

Women In Music: Someone Will Remember Us

Lauren Pelon traces the story of women in music and performs music from around the world. The concert celebrates music written by, or for, women.

**Library Auditorium

From Garrison Keillor's "A Prairie Home Companion" to the steppes of Russia and the hills of Kazakhstan, Lauren Pelon has entertained audiences with her story of music and instruments throughout history. Pelon sings and plays approximately 25 ancient and modern instruments - some of which were traditionally played by women, some forbidden to women. Her virtuosity on so many instruments and her rich voice remind us of the power to transcend time and culture.
