall and Spring semesters and a maximum of 3 billable credits in any summer session, as well as other conditions as specified by the College. Appeals to enroll above the 7 credit limit will be heard by the Academic Performance Committee. Guidelines denoting acceptable and unacceptable appeals will govern all Academic Probation students.

Students who fall into one of the above categories and who pre-register for an upcoming semester will be restricted according to the conditions stated. Students who improve their academic status may adjust their schedules accordingly.

Academically Dismissed: A student who is on "Academic Probation" for two consecutive semesters and who earns less than a 2.0 semester G.P.A. will be separated from the college for the subsequent (fall or spring) semester. Further, the student will be prohibited from registering for any summer or intersession course while academically dismissed.

Students who have been dismissed must apply for readmission to the college. Permission to register (with attendant conditions) will be determined by the Academic Performance Committee. A formal appeal for reinstatement must be submitted to the Academic Performance Committee in the semester preceding the student's intended re-enrollment. Readmitted students will be designated "Academic Probation" and the conditions described for that category will apply.

A mandatory period of separation of two semesters will be required for students who are "Academically Dismissed" for a second time. If a student is "Academically Dismissed" for a third time, a three-year period of separation will be required, at which time the student may be eligible for the "Academic Restart" program.

Credits Attempted: Includes all academic credits taken at Bucks County Community College for which the final grades of A, B+, B, C+, C, D+, D, F were recorded. If a student repeats a course, the most recent grade will take precedence over the former in determining credits attempted. (See Repeating Courses.)

Credits Earned: Includes all academic credits taken at Bucks County Community College for which the final grades of A, B+, B, C+, C, D+, D, CX, P were recorded. Credits earned also include credits accepted through CLEP, AP, and other means.

Quality Points: Are determined by multiplying the academic credit hours of a course by the quality point value of the grade received (A=4, B+=3.5, B=3, C+=2.5, C=2, D+=1.5, D=1, F=0).

Academic Restart

This program is for students who attended Bucks in the past and compiled an unsuccessful academic record. The Academic Restart program provides certain students with an opportunity to redirect their academic goals or renew their college careers. This one-time-only option permits students to reset the Bucks County Community College grade point average (GPA) and the cumulative credits earned total to zero.

In order to be eligible for this program, you must meet these criteria:

- You have not been enrolled at Bucks County Community College for a period of three (3) consecutive years. The effective date of the restart is the semester you return to the College after the three-year absence.
- You were never granted the Academic Restart option previously.

- You must take the College's battery of placement tests administered by the Office of Testing.

Test scores are valid for placement purposes for three years. If a student does not enroll in the College within three years or register and fulfill courses tested into, new placement scores will be required.

For more information about Academic Restart or to make an appointment with Counseling Services, please contact us at 215-968-8189 or at counseling@bucks.edu.

You can also visit the Counseling Services webpage.

Completing the Semester, Completing the Major

Final Examinations

Final examinations, for those courses in which instructors require them, are scheduled during the week following the last day of classes. Examination periods are two hours long.

The schedule of final examinations is posted throughout the campus several weeks before the end of classes and instructors giving final examinations in their courses announce in class the day, hour, and place of the examinations.

Students with conflicts in their final examination schedule take one of the examinations during the scheduled hour and arrange in advance with the department office to take the other at another hour. All final examinations are to be completed by the close of the final examination period.

If students must miss a final examination, notice should be given to the instructor or Department office in advance to avoid a failing grade on the examination. The instructor will determine if and when the final examination will be given.

Repeating Courses

Students may repeat courses in which they earned grades of D or F to improve these grades. Students wanting to repeat a course in which a C or higher grade was earned must petition the Assistant Academic Dean of the department in which the course is offered for permission to register for the course.

The grade earned by retaking a course is the grade, other than W, counted in the cumulative grade point average. The previous grade will continue to be recorded on the transcript but the semester hour and quality points will not be used in computing the total semester hours or cumulative grade point average.

Revisions in Major

If revisions occur in a major, the College follows the principle that students will not be required to spend more time taking additional credits to complete the revised major or be

hindered in their normal progress toward the completion of the major in which they are already enrolled.

Students changing their major to one with revised requirements must meet the new requirements in effect at the time of their entry into that major, regardless of the date of their admission to the College.

Students already enrolled in a major in which revisions occur may elect to follow the revised major. In this case, students assume the responsibility if they must spend more time taking additional credits to complete their requirements.

Honors Lists

The academic distinction of students is recognized by placement on either the President's Honor List or the Dean's Honor List.

For the President's Honor List, full-time students are recognized when they have completed twelve or more semester credit hours with a semester grade point average of 4.0. Part-time students are recognized at the end of the semester when they have completed a unit of at least twelve semester credit hours with a unit grade point average of 4.0.

For the Dean's Honor List, full-time students are recognized when they have completed twelve or more semester credit hours with a semester grade point average of 3.5 or higher with no grade below C. Part-time students are recognized at the end of the semester when they have completed a unit of at least twelve semester credit hours with a unit grade point average of 3.5 or higher with no grade below C.

A student on the President's Honor List will not be included on the Dean's Honor List.

If a part-time student who has not yet accumulated a unit of twelve semester credits enrolls as a full-time student, he or she is evaluated at the end of the full-time semester. If he or she then returns to part-time status, the accumulation of a new unit of twelve credit hours begins.

Graduation

Students anticipating graduation will receive an email sent to their Bucks student email account halfway through the term in which they are expected to graduate. The "Notice of Potential Graduation Eligibility" email will contain information on graduation, commencement, cap and gown ordering, and diplomas. Students who believe they are graduating and do not receive the email notification should contact the Registrar's Office.

Students expecting to earn a degree or certificate must complete the requirements of that degree or certificate as listed in the college catalog. The waiver or substitution of any course requirements must be exceptional and educationally justifiable. An official waiver or substitution must be approved by the appropriate Academic Department and the Associate Provost, and must be forwarded to the Registrar's Office prior to the end of the term.

Teacher Certification

In Public Schools

Credits earned at Bucks County Community College are not acceptable for the renewal of the Instructional I (provisional) Certificate and conversion to the Instructional II (permanent) Certificate. According to Section 49.84 of the Certification Regulations, credit "must be earned at a State approved baccalaureate degree granting institution."

In Private Kindergartens, Private Nursery Schools, and Private Child Day Care Centers

Assistant teachers may become certified after two years of successful teaching experience and 24 additional credits. This experience must be accomplished through the supervision of a certified director or someone holding a comparable public school certificate. The additional credits must be taken after the issuance of the assistant teacher certificate and be related to early childhood education.

Online Learning

Types of Classes

Online Learning encompasses eLearning and hybrid, as well as face-to-face courses that use online technologies for instruction.

eLearning

eLearning courses provide the most flexibility for students, as they are taught completely online. Your classwork and interactions with your instructor and fellow students occur primarily online. Online instruction may be supplemented with printed or online textbooks, online content from textbook publishers, online videos, and CDs or DVDs. Some courses require proctored testing. Email, discussion groups, and chat rooms provide a high degree of student-to-student and student-to-instructor interactivity.

Some eLearning courses may allow students to proceed at their own pace; most follow a schedule provided by the instructor.

Hybrid Courses

Hybrid courses meet on campus but replace some on-campus meetings with online instruction and interaction. Some courses may have as few as two or three on-campus meetings; others may meet weekly or on a more regular basis.

Not all hybrid courses have the same requirements for number, days, and times of face-to-face meetings. Additionally, hybrids may meet at any of our physical campus locations.

Face-to-Face

Face-to-face courses meet on campus on a regular basis, and may also have online instructional components.

Many of our face-to-face courses use online extensions to provide additional notes, research, assignments, and links to further reading and study resources. Some instructors also conduct quizzes and assessments online.

eLearning and Hybrid courses are fully accredited college courses. The credits earned and requirements fulfilled by them are identical to those for face-to-face sections of the same course. Application and registration procedures, tuition/ fees, assessment tests and prerequisites are also identical to face-to-face classes. eLearning and Hybrid courses appear exactly the same as face-to-face courses on transcripts. All courses have specific beginning and ending dates. For greater scheduling flexibility, eLearning and Hybrid courses are also offered in 4, 6, 8, and 12-week formats with additional starting dates in February, March, June, September, October, and December.

Technology Requirements

Students in online courses should have regular access to a computer with a DVD/CD-ROM drive and an Internet connection. Comfort using a word processing program, web browser and email is also recommended. The Newtown, Upper Bucks, and Lower Bucks campuses have open access computer labs available for student use.

Who Should Take eLearning and Hybrid Courses?

Self-motivated and self-disciplined students who can handle college level work and who are comfortable studying independently are successful in these courses. Online Learning provides the flexibility that mature students need to juggle their many responsibilities while advancing their career and personal goals in a more convenient manner. Successful eLearning and Hybrid students include those with full-time jobs, homemakers with young children, the elderly, those on rotating work schedules, the disabled, and anyone who has difficulty traveling.

Are eLearning and Hybrid Courses Right For You?

If you answer yes to the following questions, then an online class may be for you:

- I need this course - NOW!
- I am self-motivated to study and self-disciplined at completing assignments without close supervision.
- I have time available each week to devote to the coursework.
- I have reliable access to an internet-connected computer with a CD/DVD drive.
- I usually have no difficulty understanding texts and written assignments.
- I am comfortable using, or learning to use, technology.
- I am comfortable communicating through email and/or discussion boards.
- I can attend all scheduled on-campus meetings of the course (Hybrid).

There is a strong correlation between a student's success in online classes and his/her maturity, past educational performance, and motivation. Students who are aware of the

additional work and discipline required to excel in an online class are much more likely to succeed in that environment.

Some students mistakenly sign up for eLearning courses believing the courses will be easier or the workload lighter because there are no regular face-to-face meetings. eLearning (and Hybrid) courses often require more work and self-discipline than their face-to-face counterparts. For example, students should plan a minimum of 6-9 hours per week for each 15 week (standard semester) online course, 12-15 hours per week for each 8-week course and 10 hours per day for each Wintersession course. Students with weak study skills or those who are marginally motivated are advised to register for face-to-face classes with more traditional classroom instruction and preset meeting times.

Find Out More

Full descriptions of all online courses, including the specific technology and meeting requirements for each course, can be found on our website at www.bucks.edu/welcome.

To help you decide whether a specific course is right for you, feel free to contact the instructor directly to discuss the specifics of the class.

For support or general questions regarding online learning, contact the Bucks Online Office via phone at 215-968-8052, email online@bucks.edu.

Continuing Education & Workforce Development

Professional and Workforce Development Programs

These programs assist students in acquiring new skills and/or enhancing their existing knowledge in a variety of career areas.

Professional Development

In addition to providing professional development programs that can increase competencies in a variety of skill areas, Continuing Education and Workforce Development offers specific programming to assist individuals in maintaining their professional credentials:

- Allied Health Professionals
- Certified Alcohol Counselors
- Certified Public Accountants
- Child Development Associates
- Food Service
- Information Technology Professionals
- Management

- Nursing
- Radiography
- Real Estate
- Tax Collection
- TOEFL Test Preparation

Center of Workforce Development

Our Center for Workforce Development provides high value training, working with businesses to customize courses to enhance employee skills, on campus or at your site – you decide. Our expert staff works to identify specific skills currently lacking and to prepare for future needs. We then tailor programs, drawing from a robust network of recognized trainers to offer the best training at competitive rates. Investment in talent drives employee engagement to help you achieve your business objectives.

We also provide
- Consultation and training plan development
- Continuing professional education

If you're looking to improve the performance and skill sets of your employees, add Bucks to your team. Our goal is to help you create the most productive team to drive growth and success. Call us today for a free consultation on how we can help. Please contact Workforce Development at 215-968-8017 or cwd@bucks.edu. Ask about sourcing and application for funding of your company's training initiatives.

Workforce Development Services Include:
- Industry-specific skills such as: Construction Estimating, Management, and Supervisory Series; Electrical Pre-Apprenticeship Program; Green Technician Basics/Technical Core Skills; Sustainable Building Advisors Program; Large Wind Turbine Technician; Mechanical Maintenance/Mechatronics Technician Fast Start and many more. (Certain programs prepare individuals for industry standard certification or state licensure examinations.)
- Business-specific customized courses and job training programs
- Computer skills
- Professional/personal development
- Lean Six Sigma
- Project Management
- ServSafe® for food professionals, English and Spanish
- Entrepreneurs
- Technical Writing
- Banking/Teller Excellence (Banking) coming soon!

Allied Health Programs

Continuing Education for Nursing and Allied Health is responsive to the needs of the healthcare community for career training, enhancement, and advancement. Our course offerings provide quality educational opportunities for a variety of practice specialties for

those who wish to continue their professional and personal development. Programs with an asterisk (*) also prepare individuals for industry standard certification of state licensure examinations. Programs include:

- CPR & First Aid*
- Continuing Education for Nurses
- Dental Assisting
- EKG Technician
- Nursing Review & Reentry
- Pharmacy Technician
- Phlebotomy Technician

Information Technology Academy

The IT Academy provides the community with cutting edge, career focused training that prepares our diverse student population for vendor and vendor neutral certifications in an increasingly technology-oriented society. Certified instructors focus on practical, hands-on applications throughout all courses and programs. The IT Academy promotes career awareness, skill development, and workplace experiences within the Information Technology field. Programs with an asterisk (*) also prepare individuals for industry standard certifications. Programs include:

- Computer Fundamentals
    - o Introduction to Personal Computers
    - o Introduction to MAC OS X
    - o Introduction to SQL
    - o Microsoft Windows 7 & Windows 8*
    - o Microsoft Server Fundamentals*
    - o Microsoft Networking Fundamentals*
    - o Microsoft Security Fundamentals*
    - o Microsoft Database Fundamentals*
    - o Microsoft Office 2010 (Excel, Word, Access, PowerPoint, Outlook)
    - o Microsoft Project 2010
- CompTIA
    - o A+ Certification*
    - o Net+ Certification*
    - o Linux+ Certification*
    - o Security+ Certification*
- Web Design and Development
    - o HTML, XHTML & CSS
    - o Java Scripting
    - o PHP/MySQL
    - o Adobe Dreamweaver, Illustrator, Photoshop, Flash, InDesign, Lightroom
- Microsoft

- Visual Studio 2010 .NET
- Microsoft Windows Server 2008 R2 Certification*
- Microsoft SQL Server 2008 Database Administration*
- Microsoft SQL Server 2008 Business Intelligence Developer*
- Microsoft Exchange Server 2010, Design and Implementation*
- Microsoft SharePoint Server 2010 Certification*
- Google Android Programming, Google AppEngine, Google Cloud
- Cisco CCNA Certification*
- Cisco CCNA Security*
- Cisco CCSP Security*
- Oracle Database Administration*
- VMware Server & Workstation Certification*
- Healthcare
  - CompTIA Healthcare IT Technician Certificate
  - Introduction to Healthcare IT and Medical Office Applications
  - Healthcare Technology Implementation Support Specialist
- Authorized Testing Center
  - Prometric Testing Center
  - Pearson VUE Testing Center
  - Certiport Testing Center
- Memberships
  - Microsoft IT Academy
  - Cisco Networking Academy
  - CompTIA Member

For more information on IT Academy programs, please visit: www.bucks.edu/itacademy

Business and Industry Services

The Center for Workforce Development provides customized training services for employers seeking to increase productivity, improve quality, and retain employees through workforce Education. Area of expertise include

- AutoCAD
- Business Writing
- Computer Software Applications
- Customer Service
- Diversity Awareness
- Effective Communications
- Executive Management
- English as a Second Language
- First Aid & CPR*

- Industrial Safety
- Lean Six Sigma
- Mechanical Maintenance/Mechatronics
- Presentation Skills
- Skills Assessments
- Spanish for the Workplace
- Supervisory and Leadership Training
- Teambuilding
- Train-the-Trainer
- Employee Safety

Services are delivered at your location or one of our sites located throughout Bucks County. We offer relevant flexible, short format workshops designed to meet your objectives, and scheduled at your convenience. Call 215-968-8006 or go to the [Center for Workforce Development](#) website.

