

Spring 2010 Credit Courses

Some classes are available with alternate start or end dates as noted in course listing.

How to read course information

Key to course information and requirement codes

Instructor and course requirements are subject to change.

All credit courses are Act 48 approved.

Course Offering Options

In addition to the traditional face-to-face courses that run for the standard academic semester, Bucks offers a range of learning opportunities to help students make the most efficient use of their time. All of these are fully accredited courses. The content of each course and the number of credits earned will be the same, regardless of the modality that is used to offer the course. Detailed course information for each eLearning and hybrid course is available at www.bucks.edu/welcome.

eLearning courses

- taught completely online
- may require an on-campus orientation
- allow flexibility in the student schedule
- are identified as “eLearning” in the course listing below

Hybrid courses

- a majority of course work takes place online
- on-campus meetings required for remainder of course work
- allow some flexibility in the student schedule
- are identified as “hybrid” in the course listing below

Before registering for any eLearning course, check for mandatory orientation at www.bucks.edu/welcome.

Before registering for any hybrid course, check for mandatory meetings at www.bucks.edu/welcome.

For course descriptions, visit www.bucks.edu/catalog/descriptions.html

Times listed include the minimum number of instructional minutes. Actual class time may be longer to accommodate class breaks.

Service Learning: Courses designated as service learning include a service learning component. Students will perform some volunteer work at a non-profit agency to enhance learning through a hands-on experience.

WebAdvisor: All enrolled students are assigned a WebAdvisor account. A number of services (registration, course seat availability, grades, transcripts, Program Evaluation, etc.) are available via WebAdvisor. Go to www.bucks.edu and click WebAdvisor to access them. You will need your BCCC Username and your PIN to access your personal student records (and to register) over the web. New students and those not currently enrolled can browse for courses using WebAdvisor by clicking the “Current Students” button and then “Search for Sections.”

Taking a course for Act 48 and need it reported to Harrisburg?

The procedure is simple.

When you complete your course go to www.bucks.edu/act48. At the bottom of that page, click on the "Act 48 Request Form". Complete that form online, submit it electronically, and the course will be reported to the state for you.

Questions about the reporting procedure? Call 215-504-8602.

Kara K. McClenahan ('10), who holds a master's in education, chose Bucks for a career change to earn her Paralegal Certificate. With the encouragement of her professors, she and other Bucks alumni created the Bucks County Paralegal Association for networking purposes which soon paid off. Kara secured a paralegal position based on the contacts she made through the group and its sponsor, the Bucks County Bar Association.

"I wouldn't have achieved so much so soon in this newly chosen field without the networking and support from Bucks. It would have taken twice as long with much less favorable career results if I didn't have BCCC's resources. The time spent here was definitely worth it!"

Catherine Allgor ('78), used her AA in theater from Bucks to attend the North Carolina School of the Arts and launch an acting career. She later attended Mount Holyoke College as a Frances Perkins Scholar and graduated summa cum laude, then received her Ph.D. with distinction from Yale University. The history professor is a University of California Presidential Chair at UC-Riverside and has published two books: *A Perfect Union: Dolly Madison and the Creation of the American Nation* (Henry Holt, 2006) and *Parlor Politics: In Which the Ladies of Washington Help Build a City and a Government* (University of Virginia Press, 2002).

"Having made my life now in academia, I know and appreciate the incredible caliber of faculty at Bucks. I'm amazed at who taught me...Almost every single one of my teachers was an accomplished professor and scholar."

Attention Nursing Students or Students considering Nursing as a major: In order to be in compliance with the Pennsylvania State Board of Nursing Rules and Regulations, the nutrition course taken by nursing students MUST be taught by a Registered Dietician in the Commonwealth of Pennsylvania. When you register for Nutrition, make sure your course says HLTH-120N in order for it to count toward your Nursing Requirements.

Edward J. Butler ('81), who received his associate degree in business administration from Bucks, was recently promoted to vice president of information technology at ISS Solutions, a provider of technology services to hospitals and other institutions, where he's worked for more than 20 years. He also holds a project management certificate from Penn State University and other technical certifications.

"Bucks was a great place to start my education. The small classes and helpful professors equipped me with the skills I needed to be successful in business. In fact, I've sent my two daughters there as well."

OFFICE ADMINISTRATION

TOTAL LAB COURSES

When you choose a "T11" section from the following list of 'OADM' courses, you have enrolled in a TOTAL Lab Open Entry class. You may enroll for a Total Lab section through the seventh week of the semester (through 3/9/10). Your attendance at an Orientation is mandatory! From that point on, you may work on assignments anytime the TOTAL Lab is open. Students with the appropriate software may choose to work from home. For info, visit www.bucks.edu/total or call 215-968-8341.

"PAIRED" READING SECTIONS

Some reading courses are "paired" with content courses (such as 'Introduction to Psychology' or US History II) to provide a supportive environment that helps students to develop critical reading and study skills and to apply these skills immediately to the content course. Paired courses (section number P01, P02, etc.) allow students to earn 3 credits each for the reading course and for the content course. STUDENTS MUST ENROLL IN ALL 'PAIRED' COURSES.

READ-090 "Paired" sections

Both sections must be taken together.

READ 090

Intro to College Reading

Credits-3 Prereq: Reading Level '1' or AESL-103
