

Kids on Campus Permission to Administer Medication

Return this form to the Kids on Campus Nurses on the first day of your camper's camp.

Dear Parent/Guardian,

1. Medication will only be administered by Kids on Campus Nurses when failure to take it during the camp day would jeopardize the health of the camper.
2. All medication must have a signed parent permission slip.
3. Prescriptions must be in the original pharmaceutical container with the pharmacy label intact.
4. Over the counter medication that is needed, must be in its original container and accompanied by the doctor's order to be administered during the camp day.
5. Campers may not carry medications throughout the day unless specifically ordered to do so (this would include a self-administration order too) by a physician. (ex. Inhalers)

I request the nursing personnel to administer the below medication to my child.

Child's name _____ Date of Birth _____

I hereby release the Kids on Campus employees from any liability or responsibility for any injury or damages that may result from the administration of the medication in accordance with this request.

Name of Medication _____

Purpose of Medication _____

Name of Prescribing Physician _____

Dosage _____

Special instructions _____

Date _____ Signature of Parent/Guardian _____
