**Bucks-La Salle Dual Admission Students:** Please refer to the Dual Admission application for eligibility requirements. Students interested in applying to La Salle through the Dual Admission program must sign the Dual Admission Application before completing 45 college-level credits. The Dual Admission Agreement includes a Core-to-Core component. Under the Dual Admission agreement, La Salle University's Core will essentially be fulfilled by the Core at Bucks County Community College. In order to meet the requirements of La Salle's Core, students must take **CORE Qualifiers** – one Philosophy course, one Religion course, and either a Psychology or Sociology course – at La Salle if they have not taken courses at Bucks that will fulfill these requirements. See recommendations on the reverse side under "Advising Notes Related to Core Qualifiers" for which specific Bucks courses will fulfill these requirements.

**Non-Dual Admission students** who transfer to La Salle University will be required to complete the entire La Salle Core, which includes specific courses in a number of disciplines. Coursework can be taken at La Salle or prior to transfer. Seek advisement for course options and visit the La Salle website, [www.lasalle.edu](http://www.lasalle.edu), to view the current course catalog.

La Salle will accept credit on a case by case basis earned through one of the following sources: the College Level Examination Program (CLEP), the Defense Activity for Non-Traditional Education Support Program (DANTES) and in accordance with the recommendations of the American Council on Education (ACE).

\* When equivalent courses are worth different credit amounts, the course will be satisfied and the amount of credit earned will transfer.

**Advising Notes Related to Core Qualifiers – For Dual Admission Students:**

- 1) Any Philosophy (PHIL) course at Bucks satisfies La Salle’s Philosophy Core Qualifier.
- 2) If students choose to take HUMN120 it will satisfy the **Art/Humanities** requirement for this major, and also meets the Religion Core Qualifier at La Salle. Other Religion courses at Bucks that satisfy La Salle’s Religion Core Qualifier are HUMN121, HUMN122, HUMN125, HUMN127, HUMN128, and HUMN129.
- 3) Dual Admission students should take one of the following Psychology or Sociology courses as an elective at Bucks to satisfy La Salle’s Psychology/Sociology Core Qualifier: PSYC110 Intro to Psychology or SOCI110 Intro to Sociology.

**Additional Notes:**

- 1) It is recommended that students choose COMP111 English Composition II rather than MGMT135 as it will not only meet the Bucks requirement but also satisfy a requirement at La Salle. If COMP111 is not taken, students must take ENG 210 at La Salle.
- 2) Non-Dual Admission students are required to meet the complete La Salle Core and should seek advisement on course selection and transferability of electives. Note that pre-college level courses do not transfer.
- 3) The maximum number of credits that a student may transfer to La Salle is 70. Additional courses beyond the Associate degree can be taken at Bucks to meet program requirements at La Salle.
- 4) **A transfer student must complete at least half the major courses at La Salle.**
- 5) Students are strongly advised to use this guide with the assistance of Transfer Services at Bucks. The information in this transfer guide is subject to change. Therefore, students are advised to check periodically with Transfer Services for up-to-date information and to contact the Assistant Dean at La Salle, listed below, for advisement on major requirements that can be taken at Bucks. Following this guide does not guarantee the transfer of credit or admission to La Salle University.
