

Spring 2010 Modular Courses

Modular courses are those which begin and/or end on dates other than the established term dates. All courses end no later than the term's end-date. For all modular courses: Last day for 100% refund for a dropped course is the business day before its start-date. A 50% refund is given for courses dropped the day of and the day after the start-date. Withdrawal begins two days after the course's start-date and carries no refund. The withdrawal period ends just after the course's mid-point. Times listed include the minimum number of instructional minutes. Actual class time may be longer to accommodate class breaks.