Fire and Emergency Services Training

The Bucks County Public Safety Training Center, located in Doylestown, and the Lower Bucks Public Safety Training Center, located in Bristol, are a partnership between the County of Bucks and Bucks County Community College. The Public Safety Training staff provides international, national, and state level fire, rescue, emergency medical, and hazardous materials training at both facilities and off-site locations.

The professional certification testing offered has been examined and accredited by the National Professional Qualifications Board (Pro Board). The Department of Public Safety Training & Certification offers professional certification in over 45 NFPA (National Fire Protection Association disciplines.)

- For more information visit: www.bucks.edu/publicsafety
- For a course schedules, registration and information on certification or national certification exams, contact the Staff at 215-340-8417 or 1-888-BUCKS 77
- For e-mail inquiries, contact: moritzc@bucks.edu

Online Learning

Ed2go, Gatlin, ProTrain and ACT online courses provide the opportunity for students to continue their education by choosing from a variety of online courses in the following areas:

- Computers and Information Technology
- Foreign Language
- English as a Second Language
- Industrial Technology & Safety Skills
- Management and Leadership
- Professional and Personal Development
- Adult Literacy/Employability Skills

We also offer online certification and license testing, workplace assessments, and educational and career guidance. Please visit us online at www.bucks.edu/actonline.

Adult Education Programs

Adult Education Programs are offered to county residents seeking to upgrade their basic skills or prepare for the GED exam. For program information call 215-968-8553. Employment assistance is available at the Team PA CareerLink sites in Perkasie 215-258-7755 and Bristol 215-781-1073.

Non-Credit American English as a Second Language

Non-credit AESL courses are designed for beginning through advanced English language learners who are not pursuing a degree at this time.

- Non-credit AESL courses are a lower cost alternative to credit courses and the tuition includes all books and fees. Most 24-hour courses cost $220; most 48-hour courses cost $340. Non-credit courses do not qualify for financial aid through our college.

- To learn more, view information about non-credit ESL courses, or contact the Continuing Education office at 215-968-8409 or coned@bucks.edu.

Practical Nursing Program

The PN program is provisionally approved by the Commonwealth of Pennsylvania State Board of Nursing. For information on this program, please call 215-968-8316.

Nurse Aide Training Program

The Nurse Aide Training Program is an intensive, 120-hour course consisting of classroom instruction, skills lab experience, and hands-on training at a clinical site. Upon successful completion, students will be eligible to take the National Nurse Aide Assessment Program (NNAAP) Examination to enroll in the Pennsylvania Nurse Aide Registry. For more information please call 215-968-8482.

Cultural Programs

Each year the Cultural Programs Office presents a variety of musical and theatrical programs of the highest quality aimed at providing the entire family with opportunities for cultural enrichment. Other College organizations sponsor concerts, art exhibits, poetry readings, music and theatre programs, as well as film and lecture series for both students and the public. For a complete brochure listing these events, call 215-968-8087.

Personal Growth and Enrichment

Opportunities for personal growth are offered in art, cooking, culture, fitness, health, language, English as a Second Language, and more. In the summer, the Kids on Campus program for children provides a variety of enriching experiences, which are both fun and challenging. Additionally, enrichment programs for seniors are available both on and off campus at many retirement communities. For complete information, on our programs, call the Office of Continuing Education at 215-968-8409.

Transferring

Bucks transfer planning services are offered at all campuses and include individual transfer planning appointments, an extensive website, and transfer fairs. Educational Planning Advisors/Transfer Specialists are available to assist Bucks students with decision-making for the transfer planning process. Call 215-968-8031.

Begin Here . . . Go Anywhere

Why begin at Bucks if your goal is a bachelor's degree?

Financing the cost of a four-year college degree is a major investment for most families. You can decrease the cost of your education with one simple decision. Attend Bucks County Community College and take courses that will meet the requirements of the first two years of a bachelor's degree. Then transfer your Bucks credits to the bachelor's degree program of your choice.

Begin planning early!

Early planning leads to successful and smooth transfers. The process of transfer planning involves outlining a schedule of courses which can lead to both a Bucks associate degree and a bachelor's degree of your choosing. It helps assure a smoother path to reach your academic goals.

Begin planning during your first semester at Bucks. Even if you are unsure of your major or transfer school, Bucks Educational Planning Advisors/Transfer Specialists can help you take the steps toward setting your goals and making decisions.

Bucks Transfer Services provides individual transfer planning appointments, an extensive website, and Transfer Fairs. Many colleges and universities welcome transfer students from Bucks. Representatives from these schools visit Bucks campuses during Transfer Fairs to talk directly with students about their transfer opportunities. The schedule of Transfer Fairs is on the Transfer Services web site. Visit www.bucks.edu/transfer or call 215-968-8031 for more information or to schedule an appointment.

While planning your Bucks courses, you should be aware of the following.

- If you need to work on basic skills/developmental education and are required to take such courses to prepare for college-level work, these courses may not transfer.
- Certain occupational programs of study prepare students for immediate employment rather than for further education. Therefore, courses in these programs may not transfer to some colleges.
- A course in which you receive a D grade may not transfer.
- Too many courses in your major or in one area of study may not fit into the requirements of the program you plan to follow when you transfer.

- A lack of knowledge of the requirements for the bachelor's degree or for your major at the transfer college may result in your taking courses that are not appropriate for the major that you plan to study.
- Schools have a limit on the number of credits that are accepted for transfer.

Transfer Agreements

Bucks courses transfer! Even without formal agreements, your Bucks program can prepare you for the college or university of your choice. However, many colleges and universities have made the transfer planning process even smoother by providing several types of transfer agreements.

- **Core-to-Core Agreements** mean that, with the completion of an associate degree, the general education (core) requirements have already been completed when you transfer to the agreement school. Bucks has formal core-to-core agreements with several institutions.

- **Transfer Intent Agreements** (sometimes called **Dual Admission Agreements**) assure admission (either to the school or only to specific programs) when students complete a Bucks degree and meet certain admission requirements.

- **Program-to-Program Agreements** outline exactly what courses a student should take as part of an associate degree in order to transfer at the junior level in a specific major. Bucks has program agreements with many schools. These valuable advising guides can be found on the Transfer Services website.

- Many schools have given us information specifying how Bucks courses transfer to their colleges. **Course Equivalency lists** can help you choose transferable courses.

Various schools have several types of agreements with Bucks. For more information on Bucks transfer agreements, contact Transfer Services at 215-968-8031 or transfer@bucks.edu, or visit www.bucks.edu/transfer.

Pennsylvania State System of Higher Education (PASSHE)

There are transfer advantages for Pennsylvania community college students who transfer to one of the universities of The Pennsylvania State System of Higher Education (PASSHE). PASSHE includes the following Pennsylvania universities:

- BLOOMSBURG UNIVERSITY
- CALIFORNIA UNIVERSITY
- CHEYNEY UNIVERSITY
- CLARION UNIVERSITY
- EAST STROUDSBURG UNIVERSITY
- EDINBORO UNIVERSITY
- INDIANA UNIVERSITY
- KUTZTOWN UNIVERSITY
- LOCK HAVEN UNIVERSITY

- [MANSFIELD UNIVERSITY](#)
- [MILLERSVILLE UNIVERSITY](#)
- [SHIPPENSBURG UNIVERSITY](#)
- [SLIPPERY ROCK UNIVERSITY](#)
- [WEST CHESTER UNIVERSITY](#)

The Pennsylvania Transfer Credit Framework was developed among these universities and Pennsylvania community colleges. This Framework allows students to transfer up to 30 credits of foundation courses from Bucks County Community College to any of the PASSHE universities or other PA community colleges and have those courses count toward graduation. The Framework includes courses in English, public speaking, math, science, art, humanities, history, and the behavioral and social sciences.

Additionally, there are Statewide P2P Articulation Agreements that allow students who graduate with specific associate degrees to transfer as juniors into bachelor's degrees in similar fields of study at PA TRAC colleges.

The website www.PAcollegetransfer.com outlines how to work with a transfer advisor to plan a smooth transfer. It also provides information on the transferability of framework courses to any of the PASSHE universities. In addition, a number of statewide program articulations are being developed and will be available on the same website.

Academic and Student Services

Academic Advising

Advising is a process by which students work with faculty advisors to discuss appropriate course selections and future educational plans. Discussion may include:

- progress toward degree completion
- understanding the college's curriculum & policies
- academic success strategies
- career objectives and transfer assistance

Students following a specific major or degree program are strongly encouraged to seek academic advising from faculty who work with the academic department in which their major is housed.

The Accessibility Office (TAO)

Students with disabilities who may be eligible for reasonable accommodations should request them through this office. All accommodations are tailored to the individual needs of each student based on their documentation presented to the Accessibility Office (TAO). All accommodations are in accordance with the Americans with Disabilities Act of 1990 (ADA), the ADA Amendments Act (ADAAA) of 2008 and Section 504 of the Rehabilitation Act of

1973. Students are strongly urged to contact this office for information prior to or immediately after registering for classes by calling 215-968-8182, or contacting accessibility@bucks.edu. Note that faculty are not required to provide accommodations unless the student has registered with the Accessibility Office. Students who need accessible parking should contact The Office of Security and Safety, 215-968-8911.

American English as a Second Language Program

The American English as a Second Language (AESL) Program offers quality courses and services to residents and employers in Bucks County. The program provides students with multi-level AESL courses in grammar, reading, writing, listening, and speaking skills, and with services in advising, assessment, and placement. Credit courses in AESL are listed in the catalog. Non-credit AESL courses are listed in the Continuing Education brochure. For further information about credit AESL courses, please call the AESL coordinator at 215-968-8018. Non-credit AESL courses are listed in the Continuing Education brochure. For further information about credit AESL courses, please call the AESL coordinator at 215- 968-8018. For further information visit non-credit AESL courses or call 215-968-8409 or email shadym@bucks.edu. For further information about non-credit AESL in the workplace, call the Workforce Development training at 215-504-8621.

Bookstore

The College Bookstore, located on the second floor next to the library, is a self-service operation for service to students, faculty, and staff. In addition to the required materials for all classes, the Bookstore carries stationery and art supplies, clothing, gift items, textbooks, computers and small electronics. The Bookstore also price matches and has financial aid available for students who qualify!

Refunds, under certain conditions, are allowed. See policy posted in Bookstore and KEEP YOUR RECEIPT.

The Bookstore conducts a used book buy-back at the end of each semester. Watch for dates posted on bulletin boards throughout campus, or advertised on the television monitors.

View the store hours!

Center for Student Employment and Career Development

The Center for Student Employment and Career Development (formerly Career Services) provides career and job planning services and occupational information resources for people who are undecided about choosing a major, setting occupational goals, planning their career, or searching for a job. Several services are offered:

- Individual counseling and group workshops on career exploration and job search.
- Print and digital resources for occupational research, job search, and career exploration.
- Interest and personality assessments, as appropriate.

Job Search Assistance

Paid jobs and internships through the Bucks Online Job Board at www.bucks.edu/careerservices.

- Employers post job openings and review student resumes
- Students can post their resumes and access full-time, part-time and seasonal job openings, internships and Bucks work study openings online.
- Students registered on the Online Job Board can receive updates and announcements from The Center for Student Employment and Career Development about upcoming workshops and recruiting events like Job Fairs and information tables.
- The Center for Student Employment and Career Development hosts two large, campus-wide Job Fair at the Newtown campus each year, where Employers, with competitive job opportunities, are available to recruit students. Employers are encouraged to schedule visits to BCCC campuses to recruit students for available job opportunities or internships.

The Center for Student Employment and Career Development is available at all three campuses. Hours may vary when classes are not in session. Please call 215-968-8195 or visit www.bucks.edu/careerservices.

Child Care

The Early Learning Center provides a program for the education and care of the young children of BCCC students, staff, and faculty and participates in the Pennsylvania Keystone Stars early childhood quality assurance system. Current registration dates are available on the Early Learning Center website.

For information, call the Early Learning Center at 215-968-8082.

Counseling Services

Counseling Services helps students develop skills with goal-setting and decision-making and assists students to meet the challenges associated with their higher education endeavors. The Counselors assist students with:

- responding effectively when personal issues interfere with academics
- coping with stress and personal problems
- degree completion and transfer planning
- job search strategies
- understanding college policy and procedures
- setting goals
- developing skills for making decisions

While Bucks County Community College counselors do not provide long-term mental health therapy and do not replace outside help when indicated, they are an element in providing student support and ensuring student success. For more information, email Counseling Services at counseling@bucks.edu or call 215-968-8189.

Encore

Encore is a community-based program that provides educational and career guidance for Bucks County adults who are entering or re-entering the workforce. Through individualized

career consultations, scheduled workshops, counseling services, and opportunities to network with like-minded individuals, we work with you as you retrain for today's workforce.

Services offered: Individualized, Career Consultation, Career Exploration, Counseling Services, Job Hunting Tips, Resume and Cover Letter Writing, Interview Prep, and Personality Test & Assessment. For more information about Encore, email encore@bucks.edu.

Food Service

The Newtown Campus, Upper Bucks Campus, and Lower Bucks Campus dining service operations are under the direction of private contractors. Each campus offers a variety of hot and cold food options and a dining facility. The food service is open daily, with modified hours over breaks and the summer. Vending machines are available throughout each campus for beverages and snacks.

Help Desk

The mission of the Help Desk is to provide assistance to students, faculty and staff in their use of technology tools. The Help Desk is committed to the College community's success with the use of technology on all campuses. For more information call 215-968-8191 or visit www.bucks.edu/helpdesk. Support is also provided to students, faculty and staff at "8191" for on-campus callers, and at 215-968- 8191 for outside callers.

The Help Desk provides: (1) one- on-one technology assistance; (2) just-in-time training; (3) targeted workshops; and (4) assistance with basic computer skills. Users can expect assistance in the following areas:

- Microsoft Operating Systems
- Microsoft Office Suite
- Logins and passwords
- Internet browsers
- MyBucks College Portal
- College's WebMail system
- Canvas for online learning
- Student Self Service to find courses, register for classes, and check grades

Housing

The college has no on-campus housing facilities and does not supervise or approve student housing. Any agreements concerning rent or conditions of occupancy are made between students and landlords. All housing arrangements must be made by students. The College offers a local housing list guide.

Information Technology Services

Information Technology Services (ITS), located in Pemberton Hall, provides the technical planning, installation and support for the College's technology infrastructure, including enterprise and web systems; instructional and administrative desktop and notebook computers and tablets; telecommunications equipment and voicemail systems, instructional support; network equipment and systems; and cloud-hosted systems.

ITS supports multiple servers, primarily HP Unix and Microsoft Windows. The servers host the College's web page, email, student and administrative systems, web registration and related services, student files and programs, document imaging, library and online course management systems. The servers are connected to the campus-wide Ethernet-based network, running multiple network protocols. IT also supports the Internet connections to the College's Internet Service Provider and to the Public Safety Training Center, Lower Bucks Campus and Upper County Campus, including providing Internet2 services to the College and county school districts. ITS also administers the cloud-based Microsoft 365 environment and several other applications systems.

ITS provides primary desktop support to instructional labs and offices throughout the College. This support includes assistance with the selection, procurement and deployment of desktop and notebook computers, printers and instructional/audiovisual and video conferencing equipment.

The Enterprise Systems group in ITS is primarily responsible for development, support and training for the College's administrative systems, including student records, applications, registration, assessment test scoring, tuition and billing, grading, schedules, transcripts, degree audits, financial aid, budget, general accounting, accounts payable, accounts receivable, human resources and payroll, and the foundation office's gift and pledge processing. ITS also supports web-based registration, and other online services such as student records, degree audit, test scores, grades, transcripts, class rosters, and schedules, as well as the College web services which include the website and intranet.

KEYS Program (Keystone Education Yields Success)
Keystone Education Yields Success (KEYS) is a collaborative program between the Pennsylvania Department of Human Services (DHS) and Pennsylvania community colleges. KEYS is designed to assist recipients of Temporary Assistance for Needy Families (TANF) and Supplemental Nutrition Assistance Program (SNAP) attending Pennsylvania's community colleges and ensure the successful completion of the students' courses.

