Veterans Deferred Payment of Tuition Policy

All students who are eligible to receive VA educational benefits will be eligible to apply for deferred payment of tuition at Bucks County Community College.

It should be clearly understood that the College cannot accept responsibility for certain unforeseen problems that may occur concerning the student's request for VA educational benefits. It is possible that the student may not be eligible for the amount of benefits expected. Furthermore, it is possible that payments from the VA may be delayed due to the student's failure to provide the necessary paperwork, late application for benefits, or other internal VA circumstances. Because of this, **IT IS THE RESPONSIBILITY OF THE STUDENT** to make tuition payment to the College by the due date indicated on his/her Promissory Note, regardless of the action taken by the VA.
