Bucks County Community College
A.A. Liberal Arts: Psychology/Interpersonal Emphasis (1183)
And
Holy Family University
B.A. Psychology – Mental Health Services Track

* Two semesters of the same language sequence are needed to fulfill the requirement

+ The student may select one course from either group:

Group #1 – HIST 151 (HIST 203); HIST 152 (HIST 204); HIST 176 (HIST 205) to fulfill
Core: National Global Perspective #3

Group #2 – HIST 113 (HIST 108); HIST 114 (HIST 208) to fulfill Core: National Global Perspective #4.

The Core requirement not completed at Bucks will be taken at Holy Family University.

@@ The student may select from the following courses:

MATH 110; MATH 117; MATH 118 (BUSA 103); MATH 120;

MATH 122 (MATH 150); MATH 125 (MATH 150); MATH 140 (MATH 211).

Any of these course will fulfill the Core: Math requirement for the Psychology degree program at Holy Family University.

PSYC 105 (PSYC 344) will fulfill a Psychology Elective requirement in the General Track and the Research Track. The course is a required course in the Mental Health Services track

(##) Select from the following courses to fulfill Science elective: BIOL 102; CHEM 101, PHYS 106 (GSCI 110); SCIE 103 (GSII08, a non-lab course at HF); SCIE 105(GSCI 105, a non-lab course at HF).

Course transfer will be determined by the track elected – the course will be a free elective in both the General Track, and the Research Track. The course will not fulfill any degree requirement in the Mental Health Services Track and will not transfer.

++ Student may select from any of the following to fulfill the required Core: Philosophy course (Social Consciousness #1) requirement at Holy Family:

PHIL 125 (PHIL 101); PHIL105 (PHIL 202); or PHIL 111 (PHIL 301)

@ Both PSYC 323 (Quantitative Research) and PSYC 324 (Qualitative Research) are required for all tracks in the Psychology program. The courses may be taken in any order.

(X) Required for the Associate degree program at Bucks County Community College; however, if the student selects the Mental Health Services track this course will not apply to the degree in Psychology at Holy Family University.

Holy Family University
B.A. Psychology – Mental Health Services Track

The three tracks in the Psychology degree program:

General Track: This track will appeal to students who wish to major in psychology but have no plans to go to graduate school or to enter the clinical area. This track prepares students with broad-based foundations in the basic areas of psychology, including psychological theory and research methods. The track emphasizes critical thinking, stresses the values inherent in the field of psychology and highlights the application of psychological theory of personal, social and organizational issues.

Mental Health Services Track: This track provides an opportunity for specialization for those students who wish to work in hands-on mental health positions following graduation. Coursework provides an introduction to various populations, including children, those with addictions, groups, and provides a solid foundation in theories of counseling.

Research Track: This track is designed for students wishing to pursue graduate study following completion of the baccalaureate degree. Coursework will prepare the student to apply to either master's or doctoral level programs in psychology and included advanced experience

Additional information regarding PSYCHOLOGY concentration:

Successful completion of a comprehensive examination is required.

Note: A minimum of 60 credits must be earned at Holy Family University to be eligible for commencement honors.

Note: Course sequence progression is based on admission to Holy Family University for the Fall semester. Admitting in the Spring semester alters the program progression as outlined and will result in extending degree completion beyond the four semester sequence.