The KEYS program provides services to students who are enrolled, registered, or interested in enrolling at any of the 14 community colleges in Pennsylvania. The primary goal of KEYS is to assist students in completing educational activities which lead to employment and self-sufficiency.

To learn more about the KEYS Program, please contact June Rogers (Program Director) at 215-504-8621, keys@bucks.edu. The KEYS Program is located on the Newtown Campus, Charles E. Rollins Center, Student Services. We are here to assist you!

Learning Resources

Learning Resources provides academic support for students, and professional development and training for college faculty and staff. Learning Resources includes the Academic Success Center, Bucks Online, the Center for Personal and Professional Development, Instructional Design, the Library, and the Media Lab. The Information Technology Services Help Desk is also located here. Services are available on all campuses and remotely.

Library Services

The College Library, 2010 recipient of the Association of College & Research Libraries' Excellence in Academic Libraries Award, provides resources and services on all three campuses and online through its web pages http://www.bucks.edu/library/. The Library collection includes over 100,000 books and 150 print periodicals, as well as video and sound recordings. All of these are searchable through the Online Catalog, which also provides direct online access to about 8,000 electronic books and more than 10,000 streaming videos. Nearly 25,000 electronic journals, as well as electronic reference materials, newspapers, and art images, are available through the Library's collection of databases, which is available both on and off campus; off-campus access requires user login.

The Library provides information and media literacy instruction in College courses, both face-to-face and online, to guide students in finding, evaluating, and utilizing research resources in their course assignments. Reference assistance is available in person and by phone, email, instant message, and text. Computers are available in all three campus libraries for research and use of MS Office applications, and Help Desk staff provide on-site and remote assistance with technology. Visit the Library website for hours and other information.

Upper Bucks Campus
215-258-7721

Media Lab

 The Media Lab staff members support students in carrying out multimedia assignments, providing a workspace, technological tools, and training in 21st Century literacy skills. For example, a member of a class assigned a video mashup project could find the gadgets (video camera, microphone, etc.), software (video editing, Audacity, Prezi, etc.) and expertise in the Media Lab.

The Media Lab provides support to faculty in instructional design, new media literacies, immersive (XR) technologies and emerging technologies. It assists faculty members in developing assignments with measurable goals and learning outcomes that support multiple learning styles.

Virtual Campus

Bucks Online Office

The Bucks Online office supports students and faculty in eLearning, hybrid, and web-enhanced face-to-face courses. The office provides information, training and assistance in the use of the Canvas learning management system and other online tools and technologies. For more information call 215-968-8052.

Parking Lot Emergency Assistance

Each major campus parking area is equipped with an emergency two-way communication system that allows immediate access to a staff member of the Office of Security and Safety. These emergency radio/phones are housed in white boxes identified by blue lights and large signs. Campus buildings and grounds are patrolled 24 hours a day by a trained staff of officers.

Perkins Academic Support Services (PASS)

The Carl D. Perkins Vocational and Applied Technology Education Act of 1998 provides grants to colleges and secondary schools to improve student outcomes in vocational/technical education. Each year the College, with the assistance of the community based Participatory Planning Committee, develops and submits a plan to assist students enrolled in occupational degree and certificate programs. Most students enrolled in occupational majors at Bucks County Community College fall into one of the "special populations" or categories as defined in the grant. These categories include students who are economically disadvantaged, disabled, single parents, displaced homemakers, ESL (English as a Second Language), and persons in non-traditional majors.

Services provided through PASS include both direct and indirect support such as purchasing and upgrading computer and technical equipment; technology-oriented instructional support and supplies; new program development and implementation; direct tutoring; career development and advising assistance for students; and training and assistance to occupational faculty in upgrading technical skills.

The PASS Office is located in room 51 of the Charles E. Rollins Center. All students enrolled in occupational majors are encouraged to visit the office, call 215-968-8140, or go to www.bucks.edu/pass.

Security and Safety

This department is staffed by trained officers who patrol the Newtown campus buildings and grounds on a 24-hour-daily basis, the LBC and UBC campuses all hours those campuses are open, and provide security and safety to the College community. Security and Safety officers render services that include parking permit registration and assistance, traffic control, routine campus-wide safety checks, crime prevention services, emergency assistance and also act as resources for directional and general information. The Office of Security and Safety is located in Cottage 4 at Newtown. Security desks can also be found at the reception area at LBC or the South Building entrance at UBC.

Emergencies

Report ALL emergencies, medical or otherwise to Security and Safety at 215-968-8911. Officers are trained in CPR/AED, First Aid, and are equipped to handle emergencies of all types.

Campus Crime Information
Campus Security statistics required by the College and University Security Information Act of Pennsylvania and Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of the Federal Government are available at the Office of Security and Safety and other campus locations, and on the web http://www.bucks.edu/resources/security/annualcampuscrimereport/.

A daily log of reported complaints, statistical data and the Security Information Report are also published on the College's website at http://ac.bucks.edu/apps/security/log/

Testing Office
This office provides testing services for BCCC students and community members at the Newtown, Bristol, and Perkasie campuses. The main office is located in Rollins 100, Newtown campus. Most testing is done on a walk-in basis and services include:

- Placement testing in reading, writing, math, AESL, and chemistry.
- Administration of the CLEP, DSST, PSB, NLN, as well as examinations through the Kryterion Testing Network and Castle WorldWide.
- Course testing for On-Line Learning and Hybrid classes and Make-Up Testing and accommodated testing for on-campus classes.
- Exam proctoring for Distance Learning students from other colleges.

Testing information, including schedules, can be viewed online at www.bucks.edu/testing. Testing Services staff can be reached by e-mail through testing@bucks.edu or at 215-968-8466.

Transfer Services
Educational Planning Advisors assist with transfer planning for students interested in pursuing a bachelor's degree. Transfer Planning appointments are available at the Advising & Transfer Center, Rollins Center, Room 60 at the Newtown Campus and in the Student Services areas of the Upper Bucks and Epstein Campus at Lower Bucks County Community College. Students planning to transfer should visit www.bucks.edu/transfer or contact 215-968-8031 or transfer@bucks.edu for further information.

Academic Success Center
The College's Academic Success Center (www.bucks.edu/asc) offers tutorial and peer mentoring services at no additional cost to support students' coursework and help them acclimate to the College environment. The Center has locations at all campuses, including online. Please call 215-968-8044, or visit www.bucks.edu/asc for information, including hours, subjects tutored, scheduling information, and online resources.

Qualified professional, faculty, and student tutors, as well as peer mentors are available to help students in a friendly, welcoming environment. Additionally, the Center houses many resources, including subject-specific handouts, at each location and online.

Please note that all tutoring is supplemental to the classroom and should not take the place of class attendance.

SUBJECTS TUTORED
- Accounting
- Admission/Scholarship Essays
- AESL
- Cinema, Video, and Photography
- Computer Science
- Economics
- Effective Speaking
- History
- Mathematics
- Music
- Nursing
- Philosophy
- Psychology
- Reading/Study Skills
- Science/Engineering
- Sociology
- World Languages
- Writing

Veterans Services

The Certifying Official for veterans' education benefits under the GI Bill® is within the Registrar's Office. Each semester, veteran-students must submit the required documents to the Certifying Official in order to receive their available benefits.

To register for benefits:
1. Apply to the Veterans Administration for approval using the online application found at www.gibill.va.gov.
2. Consult the VA for determining which benefit is best for you.
3. Register for classes and complete the Veterans Certification form and submit this to the Admissions Office. This form is required each semester for which you register.

Tuition Deferments are available for all veterans receiving benefits under the various chapters of the GI Bill® and who have no outstanding financial obligation to the College. The deferment is effective until the end of the semester; however you are responsible for tuition and fees, if you are denied benefits. Complete information is available on the Veterans Benefits website.

The GI Bill® is a registered trademark of the US Department of Veteran Affairs (VA). More information about education benefits offered by VA is available at the official US government website at www.benefits.va.gov/gibill.

The "Stars & Stripes" Lounge, located in the Rollins Center, provides a welcoming space for our veterans to study, relax, or network. View the Veteran Resources page for more information.

VETERANS BENEFITS AND TRANSITION ACT OF 2018
Beginning on August 1, 2019, educational institutions must have a policy in place allowing GI Bill® and VR&E beneficiaries (Chapter 33 and Chapter 31 beneficiaries) to attend a course of education or training for up to 90 days from the date the beneficiary provides a certificate of eligibility, or valid VAF 28-1905. This allows a student to attend the course until VA provides payment to the institution. The educational institution must also have a policy to not impose a penalty, or require the beneficiary to borrow additional funds to cover tuition and fees due to late payments from VA. Section 103 requires a State Approving Agency (SAA), or the Department of Veterans Affairs (VA) when acting in the role of the SAA, to disapprove certain courses of education. VA can grant a waiver to these requirements.

Web Services

Web Services is responsible for developing and maintaining the College's web site and intranet resources.

Evening Programs

Evening Services
Student Services provides assistance for students and faculty during the evening instructional periods. Evening Services is located at the Newtown Campus, Rollins 1st Floor, Student Services Center, 215-968-8189.

Below is an example of some of the areas we can assist with:

- Advising and Transfer Services
- Career and Job Assistance
- Counseling
- Room Reservation Conflicts
- Tuition Payments
- Registration Assistance

Student Life

Student Life and Athletic Programs

Campus life opportunities and activities are on every Bucks campus. The Student Life and Athletic Programs Office assists students in supplementing academic experiences with experience in service, social, and recreational pursuits. The Student Life and Athletic Programs Office is located in the Rollins Student Center, Room 112. They can be reached at 215-968-8257. Please visit the [Student Life website](#).

WHY INVOLVEMENT MATTERS

GETTING INVOLVED:

- in student activities can lead to success in many areas of life both during and after one's term as a student.
- in college brings the obvious benefits of peer contact, productivity, and meaningful leisure time. In addition, students participating in student organizations and other activities gain the opportunity for practical application and can round out their resume.
- in activities, clubs, or organizations is of proven interest to employers. The personal contacts one makes when active in student life programs may serve as the foundation for lifetime friendships and networking sources.
- in student leadership opportunities will enable you to discover your leadership potential, build your confidence, and develop and / or sharpen skills you will use throughout your life.

STUDENT LIFE AND ATHLETICS INFORMATION WINDOW

The Information Window is a centralized clearinghouse of information, keeping abreast of what is happening on campus and disseminating this information to students, staff, and the general public. The Information Window is the place to purchase tickets to College events, purchase SEPTA tokens, sign up for a student organization or athletic or intramural team, and pick up the latest issue of the College newspaper, *The Centurion*.

Serving our community is a what we do best! The Information Center assists students in finding service opportunities to fit into their busy school or work schedule. Community service is rewarding and is sure to enhance your College experience. We hope this will serve as the foundation for lifelong friendships and networking resources.

The Information Window is located in the Rollins Student Center, Room 112. Contact number: 215-968-8257

STUDENT JUDICIAL PROCESS

Bucks County Community College is committed to the integrity and personal growth of each individual. Choosing to join the College community obligates members to make positive contributions to the community and be accountable for their own behavior. As

adults and members of the community, students are expected to conduct their lives in a manner that is consistent with good citizenship. The Director of Student Life and Athletic Programs is responsible for holding all Bucks students accountable to the College Code of Conduct which is found under Student Records, Rights & Responsibilities portion of the college catalog, in the Student Planner, and online at www.bucks.edu/catalog.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) is the elected representative student structure of the College. The functions of this organization include the representation of student interests, the coordination of campus activities for clubs and organizations, and the planning of social activities through the administration of the College Activity Fee.

The Student Government Association is composed of several standing committees. The Student Government consists of five officer and 7 councilor positions.

Elections are conducted each spring semester by the Student Government Association through the Election Committee in an online format. Elections are conducted for officers and representatives positions.

The Director, Student Life and Athletic Programs serves as the advisor for Student Government Association. Co-advisors are allowed.

The Student Government Association office is located in the Rollins Student Center of the Newtown campus, Room 111-2. Contact the Student Government Association at 215-968-8375.

STUDENT PROGRAMMING GROUPS

Would you like to learn about event planning? Bucks has three student programming groups, one at each campus, that are dedicated to planning and providing educational, cultural, social, and recreational activities for the students of Bucks County Community College. These groups are entirely run by Bucks students. Whether it be coffee house music performer, free food day, or welcome week festivities, the student programming groups strive to maintain a variety of programs for the student body. Contact Student Life and Athletic Programs at 215-968-8257 for more information on joining.

- Student Programming Board (SPB)- Newtown Campus
- Students Programming Activities (SPA)- Upper Bucks Campus
- Lower Bucks Programming Council- Lower Bucks Campus

LEADERSHIP DEVELOPMENT

Anyone can learn to be a student leader at Bucks! Though collaboration with academic departments, community agencies and the campus community, the Student Life Office provides many opportunities to develop responsible leadership in holistic lifelong learning. There is a diversity of leadership development programs that exist on campus. This has enabled students to grow and succeed in many aspects of their lives. Contact the Student Life and Athletic Programs Office at 215-968-8257 or studentlife@bucks.edu for more information.

CIVIC ENGAGEMENT/ VOLUNTEERING/ COMMUNITY SERVICE

Looking to do some volunteering or community service? When you volunteer in the community, you gain new friends, life experience and resume building skills. Student Life and Athletic Programs coordinates a college-wide volunteer program with the United Way each fall and has a database of Student Life community agencies, contact information, programs, and events that will fit any student's needs. Contact the Student Life Programs Office at 215-968-8257 or 215-968-8261.

Educational Enrichment Program

The sole mission of Educational Enrichment Programs (EEP) is to introduce subject matter considered to have educational value to the students of Bucks County Community College. The mode will be through speakers, performances, discussions, and multimedia. Our goal is to graduate well-rounded students who are exposed to a variety of ideas and opinions that will assist them in creating their own educated decisions and opinions. Contact 215-968-8015 or Heather.Kouveras@bucks.edu for more information.

BULLETIN BOARDS

In order to prevent damage to painted and finished surfaces, only bulletin boards may be used to post notices. All postings are posted by staff or student workers and must be approved and stamped by Student Life and Athletics staff prior to being posted. Posting approvals at the Upper Bucks and Lower Bucks campuses will be handled by the Executive Director/ Coordinator, Student Services of each campus. Materials should be delivered to the reception desk.

NEW STUDENT WELCOME

The New Student Welcome is designed to get our new students excited about starting college and getting last minute questions answered. New students get to meet members of their academic department, student service department, and student organization members. Parents are welcome and tours are given to all.

Athletics

The College offers Division III intercollegiate athletic programs under the NJCAA- Region 19. Bucks is a member of the Eastern Pennsylvania Collegiate Conference (EPAC) and competes for against teams in eastern Pennsylvania, New Jersey, and Delaware. Under the NJCAA Bucks competes for regional and national titles. Many Bucks student-athletes transfer to other colleges to continue to play at four-year institutions.

FALL SPORTS

- Coed Golf

Athletic Director: Matt Cipriano, Matt.Cipriano@bucks.edu (215) 968-8261

The College also provides an intramural program for the student body. There are no formal practices held by the College. Individuals as well as teams or groups may sign up for the activities. There are leagues and various activities held in the afternoons. A partial list of the events held during the year follows. It should be noted that not all the events are held each year and that different activities may be added as student interests change.

Intramural Program: Examples of past leagues are flag football, volleyball, basketball, softball, and tennis, indoor soccer, kickball, dodgeball. Students are encouraged to submit their ideas or sign up for a league at the Student Life and Athletic Programs office, studentlife@bucks.edu or Rollins Student Center, Room 112.

FACILITY USAGE

The tennis courts are available to students when no classes or practices are in session.

The Gym is available during intramural and open gym hours that are posted outside of the Gym. There is open swimming during posted hours.

