1760 South Easton Road Doylestown, PA 18901 Ph: 215.340.8417 Fax: 215.343.6794 www.bucks.edu/publicsafety

September 27, 2010

Dear Prospective Student,

The Bucks County Community College is accredited by the National Board on Fire Service Professional Qualifications (ProBoard). This means that the levels of accredited professional certification offered by the Bucks County Community College meet or exceed Occupational Safety and Health Administration (OSHA) and National Fire Protection Association (NFPA) Standards, along with all requirements set forth by ProBoard. The process to become accredited is voluntary and only the most capable agencies apply for consideration. When an emergency services training agency applies for the accreditation, their policies are studied, procedures and processes are tested to ensure their certification testing process is evaluated and held to the standards of the accrediting body and compliance with the current NFPA standards. The Bucks County Community College is also an accredited through the Middle States Commission on Higher Education, which brings additional value knowing your training and certification needs are coming from an accredited higher educational institution.

The Bucks County Community College is pleased to announce our 2011 Daytime Resident Certification schedule. The Doylestown Training Facility is located at 1760 South Easton Road, Doylestown, PA 18901, just minutes from NAS/JRB Willow Grove. The facility is within ninety minutes of the Philadelphia (PHL) and Lehigh Valley (ABE) International Airports. Directions and local lodging facilities can be found on our website.

All course fees are based on Non-PA Municipal Emergency Responder and include course of instruction and certification fees. PA Municipal Emergency Responders, Training Membership Program (TMP) participants and Bucks County Companies will be required to pay fees as required. *Text books and lunch will not be provided*. A list of prerequisites, required text books and other suggested student text can be found on our website under <a href="Accredited Professional Certification">Accredited Professional Certification</a> page and in our 2011 Resident Course Catalog, also found on our website. A list of area restaurants can also be found under the Directions and Lodging page of our website.

Enrollment in the Technical Rescuer, Fire Investigator, Fire Fighter 1, and Fire Fighter 2 programs are extremely limited; please pre-register as early as possible to reserve your space. All students are required to come with the required text books on the first day of class.

Thank you,

Bucks County Community College
Department of Public Safety Training and Certification
