

## ACT NOW

### Request an Artmobile visit at your school!

**Subsidized visits are available to schools in need.**

Artmobile, Bucks County Community College's traveling art museum, has brought innovative exhibitions and arts education programming to schools in all 13 Bucks County districts since 1976. Teachers and students know to expect:

- **Museum-quality artworks;**
- **Interactive displays;**
- **Professional educators;**
- **Educational materials** that meet *Common Core* and *PA Dept. of Ed. Standard Aligned System*;
- **Professional development for teachers, at your school.**

Artmobile is appropriate for all grade levels and is accessible to individuals with cognitive differences or mobility constraints. **See the back of this page for a description of *Marvelous Machines*, our newest STEAM exhibit.**

**Submit your request now to reserve a visit!** School requests are honored on a first-come, first-served basis. When we receive your request, you will get an email notification. Contracts are mailed after visit dates are confirmed by telephone or email.

Artmobile is a time-efficient and cost-effective art museum experience for your students. Fees are based on the number of days Artmobile is open at your site. **For a visit of up to two days, the cost is \$500. Each additional day is \$100.** Payment is only due after visit dates are confirmed and your school receives a signed contract. **Substantial subsidies are available.**

Major funding for Artmobile is provided by Bucks County Community College, the Pennsylvania Council on the Arts, the National Endowment for the Arts, and generous corporate sponsorship.

In creative partnership,