Physical education facilities include tennis courts, and fields for archery, soccer, baseball, and softball. The physical education building features a swimming pool and a gymnasium.

FITNESS CENTER

The Bucks County Community College Fitness Center offers a new model for health. This model addresses itself to enriching life, preventing illness and encouraging individuals to accept a greater degree of responsibility for their own life and well-being. This commitment to the positive is at the heart of a wellness lifestyle.

The Fitness Center programs include Physical Fitness Assessments and Personal Fitness Training through the Health Enhancement System, Sport-Specific Conditioning programs, individualized and group Weight Management Counseling through the Healthy Choices Program and various health and wellness - related programs and events. The Fitness Center, located outside the gymnasium, contains state-of-the-art testing and exercise equipment. Individuals can receive comprehensive fitness tests and personalized fitness

programs designed specifically to suit their needs. The Fitness Center has a variety of aerobic training equipment inclusive of treadmills, elliptical trainers, rowers, versa-climbers and exercise bikes. The center also provides a large selection of resistance training modalities inclusive of two comprehensive resistance training stations, two Selectorized cable stations, and an extensive free weight area.

The Fitness Center is open for use to all current students and staff of the College. Identification cards are required of all members of the Fitness Center. Each member is required to complete a signed Agreement and Waiver of Liability form, as well as a Physical Activity Readiness Questionnaire prior to beginning exercise within the Fitness Center. For more information call 215-968-8447.

College Committees

Participation in the College's committees include faculty, students, and administrators, as determined by the President.

Administrators are appointed to College committees by the President of the College. Faculty representatives for committees are nominated by the faculty through their representative organization. These nominations are submitted to the President of the College for appointment.

Students are nominated to serve on committees by the Student Council. The nominations are submitted to the President of the College for appointment.

Students are appointed to those College committees which annually request student representatives.

Music

For students interested in musical performing activities, the College offers a variety of organizations sponsored by the Department of the Arts. Some College-owned instruments are available for use by students in instrumental ensembles. It is possible to receive College academic credit for participation in some of these organizations. College-wide participation is encouraged. Students should contact the Department of the Arts Office, 215-968-8425, concerning meeting times and details of the following:

Musical organizations open to non-music majors: BC3 Music Society, Concert Choir, Jazz Orchestra, Contemporary Singers, Madrigal Singers, BCCC Symphonic Orchestra.

Ensembles open only to music majors: Brass, Guitar, Piano, Sax, Percussion, Bass, and Woodwind.

Alumni Association

Since 1983, the Bucks County Community College Alumni Association has provided leadership and means for the College's alumni to unite in their efforts to support and

strengthen the institution. Its mission is to keep the alumni well informed about the College and the Association and to support the College community by raising funds that will directly benefit students and student services. The Alumni Completion Scholarship, which is annually awarded at the College's Honors Convocation in May, the "Leave a Legacy" program, and a variety of other events and awards all promote and recognize Bucks' growing student and alumni population. The College encourages the more than 200,000 individuals who have enrolled in courses to remain active in supporting Bucks County Community College through its alumni programs. The Alumni Association also offers those who graduate with an associate's degree, complete a certificate program, or accumulate a minimum of 30 credits at Bucks the opportunity to apply for a "Key to the College" Alumni Card. This complimentary membership card allows graduates to take full advantage of the many benefits Bucks offers its alumni.

For more information about the Alumni Association or to update an Alumni file, call 215-968-8224, email alumni@bucks.edu.

Use of College Facilities

Requests for use of College facilities should be directed to the Office of the Dean of Administration. For guidelines and information please call 215-968-8301.

Types of requests include, but are not limited to, training programs, state and local conferences, social affairs of non-profit community groups and local schools, shows, exhibits, and festivals.

As a rule, facilities will be limited to single event scheduling. Groups wishing to use the facilities for regular meetings must do so on a month-by-month basis. Fees may be involved.

Requests for permission to solicit funds on the campus by off-campus organizations will not be considered.

Clubs & Organizations

Clubs and Organizations at Bucks

All students are urged to participate in any student organization. There are few restrictions involved in forming student clubs. There are no limitations to club size and any number of individuals may form an organization after obtaining a faculty or staff advisor and completing necessary paperwork. An organization must be officially recognized by the Student Government Association and the College prior to requesting and utilizing College facilities for activity purposes. The College will establish priority for use of its facilities.

Here is a sample of some of our outstanding clubs and organizations. Further information about forming clubs/organizations or participating in activities is available from the The Office of Student Life, located on the upper level of the Charles E. Rollins Center, 215-

968-8257.

WRITE Now! (Meetings at UBC - Perkasie)

Student group for writers of all styles to share their work and receive peer feedback.

Advisor: Cheryl Baldi, **Cheryl.baldi@bucks.edu**

Campus Regulations

Drug and Alcohol Policy

The unlawful manufacture, distribution, dispensation, possession, or use of alcohol, narcotics, or illicit drugs is prohibited on the campus of Bucks County Community College. Any student or employee of the College discovered to be violating these rules is subject to immediate suspension or dismissal. Such action will be taken independently of any criminal action that may arise from a violation of civil law governing these areas.

Weapons

[Campus Policy](#) prohibits the possession or carrying of any deadly or offensive weapon by any person in college academic buildings, administrative buildings, dining facilities, off-site locations or while attending any sporting, entertainment or education event on college property or sponsored by the college.

Animals on Campus

This College does not permit students, faculty, staff or visitors to bring pets or animals to campus. This includes all parking lots, buildings, classrooms, dining areas, walkways and grassy areas.

Guide dogs are the exception. All requests for additional exceptions should be directed to the Office of Security and Safety. For more information see the College's Service Animal policy.

Buildings and Grounds

Skateboarding, roller blading, ice skating, skiing, sledding and snowmobiling are prohibited on the grounds and in the buildings of all campuses.

Buildings - Hours of Use

College buildings are closed from midnight to 6:00 a.m. Exceptions will be considered for special events. All requests for exceptions should be directed to the Office of Security and Safety at least three days in advance.

Children/Visitors

All children under the age of sixteen must be accompanied by a student, faculty, or staff member, who will stay with them, in order to utilize College facilities. *Children are not permitted to attend class with a parent or guardian*.

Community members or visitors will be asked to register with the Office of Security and Safety. Should these persons exhibit disruptive behavior, they will be asked to leave. If it becomes necessary, Security will be called.

Emergency Calls

Emergency telephone calls to students should be made only to the Registrar's Office, 215-968-8000. That office will try to contact students in their scheduled classes or, if possible,

elsewhere on campus. The content of the emergency message will be given to students for their decision on any further action. Non-emergency calls are discouraged and may be refused by Admissions, Records, and Registration.

Lost and Found

If you have lost something, please notify the Office of Security and Safety immediately. A lost and found drop is located at the Student Life Information Center in the Charles E. Rollins Student Center or the Office of Security and Safety, Cottage 4 (Newtown Campus).

Medical Insurance

Since the college does not provide insurance, students who do not have medical coverage/insurance are encouraged to purchase insurance through a medical provider identified by the college. For more information, contact the Student Life Programs Office at 215-968-8257. International students are required to have medical coverage while pursuing their studies at the college and must contact Adult and Multicultural Student Services at 215-968-8107.

Smoking on Campus

Bucks County Community College is a smoke-free environment. Smoking is prohibited in all campus buildings.

Telephones

Office telephones are for official use only. Students should not encourage friends and relatives to call them at the college except in case of emergency. Public telephones are not available.

For emergencies, call boxes are in parking lots A, C, D-E, K, between Grupp and Founders Halls, and the Accessible lot. These telephones are free of charge and give a direct line to the Security and Safety office.

Gender Based Misconduct

This policy applies to all students, employees, faculty members, administrators, and trustees of the college, as well as contractors and vendors. Each student, employee, faculty member, administrator, contractor and vendor of the college is personally responsible for ensuring that he/she does not engage in conduct that violates this Policy. Each student, employee, faculty member, administrator, contractor and vendor is responsible for cooperating in any investigation of alleged Gender Based Prohibited Conduct if requested to do so by the person(s) conducting the investigation.

This policy applies to any Gender Based Prohibited Conduct committed (1) on college property; (2) in connection with any college activity or program on or off college property; or (3) off college property when the conduct (a) is in connection with a college or college-recognized program or activity, or (b) may have the effect of creating a hostile environment for a member of the college community, which shall include students, employees, faculty members, and administrators of the College, visitors, and applicants for admission to or employment with the college. Further, if any student or employee engages in any conduct on or off campus that constitutes Improper Gender Based Prohibited Conduct, said student or employee shall be subject to the fullest extent of disciplinary consequences that the college has the lawful power or authority to impose.

General Policy Statement

1.   It is the Policy of the Bucks County Community College ("the College") to comply with applicable federal and state law prohibiting sex or gender discrimination, unlawful retaliation, and sexual harassment.

2.   It is the Policy of the College to prohibit conduct that constitutes sexually related crimes, including but not limited to rape, indecent aggravated assault, indecent assault, and indecent exposure.

3.   It is the policy of the College to provide:
1. educational and employment environments for its students, faculty, and staff that are free from unlawful sex and gender discrimination, unlawful sexual harassment and unlawful retaliation;

2. an educational and employment environment in which no member of the College community is, on the basis of sex or gender, excluded from participation in, denied the benefits of, or subjected to unlawful discrimination, unlawful harassment or unlawful retaliation in any College program or activity.

4.   The College does not and shall not discriminate against any employee, applicant for employment, student or applicant for admission because of sex, sexual orientation, gender identity or expression. Accordingly, all recruiting, hiring, and promoting for all job classifications and all recruiting and admissions of students will be made without regard to sex, sexual orientation, gender identity or expression.

5.   The College expressly prohibits Gender Based Prohibited Conduct as defined in this Policy. Gender Based Prohibited Conduct as defined in this Policy will not be tolerated. Individuals—including students, faculty, staff, contractors and vendors, who engage in such Gender Based Prohibited Conduct will be subject to disciplinary action, termination of contracts, or exclusion from the campus or College activities.

6.   The College shall take immediate and appropriate action once it knows of any act of Gender Based Prohibited Conduct in any of its educational programs and activities.

7.   The College will act on any complaint of Gender Based Prohibited Conduct in order to investigate and to resolve such complaints promptly and effectively.

8.   It is the policy of the College to
1. provide educational, preventative and training programs regarding this policy and Gender Based Prohibited Conduct;
2. to encourage reporting of violations or alleged violations of this Policy;
3. to prevent incidents of Gender Based Prohibited Conduct from denying or limiting an individual's ability to participate in or benefit from the College's programs;
4. to make available timely services for those who have been affected by Gender Based Prohibited Conduct; and
5. to provide prompt and effective methods of investigation and resolution to stop Gender Based Prohibited Conduct, remedy any harm, and prevent its recurrence.

9.   No one may retaliate against anyone who has engaged in protected activity as defined in this Policy or applicable law.

10.   Nothing in this Policy shall be construed to abridge academic freedom and inquiry, principles of free speech, or the College's educational mission. This Policy does not preclude application or enforcement of other College policies.

11.   If two or more interpretations can be given to any provision of this Policy, the College intends that only such an interpretation that is lawful is intended.

Definitions

Sex or Gender Discrimination

Unlawful sex or gender discrimination shall be defined for purposes of this Policy in the same manner as it is defined in applicable law. By way of example, sex or gender discrimination, including sexual harassment, is conduct directed at a specific individual or a group of identifiable individuals that subjects the individual or group to treatment that adversely affects the individual or group's employment or education on account of sex. Sex discrimination can be manifested by unequal access to educational programs and activities on the basis of sex, unequal treatment on the basis of sex in the course of conducting those programs and activities, or, the existence of a program or activity that has a disparate impact on participation, improperly based on the sex of the participants.

Sexual Harassment

Sexual harassment shall be defined for purposes of this Policy in the same manner as it is defined in applicable law. By way of example, sexual harassment is unwelcome conduct of a sexual nature, including unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, graphic, or physical conduct of a sexual nature, when: (1) submission to or rejection of such conduct is made either explicitly or implicitly a condition of an individual's employment or academic standing or is used as the basis for employment decisions or for academic evaluation, grades, or advancement (quid pro quo); or (2) such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person's ability to participate in or benefit from the College's education or work programs or activities (hostile environment).

Quid pro quo sexual harassment can occur whether a person resists and suffers the threatened harm, or the person submits and avoids the threatened harm. Both situations could constitute discrimination on the basis of sex.

A hostile environment can be created by persistent and/or pervasive conduct or by a single severe episode. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment. Sexual violence, including rape, sexual assault, and domestic and dating violence, is a form of sexual harassment. In addition, the following conduct violate this Policy:

- Observing, photographing, videotaping, or making other visual or auditory records of sexual activity or nudity, where there is a reasonable expectation of privacy, without the knowledge and consent of all parties
- Sharing visual or auditory records of sexual activity or nudity without the knowledge and consent of all recorded parties and recipient(s)

- Sexual advances, whether or not they involve physical touching
- Commenting about or inappropriately touching an individual's body
- Requests for sexual favors in exchange for actual or promised job benefits, such as favorable reviews, salary increases, promotions, increased benefits, or continued employment
- Lewd or sexually suggestive comments, jokes, innuendoes, or gestures
- Stalking

Other verbal, nonverbal, graphic, or physical conduct may create a hostile environment if the conduct is sufficiently persistent, pervasive, or severe so as to deny a person equal access to the College's programs or activities. Whether the conduct creates a hostile environment may depend on a variety of factors, including: the degree to which the conduct affected one or more person's education or employment; the type, frequency, and duration of the conduct; the relationship between the parties; the number of people involved; and the context in which the conduct occurred.

Sexual Violence

Sexual violence is a physical sexual act conducted either against a person's will or where a person is incapable of giving consent, including but not limited to, rape, sexual assault, sexual battery, and sexual coercion.

Sexual Misconduct

Sexual Misconduct is a broad term encompassing any sexual behavior that violates any criminal statute, College policies and/or the Student Code of Conduct and includes any conduct that is sexually exploitive or degrading, retaliatory and/ or abusive with the intent or result of compromising the well-being of another person, including domestic violence, dating violence, and stalking.

Sexual Exploitation

Sexual exploitation is an act or omission to act that involves taking non-consensual, unjust, humiliating, or abusive sexual advantage of another, either for his or her own advantage or to benefit or advantage anyone other than the Complainant. Examples of sexual exploitation include but are not limited to the following:

- Creating a picture(s), movie(s), webcam, tape recording(s), graphic written narrative(s), or other means of memorializing sexual behavior or a state of undress of another person without the other's knowledge and consent;
- Sharing items described in the paragraph above beyond the boundaries of consent where consent was given. For example, showing a picture to friends where consent to view it was given for oneself only;
- Observing or facilitating observation by others of sexual behavior or a state of undress of another person without the knowledge and consent of that person;
- "Peeping Tom" or voyeuristic behaviors;
- Engaging in sexual behavior with knowledge of an illness or disease (HIV or STD) that could be transmitted by the behavior without full and appropriate disclosure to the partner(s) of all health and safety concerns;
- Engaging in or attempting to engage others in "escort services" or "dating services" which include or encourage in any way sexual behavior in exchange for money;
- Intentionally, knowingly, or surreptitiously providing drugs or alcohol to a person for the purpose of sexual exploitation; or

- Exposing another person to pornographic material without the person's advance knowledge or consent.

Stalking

Stalking is a pattern of repeated and unwanted attention, harassment, contact, or any other course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety, or the safety of others, or suffer substantial emotional distress. This includes cyber-stalking, a particular form of stalking in which electronic media such as the internet, social networks, blogs, cell phones, texts, or other similar devices or forms of contact are used to pursue, harass, or make unwelcome contact with another person.

Unwelcome Conduct

Sexually related conduct is unwelcome if a person (1) did not request or invite it and (2) regarded the unrequested or uninvited conduct as undesirable or offensive. That a person welcomes some sexual contact does not necessarily mean that person welcomes other sexual contact. Similarly, that a person willingly participates in conduct on one occasion does not necessarily mean that the same conduct is welcome on a subsequent occasion.

Whether conduct is unwelcome is determined based on the totality of the circumstances, including various objective and subjective factors. The following types of information may be helpful in making that determination: statements by any witnesses to the alleged incident; information about the relative credibility of the parties and witnesses; the detail and consistency of each person's account; the absence of corroborating information where it should logically exist; information that the Respondent has been found to have harassed others; information that the Complainant has been found to have made false allegations against others; information about the Complainant's reaction or behavior after the alleged incident; and information about any actions the parties took immediately following the incident, including reporting the matter to others.

In addition, when a person is so impaired or incapacitated as to be incapable of requesting or inviting the conduct, conduct of a sexual nature is deemed unwelcome, provided that the Respondent knew or reasonably should have known of the person's impairment or incapacity. The person may be impaired or incapacitated as a result of drugs or alcohol or for some other reason, such as sleep or unconsciousness.

A Respondent's impairment at the time of the incident as a result of drugs or alcohol does not, however, diminish the Respondent's responsibility for sexual or gender-based harassment under this Policy.

Gender-Based Harassment

Gender-based harassment is verbal, nonverbal, graphic, or physical aggression, intimidation, or hostile conduct based on sex, sex-stereotyping, sexual orientation or gender identity, but not involving conduct of a sexual nature, when such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person's ability to participate in or benefit from the College's education or work programs or activities. For example, persistent disparagement of a person based on a perceived lack of stereotypical masculinity or femininity or exclusion from an activity based on sexual orientation or gender identity also may violate this Policy.

Protected Activity

The following acts are protected under this Policy: (1) those acts that are protected under any applicable law; (2) making a complaint under this Policy or under law to any governmental entity or court alleging a violation of this Policy or applicable law; or (3) participating in an investigation, hearing or inquiry under applicable law or this Policy.

Unlawful Retaliation

Unlawful retaliation is defined as attempts or acts to seek retribution including, but not limited to, any form of intimidation, reprisal, harassment, or intent to prevent participation in College proceedings under this Policy. Unlawful retaliation may include continued abuse or violence, other harassment, and slander and libel. Retaliation may be committed by any individual or group of individuals, not just a Respondent or Complainant, and may be committed against the Complainant, Respondent, or any individual or group of individuals involved in the investigation and/or resolution of an allegation of sexual assault, sexual harassment, or other sexual misconduct.

Intimate Partner Violence

Intimate partner violence is also sometimes known as dating violence, domestic violence, or relationship violence. The College recognizes that sexual assault, sexual exploitation, sexual harassment, stalking, and retaliation may all be forms of intimate partner violence when committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. In general, intimate partner violence includes physically, sexually, and/ or psychologically abusive behavior that arises in the form of a direct violent act, or indirectly as acts that expressly or implicitly threaten violence. Intimate partner violence also occurs when one partner attempts to maintain power and control over the other through one or more forms of abuse, including sexual, physical, verbal, or emotional abuse.

Consent

Consent is an explicitly communicated, reversible mutual agreement in which all parties are capable of making a decision. Consent is informed, voluntary, and actively given. Consent exists when all parties exchange mutually understandable affirmative words or behavior indicating their agreement to participate voluntarily in sexual activity. The following is intended to further clarify the meaning of consent:

- Each participant in a sexual encounter must obtain consent for all sexual activities. Consent to one form of sexual activity does not constitute consent to engage in all forms of sexual activity.
- Consent consists of an outward demonstration indicating that an individual has freely chosen to engage in sexual activity. Relying on non-verbal communication can lead to misunderstandings. Consent may not be inferred from silence, passivity, lack of resistance or lack of an active response alone. A person who does not physically resist or verbally refuse sexual activity is not necessarily giving consent.
- If at any time it is reasonably apparent that either party is hesitant, confused, or unsure, both parties should stop and obtain mutual verbal consent before continuing such activity.
- Consent may be withdrawn by either party at any time. Withdrawal of consent must also be outwardly demonstrated by words or actions that clearly indicate a desire to end

sexual activity. Once withdrawal of consent has been expressed, sexual activity must cease.

- An individual who is physically incapacitated from alcohol or other drug consumption (voluntarily or involuntarily), or is unconscious, unaware, or otherwise physically impaired is considered unable to give consent. For example, one who is asleep or passed out cannot give consent.

Individuals with a previous or current intimate relationship do not automatically give either initial or continued consent to sexual activity. Even in the context of a relationship, there must be mutually understandable communication that clearly indicates a willingness to engage in sexual activity.

Consent is not effective if it results from the use or threat of physical force, intimidation, or coercion, or any other factor that would compromise an individual's ability to exercise his or her own free will to choose whether or not to have sexual contact. In addition, a person is incapable of giving consent if he/she is incapacitated.

Coercion

Coercion includes the use of pressure and/or oppressive behavior, including express or implied threats of harm or severe and/or pervasive emotional intimidation, which (a) places an individual in fear of immediate or future harm or physical injury or (b) causes a person to engage in unwelcome sexual activity. A person's words or conduct amount to coercion if they wrongfully impair the other's freedom of will and ability to choose whether or not to engage in sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance that impairs the person's ability to give consent.

Incapacitation

Incapacitation is the inability, temporarily or permanently, to give consent, because the individual is mentally and/or physically impaired due to alcohol or other drug consumption, either voluntarily or involuntarily, or the individual is unconscious, asleep, or otherwise unaware that the sexual activity is occurring. In addition, an individual is incapacitated if he or she demonstrates that they are unaware of where they are, how they got there, or why or how they became engaged in a sexual interaction. Where alcohol is involved, incapacitation is a state beyond drunkenness or intoxication. Some indicators of incapacitation may include, but are not limited to, lack of control over physical movements, being unaware of circumstances or surroundings, or being unable to communicate for any reason.

Gender-Based Prohibited Conduct

Gender Based Prohibited Conduct means any one or more of the following types of conduct: (1) Unlawful Sex or Gender Discrimination; (2) unlawful sexual harassment; (3) sexual related crimes; (4) sexual misconduct as defined in this Policy; (5) sexual exploitation as defined in this Policy; (6) stalking as defined in this Policy; (7) unwelcome conduct as defined in this Policy; (8) gender based harassment as defined in this policy; (9) intimate partner violence as defined in this Policy; (10) coercion as defined in this policy; and (11) unlawful retaliation as defined in this policy.

Complaint Procedure

The College encourages students, faculty, staff, and visitors to promptly report incidents of Gender Based Prohibited Conduct. All complaints of Gender Based Prohibited Conduct must be brought to the immediate attention of the Title IX Coordinator for the College. The Title IX Coordinator for the College is the Executive Director of Human Resources who may be reached at Tyler Hall - Room 130, and by phone at 215-968-8091. Students may also contact the Director of Student Life, who serves as a Deputy Coordinator, in the Rollins Center – Room 112, and by phone at 215-968-8255. In cases of emergency, contact the Office of Security and Safety, located in Cottage 4, or by phone 215-968-8911.

Any person who receives a complaint of Gender Based Prohibited Conduct from an employee or student, or who otherwise knows or has reason to believe that an employee or student has been subjected to Gender Based Prohibited Conduct must report the incident promptly to the Title IX Coordinator.

Any person may file a formal complaint alleging a violation of the Policy. A complaint of Gender Based Prohibited Conduct should be filed directly with the Title IX Coordinator, regardless of the identity of the Respondent. A formal complaint must be in writing and signed and dated by a Complainant, witness or a third party filing on behalf of a potential Complainant (Reporter). It should state the name of the alleged harasser (if known) and describe with reasonable specificity the incident(s) of alleged Gender Based Prohibited Conduct, including the date and place of such incident(s). Attached to the complaint should be a list of any sources of information (for example, witnesses, correspondence, records, and the like) that the Complainant or Reporter believes may be relevant to the investigation. However, a complaint should not be delayed if such sources of information are unknown or unavailable. Complaints will be accepted and acted upon even if this information is not included. The college will provide victims with written information regarding their rights as well as related policy and procedures for handling cases involving gender-based misconduct.

The College does not limit the timeframe for filing a complaint. The College encourages complaints to be filed as soon as reasonably possible following an alleged Policy violation because the College's ability to gather adequate information may be limited where a significant length of time has elapsed between an incident and the filing of a complaint. Further, the College's ability to complete its processes may be limited with respect to Respondents who have graduated from or are no longer employed by the College.

The Title IX Coordinator or designee will conduct a prompt and appropriate investigation into any allegation of sex discrimination, sexual harassment or sexual violence or retaliation, so as to enable a prompt and equitable response under all circumstances and in a fair and expeditious manner. The College reserves the right to retain an outside investigator(s) or legal counsel to investigate complaints regarding violations of this policy.

When reviewing a complaint, the standard of review utilized by the Title IX coordinator shall be that of a preponderance of the evidence (i.e., whether the conduct complained of is more likely than not to have occurred.)

The Title IX Coordinator or designee may allow the parties to present witnesses and other evidence during the investigation. The investigation will continue whether or not the complaint also is being investigated by another agency or law enforcement unless the Title IX Coordinator's investigation would impede law enforcement's investigation. If the

investigation is suspended during an investigation by law enforcement, the College will implement interim steps to protect the victim's safety.

Upon completion of the investigation, any case of Gender Based Prohibited Conduct will be referred to the appropriate administrator for applicable proceedings consistent with the College's relevant workplace conduct policies or Collective Bargaining agreements, or the College's Student Code of Conduct, including all applicable appeal processes. In cases of allegations of sexual harassment or sexual violence between students, a judicial hearing consistent with the Student Code of Conduct will be conducted following the conclusion of any investigation into the matter.

If it is determined that a violation of this Policy has occurred, the College will act promptly to eliminate the inappropriate conduct and prevent its recurrence, and address its effects by taking appropriate action, which may, depending upon the circumstances, include but not be limited to a change in class or work schedules or assignments, mandatory training or suspension, imposing restrictions on contact between parties, providing safe on-campus transportation and/or a security escort to and from classes, to a car or public transportation; leaves of absence, increased security or monitoring of certain areas of the campus and disciplinary measures such as reprimand, loss of privilege, expulsion and/or immediate termination.

Upon completion of the investigation, the individual(s) who made the complaint and the individual(s) against whom the complaint was made will be advised of the results of the investigation simultaneously, in writing and, where a remedy is determined to be appropriate, to inform the parties of the steps that will be taken to remedy the situation.

Interim Measures to Protect Safety and Well-Being

Following a report of sexual assault, sexual harassment or other sexual misconduct, the College will provide interim support and reasonable protection against further acts of misconduct, harassment, or retaliation as needed, as well as provide services and resources to provide a safe educational and employment environment.

The College will determine the necessity and scope of any interim measures pending the completion of the complaint process. Even when a Complainant or Respondent does not specifically request that protective action be taken, the College may still choose to impose interim measures at its discretion to ensure the safety of any individual, the broader College community, or the integrity of the review process.

All individuals are encouraged to report concerns about failure of another individual to abide by any restrictions imposed by an interim measure. The College will take prompt responsive action to enforce a previously implemented interim measure.

Depending on the facts and circumstances of the specific complaint, the Title IX Coordinator or designee will immediately contact agencies and organizations to effect immediate relief, care, and support for the complainant and/or the victim in any given case including but not limited to:

1. The closest, competent health care facility;
2. The police department and campus public safety;

3. The Student Support Referral Team (SSRT); or
4. The Employee Assistance Program (EAP).

As an immediate priority, care will be taken to ensure the safety and well-being of the complainant and/or victim, and to exercise all precautionary measures to prevent a repeat of the alleged incident of Gender Based Prohibited Conduct. Accordingly, interim measures such as a temporary suspension or leave of absence, may be implemented pending a hearing on the matter.

In cases of sexual violence, the Title IX Coordinator will inform the complaining victim of the right to file a criminal complaint with applicable law enforcement authorities and shall make known and available to the complaining victim information related to available support services and medical and counselling resources as applicable.

A Complainant who wishes to pursue a criminal complaint is encouraged to make a report to local law enforcement. The Office of Security and Safety, at the request of the victim, will assist with this reporting. Local law enforcement will determine if a criminal investigation will occur and if the case will be referred for prosecution. Unless there are compelling circumstances, the College will typically not file an independent police report without the consent of the Complainant.

Confidentiality

All actions taken to investigate and resolve complaints through this procedure shall be conducted with as much privacy, discretion and confidentiality as reasonably possible without compromising the thoroughness and fairness of the investigation. It is important to understand that, while the College will treat information it has received with appropriate sensitivity, College personnel may nonetheless need to share certain information with those at the College responsible for stopping or preventing Gender Based Prohibited Conduct. For example, College officers, other than those who are prohibited from reporting because of a legal confidentiality obligation or prohibition against reporting, must promptly notify the Title IX Coordinator about possible sexual or gender-based harassment, regardless of whether a complaint is filed. Such reporting is necessary for various reasons, including to ensure that persons possibly subjected to such conduct receive appropriate services and information; that the College can track incidents and identify patterns; and that, where appropriate, the College can take steps to protect the College community. This reporting by College officers will not necessarily result in a complaint; rather, the Title IX Coordinator will assess the information and determine what action, if any, will be taken. Information will be disclosed in this manner only to those at the College who, in the judgment of the Title IX Coordinator, have a need to know.

In addition, under some circumstances, to conduct a thorough investigation, investigator(s) may need to discuss the complaint with witnesses and those persons involved in, or affected by, the complaint, and those persons necessary to assist in the investigation or to implement appropriate disciplinary actions.

Should individuals desire to discuss an incident or other information only with persons who are subject to a legal confidentiality obligation or prohibition against reporting, they should ask College officers for information about such resources, which may be available both at

the College and elsewhere. College officers are available to discuss these other resources and to assist individuals in making an informed decision.

Retaliation

Retaliation against any individual for making a complaint of a violation or alleged violation of this Policy will not be tolerated. Any acts of retaliation will be subject to appropriate disciplinary action, such as but not limited to reprimand, change in work assignment, loss of privileges, mandatory training or suspension and/or immediate termination or expulsion.

Violations of Other Rules

The College encourages the reporting of all concerns regarding Gender Based Prohibited Conduct. Sometimes individuals are hesitant to report instances of sexual or gender-based discrimination or harassment because they fear they may be charged with other policy violations, such as underage alcohol consumption. Because the College has a paramount interest in protecting the well-being of its community and remedying sexual or gender-based harassment, other policy violations will be considered, if necessary, separately from allegations under this Policy.

Advice and Assistance

Any member of the College community who believes that he or she has been the victim of Gender Based Prohibited Conduct may also contact the following individuals to obtain information on initiating either informal or formal procedures to resolve a complaint.

- All College Counselors are available to provide information and counseling, on a confidential basis, concerning incidents of Gender Based Prohibited Conduct.
- Complaints that a College employee has engaged in Gender Based Prohibited Conduct may be brought to the alleged offender's administrative supervisor.
- Complaints that a student has engaged in Gender Based Prohibited Conduct may be reported to the Director for Student Life Programs or Vice President for Student Affairs.

Resources

A variety of resources are available at the College and in the area to assist those who have experienced gender-based or sexual harassment, including sexual violence. They are:

On-Campus Emergency
Office of Security and Safety (215-968-8911)

Medical Treatment

Newtown
St. Mary's Hospital (215-710-2000)
1201 Langhorne-Newtown Road
Langhorne, PA 19047

Perkasie

Grandview Hospital (215-453-4000)
700 Lawn Avenue
Sellersville, PA 18960

Lower Bucks
Lower Bucks Hospital (215-785-9200)
501 Bath Road
Bristol, PA 19007

Aria Health (215-949-5180)
380 Oxford Valley Road Langhorne, PA 19047

Emotional Support

Newtown Campus Student Services
Charles E. Rollins Center, 215-968-8189

Upper Bucks Campus Student Services Center
215-968-8189

Lower Bucks Campus Student Services Center

Motor Vehicle Regulations

Motor Vehicle and Parking Regulations

The College's Motor Vehicle Regulations are enacted to increase safety on campus and to provide an orderly process for the operation of motor vehicles. It is the responsibility of all students, faculty and staff to register their vehicle and obey these regulations.

Every vehicle parked on the campuses of Bucks County Community College is required to display a valid parking permit. Vehicles on campus without a parking permit will be subject to ticketing. Permits must be applied for online at bucks.edu/parking. An optional temporary permit may be printed out, placed on the dashboard and is valid for up to 14 days. During that 14-day period, the student or employee should bring his/her vehicle registration and I.D. to the Office of Security and Safety located in Cottage 4. A permanent student or employee parking permit will be issued at that time.

COLLEGE MOTOR VEHICLE REGULATIONS ARE ENFORCED AT ALL TIMES ON ALL CAMPUSES OF BUCKS COUNTY COMMUNITY COLLEGE.

Section I
Operation
- All vehicles parked on campus require a parking permit and must be registered with the Office of Security and Safety.
- BCCC parking permits are free and must be visible at all times.

- You may register as many vehicles as needed, since permits may not be transferred from one vehicle to another.
- Please adhere or hang parking permits behind the interior rear-view mirror of the vehicle so they are visible through the front windshield.
- Temporary parking permits must be obtained by students and employees who use a leased, rented or borrowed vehicle. Please obtain a temporary permit from the Office of Security and Safety before parking your vehicle.
- Student parking is permitted in Lots S1, S2, S3 and S4. Parking in the Visitor Lot (V1) by either employees or students is prohibited at all times and will result in a fine.
- Permits are valid for the two-year period prior to the expiration date printed on the front of the permit.
- Bicycles and mopeds may be parked in the racks provided throughout campus.
- College staff and faculty must park in the specific areas designated for employees
- Student workers and part-time college employees carrying more than six (6) credits at Bucks County Community College are considered students for parking purposes; they must obtain student parking permits and park in student lots only.
- Visitors should park in the Visitors area (V1) adjacent to S2. (See Section III for detailed information.)
- UNAUTHORIZED PARKING IN HANDICAPPED OR INFIRMARY SPACES WILL RESULT IN A FINE. (See Section III, Paragraph D.)

Violations

The following are violations of the College's Motor Vehicle Code:
- Parking without a valid permit or improper placement of permit.
- Permit must be displayed on the back of the rear-view mirror, inside the vehicle, and must be visible at all times.
- Any alteration or transfer of a parking permit or handicapped permit renders it invalid.
- Parking or driving on grass area.
- Employee or student parking in visitor's area
- Student parked in employee lot Employee parked in student lot
- Parking on roadways or on shoulders.
- Unauthorized parking in any designated area.
- Parking in Loading/Unloading zone.
- Parking on crosswalk or within 20 feet of fire hydrants.
- Parking over the white line and/ or obstructing two spaces.
- Failure to obey official traffic control signs or directions.
- Parking in fire lanes.
- Reckless driving.
- Unauthorized parking in a designated handicap/reserved infirmary area.

Section II Sanctions and Fines

Fines
- Monetary fines are itemized on all violations notices and are subject to change without notice.

- There are additional charges for towing and/or immobilizing vehicles.
- Unauthorized parking in handicapped/infirmary spaces - $100
- Immobilization Boot - $100
- Parking in Fire Lanes, reckless driving - $50
- Parking without a valid Bucks County Community College permit and most other violations - $15
- Parking with expired permit - $10
- Parking with valid permit not properly displayed - $5

Payment

All parking fines payments are due within 14 calendar days of the date of the violation. Payment can be made in any of the following ways:

- In-person at the Student Accounts Office. The Student Accounts Office is located in The Hub at the Newtown Campus and is open from 8:30 a.m. to 4:00 p.m. Payments (check or money order) may also be mailed to: BCCC / Student Accounts Office / 275 Swamp Road / Newtown, PA 18940
- Online through Self-Service.

UNPAID PARKING VIOLATION FINES

- Unpaid parking fines are considered financial obligations to the College and will result in withholding of student records, grades, transcripts, registration, or other official records.
- Employee fines not paid within 45 days will result in suspension of parking privileges. Once suspended, the vehicle is subject to immobilization or towing at the owner's expense.
- The College reserves the right to seek judgment in the Court of the District Justice against a student or employee who fails to satisfy any outstanding obligations levied according to these Motor Vehicle Regulations.

Towing/Immobilization Policy

- Towing – The College reserves the right to remove any vehicle which is parked in a driveway, fire lane, loading dock, handicapped area, or parked in such a way as to constitute a hazard to vehicular and pedestrian traffic or to the movement or operation of emergency equipment. The owner will be responsible for the costs involved in removing, impounding and storing the offending vehicle. All fees must be paid before the vehicle will be released. The College is not responsible for damage to a vehicle resulting from towing or immobilization.
- Any vehicle parked in violation of the motor vehicle regulations issued by Bucks County Community College may be immobilized by use of a wheel boot. Additionally, when a vehicle is determined to have three (3) or more parking violation notices charged against it, paid or unpaid, a boot may be used to immobilize the vehicle. The College will not authorize release of the vehicle to the owner or custodian until a payment of $100 is made to remove the boot and all outstanding fines have been satisfied. In addition, any vehicle subject to towing may be immobilized instead. Flagrant violations of these motor vehicle regulations may result in the loss of parking and vehicle operating privileges on campus. Notice of the placement of a wheel boot shall be posted prominently on the vehicle. Placement of the notice shall depend upon the type of vehicle. The College is not responsible for damage to a vehicle resulting from towing or

immobilizing the vehicle. Only members of the Office of Security and Safety staff may remove wheel boots.

- Vehicles left immobilized for longer than 36 hours may be moved to a storage facility. The owner/custodian of the vehicle shall be responsible for immobilization and removal fee as well as any storage fees.

Section III Procedures

Appeals of Violation Notices/Parking Privileges

- Violation Notices may be appealed to a special Traffic Appeals Committee.
- Appeals may be filed online at bucks.edu/parking within 14 calendar days of the date of the violation.
- An employee whose parking privileges have been suspended, may appeal the suspension to the Traffic Appeals Committee. The employee must file an appeal with the Human Resources Department no later than five (5) working days after the notice of the suspension of parking privileges has been received.
- Decisions made by the Traffic Appeals Committee are final.

Visitors

College departments expecting visitors should notify the Office of Security and Safety and secure visitor permits, which can be mailed to the visitor along with parking instructions.

- Visitors to campus must park in the Visitors Area, adjacent to Student Lot B. If this area is full, visitors are requested to report to the Office of Security and Safety, located in Cottage 4, for issuance of a permit and instructions on where to park.
- Visitors are subject to all Campus Motor Vehicle Regulations.

Special Parking

Arrangements for all special, temporary and visitor parking permits are coordinated through the Office of Security and Safety. Issuance of a permit does not guarantee a parking space. Lack of space is not considered a valid excuse for violation of regulations.

- Short-term (30 minute) parking spaces are located in lot V2 front of the Cottages and may be used by anyone who requires 30 minutes or less to transact college business.
- Temporary permits for "Loading and Unloading" are issued yearly to all college departments and budget areas by the Office of Security and Safety. These permits may be used for a maximum of 30 minutes.
- Parking in the areas outlined above will be timed and strictly enforced. Tickets will be issued to violators.

Handicapped Parking/Temporary Mobility Impairments

- Permanent Mobility Impairments: Individuals with permanent mobility impairments must have an official Pennsylvania Bureau of Motor Vehicles handicapped license plate or placard on their vehicle in order to park in any of the designated handicapped spaces on campus. Students and employees must also possess valid campus parking permits.
- Temporary Mobility Impairments: Parking arrangements are available to individuals with temporary mobility impairments. Applications for these "Infirmary" spaces are available from the Office of Security and Safety. This type of temporary permits is issued on a per semester basis.

- All reserved infirmary spaces are clearly marked and posted.
- Reserved infirmary parking is available on a first-come, first-served basis.
- Individuals with infirmary permits may not park in handicapped spaces.
- If all reserved infirmary spaces on campus are full, drivers must park in a regular lot.

Disabled Vehicles

All disabled vehicles should be reported to the Office of Security. A reasonable period of time will be granted for the removal of a disabled vehicle but must be coordinated with the Office of Security and Safety.

Overnight Parking

Parking on campus between the hours of 12:00 midnight and 5:00 a.m. is prohibited, except for those who have received prior approval from the Office of Security and Safety. Permission will be granted for disabled vehicles and vehicles belonging to people participating in college sponsored trips. In all cases, the owner/operator should contact the Office of Security and Safety.

Miscellaneous

- Motorists are advised that all Pennsylvania laws and regulations pertaining to the use of motor vehicles apply to all drivers and vehicles on the campus of Bucks County Community College.
- Any driver coming on campus to discharge or pick up passengers may do so in the area of Linden Lane designated for that purpose.
- Parking near the baseball field is at your own risk.
- The college is not responsible for the safety of vehicles or their contents.
- Bucks County Community College Motor Vehicle Regulations are in effect at all times.

Access for Disability

Elevators
- Founders Hall (right side)
- Library Building (Two separate elevators)
- Pemberton Hall – (rear of Admissions)
- Linksz Pavilion
- Rollins Center (by Café)
- Allied Health
- Gateway Center Lobby
- Science Center (by Founders connector)
- Grupp Hall (left side)

Wheelchair Lifts
- Charles E. Rollins Center - outside rear entrance connecting with the Library
- Charles E. Rollins Center - Fireside Lounge

Ramps
- Accessible Parking Lot - ramp to center of campus and side entrance of Founders Hall
- Hicks Art Center - main entrance
- Cooper Homestead - main entrance
- Grupp Hall - right side entrance

- Grupp Hall - rear side entrance to lecture halls
- Tyler Hall - front entrance and inside first floor

TDD - Telecommunication Devices for the Deaf
Charles E. Rollins Center – Accessibility Office

Evening Student Shuttle Service

The College operates a shuttle service Monday through Thursday nights between 6:00 p.m. and 11:00 p.m. Students are picked up in the parking lots and dropped off behind Grupp Hall and Founders Hall. After class, students are picked up behind Grupp and Founders Halls and dropped off near their vehicles.

Emergency Closing Information

When inclement weather or an emergency forces the cancellation or delayed start of classes, announcements will be made using the e2campus text message and email system, on the college website, on the College's social media platforms and on local and Philadelphia television stations. Snow or icy conditions may close the College or delay its opening. Students and employees should register for e2campus at www.bucks.edu/e2.

TV and Radio Codes
760 - (Newtown) Code number for day classes, including Saturday and Sunday
2760 - (Newtown) Code number for evening classes.
759 - (Upper Bucks Campus) Code number for day classes, including Saturday and Sunday
2759 - (Upper Bucks Campus) Code number for evening classes.
1366 - (Lower Bucks Campus) Code number for day classes, including Saturday and Sunday
2366 - (Lower Bucks Campus) Code number for evening classes.

Delayed Openings

It is important for everyone to remember the following information when a delayed opening is announced:

- **One (1) hour delay** - all classes ending before 10:00 AM are canceled. Classes starting prior to 10:00 AM, but ending after 10:00 AM, would be held from 10:00 AM until regular class ending time. To aid Physical Plant in clearing roads/sidewalks, the gates to campus will not be opened until 9:15. Employees and students are not to arrive at the campus prior to 9:15 AM.
- **Two (2) hour delay** - all classes ending before 11:00 AM are canceled. Classes starting before 11:00 AM but ending after 11:00 AM would be held from 11:00 AM until regular class ending time. To aid Physical Plant in clearing roads/sidewalks, the gates to campus will not be opened until 10:15. Employees and students are not to arrive at the campus prior to 10:15 AM.

NOTE: The College will not open for evening, Saturday or Sunday classes on a delayed basis.

Cancellation of Day or Evening Classes

Day Classes: Classes that start in the morning or afternoon, including classes that end before 6:00 p.m. at the latest.

Evening Classes: Classes that start at 6:00 p.m. or later.

Note:
- When day classes are cancelled but evening classes are held:
  - if a class is scheduled to start before 6:00 p.m. and continue at least one hour after 6:00 p.m. (i.e. continue until 7:00 p.m. or later), it would be held. This class will begin at 6:00 p.m., instead of its regular starting time, and continue until its regular ending time.
  - If a class is scheduled to start before 6:00 p.m. and end before 7:00 p.m., it will not be held.

- When day classes are held but evening classes are cancelled:
  - day classes that start at 5:00 p.m. or earlier will be held but will end at 6:00 p.m.

Student Records, Rights & Responsibilities

Buckley Amendment
This act was designated to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Education Rights and Privacy Act (FERPA) Office concerning alleged failures by the College to comply with the act.

Local policy explains in detail the procedures to be used by the College for compliance with the provisions of the act. Copies of the policy can be obtained in the Registrar's Office in Pemberton Hall and at www.bucks.edu. An appendix to the policy contains a Directory of Records which lists all education records maintained in regard to students by the College.

Questions concerning FERPA may be directed to the Registrar's Office. The College has designated the following student information as public or Directory Information. Such information may be disclosed by the College for any purpose.
- Name
- Major field of study
- Dates of attendance
- Degrees and award received
- Previous institution(s) attended
- Full-time/part-time status
- Participation in officially recognized sports and activities
- Weight and height of members of athletic teams

Such information may be disclosed at the discretion of the College to individuals, agencies, and institutions for purposes relating to activities approved by and associated with Bucks County Community College. Examples of these activities are student elections; recognition of degrees and awards by publishing in newspapers, commencement programs, etc.;

recognition of participation in College sports and activities by publishing in newspapers, programs, etc.; and, student insurance plans that are approved by the Board of Trustees of the College. Directory Information will not be disclosed for purposes unrelated to activities approved by and associated with Bucks County Community College. Examples of these unrelated activities are: developing mailing lists to engage in a commercial enterprise; dissemination of political information; solicitation of funds by individuals, agencies, and institutions; and notification of opportunities to attend meetings of, engage in a contract with, participate in, order goods or services from, or join an organization, institution, agency, or individual that is not approved by and associated with Bucks County Community College. A student directory is not published by the College because of the expense incurred in such an undertaking and the potential for invasion of students' privacy.

Currently enrolled students may withhold disclosure of any category of information under FERPA. To withhold disclosure, written notification must be received by the Registrar's Office within three weeks of the first day of classes for the semester in which the withholding of Directory Information is to take effect.

The College assumes that the absence of a specific request to withhold Directory Information indicates approval for disclosure.

Change of Address, Name, or Telephone Number

Students are requested to record changes in name, address, or telephone number as soon as possible at the Registrar's Office. Changes may be submitted in person, through Self-Service by fax, or by email to the Registrar's Office from the student's Bucks Student Email account (changes emailed from personal email accounts will not be honored). Official correspondence or other communication is based upon data currently on file.

Clearance Letters

When a student wishes to transfer, the transfer institution often requests a Letter of Clearance. This letter is sent to the college of the student's choice explaining whether he or she was involved in any disciplinary actions, his/her dates of attendance and general standing at Bucks County Community College. A Letter of Clearance is not a transcript.

Forms to have a Letter of Clearance issued are available in the Office of Student Life Programs, located on the upper level of the Charles E. Rollins Center. If the transfer institution issues its own form, that is mailed with the Letter of Clearance.

Transcripts
Your transcript is the official, permanent record of all the courses you have taken while attending Bucks County Community College. In accordance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, student academic records are classified as confidential and may be released only with the student's written authorization and signature. No one else (including your spouse, parent, family member, friend, employer, etc.) can request your transcript, as your written permission is required by law.

Bucks students can request an official copy of their transcript be sent to any college or university, employer, any specific address, or for pick-up in the Registrar's Office by visiting bucks.edu/transcripts. Three options for ordering official transcripts are available to students, including electronic, paper copy, or online through MyBucks Self-Service. Current students can obtain an unofficial copy of their transcript through their MyBucks Self-Service.

The $5 Transcript Request Fee must be paid at the time of the request or the request will not be processed. Transcripts, official and unofficial, will not be released if a student has an outstanding financial obligation to the college.

Bucks students receive their grades through their MyBucks Self Service. Grade reports are no longer sent out through the mail.

Equal Employment Opportunity Statement

Bucks County Community College does not discriminate against any employee, applicant for employment, student or applicant for admission because of race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.

Accordingly, all recruiting, hiring, and promoting for all job classifications will be made without regard to race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.

All recruiting and admissions of students will be made without regard to race, color, sex, religion, ancestry, national origin, age, sexual orientation, gender identity or expression, an individual's actual or perceived disability, genetic information or veteran status.

Equal Opportunity in Education

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in any educational program or activity sponsored by the College. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of handicap in any educational program or activity sponsored by the College, and Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race in any educational program or activity sponsored by the College.

It should be further noted that in addition to the above laws and regulations, the College is committed to the premise that all students and applicants for admission are entitled to an equal opportunity to acquire training, education, and skills at Bucks County Community College regardless of their sex, race, national origin, religion, color, sexual orientation, age, disability, ancestry, veteran status, or any other legally protected category.

The College will not tolerate any behavior by staff or students which constitutes sexual harassment of a student. All inquiries regarding the nondiscrimination policy shall be directed to the Executive Director, Human Resources & Equity Compliance Officer, Tyler Hall Room 130, Bucks County Community College, 275 Swamp Road, Newtown, PA 18940, 215-968-8091 (phone), 215-504-8506 (fax).

Student Consumer Information Services

Student Right to Know

As required by the Student Consumer Information Regulations, established under Title I of the Educational Amendment of 1976, the College provides information to current and prospective students concerning the academic programs offered by the College and the financial assistance programs available to students.

The College participates in all major federal and state financial aid programs. This Catalog

includes a section on the College's Financial Aid Programs, including descriptions of the various programs, application procedures, eligibility requirements, criteria for selecting recipients, criteria for determining award amounts, and a statement of the rights and responsibilities for students receiving financial assistance.

In addition to this information, the Financial Aid Office has prepared a Financial Aid Brochure which summarizes the aid programs available for current and prospective students. Requests for information and application materials should be directed to: Financial Aid Office, Bucks County Community College, Newtown, PA 18940.

This Catalog includes a section outlining tuition and fee charges for full and part-time students, as well as estimates for books and supplies, off-campus housing, transportation, and personal expenses. It is important to understand that this information is based upon typical expenses for the "average" student, and may vary greatly from student to student, depending upon housing plans, transportation arrangements, and other personal factors.

The College's Refund Policy is outlined in the Expenses section of this Catalog. It is the responsibility of the student to be aware of this refund policy, and to notify the College in writing of intent to withdraw from courses or the College.

The Office of Institutional Research maintains information on student retention rates by academic programs and also information on the number of students completing majors. In addition, this office conducts an annual follow-up study on post-graduate activities. This study includes information on numbers of students transferring to other colleges and universities and locating full and part-time jobs.

Additional information on retention rates, number of students completing majors, and similar types of information should be requested from: Office of Institutional Research, Bucks County Community College, Newtown, PA 18940.

The College's contact person for Student Consumer Information Services is the Director of Financial Aid. Questions and requests for information should be directed to: Director of Financial Aid, Bucks County Community College, Newtown, PA 18940.

As a result of the Higher Education Amendments of 1998, the following list and brief descriptions are being made available so that students and parents will know what office(s) to contact for required disclosures:

- Rights Under Family Education Rights and Privacy Act - This Act was written to protect the privacy of education records. Questions may be addressed to the Registrar's Office.

- Completion/Graduation Rates - This will show completion or graduation rate of cohort of certificate or degree-seeking, full-time undergraduates who graduated or completed their program of study within 150% of the normal time for graduation or completion. Questions may be addressed to the Office of Institutional Research.

- Report on Athletic Program Participation Rates and Financial Support Data - Includes disclosures regarding institutional revenues and expenses attributable to

intercollegiate athletic activities as well as disclosures regarding athletic participation. Questions may be addressed to the Director of Athletics, Bucks County Community College, Newtown, PA 18940.

Student Right-to-Know Act
In response to the Right-to-Know and Campus Security Act, Public Law 101-542 and the Higher Education Technical Amendments of 1991, Public Law 102-26, and Department of Education regulations, Bucks County Community College is required to provide students with the following information:

The projected graduation rate for first-time, full-time students entering the college during Fall 2019 is approximately 18%. This rate is based on a 4-year average of the actual graduation rates of full-time students entering the college beginning with Fall 2012 through Fall 2015 and who completed an associate degree major within three years or who completed a certificate major within one and one-half years. It should be noted that these rates do not reflect the many students who successfully transfer to other educational institutions without earning a degree at Bucks County Community College or those who are still attending. These rates also do not reflect those students who have met their individual educational goals without earning a degree or certification.

Resolution of Student Concerns
As a comprehensive educational community, Bucks promotes an active and challenging learning environment. Varying viewpoints and differences of opinion in such an environment are natural and expected. Students enjoy a host of rights and responsibilities in addressing issues and concerns.

Student concerns are generally best resolved at the level at which the concern developed. Communication is the key to resolution. Students are encouraged to indicate concerns with specific matters to the office/area or individual most directly involved or responsible. A variety of mechanisms exist to assist students in processing such concerns. Faculty members, administrators, and College staff are receptive to discussion and welcome interaction with students. The Provost serves as an ombudsman for students and can assist in directing students to the most appropriate area or person to resolve concerns. Counseling services, academic deans, and area administrators can also provide assistance.

Students are encouraged to address concerns in an appropriate and timely manner and to utilize the resources noted above to assist in this process. If the student is unable to resolve the concern in an informal manner, then the student is encouraged to follow the procedures outlined in the Student Complaint Policy below.

STUDENT COMPLAINT POLICY

I. PURPOSE
This policy is designed to provide a mechanism by which a student may lodge a complaint regarding a service or academic encounter at the college. Through this process the college seeks to ensure the provision of a quality education and excellent support services for students. Further, the process is intended to identify opportunities to improve service and student satisfaction, as well as demonstrate compliance with federal regulations regarding the receipt, response to and tracking of student complaints.

II. SCOPE

This policy applies to an individual who is currently enrolled, or was enrolled at the college, within the previous semester, when the underlying facts and circumstances of the complaint first occurred, and who has not been suspended or dismissed, or otherwise is required to re-apply for admission.

Parents, relatives, employers, agents and other persons acting for, or on behalf of, a student are not able to file a complaint in a student's name.

III. GENERAL
This policy and accompanying procedures are based on the principle that the college is committed to handling student complaints in a manner which is perceived as fair, impartial, confidential and timely. This policy is the appropriate mechanism to pursue for complaints related to any aspect of college life including the delivery of academic, administrative and other support services. The effectiveness of the complaints process is regularly evaluated by those involved in it.

When a student encounters a problem on campus for which he/she seeks resolution, he/she should always first try to work the problem out through discussion with those immediately involved with, or responsible for, the service, decision or action in question. Dealing with concerns in the most direct and honest fashion should always be the first step toward resolution. The majority of problems can be resolved when a student makes an appointment with a faculty or staff member and calmly and honestly communicates their concerns. If however, an issue or problem still exists after informal resolution is attempted, a student may initiate the formal complaint procedures provided at the college. All formal student complaints must be received in writing through student entry of the complaint details into the online complaint resolution form used by the college. Once the online form is completed, an electronic copy is sent to the Office of the Provost.

Should the Provost be the subject of the concern, or directly party to it, the complaint may be made to the President.

COMPLAINTS ADDRESSED BY OTHER POLICIES
The following matters are not treated as Student Complaints within the scope of this policy but may be directed for resolution as follows:

- Sexual misconduct, harassment, or discrimination. 1.14 Gender Based Misconduct
- Discrimination on grounds of equal opportunity. 1.10 Equal Opportunity
- Failure to provide adequate accommodations. 1.11 Americans with Disabilities Act
- Matters relating to student violations of the Code of Conduct. 3.12 Student Responsibilities for Conduct
- A grade appeal, unless unethical, illegal or improper conduct of a faculty member may be the subject of the complaint even if it occurs in the context of a grade decision or appeal. 2.11 Grade Challenges
- Tuition appeal. 3.18 Tuition Appeals
- Matters relating to child abuse reporting. 1.21 Child Abuse Reporting
- Grievances arising related to a student's employment at the college should be directed to the Human Resources office.
- Complaints related to processes or individuals outside of the scope of college responsibility.

COMPLIANCE
Failure to comply with this policy may result either in no action being taken with respect to a complaint or other disposition by the Provost. Where such failure also causes a violation of

rules and policies regarding student or employee conduct, disciplinary action may result in accordance with the applicable rules and policies.

IV. PROCEDURE

COMPLAINT SUBMISSION

All formal student complaints must be received in writing within the semester of occurrence or as soon as possible thereafter. The student will provide the complaint facts and circumstances via the online complaint resolution form used by the college. The Office of the Student Affairs will receive, and be the central repository for, all complaints registered.

COMPLAINT REVIEW AND RESOLUTION

Using the complaint resolution system, the following process for review and resolution will be used.

1. The Provost will direct each complaint to the appropriate divisional Vice President or to the Provost for review and resolution.
2. Complaints will be acknowledged within 5 days of receiving all information necessary to process the complaint. This acknowledgement will:
   - be in writing from the divisional Vice President reviewing the complaint
   - identify the staff member handling the complaint
   - give an estimated time frame for resolution.
3. Complaints should be addressed as expeditiously as possible, with the goal of resolving each complaint within 30 days of acknowledgment of the complaint.
4. Upon arriving at a resolution, the divisional Vice President will send resolution details in writing to the student and the Provost, giving the reasons for the decision.

COMPLAINT TRACKING

The Office of the Provost, will track each Student Complaint via a web-based data management system and maintain within that system a record of the following for not less than two (2) years after final disposition of the complaint:

- Date complaint was received.
- Students identified with the complaint.
- Copy of the complaint.
- College officials who addressed the complaint.
- Steps taken to resolve the complaint.
- Final resolution or disposition of the complaint.
- Any external actions taken by the complainant of which the Provost becomes aware.

The data tracked will be assessed and made available to regulatory agencies and accrediting bodies, including the Middle States Commission on Higher Education and the Pennsylvania Department of Education, as required in accordance with applicable laws, regulations and policies.

In the unlikely event that an issue cannot be resolved by the college:

- on-ground students may file a complaint with their respective State Licensing Authority. Please see the accompanying guidelines to file a complaint with your local State.
- online students, except for those residing in California, may lodge an appeal with the Pennsylvania Department of Education.

- online students residing in California may file a complaint with their <u>state agency</u>.

State agencies should be contacted only after the student has registered a complaint with the college and has not received a response to the request for resolution.

Bucks County Community College is accredited by the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104, (267) 284–5000. The Commission on Higher Education is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Commission on Postsecondary Accreditation. Please see the Commission's guidelines for filing a complaint at <u>www.msche.org.</u>

Student Body Bill of Rights

I. Purpose

To ensure that students are afforded fundamental rights, including freedom of expression and association, protection against improper academic evaluation and disclosure, and a guarantee of due process in disciplinary hearings.

II. Scope

Applicable to all students.

III. General

Bucks County Community College values a culture of learning that encourages respect for the individual, freedom of inquiry, open-minded civil discourse, an appreciation of diversity and an understanding of world cultures, and responsible citizenship. The following Bill of Rights outlines the fundamental elements of student involvement and conduct within the college community.

a. Access to Higher Education – see policy 3.1 Admissions
b. Student Records – see policy 1.19 FERPA
c. Classroom Settings
   Student Rights

   1. Protection of Freedom of Expression. Students should be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.

   2. Protection against Improper Academic Evaluation. Students should have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled. See related policy 2.11, Grade Challenges.

   3. Protection against Improper Disclosure. Information about student views, beliefs, and political associations that professors acquire in the course of their

work as instructors, advisers, and counselors should be considered confidential unless threat of harm to self or others exists. Judgments of ability and character may be provided under appropriate circumstances (for example, a reference letter for employment) normally with the knowledge and consent of the student.

   d. Non-classroom Activities

Bucks County Community College supports the following rights of students with regard to non-classroom activities.

   Student Rights

   1. Freedom of association / freedom to exercise citizenship rights. Students have the right to organize and join associations to promote their common interests. Students must follow college guidelines for clubs and organizations to be officially recognized by the college. Students have the right to freedom of speech and peaceful assembly as long as it does not interfere with the learning environment and other normal activities of the college.

   2. Freedom of inquiry and expression in student organizations. Students have the right to examine and discuss questions of interest to them and to express opinions publicly and privately as long as others' rights are not violated in the process.

   3. Freedom of responsible expression in student publications. Students involved with student publications have the right to editorial freedom, including freedom from censorship; however, students also have the responsibility to uphold the practice of responsible journalism.

   4. Guarantee of due process in disciplinary proceedings. Students have the right to a fair hearing when charged with a violation of college policy. See Policy 3.13 Student Responsibilities for Conduct for details.

   5. Freedom to participate in student governance. Students are encouraged to express their views on issues of institutional policy and on matters of general interest to the student body. The college provides such opportunities through the Student Government Association and through participation on college governance committees.

   Related student responsibilities are outlined in Policy 3.12 Student Responsibilities for Conduct.

IV. Procedure: None

V. Approval: President, February 1, 2016

VI. Responsibility: Vice President, Technology & Innovation

Discipline

Any student who exhibits conduct not in keeping with the established standards of the College is subject to penalty with possible fine, probation, suspension, or expulsion from the College. It is the expectation of the faculty and administration of the College that students will grow in maturity and develop the ability to lead and govern themselves.

Student Responsibilities for Conduct

I. Purpose

To outline expectations of student conduct that promotes an environment conducive to learning, and to further define the judicial process for violations of the stated code of conduct.

II. Scope

Applicable to all students.

III. General

In order to provide the maximum opportunity for learning and to support the mutual respect necessary within the teaching/learning environment, students are expected to adhere to the following guidelines while on-campus and/or during any college-sponsored off-campus event.

Student Responsibilities

Students are expected to:

1. Report to class on time and remain for the duration of the class.
2. Be responsible for all material covered and announcements made within class, even when absent from class.
3. Come to class prepared (completed homework and readings).
4. Refrain from conversations whenever the instructor or another student is speaking.
5. Maintain an atmosphere conducive to the teaching/learning process.
6. Silence all electronic devices during class.
7. Abide by the college's Guide for Responsible Use of Electronic Communication and not abuse the privileges of access to electronic information and communication.
8. Adhere to classroom policies set by their instructors in the class format/syllabus.
9. Submit assignments on time (in the proper format), participate in class discussions, and prepare for tests.
10. Adhere to the college's Academic Integrity Policy.
11. Abide by college policies related to children on campus.
12. Refrain from tobacco use in unauthorized areas.
13. Abide by the Student Code of Conduct contained within this document.
14. Abide by all college policies.

Infractions/Violations

The following student actions are Code of Conduct Violations and may result in sanctions:

1. Plagiarism or academic cheating.

2. Forgery or alteration of the college identification card or records.

3. Destruction of, damage to, malicious misuse of, or abuse of college property

4. Destruction of, damage to, malicious misuse of, or abuse of another's personal property on campus.

5. Assault upon another person or the threat thereof while on campus or at a college-sponsored off-campus event.

6. Theft of college property or personal property on campus.

7. Lewd or indecent conduct on campus or at a college-sponsored event.

8. Possession, use, or sale of unauthorized narcotics or illegal substances on campus or at college-sponsored off-campus events.

9. Unauthorized use, possession, or sale of firearms or other dangerous weapons on campus.

10. Drunk and/or disorderly conduct on campus or at college-sponsored off-campus events.

11. Possession of alcoholic beverages on campus property except where expressly authorized by the President.

12. Harassment/bullying (including, but not limited to, directing physical or verbal conduct toward an individual because of the individual's age, race, color, ancestry, national origin, religion, creed, gender, sexual orientation, disability, gender identity, etc.)

13. Gender-based misconduct including sexual harassment, sex or gender-based discrimination, unlawful retaliation, sexually-related crimes including sexual assault or violence, intimate partner violence, stalking, and exploitation (see Policy 1.13 Gender-based Misconduct for further detail).

14. Failure to provide proper identification of oneself when requested by a college official including security officers, faculty, and staff members.

15. Failure to respond to official correspondence and communication from the college.

16. Gambling on college property.

17. Smoking in unauthorized locations.

18. Disruptive behavior or conduct.

19. Misrepresentation of proper identification of oneself in the transaction of college business and dealings with college officials and representatives.

20. Unauthorized possession of animals on college premises.

21. Abuse of privileges of access to electronic information and communication.

22. Violation of other college rules and regulations after publication, distribution, or posting thereof in such a manner to ensure fair notice to the student.

Sanctions

If a student is found guilty of a violation(s), one or more of the following sanctions may be imposed:

1. Expulsion: permanent separation of the student from the college. Notification will appear in the official disciplinary file in the Office of Student Life Programs. The individual will also be barred from college premises.

2. Suspension: separation of the student from the college for a specified period of time. Notification will appear in the official disciplinary file. The individual shall not participate in any college sponsored activity and may be barred from college premises.

3. Temporary Suspension: the college reserves the right to temporarily suspend any individual charged under the Code with any violation which is a serious threat to the physical well-being of any individual(s) or property. In the event of such temporary suspension, a hearing must be held before the appropriate college official within seven (7) calendar days of the date of the incident or discovery thereof.

4. Monetary Fines: not to exceed $125. Notification will appear on the student's financial records and in the official disciplinary file.

5. Restitution: the student is required to make payment to the college or other persons, groups, or organizations for damages incurred as a result of commission of a Code violation.

6. Other Sanctions: to include disciplinary probation consisting of written letters of reprimand, restrictions upon participation in college activities, requirement of formal apologies, explanations, and assignments of research and/or work projects. Other academic sanctions might include expulsion from a class or instructor initiated withdrawal from a course or courses. See policy on cheating and plagiarism for sanctions related to these violations.

IV. Procedure:

Any person who exhibits conduct not in keeping with the established standards of the college is subject to penalty with possible fine, probation, suspension, or expulsion from the college.

Any member of the college community may charge any other member of the college community with a Code of Conduct violation.

Violations

All Code of Conduct violations must be filed in writing within seven (7) calendar days of their occurrence, with the exception of cases involving gender-based misconduct which have no time limit (see policy on Gender-Based Misconduct for related information).

1. Non-academic (non-classroom) violations must be reported to the Director, Student Life and Athletic Programs in the Office of Student Life.

2. Academic violations regarding plagiarism and cheating must be reported to the Provost. Academic violations regarding classroom offenses must be filed with the appropriate Academic Dean in the Academic Affairs Division.

3. Academic violations regarding classroom offenses in Integration of Knowledge (INTG) classes must be filed with the INTG Coordinator.

4. In cases of emergency, violations should be reported immediately to the Office of Safety and Security.

Following a report of a violation, the following judicial processes will take place.

Non-Classroom Violations

Upon report of a Code of Conduct violation, the Director of Student Life (Judicial Officer) will

begin a preliminary investigation to determine if there is a reasonable cause to believe that a specific policy has been violated. If reasonable cause exists, the Judicial Officer will issue written notice of the code violation to the alleged code violator(s) within seven (7) calendar days of receiving the code violation incident report. This notification will include the alleged violator(s) and date, time, and location of the disciplinary hearing. The investigation may continue throughout this time.

There are two options for a hearing in a non-classroom-oriented violation:

Option #1 for disciplinary hearing: The alleged code violator(s) may choose to have the hearing with the Director, Student Life Programs. The Director will meet with the alleged code violator(s) in a one-on-one setting. Once all evidence has been reviewed, the Director has the option of deciding sanctions at that time. The Director will inform the alleged code violator(s) of the official college ruling in writing no later than seven (7) calendar days following the disciplinary hearing.

Option #2 for disciplinary hearing: The alleged code violator(s) may choose to have the hearing with the Student Judicial Board with the exception of violations involving the college's Gender-Based Misconduct Policy, in which case, the hearing will be held before a specially appointed board of faculty and staff trained in handling such cases (see Policy 1.13 on Gender-Based Misconduct for related procedures).

The Student Judicial Board is appointed by the President of the college upon the recommendation of the Student Government Association. Involvement of the Student Judicial Board regarding a disciplinary matter is the option of the individual(s) charged with a code violation.

The Student Judicial Board is a committee of five (2 students, 2 faculty, 1 staff member) who will review the code violation, evidence and documentation, and make a written recommendation regarding findings and related sanctions to the Judicial Officer. The Judicial Officer will review the recommendation of the Student Judicial Board and will inform the alleged code violator(s) in writing of the official college ruling no later than seven (7) calendar days following the disciplinary hearing. Outcomes of hearings involving Gender-based misconduct cases will be shared simultaneously with all involved parties.

Academic Violations for Cheating and Plagiarism: *see college policy on Academic Integrity.*

Academic Violations regarding Classroom Offenses:

Disruptive classroom behavior and other classroom offenses, including both face-to-face and online learning environments, will be filed with the Academic Dean in the department where the violation occurred, or with the INTG Coordinator for such offenses in INTG classes. Faculty members make primary decisions regarding student discipline in the classroom. These decisions are subject to review by the appropriate Academic Dean responsible for the department, or by the INTG Coordinator for those classes.

The following procedure will take place after a classroom Code of Conduct violation:

Faculty member will ask the student to cease the disruptive or code violating behavior.

1. If student does not cease the behavior, the faculty member may ask the student to leave the class.

2. If asked to leave a class, the student must meet with the faculty member before the next scheduled class meeting to resolve the behavioral issue before continuing in the class.

3. If in subsequent classes the student does not change his/her disruptive or code violating behavior, the faculty member will refer the student to the Academic Dean or the INTG Coordinator responsible for that department or class for a disciplinary hearing.

4. The Academic Dean or the INTG Coordinator will give the alleged code violator(s) written notice of what they are accused within seven (7) calendar days of the most recent violation, including the date and time of their hearing.

5. A disciplinary hearing will be conducted by the Assistant Academic Dean or INTG Coordinator who will determine the sanctions, if any.

6. The Academic Dean or the INTG Coordinator will inform the alleged code violator (s) in writing of the official College ruling no later than seven (7) calendar days following the disciplinary hearing.

Appeals

Appeals regarding disciplinary cases can only be submitted based on the following criteria:

1. The hearing was not conducted fairly because the accused student was not given a reasonable opportunity to present their case.

2. The procedures for the hearing were not properly followed.

3. The facts presented at the hearing were insufficient to establish responsibility for the violation.

4. The sanctions imposed were disproportionate to the nature of the offense(s).

5. New information, that was unavailable at the time of the hearing, has surfaced and would significantly impact the case. If there is any new information, the person hearing the appeal can either render an independent decision or refer the case back to the judicial hearing board for further review.

Appeals must be filed according to the following instructions:

o Appeals to all rulings must be made in writing within fourteen (14) calendar days of the disciplinary hearing date.

o All academic oriented appeals will be filed with the Provost.

o Non-academic oriented appeals will be filed with the Vice President of Student Affairs.

o A subsequent appeal may be made in writing within fourteen (14) calendar days of the first level appeal hearing date to the college President. The decision of the college President shall be final.

Disciplinary Records

Student disciplinary records are kept by the Office of Student Life Programs. These records are:

- confidential;
- available for examination by the student upon request;
- held indefinitely;
- excluded from an academic transcript and placement record;
- disclosed to all persons only upon subpoena, by written permission of the student, or as provided for elsewhere in this document.

V. Approval: President, August 3, 2015

VI. Responsibility: Enforcement of a College Code of Conduct requires the cooperation of the college community. The ultimate responsibility for enforcement of the Code of Conduct rests with the college President and Board of Trustees however the college President may delegate enforcement of the Code of Conduct to appropriate college administrative officials and staff members.

- Chief responsibility for the enforcement of academic-oriented violations and maintenance of related records rests with the Provost.
- Chief responsibility for the enforcement of non-academic oriented violations and maintenance of related records rests with the Vice President, Technology & Innovation.
- Day-to-day enforcement responsibility rests with all members of the college community including students, faculty, administrators, and staff members.

Academic Integrity Policy

The expectation at Bucks County Community College is that the principles of truth and honesty will be rigorously followed in all academic endeavors. In support of this aim, Bucks County Community College requires all students to exhibit academic integrity in all their academic work.

A culture of academic integrity is built upon respect for others' work, commitment to doing one's own work, and intolerance for academic dishonesty in all its forms. This assumes that all work will be done by the person who purports to do the work without unauthorized aids. In addition, when making use of language and some idea not his or her own, whether quoting them directly or paraphrasing them into his or her own words, the student must attribute the source of the material in some standard form, such as naming the source in the text or offering a citation. Students are expected to represent such sources accurately and truthfully when incorporating them into their own work.

Instructors should include in their syllabi an explanation of the Academic Integrity policy and its penalties.

No information pertaining to the offense shall be disclosed to external entities such as colleges, employers, or agencies, except upon subpoena or by written permission of the student.

DEFINITIONS

Violations of academic integrity include, but are not limited to:

Cheating - which is the use or attempted use of unauthorized material, information, electronic device, implement or study aid in, for example, any test, quiz, academic exercise or assignment without the instructor's permission;

Plagiarizing - which is the unacknowledged adoption or reproduction of the ideas, words, data or statements of others; for example, fellow students, printed materials, and internet sources;

Fabricating or falsifying - which is the unauthorized falsification or invention of any data, information or citation in an academic exercise;

Impersonating - which is assuming another individual's identity or allowing another individual to do so, for the purpose of fulfilling an academic requirement;

Facilitating - which is helping or attempting to help another commit an act of academic dishonesty; for example, making an assignment available or using a mobile device to coach another.

Reporting, Monitoring & Disclosure
The Office of the Provost maintains a central record and monitors all policy violations.

Individual instructors are responsible for completing the Academic Integrity Reporting Form within fourteen (14) days of the discovery of an offense. The instructor should complete the Academic Integrity Reporting Form using the appropriate reporting tool, which reports the incident to the Provost. The incident will be recorded, and a notice to the student will be generated and delivered to the Dean of the department in which the charge was made for signature and delivery to the student. The Provost will also notify the student's Academic Dean and the Vice President, Student Affairs.

Instructors should always complete the Academic Integrity Reporting Form as a First Recorded Offense unless contacted by the Office of the Provost to resubmit the form as a Second Offense.

PENALTIES FOR VIOLATIONS

First Recorded Offense
The instructor will:

Determine whether the violation is Level 1 or Level 2. This determination is the instructor's purview, and may include consideration of severity, intent, or other factors.

- Level 1 - Issue a warning with the requirement that the offending portions of the work be revised and file the Academic Integrity Reporting Form.
- Level 2 - Issue an automatic failing grade (F), worth zero points, for the work in question, e.g., quiz, essay, or examination, and file the Academic Integrity Reporting Form.

Second Recorded Offense
The instructor will:

- File the Academic Integrity Reporting Form. Upon notification by the Office of the Provost that this is a second offense, the instructor will issue a failing grade (F) for the course.

Third Recorded Offense
The instructor will:

- File the Academic Integrity Reporting Form. Upon notification by the Office of the Provost that this is a third offense, the instructor will issue a failing grade (F) for the course.

The Provost will:

- Issue a one-semester suspension from the college and so notify the student.
- Notify the Offices of Student Affairs, Student Accounts, and the Registrar of the one-semester suspension for the upcoming semester. If the student is already registered for courses in the upcoming semester, the student should be dropped from those courses and issued a full refund.

Facilitator/Impersonator Charges to Apply to all Offenses

- When the facilitator/impersonator is enrolled in the same course, the instructor will file the Academic Integrity Reporting Form against said student and the facilitator/impersonator will be subject to the same penalty.
- When the facilitator/impersonator is not enrolled in the same course, the instructor will file the Academic Integrity Reporting Form against said student. The Provost's Office will review this student's file and enter the appropriate charge.

APPEALS
Appeals to all rulings may be made in writing within fourteen (14) calendar days of the disciplinary action. Appeals pertaining to Penalties for Violations of Academic Integrity should be directed to the Dean of the department in which the course is offered. If resolution is not achieved at that level, final appeal is made to the Provost.

Responsible Use Policy

The information presented below is a summary of the Bucks County Community College Responsible Use Policy. This policy defines the responsibilities of all authorized users of the College's electronic information systems and services. The purpose of this policy is to ensure the confidentiality, integrity, and availability of the College's Information Technology Resources.   The policy is not meant as a deterrent to use these resources but is in place to protect all Users who utilize these resources and the College.

The full policy can be found at https://portal.bucks.edu/working/policiesprocedures/Documents/5.%20IT,%20Administrative%20and%20Advancement%20Policies.pdf and all users of the College's information systems and services are bound by this policy

Policy Statement
The College considers use of its Information Technology Resources to be a privilege that is granted on the condition that each member of the College community respects the integrity

of its Information Technology Resources and the rights of other Users. All Users that use The College's Information Technology Resources should be guided by behavior and conduct that is consistent with the mission of the College and with respect for the principles of open expression. Use of the College's Information Technology Resources is intended for use that align within the College's priorities on instruction, research, and other educationally and business-related communication. Accordingly, the use of the College's Information Technology Resources is permitted and encouraged only where such use is in furtherance of its goals and objectives.

No Expectation to Privacy
During the course of carrying out their responsibilities, faculty, staff, students, agents or other authorized representatives of the College may access the College's Information Technology Resources. Therefore, there shall be no expectation of privacy in any message (voice or data), file, data, document, facsimile, or any other form of information accessed, transmitted to, received from, or stored on any electronic communication or information system owned, leased, used, maintained, moderated or otherwise operated by the College.

The College endeavors to maintain the security of all electronically stored data and information, and the College requires that all Users that have access to network and Internet based services respect these rules. To safeguard and protect the proprietary and sensitive business information of the College and to ensure that the use of all Information Technology Resources is consistent with the College's legitimate business interests, authorized representatives of the College may monitor the use of such systems, messages, files on the systems, and equipment.

If the College determines that activities are ongoing which do not comply with applicable laws or this policy, electronic records may be retrieved and used to document the activity. In legal matters which involve electronically stored information, the College will follow appropriate federal and state guidelines.

Personal Use
Personal use is permitted where such use does not affect the Users workplace performance, is not detrimental to the College in any way, does not breach of any term and condition of employment and does not place the individual or the College in breach of statutory or other legal obligations. Users should be guided by reasonable and prudent practices on personal use.

Responsible Use
Access to the technology services resources of the College is a privilege granted to students, faculty, and staff of the College and access to these resources is provided by a unique user id and password. The user id and password should be safeguarded to prevent unauthorized use to the College's resources.

Users are expected to practice good stewardship and adhere to the following guidelines when access to the College's resources is provided – a full listing on the guidelines can be found in the policy referenced above:
- do not allow anyone else to use their User ID and password on any of the College's systems
- do not use someone else's User ID and password to access the Colleges systems
- do not access data for any purpose other than conducting the College's business

- do not interfere with or disrupt network communications or system functionality
- do not physically connect any hardware device not authorized, owned, or provided by the College to any of the Colleges Informational Technology Resources;
- do not send emails that are used to harass, intimidate, alarm or threaten;
- do not send emails that contain obscene, abusive, libelous or defamatory material;
- copyrighted materials that are not authorized for reproduction/distribution cannot be distributed
- users must not impersonate another User or deceive another individual in order to access another person's email
- users must not view, download, or disseminate materials that may inflict harm, is illegal, or against the College's policies

Exemptions to the Policy

Exemptions to the policy is granted for those individuals engaged in normal educational related activities or research provided that those activities are consistent with the College's mission.

Policy Compliance

Any User found to have violated this policy may be subject to disciplinary action, up to and including termination of employment or sanctions as defined in the Student Policies and Procedures Manual.
